## ADMINISTRATIVE DECISION

**CASE NUMBER:** T19-0004, Christensen v. Feng  
**PROPERTY ADDRESS:** 875 MacArthur Blvd., #1, Oakland, CA  
**PARTIES:** Kevin Christensen (Tenant)  
Fanny & Kyle Feng (Owners)

### INTRODUCTION

This matter involves a petition filed by Kevin Christensen, who is contesting a rent increase that he claims exceeds the Consumer Price Index (CPI) authorized rent increase and is unjustified.<sup>1</sup> On January 8, 2019, the Rent Adjustment Program notified the owners of the tenant's petition. The notice informed the owners that a response to the petition must be filed within 35 days. No response has been received from the owners. This decision is based upon the tenant's petition and the documents attached to the petition.

**Reason for Administrative Decision:** An Administrative Decision is a decision issued without a hearing. The purpose of a hearing is to allow the parties to present testimony and other evidence to allow resolution of disputes of material fact. However, in this case, sufficient uncontested facts have been presented to issue a decision without a hearing and there are no material facts in dispute. Therefore, an Administrative Decision is being issued.

**Contested Rent Increase:** The owner noticed a rent increase from \$1,750 to \$2,400 per month, effective October 1, 2018.

**Justification for a Rent Increase:** If an owner wants to contest a tenant petition, he or she must file a response, either claiming an exemption or alleging

---

<sup>1</sup> O.M.C. Section 8.22.070 (C)(1).

a justification for a rent increase in excess of the CPI Rent Adjustment.<sup>2</sup> Since the owners have not filed a response stating such a justification, no rent increase is allowed.

**ORDER**

1. Petition number T19-0004 is granted. The rent remains \$1,750 per month.
2. The Hearing scheduled for April 24, 2019 is cancelled.
3. **Right to Appeal: This decision is the final decision of the Rent Adjustment Program Staff.** Either party may appeal this decision by filing a properly completed appeal using the form provided by the Rent Adjustment Program. The appeal must be received within twenty (20) days after service of the decision. The date of service is shown on the attached Proof of Service. If the Rent Adjustment Office is closed on the last day to file, the appeal may be filed on the next business day.

**ATTACHMENT TO APPEAL**

*Christensen vs. Feng*, Case No: T19-0004

Petitioner filed his Tenant Petition using the Rent Adjustment Program's new online petition filing system. As a result, some of the answers that he entered were not recorded on the Petition that was sent to the Rent Adjustment Program. Consequently, although the intent was clearly to contest all the rent increases since 2000, the amounts of the rent increases were not listed in the Petition that was sent to the RAP. As a result, the Administrative Decision did not address the earlier illegal rent increases and did not address the issue of rent rebate.

Listed as grounds: "No written notice of Rent Program was given to me together with the notice of *increases* I am contesting. (Only for *increases* noticed after *July 26, 2010*)" (*Emphasis added*)

Landlords appeal clearly sets out the amounts of rent raises imposed since July 26, 2010.

Tenant seeks a remand (or new administrative decision) which awards rebates for overpayments made since July 26, 2000

**PROOF OF SERVICE BY MAIL**

**NOTICE TO CEASE**

(Oakland Municipal Code § 8.22.300, et. seq.)

**NOTICE OF CHANGE OF TERMS OF TENANCY**

TO: ROBERT ANTONIO ACEVEDO VILLALOBOS, and all occupants residing  
at:

2029 E. 19<sup>th</sup> Street  
Oakland, CA 94609

In accordance with the City of Oakland's Just Cause for Eviction Ordinance (§8.22.300), you are hereby notified that you are violating the material terms of your tenancy, causing damage to the unit, are being disorderly on the property, and are causing a nuisance. Please be advised that your rental agreement provides, in pertinent part:

**11. MAINTENANCE:**

A. Tenant shall properly use, operate and safeguard Premises, including landscaping, furniture, furnishings and appliances, and all mechanical, electrical, gas and plumbing fixtures, and keep them clean, sanitary and well-ventilated. Tenant shall be charged for all repairs or replacements caused by Tenant, pets, guests or licensees of Tenant, excluding ordinary wear and tear.

**15. RULES/REGULATIONS:**

Tenant shall not, and shall ensure that guests and licensees of Tenant shall not disturb, annoy, endanger or interfere with other tenants in the building or neighbors, or use the Premises for any unlawful purpose . . .

**17. ALTERATIONS; REPAIRS:**

Unless otherwise specified by law or paragraph 28C, without Landlord's prior written consent, (i) Tenant shall not make any repairs, alterations, or improvements in or about the Premises, including: painting, wallpapering, adding or changing locks; installing antenna or satellite dishes, placing signs, displays or exhibits or using screws, fastening devices, large nails or adhesive materials.

