Are you a sole proprietor or small business with 25 employees or fewer that experienced income loss as a result of the COVID-19 pandemic? If so, we encourage you to check out the new Alameda County Small Business Recovery Grant Program that launches on Monday, October 10th and closes on Monday, October 31st. The program is open to all eligible sole proprietors and small businesses with 25 employees or fewer and is administered by the East Bay Economic Development Alliance (East Bay EDA) and the Alameda County Community Development Agency's [Economic & Civic Development Department](#).

Eligible applicants can receive a one-time grant of \$5,000 for home-based businesses and \$10,000 for brick-and-mortar businesses. Grant funds will not require repayment. Businesses that apply also must not have previously received COVID-19 related ARPA funding from Alameda County. Funds are limited and not everyone who applies is guaranteed to receive funding. If the total funding requests for all grant applications exceeds available funding levels, grants will be awarded by lottery.

For more information about the program, please visit www.acbusiness.org or www.eastbayeda.org/grants.
