Come learn about the City of Oakland's plans to restore three sections of the creek to improve creek habitat, water quality, climate change resilience, and park accessibility, safety and appearance.

CITY OF OAKLAND  
PUBLIC WORKS

City of Oakland Public Works  
250 Frank H Ogawa Plaza, Suite 4314  
Oakland, CA 94612

## YOU'RE INVITED!

Please join us to learn more about the creek restoration project in Courtland Creek Park and how you can be involved.

**Please invite community members, family and friends!**

**Please contact [watersheds@oaklandca.gov](mailto:watersheds@oaklandca.gov) by May 4 to request interpretation services and/or accessibility accommodations. RSVP appreciated but not required.**

Each meeting (one virtual, one in person) will cover the same topics, so you can choose which one best fits your schedule.

All current COVID-19 Alameda County health protocols will be followed at the May 14th outdoor Brookdale Park meeting.

The meeting will be hosted by City of Oakland Public Works Watershed and Stormwater Management Division and Oakland Parks and Recreation Foundation.

# Courtland Creek Restoration Project

## Project Description

The Courtland Creek Restoration Project (Project), an Oakland Measure DD Initiative, will protect, enhance, and restore Courtland Creek in Courtland Creek Park. The Project will restore approximately 950 feet of open creek channel, and will provide accessible seating, gathering places, and a creek-viewing overlook. The Project will also improve creek habitat and water quality, reduce trash accumulation and illegal dumping, repair steep and eroding creek banks, enhance climate change resilience and park appearance, and serve the community as an educational and recreational resource. Project partners include the Oakland Parks and Recreation Foundation, the Friends of Courtland Creek, and local schools.

## Community Benefits

- Healthier creek for people and wildlife
- Improved water quality
- Stabilized creek banks
- Improved park and creek appearance
- Enhanced recreation and education opportunities

Volunteers clean up Courtland Creek Park, June 2021
