

## Your Input and Ideas Can Create a Healthier, More Resilient, and More Equitable East Oakland

Are you interested in continuing to participate in our planning initiative? During the next six months, we will be hosting a series of neighborhood meetings aimed at facilitating community feedback on specific community projects, as well as generating new ideas. These meetings will be attended by community leaders, as well as City of Oakland staff. **Please see the schedule below to find the meetings nearest to you, and put them on your calendar! All meetings will offer free food and childcare:**
