

- Workshop 1 held 10/19/19
- 67 attendees (not including children or members of groups)
- 5 interactive stations

REP YOUR PARK

#MYMOSSWOOD

WHAT DOES MOSSWOOD PARK MEAN TO YOU?

1. Grab a card.
2. Write your name and email address on the card.
3. Take a moment to reflect on how Mosswood Park adds value to the community.
4. Sum it all up into one action verb and write it down on your card. For example...

#MYMOSSWOODGROWS

5. Pop the card in the box when you are all done!

#MyMosswoodHistoricArchitecture

#MyMosswoodCommunity

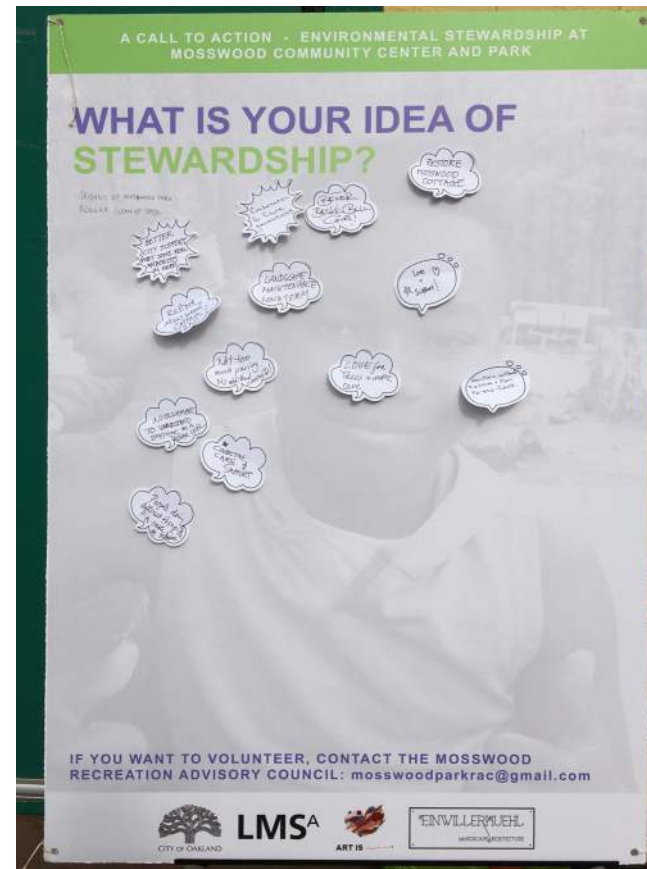

#MyMosswoodHistory

- Goal: To develop social media identity for the park from community input
- 17 responses in total
 - 6 responses included a hash tag
 - 11 responses made comments, but did not have a hash tag
- The activity may be better targeted to teens
- Work with RAC to develop social media for the park

History ♥

- Establish idea of ongoing stewardship for the park with metaphor of planting seeds and taking care of them
- Worked well as an activity for children
- Some ideas of stewardship included:
 - Love + support
 - Landscape maintenance long term
 - LOVE for trees and more care
 - People doing different things to create an inclusive space

COMMUNITY ENGAGEMENT - WORKSHOP 1 - PLANT THE SEED

IMAGINE THE FUTURE: PLANT SEEDS FOR THE FUTURE HISTORY

- The history inspired a lots of ideas about the future
- 40 seeds were filled out, but 8 were by one individual
- Some of the themes:
 - Playground and sports elements
 - Housing and support for the homeless
 - Safety
 - History and Preservation

- Goal: To better understand the role Mosswood plays in the community and start to identify needs.
- The park functions both on a recreational and civic level.
- Current Rec Center programming is very youth focused and could be expanded to allow for more diverse programming, like arts programs and community services.
