COMMISSION BUSINESS

- **Agenda Discussion:** Secretary Payne noted that the last item on the agenda, Item #2, is an informational report to the planning commission with regards to the Annual Progress Report (APR). - **Director's Report:** Director Gilchrist provided a brief statement.
- **Informational Reports:** Chair Shirazi moved Item #2, which staff has erroneously put on the agenda as a public hearing item, back to its proper place, so that it can be considered under informational report.

Note: The following public speakers were erroneously called to speak during informational reports instead of open forum as requested. However, their comments were noted in open forum. They were invited to speak again during open forum; they declined.

Public Speaker(s): Naomi Shiff, Susan Shawl

CONSENT CALENDAR

The Commission will take a single roll call vote on all of the items listed below in this section. The vote will be on approval of the staff report and recommendation in each case. Members of the Commission may request that any item on the Consent Calendar be singled out for separate discussion and vote.

PUBLIC HEARINGS

The hearing provides opportunity for all concerned persons to speak; the hearing will normally be closed after all testimony has been heard. If you challenge a Commission decision in court, you will be limited to issues raised at the public hearing or in correspondence delivered to the Planning and Building Department, at, or prior to, the public hearing.

The Commission will then vote on the matter based on the staff report and recommendation. If the Commission does not follow the staff recommendation and no alternate findings for decision have been prepared, then the vote on the matter will be considered a "straw" vote, which essentially is a non-binding vote directing staff to return to the Commission at a later date with appropriate findings for decision and, as applicable, conditions of approval that the Commission will consider in making a final decision.
