| 6:55 | 6 | Recent Bicyclist and Pedestrian Fatal Traffic Crashes Attachment (20 minutes) – Commissioner Schader (patricias.oakland@gmail.com) will lead the commission in a discussion of recent fatal and other high-profile traffic crashes in Oakland involving bicyclists and pedestrians. Commissioner Whipps (nick.whipps@yahoo.com) will seek a motion for a BPAC recommendation urging stakeholder agencies to take actions to improve traffic safety on International Blvd. <ul style="list-style-type: none"> On Monday, October 23rd, 2023, at possibly an hour prior to 8:17 PM, a Black male bicyclist approximately 50-59 years old was severely injured by a driver in a hit-and-run collision along the 550 block of 45th Street. On Wednesday, October 25th, 2023 at approximately 10:26 PM, a Hispanic male pedestrian approximately 40 years old was killed by a driver in a hit-and-run collision at the 4200 block of International Boulevard at High Street, involving the following scenario: a driver ("Driver #1") traveling eastbound in the 4200 block of International Blvd at a high rate of speed collided with another driver's (Driver #2") vehicle. The impact from the collision caused Driver #1 to collide into two parked vehicles on the south curbside, where the pedestrian was pinned in between the two parked vehicles. The pedestrian suffered a severed leg and was transported to the hospital, where he later succumbed to his injuries. |
| 7:15 | 7 | AC Transit Realign Bus Service Network Plan Update Attachment (25 minutes) – Alameda-Contra Costa Transit District's (AC Transit) Maria Henderson, External Affairs Representative (mahenderson@actransit.org), and Owen Goetze, Transportation Planner (ogoetze@actransit.org) will present AC Transit Realign, a comprehensive review of AC Transit's bus network to respond to shifts in riders' travel patterns. Each draft service scenario has been shaped by community input concerning crucial travel needs, and each scenario demonstrates how it will advance community mobility. AC Transit is seeking comments on the preliminary service scenarios between November 1 and December 13, 2023, to help inform the development of a single preferred service plan for implementation in August 2024. |
| 7:40 | 8 | Fire Code Amendments – Status (5 minutes) – The Ad Hoc Committee on Fire Code Amendments continues to seek information from the Oakland Fire Department on proposed amendments to the Oakland Fire Code. City of Oakland, Bicyclist & Pedestrian Advisory Commission
DRAFT Minutes from the October 19th, 2023 Meeting
City Hall, 2nd Floor, Sergeant Daniel Sakai Hearing Room (A.K.A. Hearing Room 4)

Meeting agenda at <https://www.oaklandca.gov/meeting/october-2023-bicyclist-pedestrian-advisory-commission-bpac-meeting>.

Meeting called to order at 6:04 PM by BPAC Chair Dianne Yee.

Item 1. Roll Call/Determination of Quorum/Introductions

At roll call, quorum was established with 7 Commissioners present (X). One Commissioner was excused.

| Commissioners | Present |
|---------------------------|-----------|
| Andrew Campbell | X |
| Alex Frank | X |
| Grey Gardner (Vice Chair) | (excused) |
| Mike Lok | X |
| Phoenix Mangrum | X |
| David Ralston | X |
| Patricia Schader | |
| Nick Whipps | X |
| Dianne Yee (Chair) | X |

Introductions were made.

- Staff: Pierre Gerard, Jason Patton, Craig Raphael.
- Other attendees: Priyanka Altman, Kevin Dalley, Becky Frank, Hydeh Ghaffari, Cynthia Herrera, Jimmy Jessup, Miss Margaret, Sheila McCracken, Hunter Oatman-Stanford, Rachel Osajima, George Spies, Midori Tabata.

Item 2. Open Forum / Public Comment

- Rachel Osajima lived near the Bruns Court Overcrossing as a child and used it hundreds of times. She claims that there are issues with the related Caltrans Project study, and she requests additional solutions to keep an overcrossing at the Bruns Court location. She requests that the topic be added to an upcoming BPAC agenda. She is also concerned about the loss of motor vehicle parking in the area for ADA access.
- Kevin Dalley stated that the 2016-2018 study by the City of Oakland on Park Boulevard suggests that the roadway should not be reduced to one motor vehicle lane in each direction. There is new information to suggest that the roadway can indeed be reduced to one lane in each direction.

Item 3. Approval of Meeting Minutes

- A motion **to adopt the Bicyclist & Pedestrian Advisory Commission meeting minutes from September 21st, 2023** was made (Yee), seconded (Campbell), and approved by roll call vote. Commissioners Ralston and Whipps abstained from the vote.

Adopted minutes online at www.oaklandbikes.info/BPAC.

