- in the last year, had an annual income at or less than 80 percent of Oakland Average Medium Income, which is to be adjusted for household size; and,

CALCULATION OF CANNABIS BUSINESS TAXES

Marginal vs. Non-Marginal Tax Rates:

Generally, marginal tax rate applies different tax rate at different level of gross receipts while non-marginal tax rate applies the tax rate to the entire amount of gross receipts.

The adopted 2022 Cannabis Business Tax Rates are marginal tax rates. The non-marginal tax rates apply to those cannabis businesses engaged in the sale of cannabis (store- front retail/delivery) or indoor cultivation of cannabis <u>and</u> generated more than \$5M in total gross receipts in 2024 or estimated to generate more than \$5M in total gross receipts in 2025.

VERTICALLY INTEGRATED CANNABIS BUSINESSES

A "Vertically Integrated Cannabis Business" is a business that generates gross receipts from more than one taxable activity or operation, such as those that are licensed as a Microbusiness from the California Cannabis Bureau of Control.

The applicable tax rate is the tax rate that produces the highest amount of the taxes owed based on the total gross receipts generated by the business without respect to the portion of gross receipts generated from any particular taxable activity (OMC § 5.04.205.(P)(3)).

RELATED ENTITIES AND MASTER CERTIFICATE

All persons and their related entities, such as a subsidiary or subsidiaries that are wholly owned by another company or an entity engaging in similarly categorized business activities from separate branch establishments or places of business shall be required to aggregate the gross receipts attributable to the City and file one tax declaration for all the related entities or places of businesses. (OMC § 5.04.310 and OMC § 5.04.320).

SUMMARY

The following is a matrix summarizing the above-mentioned requirements and the timeline upon which cannabis businesses need to timely report and/or pay the taxes in order to retain the local authorization for state licenses.

The Year the Business established Tax Years Needed to Pay		What to do by March 3, 2025	When to Pay		
Before 2024	2025	Declare 2024 Gross Receipts	March 3, 2025		
In 2024	2024 and 2025	Declare 2024 Gross Receipts and Estimated 2025 Gross Receipts	March 3, 2025		

CANNABIS BUSINESS TAX PAYMENT PLAN

Payment plans will continue to be provided for those with a 2025 tax obligation in excess of \$25,000. The maximum number of payments will remain at ten (10) equal payments, with the first payment beginning in April 2025 and ending in January 2026 with the final payment.

Cannabis businesses with active payment plans are required to continue making payment as required.

DEDUCTIBLE COSTS

Cannabis businesses engaging in cultivation and manufacturing operations can deduct the cost of raw materials from the gross receipts. The costs of raw materials are for any materials, excluding prepackaging or finished products, used in the cultivation and/or the manufacturing process of cannabis. No other costs can be deducted.

APPORTIONMENT GUIDELINES

Taxpayers who are engaged in business activities within and outside the city may be entitled to apportionment of gross receipts. Gross receipts are subject to apportionment only when the taxpayer can document that the gross receipts are attributed to substantial out-of-city activities. It is the responsibility of the taxpayer to request in writing for an apportionment of the gross receipts and provide the necessary documentation to support out-of-city activities. Otherwise, no apportionment and/or exclusion will be allowed.

OMC Section 5.04.270(D): The City Administrator may issue guidelines to be used to determine the appropriate apportionment method for any given business. Such guidelines may be general or specific to a particular industry or industries.

For the Apportionment Guideline for cannabis businesses, please visit https://cao-94612.s3.amazonaws.com/documents/ruling10.pdf for information. If apportionment is claimed, please attach a separate sheet detailing 1) the total gross receipts, 2) the amount of gross receipts apportioned from the total gross receipts, 3) the local jurisdiction(s) in which the business activities occur, and 4) the applicable business license number or business tax certificate number issued from the local jurisdiction(s) from which your company engages in the business.

PRIOR UNPAID TAXES

Businesses with prior unpaid taxes should contact the Finance Department to make arrangement for the payment of unpaid taxes to avoid the possibility of having the City's permit and local authorization for state license(s) revoked, assessment of taxes and charges that could be substantial and possible legal action.

QUESTIONS

If you need to make an appointment, require assistance in the calculation of the tax or have questions, please contact the Finance Department – Revenue Audit Unit at (510) 238-3084 or at Audit@OaklandCA.gov.

As always, the City of Oakland values its business relationship with and looks forward to working with you to ensure your timely filing and paying the Business Tax to retain the local authorization for your state license.

SAMPLE EQUITY CANNABIS CONFIRMATION EMAIL

EQUITY APPLICANT: XXX

ADDRESS: XXX

APPLICATION FILED UNDER: XXX DBA: XXX

Thank you for submitting your cannabis permit application and supporting documents. This email is to confirm that your eligibility as an equity applicant has been reviewed and verified.

As you may be aware, equity applicants are exempt from city permitting fees under OMC 5.80.045(C) and 5.81.060(C).

To avoid paying any building or fire department fees, the equity qualified individual must present this email confirming your equity status along with an ID to the Building/Fire Prevention cashiering staff when you apply/request any Building or Trade permits or inspections.

Alternatively, the equity qualified individual may identify an authorized representative to act on their behalf by completing the attached "Letter of Agency" form and having it notarized. The representative must present this authorization form along with this email to staff to avoid paying City fees. This will help minimize confusion and ensure our limited city resources are spent per the policies determined by our council.

Please note this fee exemption does not apply to general applicants, including those incubating equity applicants. If the equity applicant is operating at the same property as their general applicant incubator, the equity applicant must provide a floor plan which distinguishes the equity applicant's space from the general applicant's space.
