OFFICE OF THE CITY ATTORNEY

OAKLAND CITY COUNCIL

ORDINANCE NO. 13585 C.M.S.

ORDINANCE AMENDING OAKLAND MUNICIPAL CODE CHAPTER 16.36, CONDOMINIUM CONVERSIONS, TO: (1) EXTEND THE CONVERSION RIGHTS REQUIREMENT TO TWO- TO FOUR-UNIT RESIDENTIAL BUILDINGS; (2) REQUIRE THAT A CONVERSION RIGHTS AGREEMENT BE RECORDED AT LATEST 60 DAYS AFTER THE BUILDING PERMIT FOR THE GENERATING RESIDENTIAL BUILDING IS ISSUED; (3) ENHANCE TENANT RIGHTS AND NOTICE REQUIREMENTS TO TENANTS; AND (4) MAKE OTHER MODIFICATIONS; AND TO DIRECT CITY ADMINISTRATOR OR DESIGNEE TO STUDY ALTERNATIVE METHODS OF (A) ENSURING ONE-FOR-ONE REPLACEMENT OF RENTAL UNITS IN THE CITY AS A RESULT OF CONDOMINIUM CONVERSIONS AND (B) INCREASING AFFORDABLE HOME OWNERSHIP AND REDUCING DISPLACEMENT OF RENTERS SUBJECT TO CONVERSION; AND ADOPT CEQA EXEMPTION FINDINGS

WHEREAS, the City of Oakland is experiencing a severe housing affordability crisis; and

WHEREAS, the Housing Element of the City's General Plan specifically includes policies to help prevent displacement of current Oakland residents and to limit the loss of rental housing units due to their conversion to condominiums; and

WHEREAS, the housing affordability crisis threatens the public health, safety and/or welfare of our citizenry; and

WHEREAS, 60 percent of Oakland residents are renters, many who would not be able to locate housing that is affordable within the City if displaced by rent increases (U.S. Census Bureau, ACS 2017 Table S1101); and

WHEREAS, in November 2019, the median rental price for a one-bedroom unit in Oakland was \$2,500 per month (\$30,000 per year), a 11.1 percent increase in costs over November 2018, and the median rental price for a two-bedroom unit in November 2019 was \$3,000 per month (\$36,000 per year), an 10.3 percent increase over costs in November 2018 (Zumper National Rent Report: November 2019); and

WHEREAS, Oakland's rental housing costs are the fourth highest in the nation, behind San Francisco, New York, and Boston (Zumper National Rent Report: November 2019); and

WHEREAS, in 2017, the estimated annual median household income for households that rented in Oakland was \$52,008, which would result in a household earning the annual median household income paying 58 percent of household income for a one-bedroom unit or 69 percent of household income for a two-bedroom unit (U.S. Census Bureau, ACS 2017, Table S2503); and

WHEREAS, the affordable rent for a family earning an annual income of \$52,008 is defined as only paying 30 percent of income on housing, which is approximately \$1,300 per month; and

WHEREAS, the median rent for all apartments rented in February of 2016 reached an all-time high of just over \$3,000 per month, according to research from Trulia; and

WHEREAS, 22.5 percent of Oakland's households are "housing insecure," defined as facing high housing costs, poor housing quality, unstable neighborhoods, overcrowding, or homelessness; and

WHEREAS, over 25,000 Oakland households are severely rent burdened, which is defined as spending 50 percent or more of monthly household income on rent (Oakland Consolidated Housing Needs Assessment 2015 Analysis of HUD Data, as reported in the City's March 2016 Oakland at Home report, pp. 10-11); and

WHEREAS, displacement through evictions and dramatic rent increases has a direct impact on the health, safety and/or welfare of Oakland's citizens by uprooting children from their schools, disrupting longstanding community networks that are integral to citizens' welfare, forcing low-income residents to pay unaffordable relocation costs, segregating low-income residents into less healthy, less safe and more overcrowded housing that is often further removed from vital public services and leaving residents with unhealthy levels of stress and anxiety as they attempt to cope with the threat of homelessness; and