IN VIOLATION OF THESE PROVISIONS, you have substantially altered the property by taking it upon yourself to move rain gutters and piping to another part of the building and without any permitting process. You have refused to return these items to the original condition despite numerous requests to do so. You also built a rabbit shed in the common area without consent or authorization. While you have since demolished this structure, the property remains littered with boards, beams, nails, plywood, and other dangerous remnants. Moreover, you have caused a health hazard by failing to remove the rabbit feces from the ground and the plywood above it. You have also left discarded personal items and garbage on the side of the house, throughout the yard, and next to the water heater. Additionally, your own misuse of the oven required its replacement.

In addition to the foregoing, you are parking more than two automobiles upon the property, and in a way that thwarts others from using their own spaces. Your contention that the lease agreement allows you four parking spaces is simply untrue. Your lease specifically states:

**7. PARKING:**

Parking is permitted as follows: **2 cars** (emphasis added)

Tenant shall park in assigned spaces only. Parking spaces are to be kept clean.

Mechanical work or storage of inoperable vehicles is not permitted in parking spaces or elsewhere on the property.

**WITHIN SEVEN DAYS** (or 12 if this Notice is mailed), you are required to cease violating these material terms. This includes, but is not limited to: removing all debris, storage, personal items and rabbit waste from the common areas, including the yard, side of the building, and anywhere near the water heater at your own cost. You must also not have any more than two vehicles on the property and must only park in designated spots.

**WITHIN 45 DAYS**, you are required to return the property to its original condition by, among other things returning the rain gutters and piping to its proper position. You are furthermore required to reimburse your landlord for the \$383.03 required to replace your oven. A receipt for this will be provided upon request.

**YOUR FAILURE** to comply with this notice may result in the termination of your tenancy pursuant to O.M.C. 8.22.360(A), subsections (2) [failure to comply with the terms of the rental agreement after written notice to cease], (4) [causing substantial damage after written notice to cease]; and/or (5) [being disorderly after written notice to cease].

**THIRTY-DAY NOTICE OF CHANGE OF TERMS OF TENANCY**

**YOU ARE FURTHERMORE NOTIFIED** that, thirty-days after the service of this Notice upon you, the rental agreement by which you hold possession of the premises shall be modified as follows:

Any term relating to the payment of attorney's fees to the prevailing party in any litigation is hereby removed. In the event of litigation between the parties, each party shall be responsible for their own attorney's fees.

## HEARING DECISION

**CASE NUMBER:** T18-0387, Villalobos v. Tran  
**PROPERTY ADDRESS:** 2029 E. 19<sup>th</sup> St., Oakland, CA  
**DATE OF HEARING:** February 15, 2019  
**DATE OF DECISION:** February 28, 2019  
**APPEARANCES:** Roberto A. Acevedo Villalobos (Tenant)  
Vilma G. Renderos (Tenant)  
Larry V. Tran (Owner)  
Xiao Ping Lu (Owner)  
Xavier Johnson (Tenant Representative)  
Noemi Gonzalez (Spanish Interpreter)  
Wei Kuen Tang (Cantonese Interpreter)

## SUMMARY OF DECISION

The tenant's petition is partly granted.

## CONTENTIONS OF THE PARTIES

Tenant Acevedo Villalobos filed a petition on July 23, 2018, which alleges that he has never received the form Notice to Tenants (RAP Notice); that at present, there exists a health, safety, fire, or building code violation in his unit; and that his housing services have been decreased, as follows:

- Reduced Parking Spaces
- Stove
- Mold
- Bathroom fan

000042

- Broken Floor Tile
- Kitchen Ceiling Light
- Electrical Gate

Owner Tran filed a timely response to the petition, which states that he does not know if the tenant was ever given a RAP Notice, and denies that the tenant's housing services have been decreased.

### THE ISSUES

- (1) When, if ever, did the tenant receive the RAP Notice?
- (2) Have the tenant's housing services been decreased and, if so, by what percentage of the total housing services that are provided by the owner?

### EVIDENCE

RAP Notice: At the Hearing, Tenant Acevedo Villalobos ("the tenant") testified that he first received the RAP Notice in November 2018. He had never been given this notice before that time. Owner Tran ("the owner") agreed with this testimony.

