

## Oakland Police Department 2020 Munitions Expenditures

In 2020, the Oakland Police Department has made the following expenditures for munitions:

<b>OPD 2020 Munitions Purchases</b>	
7-Aug-20	\$3,700
28-Sep-20	\$3,750
2-Oct-20	\$16,800
<b>Total</b>	<b>\$24,250</b>

These munition purchases, which included impact projectiles, tear and CS gas, and smoke grenades, were the first such purchases by the Oakland Police Department since 2013. It should be noted that these munitions were not purchased or used solely for the purpose of protests/crowd control. The munitions are used by the Oakland Police Department during various applications (e.g. Tactical Operations, Side Show Abatement/Responses and Training). The total amount noted above was to replenish stock that had been used over the previous seven (7) years.