WHEREAS, the conversion of rental housing to for-sale condominium units reduces the supply of rental housing available to Oakland residents, which drives rents still higher; and

WHEREAS, the City's current condominium conversion regulations (Oakland Municipal Code (O.M.C.) Chapter 16.36) permit the conversion of rental housing to for-sale condominium units, regardless of the number of units in the development; and

WHEREAS, the City's current condominium conversion regulations require owners to provide replacement rental units prior to the approval of an application to convert five or more rental units to for-sale condominium units, but does not require the same rental housing replacement requirements for the conversion of two-, three-, or four-unit rental housing developments except within areas designated as conversion impact areas pursuant to O.M.C. Section 16.36.060(G);; and

WHEREAS, without a rental housing replacement requirement, the conversion of two-, three-, or four-unit rental housing developments exacerbates the housing crisis by permitting an owner to convert rental units to ownership units, which may be less affordable to Oakland residents and can result in the displacement of Oakland residents from their homes and communities; and

WHEREAS, the City's current condominium conversion regulations allow conversion rights to be generated by buildings completed up to seven years prior to the proposed conversion, even though such buildings do not provide replacement for lost rental units; and

WHEREAS, the City's current condominium conversion regulations allow the units that conversion rights were sold for to still convert to condominiums seven years later causing further loss of rental housing; and

WHEREAS, loss of rental units and livable units overall occurs when building owners convert 5-unit buildings into 4 units to be able to take advantage of current condominium conversion law and convert rental units into condominiums; and

WHEREAS, the City wants to stimulate more construction of rental units by providing another avenue to finance projects that need extra funding from capitalizing on conversion rights; and

WHEREAS, the City seeks to amend the condominium conversion regulations to extend the requirement for replacement units to 2-4 unit buildings in all parts of the City, to remove the provision allowing the generation of conversion rights by newly constructed condominium units that are offered as rental units for seven or more years, to acknowledge the applicability of the Oakland Just Cause for Eviction Ordinance, enacted by voters in 2002 (O.M.C. section 8.22.300 et seq.), and corresponding regulations, and the Oakland Rent Adjustment Ordinance (O.M.C. section 8.22.010 et seq.) and corresponding regulations, and to afford greater rights and protections to existing tenants; and

WHEREAS, the City Council directs City Staff to study alternative methods of ensuring the one-for-one replacement of rental units in the City as a result of condominium conversions; and

WHEREAS, the City Council directs City Staff to report back on its findings regarding the other alternative methods to ensure one-for-one replacement of rental units;

WHEREAS, Article XI, Section 5 of the California Constitution provides that the City, as a home rule charter city, has the power to make and enforce all ordinances and regulations in respect to municipal affairs, and Article XI, Section 7, empowers the City to enact measures that protect the health, safety, and/or welfare of its residents; and

WHEREAS, the City desires to further the public health, safety and/or welfare by requiring the rental housing replacement requirement to the conversion of two-, three-, or four-unit rental housing developments; and

WHEREAS, Section 106 of the Oakland City Charter provides that the City has the right and power to make and enforce all laws and regulations in respect to municipal affairs; and

WHEREAS, the Subdivision Map Act provides that regulation and control of the design and improvement of subdivisions are vested in the legislative bodies of local agencies, and that the City shall, by ordinance, regulate and control subdivisions that require a tentative and final or parcel map; and

WHEREAS, this Ordinance meets constitutional standards, the Subdivision Map Act, the Oakland City Charter, the O.M.C., and the City's General Plan; and

WHEREAS, after a duly noticed public meeting on December 3, 2019, the Community and Economic Development Committee voted to recommend the proposal to the City Council; and

WHEREAS, the City Council held a duly noticed public meeting on _____, to consider the proposed amendments, and all interested parties were provided an ample opportunity to participate in said hearing and express their views; and

WHEREAS, this action is exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines sections 15060(c)(2) (no direct or reasonably foreseeable indirect physical change in the environment), 15061(b)(3) (no significant effect on the environment), 15183 (projects consistent with a community plan, general plan, or zoning), and 15301 (existing facilities), each as a separate and independent basis, and when viewed collectively provide an overall basis for CEQA clearance; now, therefore