Rent History: The parties agreed that the tenant has paid rent, as follows: from February 2016 through December 2017 - \$1,350 per month; from January 2018 through December 2018 - \$1,500 per month; January 2019 - \$1,575; and February 2019 - \$1,560. It is noted from the current rent increase notice<sup>1</sup> that the rent is \$1,560 per month effective January 1, 2019. The additional \$15 paid in February 2019, represents a portion of the Rent Adjustment Program fee, and is not rent.

#### Decreased Housing Services:

Parking Spaces: The tenant testified that, when he moved into his unit in the year 2010, he signed a lease which said that he was entitled to 2 parking spaces in the lot behind the subject 2-unit building. The parking lot is large, and there were no lines on the pavement. The tenant and his wife own 4 vehicles, and he began parking all 4 on the premises in exchange for mowing the lawn and doing minor repairs in the building. The owner never complained about this arrangement.

However, in April 2018, the tenant received a letter from the owner saying that he could only park 2 vehicles in the lot. At that time, the owner had lines painted on the lot, with numbers designating the unit assigned to each spot.<sup>2</sup> Since May 5, 2018, he has parked 2 vehicles in the lot, parked the others on the street, and stopped doing the lawn mowing and repairs.

---

<sup>1</sup> Exhibit No. 1A. This Exhibit, and all others to which reference is made in this Decision, were admitted into evidence.

<sup>2</sup> Exhibits 21 and 27 depict the lot before and after lines were added.

The owner testified that the lease specifies 2 parking spaces, and he never gave the tenant permission to park more vehicles. He had lines and unit numbers painted in the lot when a new tenant moved into the other unit in the building.

Stove: The tenant testified that the stove broke down at the end of 2017. It was replaced in January 2018, and there has been no problem since that time.

Mold / Bathroom Fan: The tenant testified that in September 2017, mold began to develop in the bathroom because the exhaust fan was not working well. The tenant reported this problem to the owner at that time. He and his wife cleaned the walls with a soapy towel, but the mold returned. On May 27, 2018, the owner cleaned and painted the walls. Mold then returned, although it is not as bad as it has been. The fan has not worked since that time. The owner said that he would replace the fan if the tenants paid the cost, an estimated \$300 to \$500. The fan was never replaced. The owner testified that he did receive a written notice about the fan, and that he is not responsible to repair or replace the fan.

Floor Tile: The tenant testified as follows: when he moved in, a large ceramic floor tile in the kitchen was partly cracked. The cracks became longer after people had walked on the tile. The tenant notified the owner in July 2017, and took photos at that time.<sup>3</sup> The photos depict large cracks in a floor tile, which have been covered with clear plastic tape. The tile looks the same today as it did in the photos. The owner said that the tenant should replace the floor tile. The owner testified that he was never notified about this problem.

Kitchen Ceiling Light: The tenant testified that, when he moved into his unit, there was a long florescent light in a rectangular fixture on the kitchen ceiling. Approximately 3 years ago, the light stopped working, and he notified the owner. After the owner did not respond to his complaint, the tenant bought a smaller round florescent fixture and installed it in the fixture on the ceiling. The tenant submitted a photo of the new fixture in the old enclosure.<sup>4</sup> The old enclosure appears to be approximately 3 feet long; the new fixture appears to be approximately 10 inches in diameter. The owner then told him that there was no need for him (the owner) to replace a bulb in the original fixture. The owner testified that the tenant replaced the fixture without notifying him.

Electrical Gate: The tenant testified that in the year 2014, the electric gate to the parking area stopped working. The owner testified that the gate was not working when the tenant moved in, and he therefore never gave him a remote control device for the gate.

### **FINDINGS OF FACT AND CONCLUSIONS OF LAW**

RAP Notice: It is found that the tenant first received the RAP Notice in November 2018.

Decreased Housing Services: Under the Rent Adjustment Ordinance, a decrease in housing services is considered to be an increase in rent<sup>5</sup> and may be corrected by a rent adjustment.<sup>6</sup>

---

<sup>3</sup> Exhibit Nos 37 & 38.

<sup>4</sup> Exhibit No. 41

<sup>5</sup> O.M.C. Section 8.22.070(F)

However, in order to justify a decrease in rent, a decrease in housing services must be either the elimination or reduction of a service that existed at the start of the tenancy or a violation of the housing or building code which seriously affects the habitability of the tenant's unit.

There is also a time limit for claiming decreased housing services. If the decreased service is the result of a noticed or discrete change in services provided to the tenant, the petition must be filed within 90 days after of whichever is later: (1) the date the tenant is noticed or first becomes aware of the decreased housing service; or (2) the date the tenant first receives the RAP Notice.

