STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at www.insurance.illinois.gov.

Utah:

1. If the **Sending Proof of Loss** provision provides a timeframe in which proof must be submitted before it affects Your claim, this time limitation shall not apply to You.

Vermont:

1. The following requirement applies:

Purpose: Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements are hereby superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

ELIGIBILITY AND ENROLLMENT

Eligible Persons: *Who is eligible for coverage?*

All persons in the class or classes shown in the Schedule of Insurance will be considered Eligible Persons.

Eligibility for Coverage: *When will I become eligible?*

You will become eligible for coverage on the later of:

- 1) the Policy Effective Date; or

- 2) the date on which You complete the Eligibility Waiting Period for Coverage shown in the Schedule of Insurance, if applicable.

Enrollment: *How do I enroll for coverage?*

All eligible Active Employees will be enrolled automatically by the Employer.

PERIOD OF COVERAGE

Effective Date: *When does my coverage start?*

Your coverage will start on the date You become eligible.

Deferred Effective Date: *When will my effective date for coverage or a change in my coverage be deferred?*

If You are absent from work due to:

- 1) injury;
- 2) sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy;

on the date Your insurance, or increase in coverage, would otherwise have become effective, Your insurance, or increase in coverage will not become effective until You are Actively at Work one full day.

Continuity From A Prior Policy: *Is there continuity of coverage from a Prior Policy?*

If You were:

- 1) insured under the Prior Policy; and
- 2) not eligible to receive benefits under the Prior Policy;

on the day before the Policy Effective Date, the Deferred Effective Date provision will not apply.

Is my coverage under The Policy subject to the Pre-existing Condition Limitation?

If You become insured under The Policy on the Policy Effective Date and were covered under the Prior Policy on the day before the Policy Effective Date, the Pre-existing Conditions Limitation will end on the earliest of:

- 1) the Policy Effective Date, if Your coverage for the Disability was not limited by a pre-existing condition restriction under the Prior Policy; or
- 2) the date the restriction would have ceased to apply had the Prior Policy remained in force, if Your coverage was limited by a pre-existing condition limitation under the Prior Policy.

The amount of the Monthly Benefit payable for a Pre-existing Condition in accordance with the above paragraph will be the lesser of:

- 1) the Monthly Benefit which was paid by the Prior Policy; or
- 2) the Monthly Benefit provided by The Policy.

The Pre-existing Conditions Limitation will apply after the Policy Effective Date to the amount of a benefit increase which results from a change from the Prior Policy to The Policy, a change in benefit options, a change of class or a change in The Policy.

Do I have to satisfy an Elimination Period under The Policy if I was Disabled under the Prior Policy?

If You received monthly benefits for disability under the Prior Policy, and You returned to work as a Full-time or Part-time Active Employee before the Policy Effective Date, then, if within 6 months of Your return to work:

- 1) You have a recurrence of the same disability while covered under The Policy; and
- 2) there are no benefits available for the recurrence under the Prior Policy;

the Elimination Period, which would otherwise apply, will be waived if the recurrence would have been covered without any further elimination period under the Prior Policy.

Termination: *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date The Policy no longer insures Your class;
- 3) the date premium payment is due but not paid;

- 4) the last day of the period for which You make any required premium contribution;
 - 5) the date Your Employer terminates Your employment; or
 - 6) the date You cease to be a Full-time or Part-time Active Employee in an eligible class for any reason;
- unless continued in accordance with any of the Continuation Provisions.

Continuation Provisions: *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium by the Employer; and
- 3) terminates if:
 - a) The Policy terminates; or
 - b) coverage for Your class terminates.

In any event, Your benefit level, or the amount of earnings upon which Your benefits may be based, will be that in effect on the day before Your coverage was continued. Coverage may be continued in accordance with the above restrictions and as described below:

Leave of Absence: If You are on a documented leave of absence, other than Family and Medical Leave or Military Leave of Absence, Your coverage may be continued for 12 month(s) after the month in which the leave of absence commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Layoff: If You are temporarily laid off by the Employer due to lack of work, Your coverage may be continued for 12 month(s) after the month in which the layoff commenced. If the layoff becomes permanent, this continuation will cease immediately.

