## **Wednesday, January 31**

### **As Storms Arrive**

Severe weather is forecasted in Oakland, with 2-3" of rain and winds up to 45mph predicted from Wednesday 1/31 into Thursday 2/1. The City of Oakland is activating two emergency locations for anyone needing shelter from the storm.

- Jack London Square Aquatic Center - 115 Embarcadero
- East Oakland Sports Center - 9161 Edes Ave

Both locations will open at noon on 1/31 and close at 10am on 2/1.

These locations will provide food, drinking water, shelter space, and warmth. Families may stay together while sheltering. Pets can be accommodated off-site by Oakland Animal Services for the duration of the shelter hours. Visitors are welcome to bring a bag of critical personal items, and additional belongings may be accommodated only as space allows.

If you are looking for housing or services, please call 2-1-1.
