Property and Property Inspection Information

Property type:

Number of Units:

Property Manager Contact Info Posted (for vacant buildings)?

Foreclosed/Defaulted Type:

First Reported Inspection Date:

Property Inspection Frequency

Is Utility Service Available? Yes No

NOTE: If occupants have the legal right to occupy the property, the City requires proof that the utilities are on, unless the Responsible Party can prove that utilities are the legal occupant's responsibility.

Comments:

NOTE: If new owner has a place of business more than 20 miles away OR if both the beneficiary and the Trustee of an NOD Property have places of business more than 20 miles away, then local property management needs to have a City of Oakland Business License Tax Certificate. For: inspection, maintenance, management, and security of Occupied Foreclosed properties, the responsible party shall utilize a certified property manager such as a California Certified Residential Manager (CCRM), Certified Property Manager (CPM®), Certified Apartment Manager (CAM), or the equivalent certification, or can demonstrate the equivalent training and experience in managing residential rental property in Oakland, including knowledge of state and Oakland-specific rent and eviction laws pursuant to standards established by the City administration.

Property Manager Certification
