MEMORANDUM: Request to Adopt a Resolution Determining That Conducting In-Person Meetings of the Commission on Homelessness and Its Committees Would Present Imminent Risks to Attendees' Health and Electing to Continue Conducting Meetings Using Teleconferencing in Accordance with California Government Code Section 54953(e), A Provision of AB-361.

TO: Commission on Homelessness

DATE: April 27, 2022

Summary

The purpose of this memorandum to the Commission on Homelessness is to request continuance of teleconference meetings (commonly referred to as virtual meetings) given recent changes to the State's open meeting laws. Assembly Bill 361 (AB-361) was adopted on September 15, 2021, amending provisions of the Brown Act that allow local jurisdictions to meet by teleconference provided the legislative body adopts specific findings in compliance with the new State law. All City of Oakland legislative bodies, including the Commission on Homelessness, have been advised to adopt a Resolution of Findings pursuant to AB-361 in order to continue meeting via teleconference.

Analysis

This Resolution of Findings states that the purpose of meeting by teleconference is to generally protect the health and safety of our community while the state of emergency related to COVID-19 is still in effect. The Resolution also states that a proclamation of local emergency is still in effect, as well. These are required findings under AB-361 to allow for continued use of a virtual platform for hosting Commission on Homelessness (and Committee) meetings.

By adopting the Resolution, the Commission on Homelessness would allow for continued use of a virtual platform for hosting Commission on Homelessness meetings during the COVID-19 emergency, as proclaimed by either the state or local jurisdiction. Adopting the Resolution would also allow the Commission on Homelessness committees to continue to meet on a virtual platform (including, but not limited to, the Design Review Committee, the Residential Appeals Committee, the Zoning Update Committee, The Special Projects Committee, and Policies and Procedures Committee, as well as any subcommittee thereof).

The Commission on Homelessness will be asked to adopt the Resolution every month for the duration of the COVID-19 emergency. In the future, this same report and Resolution will be included as a consent calendar item on the first meeting agenda no longer than every 30 days during of the emergency.

Recommendation

Staff recommends that the Commission on Homelessness adopt the Resolution Determining That Conducting In-Person Meetings of the Commission on Homelessness and Its Committees Would Present Imminent Risks to Attendees' Health and Electing to Continue Conducting Meetings Using Teleconferencing in Accordance with California Government Code Section 54953(e), A Provision of AB-361.
