5. Discussion Item: Event Planning for Community Action Month in May

a. Grantee Mixer

b. Updates on 3 bids process

A. Gums reported she submitted bids for the mixer, which included Calabash, Oeste, and Lake Chalet. Calabash bid came out to \$56 per person. The committee decided that \$56 per person was deemed too expensive. The group discussed alternatives, such as having a free or low-cost event. Piggybacking on another event. Having committees provide budget guidance. A. Gums mentioned that Chair M. Rivera (from the Executive Committee) suggested another caterer who might cost less, but she was skeptical about finding a caterer below \$1,000 for 50 people. The group ultimately shifted focus from a traditional mixer to a community service event targeting seniors, which would be more cost-effective and align with their mission.

a. Community Service Event Concept

- Target: Seniors in low-income areas
- Locations considered: East Oakland, Unincorporated Oakland, Senior Centers

b. Potential activities:

- Bingo night.

- Providing care packages
- Distributing swag bags.

c. Care Package Contents:

- Branded bags
- Water bottles
- Word search puzzles
- Playing cards
- Potential prizes for bingo.

d. Additional Community Engagement Opportunities:

- Head Start Fairyland event in April.
- Opportunity to conduct community needs assessment survey.
- Focus on direct service to the community.

c. Logistical Considerations

- Budget constraints (under \$2,800)
- Need for board member participation.
- Coordination with existing senior center programs.
