The Lakeshore Avenue Separated Bike Lanes project will add safety improvements, including a **two-way bike lane separated from cars** by a concrete curb.

- Two-way separated bike lane along Lake Merritt
- Concrete islands for protected crossings
- Bus boarding islands
- Maintains one car lane in each direction, left turns are still OK
- Maintains parking, with more Disabled-accessible parking spaces

What do you think about walking, biking, and traffic safety on Lakeshore Avenue?

Tell us at lakeshore@oaklandca.gov.

Changes are coming to Lakeshore Avenue!

Starting construction in Fall 2024, the **Lakeshore Avenue Separated Bike Lanes** project will make changes to improve traffic safety on Lakeshore Avenue from E 18th St to El Embarcadero.
