• **OPEN FORUM**

At this time members of the public may speak on any item of interest within the Commission’s jurisdiction. PUBLIC SPEAKERS: none

CONSENT CALENDAR

The Commission will take a single roll call vote on all of the items listed below in this section. The vote will be on approval of the staff report and recommendation in each case. Members of the Commission may request that any item on the Consent Calendar be singled out for separate discussion and vote.

PUBLIC HEARINGS

The hearing provides opportunity for all concerned persons to speak; the hearing will normally be closed after all testimony has been heard. If you challenge a Commission decision in court, you will be limited to issues raised at the public hearing or in correspondence delivered to the Planning and Building Department, at, or prior to, the public hearing.

The Commission will then vote on the matter based on the staff report and recommendation. If the Commission does not follow the staff recommendation and no alternate findings for decision have been prepared, then the vote on the matter will be considered a “straw” vote, which essentially is a non-binding vote directing staff to return to the Commission at a later date with appropriate findings for decision and, as applicable, conditions of approval that the Commission will consider in making a final decision.

#1	Location:	5701 International Boulevard
	Assessor’s Parcel Number(s):	041 3880029
	Proposal:	This is a re-notice of a project to establish 40 work/live units in an existing two-story industrial building. The new notice is required because the item has been moved to the January 10, 2024, Planning Commission meeting. All work is proposed for Building B at the site. On the second floor, the project would legalize 18 existing work/live units. The proposal would not change the floor plan of this floor. On the first floor, the project would legalize five existing work/live units, and part of an existing storage space would be converted to 17 work/live units. A 1,670 square-foot workspace would be preserved on this floor.

	Zoning:	IG General Industrial
	Proposed Environmental Determination:	Exempt per CEQA Sections 15301: Existing Facilities; and 15183 – Projects Consistent with a Community Plan, General Plan or Zoning

APPEALS

The Commission will take testimony on each appeal. If you challenge a Commission decision in court, you will be limited to issues raised at the public hearing or in correspondence delivered to the Planning and Building Department, at, or prior to, to the public hearing; provided, however, such issues were previously raised in the appeal itself.

Following the testimony, the Commission will vote on the staff report and recommendation. If the Commission reverses/overturns the staff decision and no alternate findings for decisions have been prepared, then the vote on the matter will be considered a "straw" vote, which essentially is a non-binding vote directing staff to return to the Commission at a later date with appropriate findings for decision and, as applicable, conditions of approval that the Commission will consider in making a final decision. Unless otherwise noted, the decisions in the following matters are final and not administratively appealable. Any party seeking to challenge these decisions in court must do so within ninety (90) days of the date of the announcement of the final decision, pursuant to Code of Civil Procedure section 1094.6, unless a shorter period applies.
