Community Insights Needed for Oakland's Equitable Climate Action Plan: Online Survey Now Live! – The City of Oakland is developing its next 10-year Equitable Climate Action Plan (ECAP), and we need to hear from YOU! The ECAP will identify how Oaklanders and the City can work together to stop climate change and adapt to a changing climate. In October 2018, City Council adopted a Climate Emergency and Just Transition Resolution, calling for an urgent climate mobilization effort to reverse global warming, reduce greenhouse gas emissions as quickly as possible, and be more resilient in the face of intensifying climate impacts. This includes creating good green jobs, reducing pollution, and helping Oaklanders to thrive.

The ECAP is the tool that will make this happen. Whether or not you made it to one of our ECAP Community Workshops, we urge you to complete the survey. Take part in shaping this important plan, to ensure that it reflects the needs and dreams of Oakland's diverse communities! The survey is live online in [English](#), [Spanish](#), and [Chinese](#). It is also linked directly from <https://www.oaklandca.gov/projects/2030ecap>. **The survey closes on Sunday, September 29.**

New Exhibit! – Through September 30, the Oakland History Room is hosting a new exhibit called OAKLAND FIRE@150. The exhibit commemorates the sesquicentennial of the Oakland Fire Department. The display features photographs, books, articles, ephemera, and artifacts that tell the story of the department's evolution from an all-volunteer crew on horse-drawn wagons to today's high-tech operation. Sidewalk Repair Permits: Summer Discount!– Are you planning to buy, sell, or substantially renovate property in Oakland? Make sure to add sidewalk repairs to your to-do list. Beginning July 9, 2019, a new city ordinance requires that sidewalks repairs must be completed before title transfer or with the permitting of a major renovation. Sidewalk repairs, which are the responsibility of the adjacent property owner, help ensure everyone can get around Oakland

safely. And luckily, there's a 90-day grace period as this new requirement rolls out. For more information, review OakDOT's sidewalk certification webpage which provides answers to frequently asked questions for property owners, sellers, and buyers: <https://www.oaklandca.gov/resources/sidewalk-certification-faq> or contact the OakDOT Permit Counter at (510) 238-3199.
