**Via: In-person**

**MEETING CALL TO ORDER :** Chair Renk at 3:00 p.m.

**WELCOME BY THE CHAIR:** Chair Renk

**ROLL CALL:** Haneefah Rasheed

**Commissioners Present:** Renk, Li, Shirazi, Robb, Ahrens, Randolph

**Commissioner(s) Absent:** Sandoval

**Staff Present:** Catherine Payne, Haneefah Rasheed, Christopher Tan, Timothy Green, Alexia Rotberg, Michael Branson, Laura Kaminski, Lakshmi Rajagopalan, Edward Manasse

**COMMISSION BUSINESS**

- **Agenda Discussion:** At the March 5, 2025, Planning Commission meeting, the Planning Commissions asked questions regarding the Brooklyn Basin parking and shuttle. However, Secretary Payne erroneously indicated that we would revisit the body with an information report, but in fact, it has to be scheduled prior to providing a response. Secretary Payne stated that it was determined that the questions were factual about how the shuttle was operating and the regulations that were adopted, but she cannot provide analysis or opinion about them. However, she provided facts under Commissions Matters as a result of questions from the body.
  - **Director's Report**
  - **Informational Reports**
  - **Committee Reports**
  - **Commission Matter:** Secretary Payne and Christopher Tan responded to specific questions about Brooklyn Basin from the March 5, 2025, Planning Commission meeting. Formal informational report will be provided in the future.
  - **City Attorney's Report**
- **OPEN FORUM**

At this time members of the public may speak on any item of interest within the Commission’s jurisdiction. At the discretion of the Chair, speakers are generally limited to two minutes or less if there are six (6) or less speakers on an item, and one minute or less if there are more than six (6) speakers.

**Public Speaker(s):** John Klein

**CONSENT CALENDAR**

The Commission will take a single roll call vote on all of the items listed below in this section. The vote will be on approval of the staff report and recommendation in each case. Members of the Commission may request that any item on the Consent Calendar be singled out for separate discussion and vote.

**PUBLIC HEARINGS**

The hearing provides opportunity for all concerned persons to speak; the hearing will normally be closed after all testimony has been heard. If you challenge a Commission decision in court, you will be limited to issues raised at the public hearing or in correspondence delivered to the Planning and Building Department, at, or prior to, the public hearing.

The Commission will then vote on the matter based on the staff report and recommendation. If the Commission does not follow the staff recommendation and no alternate findings for decision have been prepared, then the vote on the matter will be considered a “straw” vote, which essentially is a non-binding vote directing staff to return to the Commission at a later date with appropriate findings for decision and, as applicable, conditions of approval that the Commission will consider in making a final decision.
