1. INTRODUCTION

This Annual Continuing Disclosure Report (the “Report”), formerly referred to as the “Annual Financial Information Statement, represents the consolidated Continuing Disclosure Filing for the City of Oakland, California (the “City”), the Oakland Redevelopment Successor Agency (successor agency to the former Redevelopment Agency of the City of Oakland (the “ORSA”)), the Oakland Joint Powers Financing Authority (the “Authority”) and includes the City’s disclosure obligations in connection with bonds issued by the Oakland-Alameda County Coliseum Authority (the “OACCA”).

This Report contains information required to be provided by the City, ORSA and the Authority for the fiscal year ended June 30, 2022 (“Fiscal Year 2022”) under various continuing disclosure certificates and agreements set forth in Table 1 (referred to collectively as the “Disclosure Undertakings”). This Report is being filed with the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access (“EMMA”) system pursuant to the provisions of the Disclosure Undertakings.

The following additional documents, which also contain certain information relating to the Disclosure Undertakings, are filed separately with EMMA and are hereby incorporated by reference into this Report.

1. City of Oakland Adopted Policy Budget Fiscal Year 2021 - 2023
2. City of Oakland Annual Comprehensive Financial Report for Fiscal Year Ended June 30, 2022 (the “2022 ACFR”)
3. Oakland Redevelopment Successor Agency Annual Financial Report for Fiscal Year Ended June 30, 2022
4. Oakland-Alameda County Coliseum Authority Financial Report for Fiscal Year Ended June 30, 2022
5. Continuing Disclosure Annual Reports for the City’s “2012 Limited Obligation Refunding Improvement Bonds, Reassessment District No. 99-1” and “Piedmont Pines Phase 1, Limited Obligation Refunding Bonds (Reassessment and Refunding of 2018)”, each for Fiscal Year Ended June 30, 2022. (See also Section 6 hereof).

The City is a member of the OACCA, a joint exercise of powers agency organized under the laws of the State of California. The OACCA was formed for the purpose of assisting in the financing of public capital projects, such as the Oakland-Alameda County Coliseum complex. The OACCA issued certain bonds for which the City agreed to provide the holders of such bonds certain annual financial information, which information is included in this Report.

The City, ORSA and the Authority on occasion have served as the conduit issuer for financings for which neither the City, ORSA nor the Authority is obligated with respect to the payment of debt or the provision of continuing disclosure. For continuing disclosure information regarding those conduit bonds, the appropriate conduit borrower would need to be contacted. Currently, neither the City, nor ORSA, nor the Authority have any outstanding conduit debt. Additionally, the Port of Oakland (the “Port”), a department of the City, is a separate reporting entity. No information relating to the Port or its financings has been provided in this document. Such information may be requested directly from the Port by contacting (510) 627-1100. No information obtained from the Port is incorporated herein by this reference.

Some of the information contained in this Report was obtained from sources outside the City. While the City, ORSA and the Authority believe such sources to be reliable, the accuracy and reliability of such information is not guaranteed by the City, ORSA, or the Authority. The information presented is as of the

date so indicated, and if no date is indicated, as of the date of this Report, and is subject to change. Except as may be expressly required by a Disclosure Undertaking, none of the City, ORSA or the Authority has any obligation to update any information contained in this Report. No representation is made as to the materiality of the information set forth herein. Further, no representation is made that this Report is indicative of the future financial or operating performance of the City, ORSA, or the Authority.

Additionally, the City, ORSA, or the Authority may from time to time voluntarily include information in this Report that is not required by any Disclosure Undertakings. The City, ORSA and the Authority reserve the right to amend or cease to provide such information at any time. The inclusion of any such information in this Report shall not create any obligation to update such information or to include it in any future report.

In all tables throughout this Report, numbers may not add up due to rounding.

Investors may obtain additional information about this Report from EMMA's website or inquiries may be directed to:

(1) Principal amounts shown represent half of total original and outstanding par of such bonds, representing the amount that is directly attributable to the City. The lease payments securing these bonds are joint and several obligations of both the County and the City. The County and the City have each covenanted to budget and appropriate one-half of the annual lease payments, and to take supplemental budget action if required to cure any deficiency in the amount not paid or appropriated by the other party (i.e., the County, in the case of City).

(2) Private placement.

Other Long-Term Obligations and Other Obligations

See the 2022 ACFR, which is on file with EMMA, for information on the City’s long-term debt and other obligations, including page 19 (Long-Term Obligations), pages 73 through 83 (Note G: Long-Term And Other Obligations – Primary Government) and page 169 (Schedule 14) thereof. Slight inconsistencies between the totals shown in the 2022 ACFR and this Report are due to rounding conventions.