THE COUNCIL OF THE CITY OF OAKLAND DOES ORDAIN AS FOLLOWS:

- A. With regard to any conversion as defined in O.M.C. section 16.36.010, each tenant shall have the following minimum rights which shall be set forth in the Notice of Tenant Rights in a form prescribed by the City. Absence of such a form does not release landlords of noticing requirements.
 1. After receipt of this notice, each tenant will be entitled to terminate his or her lease or rental agreement without any penalty upon notifying the subdivider in

writing thirty (30) days in advance of such termination; provided, however, that this requirement shall cease upon notice to the tenant of the abandonment of subdivider's efforts to convert the building.

2. No tenant's rent will be increased from the date of issuance of this notice until at least twelve (12) months after the date subdivider files the tentative map or tentative parcel map with the city; provided, however that this requirement shall cease upon abandonment of subdivider's efforts to convert the building or approval of the tentative map or tentative parcel map by the City, whichever occurs later. At the end of such period, and until one hundred eighty (180) days after the issuance of the final subdivision public report or start of the sales program, the subdivider may increase tenants' rent no more than once each year and in an amount that does not exceed the increase in the Consumer Price Index for All Urban Consumers in the San Francisco-Oakland Metropolitan Area: All Items (Bay Area CPI), unless the unit is covered by other rent increase restrictions such as the restriction in O.M.C. section 16.36.050(A)(6) or the Rent Adjustment Ordinance.
3. If a tenant chooses not to exercise his or her exclusive right to purchase during the initial 90-day period, he or she shall also have the exclusive right to match any offer the owner accepts for his or her rental unit after the sale has opened to the public, less a discount of at least ten percent (10%). The tenant shall also have a non-exclusive right to match an offer for any other available unit in the building on the same terms, less a discount of at least ten percent (10%). If more than one tenant with a non-exclusive right to purchase wishes to purchase the same unit, the owner(s) may choose which tenant may exercise the right to purchase.

The owner(s) (subdivider(s)) shall notify the tenant of owner's intent to accept a buyer's offer, and terms of offer, within five (5) calendar days of owner(s) receiving offer. Thereafter, the tenant has fourteen (14) calendar days to match buyer's offer less a discount of at least ten percent (10%) by entering into a purchase and sale agreement with owner(s).

5. Each tenant shall have a right of occupancy of at least one hundred eighty (180) days from the date the notice to existing tenants of intention to convert, as set forth in O.M.C. section 16.36.020, is served on the tenant; one hundred eighty (180) days from the issuance of the final subdivision public report or, if one is not issued, from the start of subdivider's sale program; or until the expiration of Tenant's lease, whichever is longer, prior to termination of tenancy due to conversion.

6. Tenants in units containing a tenant who (1) is sixty-two (62) years or older prior to approval of the tentative map or tentative parcel map or (2) is disabled or becomes disabled at any time before final approval of the tentative map or tentative parcel map, shall be provided a lifetime lease on their unit or, at tenant's option, on any other available unit in the building.
 - a. The subdivider must provide a written offer for a lifetime lease to the eligible tenants in the building and record such offer against the building's title.

 - b. At the time the Tenant(s) accepts the lifetime lease offer, and even if such acceptance occurs after map approval, a binding agreement between the Tenant(s) and the subdivider or owner shall be executed and recorded against the building's title.

 - c. In addition, the subdivider must agree to maintain the unit as a rental unit on the same rental terms for at least 20 years from the time the lifetime lease is executed even if the tenant with the lifetime lease vacates the property or passes away.

 - d. A binding agreement between the City and the subdivider concerning the requirements of this subsection shall be recorded against the building's title. In recognition of the lifetime lease and 20 year rental requirement, the subdivider shall receive a one-for-one reduction in conversion rights as part of the binding agreement.

 - e. Such leases, to commence no later than the date of issuance of the final subdivision public report or, if one is not issued, from the start of subdivider's sale program, shall be subject to the following conditions:
 - i. Tenants shall have the option of cancelling the lease at any time upon thirty (30) days' written notice to the owner.

