WHAT'S NEW

CalPERS Plan Changes for 2022

HMO and EPO Plans

- Blue Shield Access+: This plan will move into eight Bay Area counties including: Alameda, Contra Costa, Marin, San Francisco, San Mateo, Santa Clara, Sonoma, and Solano.
- Blue Shield EPO: This plan will expand into the Lassen and Shasta counties.
- Blue Shield Trio: This plan will expand into Orange, Santa Cruz, and Stanislaus counties.
- UnitedHealthcare SignatureValue Harmony: This is a new plan that will be available in Los Angeles, Orange, Riverside, San Bernardino, and San Diego counties.
- Western Health Advantage: This plan will expand into Humboldt County.

PPO Plans

CalPERS' three PPO plans, PERSCare, PERS Choice, and PERS Select, will transition to two plans. These plans will be PERS Platinum and PERS Gold. The two PPO plans will offer more distinction in benefit design, networks, and pricing.

- PERSCare: This plan will transition to PERS Platinum and will retain the same 10% coinsurance benefit design and network as the PERSCare/PERS Choice.
- PERS Choice: This plan will transition to PERS Platinum and will offer a 10% coinsurance benefit design. PERS Platinum will retain the network of PERSCare/PERS Choice.
- PERS Select: This plan will transition to PERS Gold and retain the same 20% coinsurance benefit design and network as PERS Select.
