- Sarah Fine, Sidewalks Program Manager, reported on a District 7 Council-sponsored agenda item, scheduled for tomorrow, to suspend the sidewalk repair ordinance for 90 days, and suggested that MCPD be aware since they previously supported the ordinance.
- Mariana Parrerrias, BPAC Commissioner, new liaison to MCPD, and BART employee, shared concerns about the design of a DOT project to install sidewalk-level separated bike lanes on Thomas L Berkley Wy between Broadway and Franklin St. Suggests that project be agendaized for MCPD input.

with an overview of the purpose, findings, and recommendations. The Adaptive Bike Share program was the study's impetus, complimentary to the Bike Share Program, but later expanded to all shared mobility programs. (See presentation.) Challenges include scooter parking, operations, and enforcement; lack of docks for scooters; scooter companies solvency during Covid-19; getting the one-way trip model to work for those with mobility challenges; a lack of wheelchair-accessible car share (and requirements); and mobile applications that don't serve people with disabilities.

- A motion to support the recommendations in the Study was made (Sperling). Discussion included a request to modify the language that defines the components of an adaptive e-scooter and whether modifications could apply to the existing as well as future contracts.
- There was no second to the motion. The Chair suggested that Kerby return to discuss study recommendations in more detail. Kerby requested a narrower motion to support the addition of the locking mechanism to e-scooters.
- Motion (Commissioner Gregory): The MCPD believes it would be a good idea that Oakland require scooters to have integrated locking mechanisms so they can lock to bike racks. Seconded by Commission Nakamura. Passed with all in favor.

### 8. Commissioner Updates to the Strategic Planning Goals

- Commissioner Sperling reported progress on Item 2.2 (Police Training).
- Commissioner Gregory reflected on the actionability of Goal 1.1 re: accessible shared mobility.
- Commissioner Nakamura suggested that commissioners reflect on what is doable, and potentially extending the duration of the plan.
- The full update will happen in December.

### 9. Online Agenda Planner

- Jennifer Stanley shared a new online planning tool used to anticipate, schedule, and track agenda items. Concern was expressed about

whether use of the tool complied with open meeting requirements and Jennifer said she would follow up.