Where a tenant's petition was filed within this time limit – which is the case here – a tenant can be granted restitution for rent overpayments due to decreased housing services for a maximum of 3 years from the date a petition is filed.<sup>7</sup> The petition was filed on July 23, 2016. Therefore, the tenant is entitled to restitution beginning on August 1, 2015. Further, in order for a tenant's claim for decreased housing services to be granted, an owner must have notice of a problem and a reasonable opportunity to make needed repairs.

Parking Spaces: At the start of his tenancy, the tenant had the right to use 2 parking spaces. When the tenant began to use additional spaces, this was a temporary accommodation that the owner had the right to withdraw at any time. For this reason, the claim is denied.

Stove: The owner replaced the stove within a reasonable time after receiving notice, and the claim is denied.

Mold / Bathroom Fan: An owner has a legal duty to repair habitability defects.<sup>8</sup> He or she cannot require a tenant to make repairs or to refuse to make repairs unless the tenant pays the cost. The owner should reasonably have repaired or replaced the fan by July 1, 2018. Mold is a potential health hazard, and the owner's failure to repair or replace the fan reduces the tenant's housing services by 5%. Because of the current decrease in housing services, the rent is reduced by 5%, being \$78 per month. This rent decrease will remain in effect until the bathroom fan is repaired or replaced, as specified in the Order below. Further, as set forth on the Table below, the tenant has overpaid rent since July 2018.

Floor Tile: The cracked tile would probably have been noticed during a move-in inspection, and during reasonable periodic inspections since that time. Therefore, the owner has always had constructive notice of this condition. The cracked tile makes it difficult to properly clean the kitchen floor and poses a tripping hazard. This condition reduces the tenant's housing services by 2%. Because of the current decrease in housing services, the rent is reduced by 2%, being \$31.20 per month. This rent decrease will remain in effect until the broken tile is replaced, as specified in the Order below. Further, as set forth on the Table below, the tenant has overpaid rent since July 23, 2015.

Kitchen Ceiling Light: The replacement light installed by the tenant would appear to provide less light than bulbs in the substantially larger original fixture. This situation reduces the tenant's housing services by 1%. Because of the current decrease in housing services, the rent is

reduced by 1%, being \$15.60 per month. This rent decrease will remain in effect until the owner replaces the bulbs in the original fixture, as specified in the Order below. Further, as set forth on the Table below, the tenant has overpaid rent since February 2016, when the tenant replaced the original fixture.

Electrical Gate: The parties' testimony was equally credible. The tenant has not sustained his burden of proof, and the claim is denied.

Conclusion: Because of ongoing decreased housing services, the current rent is reduced by \$124.80 per month, to \$1,435.20 per month. Because of past decreased housing services, the tenant overpaid rent in the amount of \$2,467.80. The overpayment is ordered repaid over a period of 12 months.<sup>9</sup> The current rent is temporarily reduced by \$205.58 per month, to \$1,229.62 per month, beginning with the rent payment in March 2019 and ending with the rent payment in February 2020.

The tenant is entitled to begin to deduct the restitution owed from his rent after this Hearing Decision becomes final. The decision is final if no party has filed an Appeal within 20 days of the date the Hearing Decision is mailed to the parties.

To whom may concern:

I am appealing the hearing decision on the math/ clerical errors. The tenant file the complaints and reported the month and years is inconsistence from the conclusion of the hearing decision of the following items: Kitchen Light and Floor Tile.

Tenant reported started the case file T18-0387, Floor Tile dated "July 2017" and Kitchen Light dated October 2017. Versus hearing decision calculation on "Floor Tile" noted August 2015, and "Kitchen Light" noted February 2016. The calculation has a significant 2 to 3 years' differences. The calculation of decrease in services supposedly calculation in the year of 2017.

The value of lost on the floor tiles it should have been only 19 months, and for the kitchen light it should have been only 16 months. The information on the hearing decision versus the petition T18-0387 information it doesn't match up. The information that was submitted from the tenant clearly stated the "broken floor – July 2017" and "kitchen light – October 2017."

Therefore, not sure how and why calculation result start computing from the year of 2015 and 2016?

Sincerely,

Oakland, CA 94612-0243

Dear Mr. Costa:

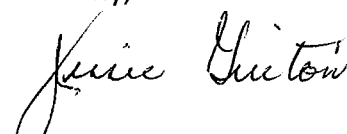

This correspondence is written in response to that received from the Rent Adjustment Program, Case No. T18-0218, in which you transmitted a list of problems filed by Durrett et al for property at 712 – 56<sup>th</sup> Street, Oakland. (Durrett is not a tenant. The current tenant is Terrance Carpenter)

The individual who filed this complaint was a tenant in my property from 2013 to 2016. She moved from the property in early 2016 and during her stay she had no complaints regarding the condition of the property. She moved due to a conflict with her live in partner according to the statement she made to me. She moved into another property that I manage. Her partner remained a tenant at 712 – 56<sup>th</sup> Street and has done so up until this time with no complaints. It is noted that the dates of the complaint for the period 2013 to 2015 are subsequent to Durrett's move out. Durrett moved from 3932 Lusk Street owing for rent and damages to the unit. She did not give notice of her intent to move from that location.

