THE COUNCIL OF THE CITY OF OAKLAND DOES ORDAIN AS FOLLOWS:

Section 1. Section 15.68.100 of the Oakland Municipal Code is hereby amended to read as follows (deletions are indicated by ~~strikeout text~~, and additions are indicated by double-underlined text):

15.68.100 Affordable Housing Trust Fund.

The City Administrator shall establish an Affordable Housing Trust Fund to provide assistance in developing and maintaining affordable housing in the City. The Affordable Housing Trust Fund shall receive all monies contributed pursuant to Sections 15.68.050 and 15.68.060 of this chapter, as well as those funds indicated below. The Affordable Housing Trust Fund may also receive funds from any other source.

An amount equal to twenty-five percent of all funds distributed to the City as a taxing entity under the Dissolution Laws, including both one time and ongoing distributions, net of the amount of distributed funds that is deposited with the KIDS First! Oakland Fund for Children and Youth under Section 1300 of the Charter, shall be deposited into the Affordable Housing Trust Fund. For purposes of this section, the “Dissolution Laws” include Parts 1.8 and 1.85 of Division 24 of the California Health and Safety Code, commencing with Section 34170, and other statutes governing the dissolution of redevelopment agencies and the wind-down of redevelopment activities. The funds subject to this setaside shall include, without limitation, distributions of property tax from the Redevelopment Property Tax Trust Fund (“RPTTF”), distributions

of sales proceeds and other revenues from the use or disposition of assets of the Oakland Redevelopment Successor Agency (“ORSA”), compensation paid to taxing entities by ORSA, and distributions of available cash assets of ORSA to taxing entities. This policy shall apply to distributions from the RPTTF under California Health and Safety Code Section 34183 starting in Fiscal Year 2015-2016, and shall apply to all other distributions received starting in Fiscal Year 2013-2014. As to distributions from the RPTTF, from Fiscal Year 2015-16 through Fiscal Year 2024-2025, this policy shall apply only to distributions to the City as a taxing entity of RPTTF funds under subsection (a)(4) of California Health and Safety Code Section 34183, which are residual amounts distributed to the City after all other RPTTF allocations are made, and shall not apply to distributions of RPTTF funds to the City under subsection (a)(1) of California Health and Safety Code Section 34183, which are amounts distributed to the City that the City would have received as passthrough payments if the Redevelopment Agency had not been dissolved. Starting in Fiscal Year 2025-2026, this policy shall apply to all distributions from the RPTTF to the City as a taxing entity under California Health and Safety Code Section 34183.

Funds deposited into the Affordable Housing Trust Fund, and all interest and investment earnings thereon, shall be used to increase, improve, and preserve the supply of affordable housing in the City, with priority given to housing for very low income households. For purposes of this paragraph, to "preserve" affordable housing means to acquire, finance, refinance, or rehabilitate housing that is at imminent risk of loss to the affordable housing supply due to termination of use restrictions, non-renewal of subsidy contract, mortgage default or foreclosure, or physical conditions that are likely to result in vacation of the property.

Funds may also be used to cover reasonable administrative or related expenses of the City not reimbursed through processing fees. No portion of the Affordable Housing Trust Fund may be diverted to other purposes by way of loan or otherwise.

Funds in the Affordable Housing Trust Fund shall be used in accordance with the adopted housing element to the City's General Plan, the Consolidated Plan, and subsequent housing plans adopted by the City Council, to subsidize or assist the City, other government entities, nonprofit organizations, private organizations or firms, or individuals in the construction, preservation or substantial rehabilitation of affordable housing. Monies in the Affordable Housing Trust Fund may be disbursed, hypothecated, collateralized or otherwise employed for these purposes from time to time as the City Administrator so determines is appropriate to accomplish the purposes of the Affordable Housing Trust Fund. Eligible uses include, but are not limited to, assistance with staff costs or other administrative costs attributable to a specific affordable housing project, equity participation in affordable housing projects, loans and grants (including, predevelopment loans or grants) to affordable housing projects, or other public/private

partnership arrangements. Monies from the Affordable Housing Trust Fund may be extended for the benefit of rental housing, owner occupied housing, limited equity cooperatives, mutual housing developments, or other types of affordable housing projects.

