CITY OF OAKLAND
MASTER FEE SCHEDULE
Effective: July 1, 2020

DESCRIPTION AND PROCESS

The Master Fee Schedule was established by the City Council in 1976. At that time, the Council passed Ordinance No. 9336 CMS that repealed all other references to fees and consolidated them within one document, the Master Fee Schedule. All new and revised fee proposals are reviewed by the Council and, if adopted, incorporated into this Schedule.

The FY 2020-21 Master Fee Schedule was adopted by the City Council on June 16, 2020, through Ordinance No. 13599 C.M.S. The Master Fee Schedule reflects to City's Policy on Fees and Charges, a copy of which is presented on the pages following the FY 2020-21 adopting ordinance.

The Budget Office is charged with the general maintenance of the Schedule. This includes reviewing requests to modify the document, periodic review of fees to assure that they are equitable and reflect the cost of services, and preparation of transmittals to the Council for recommended changes to fees.

In addition, all City Agencies have a role in fee schedule policies and maintenance. All Agencies and Departments that levy fees are responsible for:

1. Including all fees which are levied in the Master Fee Schedule;
2. Keeping updated copies of the Schedule available and in clear display;
3. Proposing fees which reflect the cost of services provided by the City; and
4. Providing for the annual revision of fees or proposing changes in fees consistent with the intent of the Master Fee Schedule.

There are two procedures for revising the Schedule: (1) During the biennial budget process or the Mid-cycle budget review; and (2) Outside of the budget process. During the budget process, Agencies/Departments submit proposed fee changes with their budget proposals. Fee revisions approved by the City Administrator and Mayor are presented to the Council and included in the legislation adopting the budget. At other times of the year, an Agency / Department may submit proposed revisions (by memorandum) to the Budget Office for review. Fee changes recommended by the Budget Director are forwarded to the City Administrator. If approved by the City Administrator, these requested fee changes are presented to the Council in the form of an ordinance amendment prepared by the requesting Agency / Department, accompanied by a staff report from the Agency / Department. All fee changes, regardless of time of the year, must be reviewed and approved by the Budget Office and the City Attorney's Office, and further authorized by the City Administrator for presentation to the Council. For both processes, specific public notification and procedures are mandated. A notice of a public hearing regarding the Schedule is published. In addition, the Office of the City Clerk will mail information regarding proposed modifications to any interested party who has filed a written request with the City Clerk for such notice. The Council then holds a public hearing regarding any proposed changes before adoption of revisions.

CITY ATTORNEY'S OFFICE

OAKLAND CITY COUNCIL

ORDINANCE NO. 13599 C.M.S.

ORDINANCE AMENDING ORDINANCE NO. 13533 C.M.S. (THE FISCAL YEAR 2019-20 MASTER FEE SCHEDULE), AS AMENDED, TO ESTABLISH, MODIFY AND DELETE FEES AND PENALTIES ASSESSED BY OFFICES, DEPARTMENTS, BUREAUS, AND AGENCIES OF THE CITY OF OAKLAND, REFERENCED HEREIN

WHEREAS, the City of Oakland periodically amends and updates its Master Fee Schedule to account for the various cost increases relating to municipal programs, services and activities; and

WHEREAS, the City has experienced and anticipates continuing increases in the costs to operate and maintain municipal government citywide; and

WHEREAS, Animal Services Department, Contract & Compliance Department, Department of Transportation, Economic & Workforce Development, Housing & Community Development, Oakland Fire Department, Oakland Police Department, Oakland Public Library, Oakland Public Works, Office of the City Attorney, and the Planning & Building Department (“the Departments”), undertook analysis and evaluation of the revenue requirements to fund ongoing municipal services, programs and activities and the fee structure necessary to proportionately allocate the costs of providing these government services and programs; and

WHEREAS, the Agenda Report accompanying this ordinance, including Attachments A-1, A-2, A-3, A-4, A-5, A-6, A-7, A-8, A-9, A-10, and A-11, (herein “the Agenda Report”) provided by staff of the Departments in support of the amendments to this ordinance, includes proposed fees and charges, and documentation supporting the estimated and reasonable costs for continuing to provide the various government services; and

WHEREAS, the investigations conducted by staff of the Departments reflected in the Agenda Report show that existing revenues are and will be insufficient to cover the current and projected costs of operating and maintaining identified City government activities, services and programs; and

WHEREAS, the fee modifications and additions proposed by the Departments, and the facts and analysis in support thereof are identified in the Agenda Report; and

WHEREAS, the Agenda Report shows that the amounts of the proposed fees and charges will not exceed the proportional cost of service provided or benefit attributable to each fee payer; and

WHEREAS, the Agenda Report shows that the proposed fees and charges for a product, benefit or service are imposed for a specific government service, benefit or product provided directly to the payer that is not provided to those not charged, and does not exceed the reasonable costs to the City of providing the service, benefit or product; and

WHEREAS, at the Public Hearing held on June 2, 2020, the Oakland City Council reviewed and considered the proposed fee changes; and

WHEREAS, based upon all written and oral reports and presentations to Oakland City Council, including the Agenda Report and each of the Attachments thereto, the City Council finds and determines that the proposed modifications and additions to the Master Fee Schedule set forth herein are necessary to reimburse the City for the costs of performing the various municipal and regulatory functions;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF OAKLAND DOES ORDAIN AS FOLLOWS:

SECTION 1. The City Council finds and determines that the foregoing recitals are true and correct and are hereby incorporated herein as findings and determinations of the City Council.

SECTION 2. The Master Fee Schedule as set forth in Ordinance Number 13533 C.M.S. as amended, is hereby amended to modify and establish the fees assessed by the Animal Services Department, Contract & Compliance Department, Department of Transportation, Economic & Workforce Development, Housing & Community Development, Oakland Fire Department, Oakland Police Department, Oakland Public Library, Oakland Public Works, Office of the City Attorney, and the Planning & Building Department, as set forth in Exhibit A, attached hereto, incorporated into and made a part hereof.

SECTION 3. Severability. If any section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the Chapter. The City Council hereby declares that it would have passed this Ordinance and each section, subsection, clause or phrase thereof irrespective of the fact that one or more other sections, subsections, clauses or phrases may be declared invalid or unconstitutional

SECTION 4. Effective Date. With adoption of this ordinance all fees shall hereby be effective July 1, 2020.