3. CERTAIN INFORMATION REGARDING THE CITY OF OAKLAND

5. CERTAIN INFORMATION REGARDING THE OAKLAND REDEVELOPMENT SUCCESSOR AGENCY

Assembly Bill x1 26

On December 29, 2011, the California Supreme Court issued its decision in the case of California Redevelopment Association v. Matosantos which upheld Assembly Bill x1 26 (the “Dissolution Act”) (“ABx1 26”) and invalidated Assembly Bill x1 27 (legislation that would have permitted redevelopment agencies to continue operation if their sponsoring jurisdiction agreed to make certain payments). As a result, all California redevelopment agencies, including the Redevelopment Agency of the City of Oakland (the “former Redevelopment Agency”), were dissolved on February 1, 2012, with no mechanism for reinstatement. Successor agencies were designated as successor entities to the former redevelopment agencies to wind down the affairs of the former redevelopment agencies.

On January 10, 2012, the City Council designated the City of Oakland to serve as the successor agency and the housing successor to the former Redevelopment Agency. Subsequently, on July 17, 2012, the City established the Oakland Redevelopment Successor Agency (“ORSA”) to act as successor agency. Except for the housing assets retained by the City, the assets and liabilities of the ORSA are separate from the assets and liabilities of the City.

Outstanding Oakland Redevelopment Successor Agency Debt

The former Redevelopment Agency issued several series of tax allocation and housing set aside revenue bonds. In addition, the ORSA has issued bonds refunding certain of the bonds issued by the former Redevelopment Agency. The following tables list the outstanding tax allocation debt and other bonds issued by the former Redevelopment Agency and the ORSA.

- (1) Starting in Fiscal Year 2011-12, to the extent not needed for existing housing obligations, the excess will be deposited in the RPTTF to pay other outstanding obligations.
- (2) Pursuant to subordination requests sent by the former Redevelopment Agency to all affected taxing entities on June 16, 2006, all taxing entities have agreed, or are deemed to have agreed, in accordance with the Redevelopment Law to subordinate the receipt of their tax sharing payments to debt service on the Series 2006C Bonds. Pursuant to subordination requests sent by the former Redevelopment Agency to all affected taxing entities on September 8, 2010, all taxing entities have agreed, or are deemed to have agreed, in accordance with the Redevelopment Law to subordinate the receipt of their tax sharing payments to debt service on the Series 2010-T Bonds.
- (3) Beginning in Fiscal Year 2016-17, the County Auditor Controller is no longer allocating the City's pre-1989 pension fund tax rate revenues to the RPTTF. Revenue from the City's Pension Fund override tax levy will, per the original pledge of Tax Revenue, be made available in the event of a shortfall in revenues necessary to pay debt service but will otherwise be allocated directly to the City of Oakland.

Central District Redevelopment Project Area

The table below provides a summary of certain data relating to the Redevelopment Plan (the “Plan”) for the Central District Redevelopment Project Area (“Central District”), including the amendment area added by the amendment to the plan adopted on July 24, 2001 (the “2002 Amendment Area”). On April 3, 2012, the Oakland City Council passed ordinances extending the time limits of the Plan and the receipt of tax increment revenue from the Central District by an additional eleven years, thereby extending the Plan to June 12, 2023 and the receipt of tax increment revenues to June 12, 2033 and increasing the maximum tax increment collections to \$3.0 billion.

 Summary of Former ⁽¹⁾ Plan Limits ⁽²⁾**

	Original Project Area	2002 Amendment Area	Total
Adoption Date	June 12, 1969	July 24, 2001	
Time Limit for Debt Issuance	No Limit	July 24, 2021	
Time Limit for Plan Activities	June 12, 2023	July 24, 2033	
Time Limit for Receipt of Tax Increment	June 12, 2033	July 24, 2048	
Maximum Tax Increment Collections	\$3.0 billion	n/a	\$3.0 billion
Acreage	813.50	14.86	828.36

- (1) SB 107 eliminated these plan limits, and such limits no longer apply for purposes of paying bonds and other enforceable obligations.
- (2) Does not set forth limitations with respect to the 1982 Amendment Area, which increased the Central District by approximately 55 acres. Total tax increment collected from the 1982 Amendment Area cannot exceed \$75 million. Currently, the 1982 Amendment Area is exclusively government-owned and generates no tax increment.

- (1) Starting in Fiscal Year ended June 30, 2012, to the extent not needed for existing housing obligations, the excess will be deposited in the RPTTF to pay other outstanding obligations.
- (2) Beginning in Fiscal Year 2016-17, the County Auditor Controller is no longer allocating the City's pre-1989 pension fund tax rate revenues to the RPTTF. Revenue from the City's Pension Fund override tax levy will, per the original pledge of Tax Revenue, be made available in the event of a shortfall in revenues necessary to pay debt service but will otherwise be allocated directly to the City of Oakland.