Item 4. Recent Bicyclist and Pedestrian Fatal Traffic Crashes

~~Commissioner Schader~~ Chair Yee (patricias.oakland@gmail.com, yee.bpac@gmail.com) led the commission in a discussion of recent fatal and other high-profile traffic crashes in Oakland involving bicyclists and pedestrians.

The list of recent crashes was included in the meeting's agenda packet.

Summary of Discussion:

- George Spies shared on behalf of Traffic Violence Rapid Response (TVRR) that there were at least five traffic fatalities in Oakland the week of September 26th. He and Bryan Culbertson visited 3 of the locations, including the site of the pedestrian death on Seminary Avenue, and met the family of the victim while they were setting up a roadside memorial for the victim. TVRR may announce a vigil event for the victim.
- Quick-builds should be considered at sites like the one on Seminary Avenue. There have been at least two fatal collisions near this location in the past year.
- Commissioner Mangrum rides a bicycle on International Blvd all the time, and has experienced a number of near-misses with drivers.
- International Boulevard appears dangerous for the most vulnerable pedestrians (I.e., children and seniors), according to collision data.

Speakers other than Commissioners: George Spies.

Item 5. BPAC Commissioner Recommendations

The Recruitment Committee reported back with recommendations from its review of applications of people seeking to be appointed to the BPAC for three-year terms beginning January 2024. The Committee recommended Enjoleah Daye, Cynthia Citlalli Herrera, and David Ralston (reappointment). Commissioners are appointed by the Mayor and confirmed by City Council.

- A motion **to accept the Recruitment Committee's recommendations to appoint as Commissioners Enjoleah Daye, Cynthia Citlalli Herrera, and David Ralston (reappointment)** was made (Yee), seconded (Whipps), and unanimously approved by roll call vote. Commissioner Ralston abstained.
- Staff will forward the recommendations to the Mayor's Office.

Speakers other than Commissioners: Cynthia Citlalli Herrera.

Item 6. Vision 980 Study

Becky Frank and Hunter Oatman-Stanford, transportation planners from the Office of Regional and Community Planning at Caltrans District 4, introduced Caltrans' Vision 980 Study. [Email Caltrans staff about the project at vision980@dot.ca.gov.](mailto:vision980@dot.ca.gov)

Summary of Discussion:

- Phase 1 of the study is planned to begin in 2024, and to conclude in Summer 2025.
- Phase 2 to conclude by Summer 2027. City of Oakland was a co-applicant for Phase 2 and will share that Phase with Caltrans.
- Other City of Oakland studies, plans, and projects have included comments on Highway 980, so the Vision 980 study should reference those comments.
- Elaine Brown's 1992 memoir, *A Taste of Power*, includes context on the Black Panthers' lobbying in the 1970s to finish construction of Highway 980 to increase vehicular access to jobs in Oakland's City center.
- An [Interstate 580 Transit and Multimodal Strategy study](#) by the Alameda County Transportation Commission (ACTC) will examine the extent to which freight trucks need to use I-580, and a Request for Proposals is about to be released for that study (and will be conducted on a shorter timeline than the Vision 980 Study).
- There may be some misinformation in local and/or mass media about what this study is.
- Interstate 980 should be compared to Interstate 880 in terms of racial disparities.
- Caltrans has proposed a number of community meetings and will include community-based organizations in its outreach efforts.
- Is social media a valid source of public comment on this project? Consider Nextdoor, Facebook, Instagram as tools of an engagement model that may benefit harder-to-reach communities.
- While a limited number of conceptual visualizations will be created for this study, there is no limit to the number of options for the future of Highway 980. The hope is that the local community will coalesce around one vision for the Highway.
- Repaving work on Oakland's streets should not be affected by the study.
- How will the decision-making process look like at the end of the public input process? In the case that it is recommended that the Interstate highway be removed, State legislative action and collaboration between Caltrans and the City of Oakland would be required.
- [To better reflect the variety of lived experiences around I-980, Caltrans needs to hear from all communities impacted by this study. Sign up here to provide feedback and learn more about study activities: https://lp.constantcontactpages.com/su/SStgb55/vision980](https://lp.constantcontactpages.com/su/SStgb55/vision980)

Speakers other than Commissioners: Jason Patton, George Spies.

Item 7. Safe Routes to BART Application for Lakeside Drive Cycle Track Project

Craig Raphael, Senior Transportation Planner with OakDOT's Capital Finance team (CRaphael@oaklandca.gov), provided an overview of and requested a BPAC letter of support for an upcoming application to the Safe Routes to BART construction grant program for a cycle track at Lakeside Drive [and Lake Merritt Boulevard](#) between International Boulevard and 19th Street. Craig answered questions about the City of Oakland's involvement in the Safe Routes to BART program to date.

