

# High Street Paving Project

Imagining a safer and more connected High Street with a planned repaving project

City of  
Oakland

Department of  
Transportation

## OPTION 2: TRAFFIC CALMING - w/ Center Turn Lane SAN CARLOS TO SANTA RITA STREET

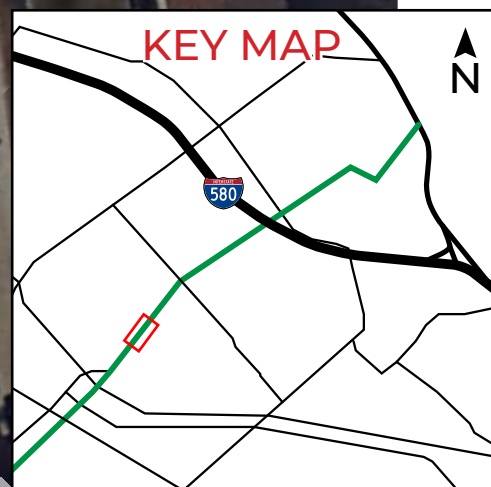

Highway Safety Grant will install Pedestrian Beacon at San Carlos walk in 2021

Paint new high-visibility crosswalks and upgrade curb ramps

Review traffic counts to determine if island can replace left-turn lane

Signalized intersections - need to retain left-turns (no median possible)

Install mid-block median islands to prohibit passing or driving in the center lane