Military Leave of Absence: If You enter active military service and are granted a military leave of absence in writing, Your coverage may be continued for up to 52 week(s). If the leave ends prior to the agreed upon date, this continuation will cease immediately.

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Coverage while Disabled: *Does my insurance continue while I am Disabled and no longer an Active Employee?*

If You are Disabled and You cease to be an Active Employee, Your insurance will be continued:

- 1) during the Elimination Period while You remain Disabled by the same Disability; and
- 2) after the Elimination Period for as long as You are entitled to benefits under The Policy.

Waiver of Premium: *Am I required to pay premiums while I am Disabled?*

No premium will be due for You:

- 1) after the Elimination Period; and
- 2) for as long as benefits are payable.

Extension of Benefits for Disability: *Do benefits continue if The Policy terminates?*

If You are entitled to benefits while Disabled and The Policy terminates, benefits:

- 1) will continue as long as You remain Disabled by the same Disability; but
- 2) will not be provided beyond the date We would have ceased to pay benefits had the insurance remained in force.

Termination of The Policy for any reason will have no effect on Our liability under this provision.

Conversion Right: *If my coverage under The Policy stops, do I have a right to conversion?*

If Your insurance terminates because:

- 1) Your employment ends for a reason other than Your retirement; or
- 2) You are no longer in an eligible class;

and if:

- 1) You have been continuously insured for at least 12 consecutive month(s) under The Policy or under both The Policy and the Prior Policy;
- 2) a Disability is not preventing You from performing duties of Your Occupation;

- 3) The Policy has not terminated; and
 - 4) You are not eligible or covered for similar benefits under another group policy;
- then You are eligible to enroll for personal insurance under another group policy called the group long term disability conversion policy.

How do I convert my coverage?

To obtain coverage under the group long term disability conversion policy, You must:

- 1) send Us a written enrollment request; and
 - 2) pay the required premium and enrollment fee for the conversion policy;
- within 31 days of the termination of Your insurance.

If You meet the preceding conditions, We will issue You a certificate of insurance under the group long term disability conversion policy. Such coverage will:

- 1) be issued without Evidence of Insurability;
- 2) be on one of the forms then being issued by Us for conversion purposes; and
- 3) be effective on the day following the date Your insurance under The Policy terminates.

The coverage available under the conversion policy may differ from The Policy. We will determine the terms of the group long term disability conversion policy, including:

- 1) the type and amount of coverage provided; and
- 2) the premium payable;

based on the kinds of insurance provided by the group long term disability conversion policy at the time such enrollment request is made.

BENEFITS

Disability Benefit: *What are my Disability Benefits under The Policy?*

We will pay You a Monthly Benefit if You:

- 1) become Disabled while insured under The Policy;
- 2) are Disabled throughout the Elimination Period;
- 3) remain Disabled beyond the Elimination Period; and
- 4) submit Proof of Loss to Us.

Benefits accrue as of the first day after the Elimination Period and are paid monthly. However, benefits will not exceed the Maximum Duration of Benefits.

Loss of License: If You are in an occupation that requires You to maintain a license, Your failure to pass a physical examination required to maintain that license does not alone mean that You are Disabled from Your Occupation or Any Occupation.

Mental Illness and Substance Abuse Benefits: *Are benefits limited for Mental Illness or Substance Abuse?*

If You are Disabled because of:

- 1) Mental Illness that results from any cause;
- 2) any condition that may result from Mental Illness;
- 3) alcoholism; or
- 4) the non-medical use of narcotics, sedatives, stimulants, hallucinogens, or any other such substance;

then, subject to all other provisions of The Policy, We will limit the Maximum Duration of Benefits.

Benefits will be payable for a total of 24 months, for all such disabilities during Your lifetime unless at the end of the 24 month period:

- 1) You are confined in a hospital or other place licensed to provide medical care for the disabling condition, in which case:
 - a) benefits will continue during the confinement; and
 - b) if You are still Disabled when discharged, benefits will continue for a recovery period of up to 90 days; and
 - c) if You become re-confined during the recovery period for at least 14 consecutive days, benefits will continue during the confinement and another recovery period of up to 90 days; or

- 2) You continue to be Disabled and, within 7 days become confined in a hospital, or other place licensed to provide medical care, for the disabling condition for at least 14 consecutive days in which case benefits will be paid while You are so confined.