Summary of Discussion:

- The name of the grant application and project is the Lake Merritt Bikeway.
- This funding round is the third, after two unsuccessful applications by the City of Oakland to receive funding for this project via the Safe Routes to BART grant program.
- This \$10 million project, at 100% design, would create a separated bike lane around the southern part of Lake Merritt.
- This separated bike lane would enhance connections between up to three BART Stations: 19th Street, 12th Street, and Lake Merritt Stations.
- The Franklin Street separated bike lane project may be more expensive, closer to the order of 20 million to 30 million dollars.
- Lakeshore Avenue between El Embarcadero and E 18th Street has been discussed, but OakDOT does not have any details yet to share about plans for that roadway. Another project would need to be proposed for this extent.
- Socioeconomic and high-injury location data should be highlighted in the grant application.
- If the grant application is successful, construction is anticipated to begin in Winter 2024/25, spanning one to two years.
- Connecting Eastlake with Downtown Oakland via this separated bike lane is important.

→ A motion **to submit a letter of support for the Safe Routes to BART Lake Merritt Bikeway project grant application** was made (Ralston), seconded (Frank), and unanimously approved by roll call vote.

Speakers other than Commissioners: George Spies, Rachel Osajima.

Item 8. Fire Code Amendments – Status

The Ad Hoc Committee on Fire Code Amendments continues to seek information from the Oakland Fire Department on proposed amendments to the Oakland Fire Code. The Committee is monitoring the agendas of the City Council's Public Safety Committee where the item is anticipated to be heard.

Item 9. Committee report-backs

Committees of the BPAC provided brief updates to the Commission. A list of active committees are included in the agenda packet and at <https://www.oaklandca.gov/resources/bicyclist-and-pedestrian-advisory-commission-bpac-committees-and-liaisons>.

Summary of Discussion:

- **Policy and Legislative Committee:** the next meeting is on the second Monday of November in Hearing Room 2.
- **Infrastructure Committee:** the meeting notes were published online, and feel free to submit comments on the plans presented at that meeting to either Robert (robert@bikeeastbay.org) or Chair Yee (yee.bpac@gmail.com). The next meeting will be held on the first Thursday of November, on November 2nd in the Broadway Conference Room.
- **2023 Recruitment Committee:** this ad-hoc committee should be disbanded.

→ A motion **to disband the 2023 Recruitment Committee** was made (Campbell), seconded (Whipps), and unanimously approved by roll call vote.

Item 10. Three-month agenda look-ahead, suggestions for meeting topics, announcements

The three-month look-ahead and announcements was included in the meeting's agenda packet.

Announcement:

- The BPAC may organize a group ride, with details to be determined and announced later.
- The BPAC may hold a Special Meeting at another location in Oakland at some point in the future, though it will take some advance planning.
- The regular BPAC meeting on December 21st will be canceled and a Special Meeting of the BPAC will be announced for Thursday, December 14th, 6-8pm at City Hall, Hearing Room 4.
- OakDOT held a [Community Streetscape Projects open house event](#) in West Oakland on October 12th to discuss transportation improvements to: Broadway from 2nd St. to 11th St., and 20th St. to Grand Ave., Martin Luther King Jr. Way from 2nd St. to 14th St., and 7th Street from Mandela Parkway to Martin Luther King Jr. Way.
- TVRR is having a general meeting soon, and members of the public may get in touch with George Spies to receive information about it.
- An OPD "Truck or Treat" outreach event will be held on Tuesday, 10/31/23, from 3:00 to 5:00 PM at Verdesse Carter Park; candy and toys will be available for free.

Suggestions for Meeting Topics

- N/A

Meeting adjourned at 7:54 PM.

Minutes recorded by Pierre Gerard, Bicycle & Pedestrian Program Transportation Planner II, emailed to meeting attendees for review on 10/26/23 with comments requested by 11/7/23 to PGerard@oaklandca.gov. Revised minutes will be attached to the November 2023 meeting agenda and considered for adoption at that meeting.

I Bike OAKLAND

Bikeways Map

www.oaklandbikes.info

Guided is how a city where bicycling is fully integrated into the prevailing transportation and recreation that are both safe and convenient. This map depicts City designated bikeways plus proposed bikeways that may provide useful connections. However, individuals must determine their own skills and physical abilities, know the rules of the road, take a safety class, wear a helmet, avoid potholes, be visible at night, know your gear, and have fun!

