

EQUITY WORKING GROUP

Oakland General Plan 2022-2024

Join the Equity Working Group (EWG) and help to shape racial equity and environmental justice in Oakland by developing policies with the City on:

- Where housing in Oakland will be built and their level of affordability.
- Where new parks in Oakland will go.
- How to protect Oakland residents from industrial pollution, car collisions, increased flooding, and sea level rise.

The General Plan represents Oakland's equitable vision and policies for housing, transportation, parks, climate protections, economic development, and environmental justice over the next 20-30 years.

EWG ROLE

- **IDENTIFY** the major challenges and impacts of housing, safety, environmental justice, land use, transportation, and parks
- **ADVOCATE** for your solutions/policies to advancing equitable and healthy communities for Oakland residents

TIME COMMITMENT

EWG members will be asked to commit to participating in 12 meetings from February 2022 to April 2024 that may occur during weekday (evenings) or weekend (afternoon or evening). A stipend of \$50 per meeting will be offered per participant.

Applications are due February 6, 2022. Please fill out the application at bit.ly/ogpewg. Questions? Contact Diana at diana@justcities.work or (510) 394-2029.