 - ii. Tenants cannot be evicted except for tenant fault (e.g. non-payment of rent, breach of the rental agreement).

 - iii. The term of the lease shall expire only upon the death or demise of the last such Tenant residing in the unit or at such time as the Tenant(s) in the

unit voluntarily vacates the unit after giving notice of such intent to cancel the lease. Right of occupancy shall be nontransferable, except that Tenants shall have the right to a live-in aide. The live-in aide is not eligible to remain in the unit once the Tenant is no longer living in the unit.

- iv. The first year's base monthly rent for the unit shall be set at no more than the rent existing on the unit one year prior to the filing of the application for a tentative map or tentative parcel map, increased by no more than seventy-five (75) percent of the percentage increase in the residential rent component of the Consumer Price Index for All Urban Consumers in the San Francisco-Oakland Metropolitan Area: All Items (Bay Area CPI) from the date one year prior to the filing of the tentative map or tentative parcel map to the effective date of the lifetime lease.
- v. Subsequent rent adjustments, if any, may be made no sooner than one year from the effective date of the lifetime lease, shall be limited to no more than one per year, and the percentage increase in the Bay Area CPI for the most recent twelve (12) month period.
- vi. There shall be no decrease in dwelling unit maintenance or other services historically provided to such units and such Tenants.
- vii. The lease shall include the following language:
Tenant agrees that this Lease shall be subject and subordinate at all times to (i) all ground leases or underlying leases that may now exist or hereafter be executed affecting the Real Property or any portion thereof; (ii) the lien of any mortgage, deed of trust, assignment of rents and leases or other security instrument (and any advances thereunder) that may now exist or hereafter be executed in any amount for which the Real Property or any portion thereof, any ground leases or underlying leases or Landlord's interest or estate therein, is specified as security; and (iii) all modifications, renewals, supplements, consolidations and replacements thereof, provided in all cases the mortgagees or beneficiaries named in mortgages or deeds of trust hereafter executed or the assignee of any assignment of rents and leases hereafter executed shall recognize the interest and not disturb the possession, use and enjoyment of Tenant under this Lease, and, in the event of foreclosure or default, the lease will continue in full force and effect by the conditions imposed on each final parcel map or final map pursuant to O.M.C. Section 8.22.050, as long as Tenant is not in default under the terms and conditions of this Lease. Tenant agrees to execute and deliver, upon demand by Landlord and in the form requested by Landlord, any additional reasonable documents evidencing the priority or subordination of this Lease with respect to any such ground leases, underlying leases, mortgages, deeds of trust, assignment of rents and leases or other security instruments. Subject to the foregoing, Tenant

agrees that Tenant shall be bound by, and required to comply with, the provisions of any assignment of rents and leases with respect to the building.

f. ~~Notwithstanding the above, no rent increase shall exceed any rent increase guidelines adopted by the city.~~

viii. Except as provided hereinabove, terms and conditions of the lifetime lease shall be the same as those contained in tenant's current lease or rental agreement.

7. Nothing in the Notice of Tenant Rights shall be construed as waiving, reducing or modifying any greater rights a tenant may have under the Oakland Just Cause for Eviction Ordinance (O.M.C. section 8.22.300 et seq.) and corresponding regulations, the Oakland Rent Adjustment Ordinance (O.M.C. section 8.22.010 et seq.) and corresponding regulations, and the Oakland Tenant Protection Ordinance (O.M.C. section 8.22.600 et seq.) and corresponding regulations.

The Preliminary Tenant Assistance Program, as set forth in Subsection B of this Section, shall make provision for the above minimum rights on the terms set forth above or on terms more favorable to the tenant.

B. The subdivider's Preliminary Tenant Assistance Program (PTAP) shall consist of at least two parts: efforts to minimize tenant displacement, and tenant relocation assistance.

1. In the first part of the PTAP, subdivider shall describe those incentives and inducements that would increase the potential for, and ability of, tenants to become owners in the conversion. Subdivider shall also include actions and procedures to enable hard-to-relocate tenants to remain as tenants.