As stated above her live-in partner remained in the home. He has never reported to me that there are issues with the home. He has been habitually late paying his rent (every month). He has not paid rent for the month of June and therefore has now been sent a Three Day Notice to Pay or Quit.

I am at a loss to understand the basis or rationale for the "complaint" by a former tenant. I trust that the foregoing provides sufficient information to conclude this matter.

Sincerely,

Jessie Guiton

## **HEARING DECISION**

**CASE NUMBER:** T18-0218, Durrett et al v. Guiton  
**PROPERTY ADDRESS:** 712 56<sup>th</sup> Street, Oakland, CA  
**DATE OF HEARING:** September 26, 2018  
**DATE OF DECISION:** January 29, 2019  
**APPEARANCES:** Soniia Durrett

### **SUMMARY OF DECISION**

The tenant's petition is granted in part.

### **CONTENTIONS OF THE PARTIES**

On April 10, 2018, the tenant filed a petition contesting two rent increases and claiming that her housing services have decreased. The basis for the tenant's petition includes the following:

- The rent increase notices were not given to me in compliance with State law;
- There is a current health, safety, fire, or building code violation in my unit, or there are serious problems with the conditions in the unit because the owner failed to do requested repair and maintenance;
- The owner is providing me with fewer housing services than I received previously or is charging me for services originally paid by the owner; and
- I wish to contest an exemption from the Rent Adjustment Ordinance because the exemption was based on fraud or mistake.

The owner filed a timely response denying the allegations but failed to appear for the Hearing. The Hearing was properly noticed and proceeded without the presence of the owner.

000082

## THE ISSUES

- (1) When, if ever, did the tenant receive the form Notice to Tenants (RAP Notice)?
- (2) Are the contested rent increases valid?
- (3) Have the tenant's housing services been decreased and, if so, by what percentage of the total housing services that are provided by the owner?

## EVIDENCE

### Rent History and RAP Notice

The tenant moved into the subject unit in July of 2013, at an initial monthly rent of \$1,500.00. A copy of the original lease for the subject property was received into evidence.<sup>1</sup> The subject unit is located in a residential building consisting of four (4) units. The tenant stated on her petition and testified at the hearing that she received a notice of rent increase on March 15, 2016, raising her rent from \$1,500.00 to \$1,522.50 per month effective May 1, 2016. On December 15, 2016, she received another notice of rent increase raising her rent from \$1,522.50 to \$1,590.00 per month effective February 1, 2017. The tenant testified that she received the RAP Notice with both rent increase notices. She submitted copies of the rent increase notices and the RAP Notices into evidence.<sup>2</sup>

At the hearing, the tenant testified that she paid the increased rent of \$1,590.00 from February 2017 through July 2018. She testified that she began withholding rent in August of 2018, and will continue to withhold rent until repairs to the unit are completed.

### Decreased Housing Services

With her petition, the tenant submitted a list of decreased housing services. At the hearing, the tenant testified that a City Inspector from Code Enforcement Services conducted an inspection of the property on June 29, 2018, and issued a Notice of Violation on July 24, 2018, citing violations for many of the decreased housing services listed in the tenant petition. The tenant testified that in response to the Notice of Violation, the owner made several repairs to the unit in August of 2018. On September 17, 2018, the City Inspector conducted a Re-Inspection of the property and informed the tenant that the repairs were completed incorrectly and were not in compliance with Code Enforcement. The tenant testified that she has not yet received anything in writing from the City Inspector following the Re-Inspection on September 17, 2018.

The tenant testified as follows regarding each of the decreased housing services she listed in her petition:

Kitchen Sink: The tenant testified that her kitchen sink and faucet have been leaking since approximately January of 2015 and the cabinet underneath the sink has

---

<sup>1</sup> Exhibit 1

<sup>2</sup> Exhibit 3

mold. She notified the owner of the leak in 2015 but the owner failed to make repairs at that time. The leak and associated mold were also cited in the Notice of Violation issued on July 24, 2018. The tenant testified that the owner finally repaired the leak on August 15, 2018, but did not address the mold.