Recurrent Disability: *What happens if I Recover but become Disabled again?*

Periods of Recovery during the Elimination Period will not interrupt the Elimination Period, if the number of days You return to work as an Active Employee are less than one-half (1/2) the number of days of Your Elimination Period.

Any day within such period of Recovery, will not count toward the Elimination Period.

After the Elimination Period, if You return to work as an Active Employee and then become Disabled and such Disability is:

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 6 months of the return to work;

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Policy remains in force.

If You return to work as an Active Employee for 6 months or more, any recurrence of a Disability will be treated as a new Disability. The new Disability is subject to a new Elimination Period and a new Maximum Duration of Benefits.

Period of Disability means a continuous length of time during which You are Disabled under The Policy.

Recover or Recovery means that You are no longer Disabled and have returned to work with the Employer and premiums are being paid for You.

Calculation of Monthly Benefit: Return to Work Incentive: *How are my Disability benefits calculated?*

If You remain Disabled after the Elimination Period, but work while You are Disabled, We will determine Your Monthly Benefit for a period of up to 12 consecutive months as follows:

- 1) multiply Your Indexed Pre-disability Earnings by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit. For the first 12 months that benefits are payable while working, We will only reduce Your Monthly Benefit by that amount of Your Current Monthly Earnings, which when combined with Your Monthly Benefit amount exceeds 100% of Your Indexed Pre-disability Earnings.

If You are Disabled and not receiving benefits under the Return to Work Incentive, We will calculate Your Monthly Benefit as follows:

- 1) multiply Your Monthly Income Loss by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit.

Calculation of Monthly Benefit: *What happens if the sum of my Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of my Indexed Pre-disability Earnings?*

If the sum of Your Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of Your Indexed Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of the excess. However, Your Monthly Benefit will not be less than the Minimum Monthly Benefit.

If an overpayment occurs, We may recover all or any portion of the overpayment, in accordance with the Overpayment Recovery provision.

Minimum Monthly Benefit: *Is there a Minimum Monthly Benefit?*

Your Monthly Benefit will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

Partial Month Payment: *How is the benefit calculated for a period of less than a month?*

If a Monthly Benefit is payable for a period of less than a month, We will pay 1/30 of the Monthly Benefit for each day You were Disabled.

Termination of Payment: *When will my benefit payments end?*

Benefit payments will stop on the earliest of:

- 1) the date You are no longer Disabled;
- 2) the date You fail to furnish Proof of Loss;
- 3) the date You are no longer under the Regular Care of a Physician;
- 4) the date You refuse Our request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the date You refuse to receive recommended treatment by Your treating Physician that is generally acknowledged by Physicians to cure, correct or limit the disabling condition;
- 7) the last day benefits are payable according to the Maximum Duration of Benefits Table;
- 8) the date Your Current Monthly Earnings:
 - a) are greater than 100% of Your Pre-disability Earnings during the first 12 months that You are receiving for being Disabled from Your Occupation; or
 - b) are equal to or greater than 80% of Your Indexed Pre-disability Earnings if You are receiving benefits for being Disabled from Your Occupation for a period exceeding 12 months; or
- 9) the date no further benefits are payable under any provision in The Policy that limits benefit duration.

Family Care Credit Benefit: *What if I must incur expenses for Family Care Services in order to participate in a Rehabilitation program?*

If You are working as part of a program of Rehabilitation, We will, for the purpose of calculating Your benefit, deduct the cost of Family Care from earnings received from work as a part of a program of Rehabilitation, subject to the following limitations:

- 1) Family Care means the care or supervision of:
 - a) Your children under age 13; or
 - b) a member of Your household who is mentally or physically handicapped and dependent upon You for support and maintenance;
- 2) the maximum monthly deduction allowed for each qualifying child or family member is:
 - a) \$350 during the first 12 months of Rehabilitation; and
 - b) \$175 thereafter;but in no event may the deduction exceed the amount of Your monthly earnings;
- 3) Family Care Credits may not exceed a total of \$2,500 during a calendar year;
- 4) the deduction will be reduced proportionally for periods of less than a month;
- 5) the charges for Family Care must be documented by a receipt from the caregiver;
- 6) the credit will cease on the first to occur of the following:
 - a) You are no longer in a Rehabilitation program; or
 - b) Family Care Credits for 24 months have been deducted during Your Disability; and
- 7) no Family Care provided by someone Related to the family member receiving the care will be eligible as a deduction under this provision.