2. The second part of the PTAP shall include all relocation and moving assistance and information to be provided to each tenant and all steps the subdivider will take to ensure the successful relocation of each tenant in the event that conversion takes place and the tenant chooses not to purchase a unit or remain as a tenant.

a. Tenants who resided in the unit prior to the filing of the tentative map or tentative parcel map and who vacate for Code Compliance repairs shall be paid relocation payments at no less than the amounts pursuant to O.M.C. chapter 15.60. Tenants who resided in the unit prior to the filing of the tentative map or tentative parcel map application and who vacate due to owner or relative move-in or an Ellis Act eviction shall be paid relocation payments pursuant to O.M.C. section 8.22.850 or O.M.C. section 8.22.450.

b. Tenants who resided in the unit prior to the filing of the tentative map or tentative parcel map and vacate for any other reason, unless evicted for Tenant fault, shall be paid relocation payments at not less than the amounts pursuant to O.M.C. Section 8.22.820.

- i. If the tenant voluntarily vacates the premises, the Owner shall make the payment directly to an eligible Tenant Household no later than thirty (30) days before the expected vacation date. If less than thirty (30) days' advance notice of vacation is given, then the payment by the Owner to the Tenant Household is due no later than the actual time of vacation.
- ii. If the owner is requiring the tenant to vacate, the owner must pay the Tenant Household half of the relocation payment when the termination notice is given to the household and the remaining half when the tenant vacates the unit provided that the tenant agrees, in writing, not to contest an unlawful detainer based on the notice to terminate tenancy for the owner or relative moving in to the tenant's rental unit. If the tenant does not so agree, then the entirety of the relocation payment is not due unless the owner prevails in the unlawful detainer. If the owner prevails in the unlawful detainer, the relocation payment must be paid to the tenant prior to the owner seeking a writ of possession for the tenant to vacate the unit.
- c. For the purpose of this paragraph, the Tenant is not evicted for Tenant fault if (1) the Tenant vacates within one hundred twenty (120) days after the effective date of a rent increase notice of more than ten (10) percent; and (2) the rent increase notice is issued within one (1) year after the issuance of the final subdivision public report on the conversion of a building with five (5) or more units or the start of the sales program in a building of four (4) units or less.
- ~~d. A Tenant who is also eligible for relocation assistance under Section 16.36.030 must elect for either relocation payments under this Section or Section 16.36.030, and may not receive relocation payments under both.~~

In both parts of the PTAP, subdivider shall give particular attention to specific steps that will be taken to assist the elderly, disabled, and other tenants who may encounter difficulty in finding new quarters.

16.36.060 Tentative map and tentative parcel map requirements for conversions.

In addition to other matters required in this title Chapter, the subdivider shall submit to the Advisory Agency, along with the tentative map or tentative parcel map of a conversion, the Preliminary Tenant Assistance Program and one copy of each of the notices and other documents to be provided to all tenants and prospective tenants pursuant to Sections 16.36.020 through 16.36.050. Subdivider shall also certify on the tentative map or tentative parcel map the following:

- A. That all tenants have received all documents set forth in Sections 16.36.020, and 16.36.031-040; and that all prospective new tenants have received and will receive said documents, along with the notice set forth in O.M.C. section 16.36.030;

- B. That all tenants and ~~Director of City Planning~~Planning and Building Director will receive all notices as set forth in Subsection B of O.M.C. section 16.36.040 and that they will receive all information as required in O.M.C. section 16.36.080.
- C. That all Tenants who qualify for a lifetime lease pursuant to O.M.C. section 16.36.050.A.6 have been given a written offer to enter into a lifetime lease. Such written offer for a lifetime lease shall be executed by the subdivider and recorded prior to the time of final map or final parcel map approval.
- D. That a binding agreement between the City and the subdivider concerning the lifetime lease and twenty year rental requirements have been recorded against the property's title.
- E. That no unit in a building approved for conversion shall be offered for sale unless the property to be subdivided is in compliance with all current state and local laws and that any violations have been or will be corrected prior to recordation of the final map or parcel map. The state and local laws include, but are not limited to, the City's Zoning Ordinance, and all laws that govern the structural and fire safety of buildings and the structure and safety of their major systems, such as a building's plumbing, electrical and mechanical systems as set forth in California Health and Safety Code Section 17920.3.
- F. That a report to the City will be provided on the building's major systems, for review and approval by the Planning and Building Director, prior to recordation of the final map or parcel map.