Low Water Pressure: The tenant testified that there has been no hot water pressure in the bathroom sink and bathtub since she moved into the unit in July of 2013. She complained about the low water pressure many times but the owner failed to address the issue. The low water pressure was also cited in the Notice of Violation issued on July 24, 2018. In response to the Notice Violation, the owner installed new piping in the bathroom on August 15, 2018. The new piping resolved the low water pressure issue but now the new pipes under the bathroom sink leak.

Mold in Bathroom: The tenant testified that there has been mold in the bathroom since approximately January of 2015. She has complained about the mold many times to the owner. The bathroom mold was also cited in the Notice of Violation issued on July 24, 2018. On August 15, 2018, the owner painted over the mold, and replaced the bathroom cabinet. However, the new bathroom sink is not centered and the new sink faucet leaks.

Mold in Laundry Room: The tenant testified that there has been mold in the laundry room since approximately January of 2016. She believes the mold is due to the leak in the kitchen, which seeped into the laundry room. She has complained about the mold many times to the owner. The mold in the laundry room was also cited in the Notice of Violation issued on July 24, 2018. The tenant testified that the owner has still not addressed the issue and mold is still present in the laundry room.

Water Heater: The tenant testified that the water heater is old and heavily corroded. The water heater was also cited in the Notice of Violation issued on July 24, 2018 due to a leak. The owner replaced the water heater on August 15, 2018. However, during the re-inspection on September 17, 2018, the City Inspector verbally informed the tenant that the water heater was installed incorrectly.

Lack of Insulation/Lack of Heat: The tenant testified that there was a cold draft in the bathroom and her daughter's room since approximately January of 2015, and the heater never sufficiently heated that part of the house. She testified that the owner finally sealed the bathroom in August of 2018, and that has resolved the draft issue. She has not needed to use the heater since the bathroom was sealed, so she doesn't know if the heater will now sufficiently heat the entire house.

Bathroom Mirror: The tenant testified that the bathroom mirror fell down in May of 2015 and the owner finally replaced it in August of 2018.

Fence: The tenant testified that the backyard fence was in disrepair and a portion of the fence fell down in January of 2014. The fence was also cited in the Notice of Violation issued on July 24, 2018. On August 15, 2018, the owner removed the fence.

Overgrown Vegetation: The tenant testified that bamboo was growing wildly in the backyard, to the point that it was causing damage to the rear staircase, and the trees and other vegetation in the yard were never trimmed. The overgrown vegetation was also cited in the Notice of Violation issued on July 24, 2018. The owner finally chopped down the overgrown bamboo and trimmed the overgrown vegetation on August 15, 2018.

Backstairs: The tenant testified that the rear staircase is dilapidated, rotting, and damaged by the overgrown bamboo. The dilapidated staircase was also cited in the Notice of Violation issued on July 24, 2018. The owner still has not made any repairs and the staircase needs to be replaced.

Rodents: The tenant testified that there was a rodent infestation in the house but she hasn't seen any rodents since approximately 2016, after she became more mindful of not leaving garbage out.

Smoke/CO Detectors: The tenant testified that the smoke/CO detectors have not been working since 2015, but she never notified the owner of this issue prior to filing her petition. The lack of working smoke/CO detectors was also cited in the Notice of Violation issued on July 24, 2018. In response to the Notice of Violation, the owner replaced the smoke/CO detectors on August 15, 2018.

Side Gate Lock: The tenant testified that the lock on the side gate doesn't work properly. It has a double sided key lock but the lock only works from the inside. The lock has not worked properly since approximately January of 2016. The gate lock was also cited in the Notice of Violation issued on July 24, 2018. The tenant testified that the owner has still not repaired the lock.

Kitchen Drawer: The tenant testified that the front of one of the kitchen drawers fell off in approximately January of 2015 and she ended up fixing it herself in March of 2018. She testified that the drawer still opened and closed, the front was just missing.

## **FINDINGS OF FACT AND CONCLUSIONS OF LAW**

### **Timeliness of Petition Contesting Rent Increases**

For a petition contesting a rent increase, the petition must be filed within ninety (90) days after the date the owner serves the rent increase notice or the date the tenant first receives written notice of the RAP Notice, whichever is later.<sup>3</sup>

It is undisputed that the tenant received the RAP Notice with both contested rent increase notices. To be considered timely, the tenant's petition contesting the 2016, and 2017 rent increases should have been filed within ninety (90) days after the rent increase notice. The tenant did not file her petition until April 10, 2018, more than ninety

<sup>3</sup> O.M.C. Section 8.22.090A(2)

(90) days after the most recent rent increase notice, which was issued on December 15, 2016. Therefore, the tenant's petition contesting the rent increases is denied as untimely. Before consideration of any decreased housing services, the tenant's base rent is \$1,590.00 monthly. Since the tenant has been withholding rent since August of 2018, the owner is owed compensation for rent underpayments in the amount of \$11,130.00 (\$1,590.00 x 7 months).

