RE: Executive Director's Report for the June 1, 2020, PEC Meeting

This memorandum provides an overview of the Public Ethics Commission's (PEC or Commission) significant activities completed or in progress since the Commission's last regular meeting that are not otherwise covered by other program reports. The attached overview of Commission Programs and Priorities includes the ongoing goals and activities for 2019-20 for each program area.

Sunshine Review Subcommittee

Chair Jackson created an ad hoc Sunshine Review Subcommittee on May 8, 2020, and appointed Michael MacDonald (Chair), Jill Butler, and Joe Tuman as members. The Sunshine Review Subcommittee will begin to outline the project scope and steps for evaluating departmental performance in responding to public records requests.

Performance Appraisals

Staff annual performance reviews are currently being prepared and will incorporate a review of individual performance objectives for the past year as well as any new individual objectives stemming from overall PEC goals identified as part of the PEC's strategic planning process at its upcoming annual retreat. Reviews will be completed in June.

State Behested-Payments Regulation Amendments

The California Fair Political Practices Commission (FPPC) is discussing potential amendments to Regulation 18215.3 and Government Code Section 84224 that together establish behested payment rules and reporting requirements. PEC staff reached out to FPPC lawyers, with positive response, to request an amendment to expressly authorize e-filing of behested payment information (Form 803) without the need for a wet signature on these forms to streamline the reporting and public access to this information. Staff also is working to connect local filers with FPPC attorneys to discuss the requirements and impact on current practices and will continue to monitor and participate in the amendment process.