The ~~Director of City Planning~~Planning and Building Director may require other information to be filed with the tentative map or tentative parcel map which, in the Planning and Building Director's opinion, will assist in determining whether the project is consistent with the purposes set forth in O.M.C. section 16.04.010 or will assist in making any of the findings as set forth in O.M.C. section 16.36.030. Any such determination by the ~~Director of City Planning~~Planning and Building Director may be appealed to the City Planning Commission in the manner set forth in Section 17.132.020 of the zoning regulations of the City.

The ~~Director of City Planning~~Planning and Building Director may waive the tenant notification requirements contained in O.M.C. sections 16.36.020, 16.36.031, and 16.36.040 where the building proposed for conversion is not tenant-occupied at the time of tentative map or tentative parcel map application. Where the building proposed for conversion is not tenant-occupied and the subdivider declares under penalty of perjury that the building is not tenant-occupied and no unit within the building will be rented prior to final or parcel map approval, the ~~Director of City Planning~~Planning and Building Director may waive the tenant assistance requirements set forth in O.M.C. sections 16.36.050 and 16.36.080.

16.36.070 - Action on the tentative map or tentative parcel map – conversion rights.

Action by the Advisory Agency shall be governed, in addition to that set forth in O.M.C. section 16.08.030, by the following:

A. Requirements for map approvals.

1. The Advisory Agency shall deny approval may only approve a tentative map for the conversion of five or more housing units or a tentative parcel map if unless it finds that every converted unit will be replaced with a rental unit added to the City's housing supply. Such replacement, if made in accordance with provisions of this Chapter, shall be found to avoid the negative impact the conversion would otherwise have had on the City's rental housing supply. Accordingly, a conversion of five or more housing units shall only be approved, subject to meeting all other requirements prescribed by State and City, if the subdivider agrees that, prior to final map approval or final parcel map approval, subdivider will, in a manner acceptable to the Advisory Agency, demonstrate that subdivider owns "conversion rights" equal in number to the units proposed for conversion. "Conversion rights" are generated by projects which add housing units to the City's rental supply, and one conversion right is equivalent to one housing unit within such a project. Conversion rights may be generated by project(s) either undertaken by the subdivider or by others from whom subdivider has obtained or acquired such "rights" in a legally binding manner by a recorded document to be approved by the Advisory Agency. No conversion rights shall be generated by project(s) or specific parts of project(s) which: (a) are intended to become the property of the Oakland Housing Authority, (b) receive financial assistance from the City or the Oakland Redevelopment Successor Agency, (c) are located on property that was purchased or leased from a public or quasi-public agency, or (d) are developed as condominium units or otherwise may be sold as individual units. Subdivider shall provide the Advisory Agency with information concerning the intended location and type of rental units that will generate the conversion rights of which subdivider intends to demonstrate ownership. Any newly approved market rate unit that otherwise qualifies may be used to generate conversion rights.
2. The Advisory Agency shall deny approval of a tentative map or tentative parcel map for a conversion if any tenant was evicted pursuant to O.M.C. 8.22.360.A.8-11 in the last five years prior to the date of the application, including if tenant was given written or oral notice that the owner intended to evict the tenant under any of these O.M.C. sections and the tenant left voluntarily or after an agreement with the owner, or if the subdivider or predecessor causes or attempts to cause a tenant to vacate by violating the Tenant Protection Ordinance (O.M.C. 8.22.600, et. seq.). The Advisory Agency may adopt regulations to implement this provision.
3. The Advisory Agency shall deny approval of a tentative map or tentative parcel map for a conversion if the conversion is from a building in which the owners

have a fully executed written agreement within five (5) years of the application date in which the owners each have an exclusive right of occupancy to individual units in the building to the exclusion of the owners of the other units (Tenancy-in-Common).