Notwithstanding the above, funds deposited into the Affordable Housing Trust Fund from fines and penalties received under the Foreclosed and Defaulted Residential Property Registration Program pursuant to Section 8.54.620 of this Code, or from fines, penalties, or other funds under other programs that designate the use of funds deposited into the Affordable Housing Trust Fund for foreclosure prevention or mitigation purposes, may be used for foreclosure prevention and mitigation activities, including but not limited to homebuyer or tenant assistance, rehabilitation, housing counseling, education, outreach, and advocacy activities, along with staff costs or other administrative costs attributable to such activities. Upon a finding by the City Council or the City Administrator that funds are no longer needed for foreclosure prevention or mitigation activities, such funds may also be used for other eligible Affordable Housing Trust Fund uses or for other low income or very low income tenant or homebuyer assistance. Funds received pursuant to Section 8.54.620 shall be appropriated to a separate project. For funds received under the Foreclosed and Defaulted Residential Property Registration Program or other programs that designate the use of funds for foreclosure prevention or mitigation purposes, the City Administrator or his or her designee is authorized to award grants and enter into grant contracts or service contracts without returning to the City Council in amounts not to exceed \$100,000.00.

The Affordable Housing Trust Fund shall be administered by the City Administrator, who shall have the authority to govern the Affordable Housing Trust Fund consistent with this section and to prescribe regulations for the administration and use of the Affordable Housing Trust Fund. Funds deposited to the Affordable Housing Trust Fund shall be appropriated on a continuous basis to projects to be established consistent with this section. Notwithstanding the foregoing, all allocations of funds from the Affordable Housing Trust Fund, except as provided for above with respect to grants or service contracts from funds received under the Foreclosed and Defaulted Residential Property Registration Program or other programs, shall be approved by the City Council. An annual report showing impact fees imposed, revenues collected, funds committed, expenditures made, and any decisions made as to requests for reductions or exceptions shall be forwarded by the City Administrator to the City Council.

Section 2. Section E of Ordinance No. 12502 C.M.S., as subsequently amended, is hereby amended to read as follows (deletions are indicated by ~~strikeout text~~, and additions are indicated by double-underlined text):

.....

E. Use of One Time Revenues To Repay Negative Fund Balances in Internal Service and Other Funds; and Provide Criteria for Project Carryforwards and Encumbrances in the GPF.

- 1) From time to time, the City may receive "one time revenues", defined as financial proceeds that will not likely occur on an ongoing basis, such as sales of property or proceeds from the refinancing of debt, but not including additional Real Estate Transfer Tax revenues discussed in Section "D" above.
- 2) Fiscal prudence and conservancy requires that one time revenues not be used for recurring expenses, that outstanding negative balances in various City funds be paid off, and that municipal capital projects addressing health and safety issues be adequately funded. Therefore, upon receipt of one time revenues, such revenues shall be used in the following manner, unless legally restricted to other purposes: to pay for one time expenses, to payoff negative fund balances in the Internal Service Fund, to payoff negatives in all other funds, or shall remain as fund balance in the appropriate fund.
- 3) Use of the "one time revenues" for purposes other than those established above may only be allowed upon declaration of a fiscal emergency. For the purposes of this Ordinance, "emergency" may be declared (1) by the Mayor and approved by the majority of the City Council or (2) by a majority vote of the City Council.
- 4) One time revenues set aside into the Affordable Housing Trust Fund under Oakland Municipal Code Section 15.68.100 from distributions of funds to the City under laws dissolving redevelopment agencies, as defined in the Municipal Code, shall be exempt from the restrictions in this Section E.

Section 3. The City Council hereby appropriates and transfers from the General Purpose Fund (1010), funds from distributions to the City as taxing entity designated for deposit into the Affordable Housing Trust Fund pursuant to the policy set forth in Section 1 above, to the Affordable Housing Trust Fund (fund number to be established).

Section 4. The City Council hereby appoints the City Administrator and his/her designee as agent of the City to take any actions necessary with respect to the setaside funding consistent with this Ordinance and its basic purpose.

Section 5. This Ordinance shall be in full force and effect immediately upon its passage as provided by Section 216 of the City Charter if adopted by at least six members of the City Council, or upon the seventh day after final adoption if adopted by fewer votes.
