

### PEC Salary-Setting Duties – Relevant Charter Sections

#### **Council Salaries (Sec. 202).**

The Public Ethics Commission shall bi-annually adjust the salary for the office of Councilmember by the increase in the consumer price index over the preceding two years, up to a total of five percent. If the increase in the consumer price index over the preceding two years exceeds five percent, the Commission shall have the discretion to adjust the salary for the office of Councilmember by an amount not exceeding five percent for each year, but not more than the total CPI per year.

#### **City Attorney Salary (Sec. 401(1)).**

... The salary of the elected City Attorney shall be set annually by the Public Ethics Commission to provide for competitive compensation and equitable alignment and, taking into account the top of the range for the highest paid professional employee in the Office of the City Attorney and salaries for other City department heads, and shall be comparable to the salaries of City Attorneys and other comparable positions, such as County Counsel or Port Attorney, in California cities, counties and agencies selected by the Commission. The City Attorney's salary may not be reduced during the City Attorney's term of office except as part of a general reduction of salaries of all officers and employees in the same amount or proportion.

#### **City Auditor Salary (Sec. 403(1)).**

... The salary of the City Auditor shall be set annually by the Public Ethics Commission, to provide for competitive compensation and equitable alignment and, taking into account the top of the range for the highest paid professional employee in the Office of the City Auditor and salaries for other City department heads, and shall be comparable to the salaries of public sector auditor positions in California cities and counties selected by the Commission. The City Auditor's salary may not be reduced during the City Auditor's term of office, except as a part of a general reduction of salaries for all officers and employees in the same amount or proportion.
