CONSENT CALENDAR

The Commission will take a single roll call vote on all of the items listed below in this section. The vote will be on approval of the staff report and recommendation in each case. Members of the Commission may request that any item on the Consent Calendar be singled out for separate discussion and vote.

PUBLIC HEARINGS

The hearing provides opportunity for all concerned persons to speak; the hearing will normally be closed after all testimony has been heard. If you challenge a Commission decision in court, you will be limited to issues raised at the public hearing or in correspondence delivered to the Planning and Building Department, at, or prior to, the public hearing.

The Commission will then vote on the matter based on the staff report and recommendation. If the Commission does not follow the staff recommendation and no alternate findings for decision have been prepared, then the vote on the matter will be considered a “straw” vote, which essentially is a non-binding vote directing staff to return to the Commission at a later date with appropriate findings for decision and, as applicable, conditions of approval that the Commission will consider in making a final decision.

If you wish to be notified on the decision of an agenda item, please contact the case planner for the specific agenda item.

APPEALS

The Commission will take testimony on each appeal. If you challenge a Commission decision in court, you will be limited to issues raised at the public hearing or in correspondence delivered to the Planning and Building Department, at, or prior to, to the public hearing; provided, however, such issues were previously raised in the appeal itself.

Following the testimony, the Commission will vote on the staff report and recommendation. If the Commission reverses/overturns the staff decision and no alternate findings for decisions have been prepared, then the vote on the matter will be considered a “straw” vote, which essentially is a non-binding vote directing staff to return to the Commission at a later date with appropriate findings for decision and, as applicable, conditions of approval that the Commission will consider in making a final decision. Unless otherwise noted, the decisions in the following matters are final and not administratively appealable. Any party seeking to challenge these decisions in court must do so within ninety (90) days of the date of the announcement of the final decision, pursuant to Code of Civil Procedure section 1094.6, unless a shorter period applies.