#### Timeliness of Decreased Housing Service Claim

The Oakland Rent Ordinance provides that for a petition claiming decreased housing services:

a. If the decreased housing is the result of a noticed or discrete change in services provided to the tenant, the petition must be filed within ninety days of whichever of the following is later:

i. The date the tenant is noticed or first becomes aware of the decreased housing service; or

ii. The date the tenant first receives the RAP Notice.

b. If the decreased housing is ongoing, the tenant may file a petition at any point but is limited in restitution for ninety (90) days before the petition is filed and to the period of time when the owner knew or should have known about the decreased housing service.<sup>4</sup>

Bathroom mirror (2015) and Kitchen Drawer (2015): The tenant received the RAP Notice on March 15, 2016. To be considered timely, these claims should have been filed within ninety days after March 15, 2016, which would have been June 15, 2016. The tenant's petition was filed on April 10, 2018. Therefore, these claims are denied as untimely.

#### Decreased Housing Services

Under the Oakland Rent Adjustment Ordinance, a decrease in housing services is considered to be an increase in rent<sup>5</sup> and may be corrected by a rent adjustment.<sup>6</sup> However, in order to justify a decrease in rent, a decrease in housing services must be either the elimination or reduction of a service that existed at the start of the tenancy, or one that is required to be provided in a contract between the parties, or a violation of the housing or building code which seriously affects the habitability of the tenant's unit. Further, an owner must be given notice of a problem, and a reasonable opportunity to make repairs, before a claim of decreased housing services will be granted.

Additionally, the tenants have the burden of proof with respect to each claim.

Kitchen Sink: The tenant testified credibly that her kitchen sink and faucet have been leaking since approximately January of 2015 and the leaks were not repaired until

<sup>4</sup> O.M.C. Section 8.22.090(A)(3)

<sup>5</sup> O.M.C. Section 8.22.070(F)

<sup>6</sup> O.M.C. Section 8.22.110(E)

August 15, 2018. This claim affects the habitability of the unit and the tenant is entitled to restitution for past decreased housing services. Since the tenant received the RAP Notice, restitution shall be limited to ninety (90) days prior to the filing of the petition on April 10, 2018.<sup>7</sup> Therefore, the tenant is entitled to a 2% rent decrease from January 2018 to August 2018, when the leak was repaired. (See chart below)

Low Water Pressure: The tenant testified credibly that there was never any hot water pressure in the bathroom sink and bathtub since she moved into the unit in 2013. The owner installed new piping on August 15, 2018, which resolved the low water pressure issue but the pipes were installed incorrectly and they leak. This claim affects the habitability of the unit and the tenant is entitled to an ongoing rent decrease of 2% until the new pipes are installed correctly and any associated leaks are repaired. The tenant is also entitled to compensation for past decreased housing services regarding the low water pressure as of January 2018. (see chart below)

Mold in Kitchen, Laundry Room, Bathroom: The tenant testified credibly that there is mold in the kitchen, laundry room, and bathroom and it has not been remediated properly. This claim affects the habitability of the unit and the tenant is entitled to an ongoing rent decrease of 5% until the mold in the unit is remediated. The tenant is also entitled to compensation for past decreased housing services regarding the mold as of January 2018. (see chart below).

Water Heater: The tenant testified credibly that the water heater was old and leaking. The owner replaced the water heater on August 15, 2018, but it was installed incorrectly. This claim affects the habitability of the unit and the tenant is entitled to an ongoing rent decrease of 2% until the water heater is installed correctly. The tenant is also entitled to compensation for past decreased housing services regarding the water heater as of January 2018. (see chart below).

Lack of Insulation/Lack of Heat: The tenant testified there was a cold draft in the bathroom and her daughter's room and the heater did not heat that portion of the house adequately due to the draft. This issue was resolved once the owner sealed the bathroom in August of 2018. Lack of adequate heat affects the habitability of the unit and the tenant is entitled to a 5% rent decrease for past decreased housing services from January 2018 through August 2018, when the bathroom was sealed. (see chart below).

Fence: The tenant testified that the backyard fence was in disrepair and a portion of the fence fell down in January of 2014. On August 15, 2018, the owner removed the fence. A falling fence is a safety hazard, therefore, the tenant is entitled to a 2% rent decrease for past decreased housing services from January 2018 through August 2018, when the fence was removed (see chart below).