Your Current Monthly Earnings after the deduction of Your Family Care Credit will be used to determine Your Monthly Income Loss. For the first 12 months, in no event will You be eligible to receive a Monthly Benefit under The Policy if Your Current Monthly Earnings before the deduction of the Family Care Credit exceed 100% of Your Pre-disability Earnings. After 12 months, in no event will You be eligible to receive a Monthly Benefit under The Policy if Your Current Monthly Earnings before the deduction of the Family Care Credit exceed 80% of Your Indexed Pre-disability Earnings.

Survivor Income Benefit: *Will my survivors receive a benefit if I die while receiving Disability Benefits?*

If You were receiving a Monthly Benefit at the time of Your death, We will pay a Survivor Income Benefit, when We receive proof:

- 1) of Your death; and
- 2) that the person claiming the benefit is entitled to it.

We must receive the proof for Survivor Income Benefits within 1 year of the date of Your death.

The Survivor Income Benefit will only be paid:

- 1) to Your Surviving Spouse; or
- 2) if no Surviving Spouse, in equal shares to Your Surviving Children.

If there is no Surviving Spouse or Surviving Children, then no benefit will be paid.

However, We will first apply the Survivor Income Benefit to any overpayment which may exist on Your claim.

If a minor child is entitled to benefits, We may, at Our option, make benefit payments to the person caring for and supporting the child until a legal guardian is appointed.

The Survivor Income Benefit amount is shown on the Schedule of Insurance.

Surviving Spouse means Your spouse who was not legally separated or divorced from You when You died. "Spouse" will include Your domestic partner provided You:

- 1) have executed a domestic partner affidavit, establishing that You and Your partner are domestic partners for purposes of The Policy; or
- 2) have registered as domestic partners with a government agency or office where such registration is available.

You will continue to be considered domestic partners provided You continue to meet the requirements described in the domestic partner affidavit or required by law.

Surviving Children means Your unmarried children, step children, legally adopted children who, on the date You die, are primarily dependent on You for support and maintenance and who are under age 26.

The term Surviving Children will also include any other children related to You by blood or marriage or domestic partnership and who:

- 1) lived with You in a regular parent-child relationship; and
- 2) were eligible to be claimed as dependents on Your federal income tax return for the last tax year prior to Your death.

- 3) caused by Your commission of or attempt to commit a felony;

Notice given by or on behalf of the claimant to Us at Sacramento, CA, with information sufficient to identify the insured Active Employee, shall be deemed notice to Us.

Claim Forms: *Are special forms required to file a claim?*

We, upon receipt of a notice of claim, will furnish to You such forms as are usually furnished by Us for filing proof of loss. If such forms are not furnished within 15 days after the giving of such notice You shall be deemed to have complied with the requirements of The Policy as to proof of loss upon submitting, within the time fixed in The Policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

Proof of Loss: *What is Proof of Loss?*

Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the Employee, later than one year from the time proof is otherwise required.

Time of Payment of Claim: *When are benefit payments issued?*

Payment of Claims: *To whom will my claim be paid?*

All payments are payable to You. Any payments owed at Your death may be paid to Your estate. If any indemnity of The Policy shall be payable to the estate of the insured employee, or to an insured employee or beneficiary who is a minor or otherwise not competent to give a valid release, We may pay such indemnity up to an amount not exceeding \$1,000 to any relative by blood or connection by marriage of the insured employee or beneficiary who is deemed by Us to be equitably entitled thereto. Any payment made by Us in good faith pursuant to this provision shall fully discharge Us to the extent of such payment.

