

Important Changes to Local Campaign Finance Laws Effective in 2023

With the passage of [Measure W](#), the Oakland Fair Elections Act (OFEA) took effect creating a new public campaign financing program (Democracy Dollars Program). In addition, Measure W includes important amendments to the Oakland Campaign Reform Act (OCRA). Moving forward campaign finance will look and function differently in Oakland. From new contribution limits to new disclosure requirements, candidates and campaign committees need to become familiar with the new landscape. This advisory provides a brief overview of the major changes. Stay tuned for more detailed guides and training opportunities in the second half of the year.
