Effective January 1, 2023, Senate Bill 1439 went into effect prohibiting local elected officials from taking part in licensing, permitting, and other use entitlement proceedings involving a party or participant who has contributed more than \$250 to the official within the 12 months (previously was three months) prior to the proceeding.

What changes of GC 84308 should I be aware of?

- Local elected officials now fall under GC 84308 and no longer covers select appointed officials.
- The three month period in which a contribution is prohibited after a final decision is extended to twelve months.
- Allows an officer to cure a violation for an improper contribution accepted after the proceeding by returning the contribution within 14 days, if the acceptance was not knowing and willful.

CONTRIBUTION RULES

MAJOR DONOR NOTIFICATION

A major donor is an individual or entity that makes monetary or nonmonetary contributions (including loans) to state or local officeholders, candidates, and committees totaling \$10,000 or more in a calendar year.

Major donors may need to file:

- Form 461, Major Donor Statement
- Form 497, 24-Hour/10-Day Contribution report

* You **must** send a contributor of **\$5,000 or more** a notice that they may need to file as a major donor.

AB 571 & LOCAL CONTRIBUTION LIMITS

- Effective January 1, 2021, any local city or county who has not established contribution limits or a “no limit” ordinance, will be subject to the state limits (\$5,500 through December 31, 2024).
- This does not include special districts or school districts, only city and county candidates.
- The FPPC is not responsible for enforcing any local contribution limits.
 - The FPPC will enforce limits if a jurisdiction does not establish contribution limits and is thus subject to state limits.