Change of Beneficiary: *Who has the right to change the beneficiary?*

The right to change of beneficiary is reserved to the insured employee, and the consent of the beneficiary or beneficiaries shall not be requisite to any change in beneficiary.

Physical Examinations and Autopsy: *Will I be examined during the course of my claim?*

We at Our own expense shall have the right and opportunity to examine the person of the insured when and as often as We may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

Claim Denial: *What notification will I receive if my claim is denied?*

If a claim for benefits is wholly or partly denied, You will be furnished with written notification of the decision. This written notification will:

- 1) give the specific reason(s) for the denial;
- 2) make specific reference to The Policy provisions on which the denial is based;
- 3) provide a description of any additional information necessary to perfect a claim and an explanation of why it is necessary; and
- 4) provide an explanation of the review procedure.

Claim Appeal: *What recourse do I have if my claim is denied?*

On any claim, You or Your representative may appeal to Us for a full and fair review. To do so You:

- 1) must request a review upon written application within:
 - a) 180 days of receipt of claim denial if the claim requires Us to make a determination of disability; or
 - b) 60 days of receipt of claim denial if the claim does not require Us to make a determination of disability; and
- 2) may request copies of all documents, records, and other information relevant to Your claim; and
- 3) may submit written comments, documents, records and other information relating to Your claim.

We will respond to You in writing with Our final decision on the claim.

Benefit Estimates: *When does the Company estimate Other Income Benefits?*

We will use any reasonable means to estimate the amount of Other Income Benefits payable under the Canadian Pension Plan, The Quebec Pension Plan or any similar plan or act if We reasonably believe You and Your spouse and children are entitled to receive them but You and Your spouse and children have not applied; or failed to pursue them with reasonable diligence; or You have failed to provide Us with proof that You and Your spouse and children have applied for and reasonably pursued these benefits. We will deduct the estimated amount of this benefit from Your Monthly Benefit payable under this plan even if You and Your spouse and children are not receiving these benefits.

We will use any reasonable means to estimate the amount of temporary disability benefits payable to You under a workers compensation law or any other occupational disease law or similar act; or the amount of benefits payable to You under any statutory benefit law, plan or act if We reasonably believe You are entitled to receive them but You have not applied; or failed to pursue them with reasonable diligence; or failed to provide Us with proof that You have applied for and reasonably pursued these benefits. We will deduct the estimated amount of these benefits from Your Monthly Benefit payable under this plan even if You are not receiving these benefits.

Overpayment: *When does an overpayment occur?*

An overpayment occurs:

- 1) if the total amount We have paid in benefits is more than the amount that was due to You under The Policy; or
- 2) when payment is made by Us that should have been made under another group policy.

This includes, but is not limited to, overpayments resulting from:

- 1) retroactive awards received from sources listed in the Other Income Benefits definition;
- 2) failure to report, or late notification to Us of any Other Income Benefit(s) or earned income;
- 3) misstatement;
- 4) fraud; or
- 5) any error We may make.

Overpayment Recovery: *How does The Company exercise the right to recover overpayments?*

We have the right to recover from You any amount that is an overpayment. You have the obligation to refund to Us any such amount. Our rights and Your obligations in this regard may also be set forth in the reimbursement agreement You will be required to sign when You become eligible for benefits under The Policy.

If benefits are overpaid on any claim, You must reimburse Us within 30 days or contact Us to establish a reasonable recovery plan.

If reimbursement is not made in a timely manner, We have the right to:

- 1) recover such overpayments from:
 - a) You;
 - b) any other organization;
 - c) any other insurance company;
 - d) any other person to or for whom payment was made; and
 - e) Your estate;
- 2) reduce or offset against any future benefits payable to You or Your survivors until full reimbursement is made. Payments may continue when the overpayment has been recovered;
- 3) refer Your unpaid balance to a collection agency; and
- 4) pursue and enforce all legal and equitable rights in court.

Subrogation: *What are The Company's subrogation rights?*

If You:

- 1) suffer a Disability because of the act or omission of a Third Party;
- 2) become entitled to and are paid benefits under The Policy in compensation for lost wages; and
- 3) initiate legal action for the recovery of such benefits from the Third Party;

then We will be subrogated to any rights You may have against the Third Party.