- B. Project(s) generating conversion rights may involve new rental construction (including accessory dwelling units), increasing the number of units in an existing residential rental building, or converting a nonresidential building to residential rental units; however, to generate conversion rights, each added unit must be reasonably comparable in number of bedrooms and amenities to each unit being converted and must not already be deed restricted from converting to a condominium.
- C. Conversion rights may also be generated by bringing back into the supply, through major rehabilitation, a residential rental building that has been continuously vacant and declared substandard or a public nuisance pursuant to O.M.C. section 15.080.350 et seq. for at least one three (3) years prior to commencement of work on the rehabilitation project. ~~The conversion rights so generated can be applied to the conversion of the building being rehabilitated.~~ Anyone attempting to generate conversion rights by rehabilitating a vacant residential rental building must demonstrate to the satisfaction of the Director of City Planning Planning and Building Director that the building was indeed vacant and declared substandard or a public nuisance for at least one three (3) years, that the work did indeed involve major rehabilitation, and that the building was not vacated for the purpose of generating conversion rights. For purposes of this Chapter, rehabilitation shall be deemed "major" if it the cost of construction equals or exceeds fifty percent (50%) twenty (20) percent of the total value of the building after rehabilitation of the average basic cost for new construction using tables issued by the Chief Building Inspector applicable to the time period when the substantial rehabilitation was completed.

Anyone who, through major rehabilitation, converts a residential rental building that has been continuously vacant and declared substandard or a public nuisance for at least three (3) years, shall not be required to provide conversion rights for the conversion of that building.

- D. ~~Conversion rights may also be generated by the construction of a condominium, community apartment, or stock cooperative project if the owner of such project, for which final map approval has been obtained, makes an agreement in writing with the city that for a period of not less than seven years, the owner will offer the units in the project to the public as conventional rental units subject to a lease that shall contain no commitment for later purchase of the unit, the form of said lease to be approved by the Director of City Planning. Subsequent sale of any unit prior to the expiration of the seven-year rental period shall be subject to the same terms and conditions stated in said written agreement.~~
- D. Conversion rights may be generated only from residential buildings with Rental Units where the conversion rights agreement transferring the conversion rights is entered into and recorded: (1) after the generating residential building receives planning entitlements and (2) no later than sixty (60) days after the building permit for the

generating residential building has been issued. The Bureau of Planning shall clearly set forth this requirement in the Condominium Conversion application.. The Bureau of Planning shall require through Conditions of Approval that a final conversion rights agreement that secures conversion rights is executed and recorded against the generating property and Certificate of Occupancy issued for the generating residential building Rental Units prior to final map approval for the condominium conversion project. If the approval involves a project with five or more units having a recorded condominium map, but without evidence of a valid public report from the Department of Real Estate (DRE), then the subdivider shall be exempt from the requirement to enter into an agreement securing the conversion rights.

- E. ~~Tentative map approval of the conversion must take place no later than seven years from the issuance of a certificate of occupancy on the project(s) generating the conversion rights. Project(s) for which building permits were issued prior to March 18, 1980 cannot generate conversion rights.~~ F. ~~No units in the building approved for conversion shall be sold until a certificate of occupancy has been issued by the City Building Official on the project(s) generating the conversion rights. For buildings of five or more units, subdivider shall request the California Department of Real Estate in writing to not issue the final subdivision public report until said Department has received written notification by the subdivider to issue said report. Said notification must include written approval from the Director of City Planning Planning and Building Director, which approval shall not be given until all necessary certificates of occupancy have been issued.~~
- F. ~~G.~~ ~~Notwithstanding the above, the Advisory Agency shall deny approval of a tentative map or tentative parcel map if it finds that the conversion is proposed to take place in the "conversion impact area," an area of the city whose rental housing supply has been negatively impacted by previous conversions. The conversion impact area shall contain two sections: the primary section consisting of Census Tracts 4034, 4035.01, 4035.02, 4036, 4037.01, 4037.02, 4039, 4040, and 4041.01, and 4041.02; and the secondary section consisting of Census Tracts 4038, 4042, 4043, 4052, and 4053.01 and 4053.02.~~
- G. ~~H.~~ A conversion which would otherwise be denied due to its location within the conversion impact area shall be approved, subject to meeting all other requirements prescribed by State and City, if the subdivider agrees to replace (using the conversion rights method described above) each converted unit with a rental unit according to the following: For conversions to take place in the primary section of the conversion impact area, conversion rights must be generated within the primary section; for conversions to take place in the secondary section, conversion rights must be generated within the conversion impact area.
- H. ~~I.~~ ~~Notwithstanding other provisions of this section, the Advisory Agency shall deny approval of a tentative or final map or a tentative or final parcel map if it finds that the subdivider vacated units in the building proposed for conversion in order to avoid providing payments and other benefits to tenants as required by O.M.C. section 16.36.050 or described in the tenant assistance program. It shall also deny approval~~

