

-Dan

The Mayor has released her proposed FY 2021-23 Budget and my Council colleagues and I have begun engaging in our outreach and deliberations with the necessary expectation of adopting a new budget and updated Capital Improvement Plan (CIP) before the end of June.

Serving our City is an honor and a passion, and I continue to work hard along with my staff to make a difference during these challenging times.

## COVID UPDATES Recovery Update

Please note that most COVID services in Oakland are administered by the Alameda County Health Care Services Agency. For more information, please go here: <https://covid-19.acgov.org/index.page>.

### Alameda County Remains in the Orange Tier

**The COVID Pandemic is not over!** COVID-19 is still in our community and a majority of residents have yet to be fully vaccinated. As we build community immunity, please continue COVID-19 precautions to avoid severe illness, hospitalization, & death. **Please keep masking, even after being vaccinated. For more recent CA Department of Public Health guidelines on face coverings, [click here](#).**

As of May 5, nearly 1.5 million COVID-19 vaccine doses have been administered to Alameda County residents. More than 603,000 or 43.5 percent of residents 16 and older are now fully vaccinated.

Alameda County must remain in the **Orange Tier** for at least three weeks before moving into the next, less restrictive color tier even though metrics might warrant.

**On June 15, California is slated to fully open its economy IF two criteria are met: (1) vaccine supply is sufficient for Californians 16 years and older who wish to be inoculated, and (2) hospitalization rates are stable and low, especially among vaccinated individuals.**

Please check back on the Alameda County Public Health Department's dedicated COVID-10 website for updates and clarifications: [acphd.org/2019-ncov.aspx](https://acphd.org/2019-ncov.aspx)

For general COVID inquiries, please email [ncov@acgov.org](mailto:ncov@acgov.org) or call (510) 268-2101.

## COVID-19 Vaccine Information

### VACCINE ELIGIBILITY

**Alameda County is currently vaccinating:**

- **All Alameda County residents, ages 16+**
- **Moderna and Johnson & Johnson vaccines are only approved for 18+**

While vaccine supplies remain somewhat limited, the County will continue prioritizing appointments at our community PODs for our hardest-hit neighborhoods and people at highest risk of exposure.

### JOHNSON & JOHNSON VACCINE

Following a thorough safety review, the CDC and FDA have determined that the recommended pause regarding the use of the Johnson & Johnson (Janssen) COVID-19 Vaccine in the U.S. should be lifted and use of the vaccine should resume.

Alameda County (and City of Berkeley) will align with other Bay Area counties and will plan to resume the use of the modest, existing supply of the Johnson & Johnson vaccine as quickly as possible. [READ MORE](#)

### OAKLAND COLISEUM SITE

Drive through appointments remain open until May 23rd and are accessible by a motor vehicle, with the pedestrian village currently closed. If you are already scheduled for a 2nd dose walk-up appointment, you will have access via BART and the pedestrian bridge.

6,000 appointments are available daily at this site.

Register on MyTurn to make an appointment: **Visit** [myturn.ca.gov](https://myturn.ca.gov) **or call (833) 422-4255**

### FIND A VACCINE SITE NEAR YOU

Alameda County residents can find a vaccine site using the new interactive map on our dedicated vaccine website: [covid-19.acgov.org/vaccines](https://covid-19.acgov.org/vaccines). Sign-ups can be made here: <https://www.primarybio.com/r/alco-vax-signup>

A new flyer lists Alameda County supported sites, registration links, how to find an appointment, and what you need to know about your appointment. Download a flyer [HERE](#).

The California Department of Public Health (CDPH) this week provided [guidance](#) for fully vaccinated individuals. You are considered "fully vaccinated" two weeks after receiving the second dose of the Pfizer or Moderna vaccines, or two weeks after receiving a single dose of the Johnson and Johnson vaccine.

***Fully vaccinated people may:***

- Spend time outdoors and indoors with other fully vaccinated people, without wearing masks or physical distancing (outside of a workplace setting).

- Spend time indoors with unvaccinated people from a single household who are at low risk for severe COVID-19 disease, without wearing masks or physical distancing.
- Refrain from wearing face coverings outdoors except when attending crowded outdoor events such as live performances, parades, fairs, festivals, sports events, and other similar settings.

### **Additional COVID-19 resources and information in Oakland:**

Oakland have set up their own websites with relevant information, resources, and updates regarding COVID-19. Whether you want to know about what essential services will remain open, if parking rules will be enforced, or how you can help support your neighbors and local businesses in need of assistance, be sure to check back regularly on these websites for the most up-to-date information: <https://bit.ly/2JernUc>

## Reimagining Public Safety

In late July 2020, the City Council created the [Reimagining Public Safety Taskforce](#) whose charge was to make recommendations toward transforming public safety in Oakland with innovative ideas. Over the past several months, taskforce members have worked tirelessly to identify and explore solutions to our most pressing public safety issues, eventually releasing nearly 100 recommendations. This past week, during a Special City Council meeting on May 3rd, the City Council approved a resolution prioritizing twelve recommendations the City Council believes should be prioritized for implementation reasonably soon. A summary of the prioritized recommendations:

