CITY OF OAKLAND
MASTER FEE SCHEDULE
Effective: February 21, 2023

DESCRIPTION AND PROCESS

The Master Fee Schedule was established by the City Council in 1976. At that time, the Council passed Ordinance No. 9336 CMS that repealed all other references to fees and consolidated them within one document, the Master Fee Schedule. All new and revised fee proposals are reviewed by the Council and, if adopted, incorporated into this Schedule.

The FY 2022-23 Master Fee Schedule was adopted by the City Council on July 5, 2022, through Ordinance No. 13698 C.M.S. and revised on February 21, 2023 through Ordinance No. 13726. The Master Fee Schedule reflects the City's Policy on Fees and Charges, a copy of which is presented on the following pages.

The Finance Department is charged with the general maintenance of the Schedule. This includes reviewing requests to modify the document, periodic review of fees to assure that they are equitable and reflect the cost of services, and preparation of transmittals to the Council for recommended changes to fees.

In addition, all City Agencies have a role in fee schedule policies and maintenance. All Agencies and Departments that levy fees are responsible for:

1. Including all fees which are levied in the Master Fee Schedule;
2. Keeping updated copies of the Schedule available and in clear display;
3. Proposing fees which reflect the cost of services provided by the City; and
4. Providing for the annual revision of fees or proposing changes in fees consistent with the intent of the Master Fee Schedule.

There are two procedures for revising the Schedule: (1) During the biennial budget process or the Mid-cycle budget review; and (2) Outside of the budget process. During the budget process, Agencies / Departments submit proposed fee changes with their budget proposals. Fee revisions approved by the City Administrator and Mayor are presented to the Council and included in the legislation adopting the budget. At other times of the year, an Agency / Department may submit proposed revisions (by memorandum) to the Budget Office for review. Fee changes recommended by the Budget Director are forwarded to the City Administrator. If approved by the City Administrator, these requested fee changes are presented to the Council in the form of an ordinance amendment prepared by the requesting Agency / Department, accompanied by a staff report from the Agency / Department. All fee changes, regardless of time of the year, must be reviewed and approved by the Budget Office and the City Attorney's Office, and further authorized by the City Administrator for presentation to the Council. For both processes, specific public notification and procedures are mandated. A notice of a public hearing regarding the Schedule is published. In addition, the Office of the City Clerk will mail information regarding proposed modifications to any interested party who has filed a written request with the City Clerk for such notice. The Council then holds a public hearing regarding any proposed changes before adoption of revisions.