Third Party as used in this provision, means any person or legal entity whose act or omission, in full or in part, causes You to suffer a Disability for which benefits are paid or payable under The Policy.

Reimbursement: *What are The Company's Reimbursement Rights?*

We have the right to request to be reimbursed for any benefit payments made or required to be made under The Policy for a Disability for which You recover payment from a Third Party.

If You recover payment from a Third Party as:

- a) a legal judgment;
- b) an arbitration award; or
- c) a settlement or otherwise;

You must reimburse Us for the lesser of:

- a) the amount of payment made or required to be made by Us; or
- b) the amount recovered from the Third Party, attributable to loss of income, less any reasonable legal fees associated with the recovery.

Third Party as used in this provision, means any person or legal entity whose act or omission, in full or in part, causes You to suffer a Disability for which benefits are paid or payable under The Policy.

Legal Actions: *When can legal action be taken against Us?*

No action at law or in equity shall be brought to recover on The Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of The Policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

Insurance Fraud: *How does The Company deal with fraud?*

Insurance Fraud occurs when You and/or Your Employer knowingly provide Us with false information or file a claim for benefits that contains any false, incomplete or misleading information with the intent to injure, defraud or deceive Us. It is a crime if You and/or Your Employer commit Insurance Fraud. We will use all means available to Us to detect, investigate, deter and prosecute those who commit Insurance Fraud. We will pursue all available legal remedies if You and/or Your Employer perpetrate Insurance Fraud.

The falsity of any statement in the application shall not prevent the right to recovery under The Policy unless such false statement was made with actual intent to deceive or unless it materially affects either the acceptance of the risk or the hazard assumed by Us.

Time Limit on Certain Defenses: *What happens if facts are misstated?*

After this Policy has been in force for a period of two years, no statements of the Employer contained in the application, and no statement relating to insurability made by any Active Employee eligible for coverage under The Policy shall be used to deny a claim or in contesting the validity of the insurance with respect to which such statement was made after the insurance has been in force prior to the contest for a period of two years during the lifetime of the person with respect to whom any such statement was made.

No claim for loss incurred or disability, as defined in The Policy, commencing after two years from the effective date of the insurance coverage with respect to which the claim is made shall be reduced or denied on the ground that a disease or physical condition, not excluded from coverage by name or specific description effective on the date of loss, had existed prior to the effective date of the coverage with respect to which the claim is made.

Other Misstatements: *What happens if other facts are misstated?*

If other material facts about You were not stated accurately:

- 1) Your premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

Eligibility Determination: *How will We determine Your eligibility for benefits?*

We, and not Your Employer or plan administrator, have the responsibility to fairly, thoroughly, objectively and timely investigate, evaluate and determine Your eligibility or Your beneficiaries for benefits for any claim You or Your beneficiaries make on The Policy. We will:

- 1) obtain with Your cooperation and authorization if required by law, only such information that is necessary to evaluate Your claim and decide whether to accept or deny Your claim for benefits. We may obtain this information from Your Notice of Claim, submitted proofs of loss, statements, or other materials provided by You or others on Your behalf; or, at Our expense We may obtain necessary information, or have You physically examined when and as often as We may reasonably require while the claim is pending. In addition, and at Your option and at Your expense, You may provide Us and We will consider any other information, including but not

limited to, reports from a Physician or other expert of Your choice. You should provide Us with all information that You want Us to consider regarding Your claim;

- 2) as a part of Our routine operations, We will apply the terms of The Policy for making decisions, including decisions on eligibility, receipt of benefits and claims, or explaining policies, procedures and processes;
- 3) if We approve Your claim, We will review Our decision to approve Your claim for benefits as often as is reasonably necessary to determine Your continued eligibility for benefits;
- 4) if We deny Your claim, We will explain in writing to You or Your beneficiaries the basis for an adverse determination in accordance with The Policy as described in the provision entitled **Claim Denial**.

In the event We deny Your claim for benefits, in whole or in part, You can appeal the decision to Us. If You choose to appeal Our decision, the process You must follow is set forth in The Policy provision entitled **Claim Appeal**. If You do not appeal the decision to Us, then the decision will be Our final decision.
