3. A disabled parking space shall not be misused. Any misuse shall result in the removal of the space. Misuse shall be determined by the Transportation Services Manager, in his or her discretion. In ascertaining whether a disabled space has been misused, the Manager shall consider the following factors:
  - a. the extent of the Applicant's disability;
  - b. the length of time in which the Applicant has left the vehicle in the space without operating it;
  - c. misuse of the Applicant's disabled placard or license plates;
  - d. any violation by the Applicant of O.M.C. Chapter 10.28, applicable sections of the California Vehicle Code (CVC) or this policy;
  - e. any other factors the Transportation Services Manager deems reasonable and relevant to the issue.
4. The disabled parking space is not a private space and may be used by other vehicles licensed to park in a disabled parking zone on a first-come first-served basis.
5. The authority to enforce parking laws are the responsibility of the Oakland Police Department and the Parking Enforcement Division; complaints received regarding illegally parked vehicles are always taken in the order in which they are called in and prioritized based on the level of service required.
6. The space shall not to be used for long-term storage of vehicles. The vehicle must be kept in good repair and shall be operational, as outlined in the California Vehicle Code. For this policy, long-term storage of vehicles is defined as any vehicle parked or left standing on a public street in the same location and not driven or moved more than fourteen consecutive calendar days.

If the RDPZ Applicant disagrees with any decision made by the Parking and Mobility Manager, then the Applicant shall have the right to appeal to the City ADA Coordinator.