- Invest long-term in Mobile Assistance Community Responders of Oakland (MACRO) by scaling up the program over the next 3 years / Recommendation 57
- Invest in alternate crisis response including crisis hotlines outside 911 / Recommendation 58
- Increase gender-based violence services through Department of Violence Prevention (DVP) programmatic strategies / Recommendations 73 + 74
- Pending changes in CA state law, move most traffic enforcement out of OPD and into OakDOT / Recommendation 59
- Enact the Police Commission's "Militarized Controlled Equipment Policy" / Recommendations 38 + 43
- Build a Restorative Justice web of support to include reentry support and diversion for youth and young adults working with community organizations / Recommendations 67, 68,

69, 70

- Substantially increase general purpose fund allocations for Department of Violence Prevention strategies / Recommendations 144 + 149
- Increase investment in Oakland Youth Advisory Commission and Oakland Police & Community Youth Leadership Council / Recommendation 122
- Create immediate housing solutions including purchasing motels and hotels, rental assistance, and supportive services / Recommendation 77
- Work with government and philanthropy to provide funds for a second phase of the Reimagining Public Safety Taskforce / Recommendation 47
- Explore transfer of OPD Internal Affairs to the Community Police Review Agency / Recommendations 31, 41, 84
- Create a framework for a Department of Children, Youth, and Families / Recommendation 148

Councilmember Kalb has participated in various community-based forums to discuss violence prevention, allocations and reform. Earlier this week, he was on a panel sponsored by Faith In Action East Bay on Reimagining Public Safety efforts.

Councilmember Kalb is prioritizing a broad range of violence prevention efforts including but not limited to supporting Ceasefire, a proven violence reduction program that was temporarily interrupted by the pandemic, and increasing funding for our city's violence prevention strategies.

## Affordable Housing Preservation Projects

The City of Oakland is pleased to announce the awards of \$4.13 million to two community land trusts dedicated to the creation and preservation of affordable housing. The funds are available thanks to the 2016 voter-approved City Bond Measure KK. Oakland Community Land Trust (OakCLT) and the Bay Area Community Land Trust (BACLT) will develop four projects that preserve affordable housing for 28 Oakland households earning up to 80 percent of Area Median Income (AMI), or \$73,100 for a single-person household:

**Oakland Community Land Trust** was awarded **\$4,050,000** for three projects **totaling 22 units**: 1524 29th Avenue (14 units), 1658 34th Avenue (4 units), and a Scattered Site Single Family Lease to Own Project (4 units)

**Bay Area Community Land Trust** was awarded an additional **\$85,000** for 1432 12th Avenue, **a 6-unit affordable housing project**. BACLT received a previous ACAH loan in the amount of \$1,315,000 in June 2020 for this project. These additional funds will enable them to complete the rehabilitation of these units.

Councilmember Kalb continues to be a strong supporter of community land trusts and of limited equity ownership opportunities for people and families who cannot afford market rate homes.

## General Plan Update – RFP is Now Released

The City of Oakland released a Request for Proposals (RFP) for a Consultant Team to assist with the City's General Plan Update. The General Plan Update is a once-in-a-generation opportunity for Oaklanders to work together on creating an equitable blueprint for the future of the City. The General Plan will engage our community around location and types of housing, how people get around, economic opportunity, location and quality of parks, becoming a more resilient City and many other issues. It will integrate the principle of 'fair and just' in all the City does in order to achieve equitable opportunities for all of our communities.

The desired Consultant Team will be a mix of prime planning firm, along with subconsultants, including community-based-organizations with relationships with Oakland's underserved communities. Proposals are due on Friday, May 28, 2021 by 2:00pm PST. For more information and to find out how to get involved visit the [General Plan Update website](#) or please contact [generalplan@oaklandca.gov](mailto:generalplan@oaklandca.gov) to the attention of Christina Ferracane, Planner IV.

## Oakland's 2021 Mother of the Year – Lakeisha Young

Warm Congratulations to Lakeisha Young, founder of The Oakland REACH, who has been named 2021 Mother of the Year by the City of Oakland.

***Lakisha Young, a mother with tremendous courage, stepped out on faith, determined to see that not only are her children's needs met, but the needs of others in the community are also completed as well. She truly is an inspiration to all she comes in contact with. Her humble spirit and witty humor allow her to impact families in the community of Oakland positivity. By being a friend before you need one, she can reach all people of all ages and ethnic backgrounds."*** stated ***Wanda Wilkerson, who initiated her nomination.***

The honoree is being recognized during the **Oakland Mother of the Year Award Ceremony**, at **10:30 a.m.**, on **Saturday, May 8, 2021**. The ceremony will be held virtually. The public is welcome to view the event online.

Meeting: <https://zoom.us/j/94929705093> • Meeting ID: 949 2970 5093

Oakland's Mother of the Year Award is a project of Oakland Parks & Recreation and was initiated in 1954 to publicly honor an Oakland citizen whose contributions to the community symbolize the finest traditions of motherhood. Past honorees have included hard-working, dedicated community servants whose volunteerism has been exemplary.

## Free Touchscreen Laptops for Oakland Head Start Families

The digital divide doesn't just affect elementary school children — Oakland's pre-K students need equitable access to technology as well. Thanks to the City of Oakland Head Start's new Technology Lending Library, low-income families with pre-K students now have access to rent a free touchscreen laptop. In the first month of the program, 150 Head Start families have already participated and checked out a laptop for the rest of the school year. The Technology Lending Library is funded by

federal COVID-19 grant money.

Learn more about the Technology Lending Library [here](#). **The City of Oakland Head Start is currently enrolling new students for the 2021-2022 school year!**
