Ready, Oakland?

Did you know? We celebrate CERT Week each June in Oakland, CA! In honor of CERT Week this year, here are 3 actions your Emergency Management Services Team is taking to ready Oakland:

1. We're hosting the first ever Oakland CERT Walk!
2. We're launching our 7 Day, **7 Things You Learn In CERT** Social Media Campaign!
3. We're installing 75 new #ReadyOakland Sidewalk Decals!

Wondering how you can help ready Oakland?

In addition to encouraging your volunteers, customers, and staff to register for and complete an Oakland CERT or PEP training course in the coming year, we'd love to partner with you **during Oakland CERT Week**. City teams will be conducting outreach activities at various high traffic locations across Oakland.

If you would also like to promote Oakland CERT Week let us know and at a minimum, we will deliver:

1. Informational resources (fliers, pamphlets, magnets, stickers, etc.) for you to give patrons of your establishment
2. An informational poster for display in your establishment
3. A #ReadyOakland floor/sidewalk decal for display in/outside of your establishment

If your Organization would like to partner with the City of Oakland for Oakland CERT Week, kindly fill out the form below and let us know when we can come back to conduct community outreach in/around your business.