Overgrown Vegetation: The tenant testified that bamboo was growing wildly in the backyard, to the point that it was causing damage to the rear staircase. The owner

---

<sup>7</sup> O.M.C. Section 8.22.090(A)(3)

finally chopped down the overgrown bamboo and trimmed the overgrown vegetation on August 15, 2018. This claim affects the habitability of the unit and the tenant is entitled to a 1% rent decrease for past decreased housing services from January 2018 through August 2018, when the bamboo was chopped down. (see chart below).

Backstairs: The tenant testified that the rear staircase is dilapidated and rotting. The staircase was also cited in the Notice of Violation issued on July 24, 2018. This claim affects the habitability of the unit and the tenant is entitled to an ongoing rent decrease of 5% until the staircase is repaired. The tenant is also entitled to compensation for past decreased housing services regarding the staircase as of January 2018. (see chart below).

Rodents: The tenant testified that she has not observed any rodents in the house since 2016, after she became more mindful of not leaving garbage out. Since the rodents are no longer an issue, compensation for this claim is denied.

Smoke/CO Detectors: The tenant testified that she did not notify the owner of the broken smoke/CO detectors prior to filing her petition and the owner replaced the smoke/CO detectors on August 15, 2018, after she received notice of this issue. Therefore, compensation for this claim is denied.

Side Gate Lock: The tenant testified that the side gate lock has not worked properly since approximately January of 2016. The gate lock was also cited in the Notice of Violation issued on July 24, 2018, and the owner has still not repaired the lock. This claim affects the habitability of the unit and the tenant is entitled to an ongoing rent decrease of 2% until the side gate lock is repaired. The tenant is also entitled to compensation for past decreased housing services regarding the side gate lock as of January 2018. (see chart below).

**ORDER**

1. Tenant Petition T18-0218 is partly granted.
2. The portion of the petition contesting prior rent increases is denied as untimely. The tenant's base rent is \$1,590.00 monthly.
3. Due to ongoing decreases in housing services, the tenant's rent is reduced by 16% (\$254.40). The tenant's current legal rent is \$1,335.60 a month.
4. Due to past decreased services, the tenant is owed restitution in the amount of \$4,833.60. Because the tenant withheld rent, the tenant also owes the owner \$11,130.00 for underpayment of rent. Therefore, the owner is owed a net \$6,296.40 for rent underpayments. The amount owed to the owner shall be amortized over a period of twelve (12) months for a monthly additional rent payment of \$524.70.
5. The tenant's rent for the months of March 2019 through February 2020 is \$1,860.30. Her rent will revert to \$1,335.60 a month in March of 2020, if no repairs are made and/or rent increase notices are served.
6. If the owner fixes the leaks in the new bathroom pipes, she can increase the rent by 2% (\$31.80 per month); should the owner remediate the mold in the unit, she can increase the rent by 5% (\$79.50 per month); should the owner install the water heater correctly, she can increase the rent by 2% (\$31.80 per month); should the owner repair the backstairs, she can increase the rent by 5% (\$79.50 per month); should the owner repair the side gate lock, she can increase the rent by 2% (\$31.80 per month). In order to increase the rent after repairs the owner must provide the necessary notice pursuant to Civil Code § 827.

APPEAL OF RENT ADJUSTMENT PROGRAM DECISION – T18-0218 – DURRETT v GUITON

Gentlemen:

I am appealing the information the Rent Board used to make their decision and therefore, the decision. While the decision is in my favor I believe it is only appropriate for me to let you know that the information that was used was not correct.

Most importantly I was not notified of the hearing date. I was not present at the hearing for that reason.

Ms. Durrett was not a tenant at the time the complaint was filed. Not any of the decreased housing services that were claimed were brought to my attention by the tenant (Mr. Carpenter).

Mr. Carpenter had a court hearing and it was ruled that he had to pay all the rent that he had withheld. He paid \$3,180.00. The total amount owed that you used in your decision was incorrect.

It was stated in your decision that the side yard lock was an issue. It was an issue because the tenant insisted on using a double-deadbolt lock. That kind of lock is illegal and was explained to the tenant by the city inspector. We asked the tenant to remove the lock and it was removed for a while but was replaced after the inspection.

As of this date the tenant has not allowed us to come make the change to the vent on the water heater. Another inspection will be scheduled once the tenant allows us to come in to make the change. All of the other repairs have been made, as of this date, and approved by the city inspector.

If you need additional information please contact me immediately.

Sincerely,

Jessie Guiton