- (1) The City's Project Areas included here are Broadway/MacArthur/San Pablo, Central City East, Central District, Coliseum Area, Oak Knoll, Oakland Army Base and West Oakland. The Project Areas not included are Acorn, Oak Center and Stanford/Adeline as they have exceeded their tax increment limits and no longer generate tax increment revenue.
- (2) Total Taxable Value reflects the aggregate taxable value for the Project Areas and includes taxable secured, secured utility and unsecured values net of real estate exemptions but without deduction of homeowners' exemptions.
- (3) Pursuant to the adoption of SB 107, beginning in Fiscal Year 2015-16 revenues generated by the City of Oakland's pension fund tax rate were payable to the City if these funds were not necessary for payment of debt service on bonded debt. Once it was determined that the funds were not needed for debt service, the funds were released to the City. These funds are reflected in the projections of revenue due to their availability for payment of debt service. Beginning in Fiscal Year 2019-20, the County determined that the revenues from the City's pension tax would no longer be deposited into the RPTTF. As a result, beginning in this year, these revenues are no longer reflected in the Gross Tax Increment Revenue.
- (4) Includes non-subordinate statutory tax sharing amounts payable from the Central District Project Area, the Oakland Army Base Project Area, the Oak Knoll Project Area and the West Oakland Project Area. These payments were not subordinated to the payment of debt service on bonds secured by the tax revenues from these project areas. Also includes subordinate

statutory tax sharing amounts payable from the Broadway/MacArthur Project Area, the Coliseum Project Area and the Central City East Project Area. These tax sharing payments have been subordinated to the payment of debt service on all bonds secured by the tax revenues from these project areas. Subordination of all of these tax sharing payments has been granted in connection with the issuance of the Series 2015-TE, Series 2015-T, Series 2018-TE and Series 2018-T Bonds. All tax sharing payments are subordinate to the payment of debt service on bonds issued by the former Redevelopment Agency and secured by housing set-aside revenues. Amounts shown for 2022-23 are estimated.

- (5) Development and disposition agreements (DDAs) and a ground lease (i.e., the 17th Street Garage DDA and the Uptown Ground Lease) were entered into by the former Redevelopment Agency with property owners in the Central District Project Area. The payment obligation under the 17th St. Garage DDA was satisfied in Fiscal Year 2015-16, so no further payments will be made pursuant to that agreement. The payment to Uptown Housing Partners, pursuant to the terms of a Lease Disposition and Development Agreement were satisfied in Fiscal Year 2019-20.
- (6) Actual Fiscal Year 2022-23 data for Gross Tax Increment Revenue, Unitary Tax Revenue, SB 2557 County Administrative Fee, Statutory Tax Sharing and Central District DDA Payment Amounts are not available at the time of filing of this Report. Amounts shown are estimated from valuations provided by the County Assessor and from estimates provided by the County Auditor-Controller.

APPENDIX A: DISCLOSURE REGARDING IMPACT OF COVID-19

On February 11, 2020, the World Health Organization (“WHO”) announced the official name for the outbreak of COVID-19, a respiratory illness caused by infection from a transmissible, novel coronavirus. COVID-19 has since spread across the globe. The spread of COVID-19 has been a significant development with material adverse health and financial impacts throughout the world, including the City. The WHO declared the COVID-19 outbreak to be a pandemic, and states of emergency were declared by the Governor of the State, the President of the United States and the City’s City Administrator (which was ratified by City Council). To mitigate the spread of the pandemic, several counties in the Bay Area, including the County of Alameda (in which the City sits) also imposed emergency orders requiring residents to shelter in place. To date, most of the country, including the City, has experienced significant and material economic and tax revenue losses associated with the COVID-19 pandemic.

With the arrival of effective vaccines and the lifting of emergency orders, the City has begun its recovery from the economic challenges associated with the COVID-19 pandemic. In Fiscal Year 2021-22, the City saw a decrease in unemployment and in large scale lay-offs and closures, and most local taxes performed strongly, including property taxes, and ended the fiscal year with strong financial results. Fiscal Year 2021-22’s financial results reflect the impact of Federal COVID-19 subsidies and a recovering national economy; however much uncertainty remains about the City’s prospect for future economic recovery and growth. The COVID-19 pandemic has now taken a secondary role behind global economic factors and conditions that pose a more immediate threat to the City’s finances, but COVID-19’s longer term impacts could be substantial.

See the 2022 ACFR, including the Introductory Section, for a discussion of COVID-19 and other economic impacts on the City during Fiscal Year 2021-22.