if it finds that the subdivider's preliminary tenant assistance program, as set forth in O.M.C. section 16.36.050, or any submission required by O.M.C. sections 16.36.020, 16.36.031, 16.36.040 or 16.36.060 is unacceptable or otherwise inconsistent with the purpose of this title as it concerns the City's housing goals and policies. It shall also deny approval if it finds that the subdivider has falsely claimed that the building proposed for conversion is vacant.

- I. A property owner of a two (2) to four (4) unit property is eligible for a one-time exemption from the conversion rights requirements of this Section for one of the units if the property owner: (1) has lived in the building for at least ten (10) years, (2) can demonstrate their uninterrupted residency, (3) has an annual income of 80 percent or less of Area Median Income ("AMI"), and (4) has never previously converted their property to a condominium.
- J. A subdivider is eligible for a one-for-one reduction from the conversion rights requirements of this Section for each unit:
1. That is occupied and purchased by a current tenant who has continuously occupied a rental unit in the building for at least three (3) years preceding the date of the notice of intention to convert;
 2. That upon conversion will be restricted to occupancy by and affordable to lower income households, as defined in Health and Safety Code Section 50079.5, at an affordable housing cost, as defined in Health and Safety Code Section 50052.5, in perpetuity. Such restrictions shall be evidenced by recorded covenants or restrictions running with the land; or
 3. In which a non-purchasing tenant who receives the benefit of a lifetime lease pursuant to O.M.C. section 16.36.050.A.6 and the unit is subject a deed restriction consistent with O.M.C. Section 16.36.050.A.6.c.

16.36.080 - Final tenant assistance program.

If the tentative map or tentative parcel map is approved, the subdivider shall prepare a Final Tenant Assistance Program (FTAP) in conformity with the Preliminary Tenant Assistance Program (PTAP), and any conditions of approval relating to the tenant assistance program. At a minimum, the FTAP shall provide tenants with all of the rights set forth in O.M.C. section 16.36.050. The FTAP shall be reviewed and, if it conforms to the PTAP and the requirements of this Chapter, may be approved by the Planning and Building Director. Within two days of receiving such approval, subdivider shall distribute a copy of the FTAP to each tenant and to the Director of City Planning-Planning and Building Director. If the Advisory Agency approves the map, the FTAP shall be accompanied by a written notice advising tenants of the action of the Advisory Agency and informing them of their right to appeal the decision to the City Council, if a tentative map is involved, or to the City Planning Commission, if a tentative parcel map is involved, within ~~fifteen (15)~~ ten (10) days of the date of the decision. Any party seeking to appeal a decision to the City Council or City Planning Commission shall pay the appeal fee as specified in the City's Master Fee Schedule.

16.36.090 – Information to be filed with final maps and parcel maps.

In addition to other matters required in this title Chapter, the following shall be filed with the final map or parcel map:

- B. A copy of the notice of subdivision public report or notice of start of sales program as set forth in O.M.C. section 16.36.110;

- D. For tentative map or tentative parcel map approvals involving conversion rights, evidence, in the manner specified by the Advisory Agency as set forth in O.M.C. section 16.36.070, that the subdivider owns conversion rights equal in number to the units to be converted.

No final map or parcel map shall be approved until the above requirements have been met.

16.36.100 - Information on final maps and parcel maps.