Bikeway Types
This map depicts six types of bikeways, each with specific characteristics:

- Bike paths** provide a paved right-of-way that is completely separated from the street. They are typically shared with pedestrians and other called multi-use paths.
- Separated bike lanes** are paved on, or adjacent to, an existing street to separate bicyclists from vehicles traffic.
- Bike lanes** are paved on streets and designated specifically for bicycle travel. Oakland includes bike lanes where feasible to give bicyclists more space between moving traffic and parked cars.
- Bike boulevards** are main commercial streets that provide a safe, comfortable, and convenient place for bicycling. They include pavement markings, signage, and traffic calming measures.
- Greenways** are open spaces that provide a safe, comfortable, and convenient place for bicycling. They include pavement markings, signage, and traffic calming measures.
- Proposed bikeways** are shown as dashed lines to indicate areas where the city may provide useful connections between known bike routes or other travel routes.

Wayfinding
We incorporate 150+ destinations being supported on Oakland's bike routes. These destinations include downtown, shopping, dining, transit, services, commercial districts, parks and recreation centers, libraries, colleges, hospitals, and high schools. The signs follow the general conventions of highway guide signs to provide information on the city, consistent and consistent theme. For more information, see www.oaklandbikes.info/signs.

On October 25th, 2023, at approximately 2226 hours, Oakland Police officers were dispatched to High St & International Blvd to investigate a report of a hit and run collision with major injuries. Upon officers' arrival, officers located a victim whose leg was completely severed from the collision. Emergency medical personnel responded and transported the victim to Alameda County Hospital (ACH) where he later succumbed to his injuries.

The deceased victim, a male Hispanic, was approximately 40 years old. His identity is being withheld pending notification of next of kin.

Upon further investigation, it was determined that a Kia Sorento SUV (stolen vehicle) was traveling EB in the 4200 block of International at a high rate of speed when it collided with a Pontiac Vibe. The Pontiac Vibe fled the scene and self-transported to ACH with minor injuries. The impact from the collision caused the Kia Sorento to collide into two parked vehicles (a Ford Mustang and a Chrysler Pacifica), parked on the south curbside. The deceased victim was pinned in between the two parked vehicles.

The driver from the stolen Kia Sorento fled the scene.

It is unknown if Alcohol or drugs played a factor in this collision.

This incident is still under investigation. Anyone with information is asked to contact the Oakland Police Department Traffic Investigation Unit at (510) 777-8570.

On October 23rd, 2023, at about 2017 hrs, Oakland Police officers were dispatched to the 550 blk of 45th St to investigate a report of a hit and run collision. OFD arrived on scene prior to officer arrival and located a male (V1), laying on the ground bleeding from the head. OFD also observed a bicycle with major damage near V1. An unknown citizen advised OFD that V1 had been struck by a vehicle.

Upon arrival, Officers realized that the accident occurred underneath the overpass where there are many unsheltered individuals that live there. They stated the bicyclist had been struck by an unknown vehicle possibly an hour prior to medical services being called.

The driver of the vehicle fled the scene after the collision in an unknown direction. The bicycle was taken away from the scene prior to officer arrival by an unknown person and no other witnesses were located.

The bicyclist is a male Black appearing to be in his 50's. V1 is listed a John Doe at this moment pending ID. He is in critical condition with major head and spine trauma.

It is unknown if Alcohol or drugs played a factor in this collision.

This incident is still under investigation. Anyone with information is asked to contact the Oakland Police Department Traffic Investigation Unit at (510) 777-8570.

What is Realign?

It's a review of AC Transit's
routes and schedules.

Where do
routes go to and
from?

How often do
buses run along
each route?

What times of
day are routes
running?

Why is Realign Happening?

Challenges with hiring and retaining enough bus operators

AC Transit rider habits have shifted

Ridership is at 72% of pre-pandemic levels

Challenging budget outlook due to fare and tax revenue losses.

Guiding Principles

Equity

Provide a network that prioritizes services for communities who need it the most.

Reliability

Provide bus service that is reliable and predictable.

Frequency

Provide frequent service to the most people; frequency's importance will vary by location and be balanced against geographic coverage and community needs.

Engagement

We heard you!

Service Scenarios Overview

Cost-Neutral

Stay the Course

Balanced Coverage Scenario

More Frequency,
Less Coverage

Frequent Service Scenario

Unconstrained

(Pending funding availability)

More Frequency,
More Coverage

**Unconstrained Vision
Scenario**

Balanced Coverage Scenario

- Keeps today's balance between core service and providing network coverage.
 - Improves access to many destinations
 - New coverage to areas with high transit demand
 - Simplifies routes to improve reliability and travel time
 - Better matches service frequency to customer demand

Frequent Service Scenario

- Focuses more frequent service in denser areas at the cost of network coverage.
 - All local routes provide weekday service at least every 30 minutes
 - Better frequency on busier trunk routes
 - Simplifies routes to improve reliability and travel times
 - Eliminates less productive local lines and route segments.

Unconstrained Vision Scenario

- Expanded frequent service, expanded coverage, more revenue, operators, buses, bus garages needed.
- Restores pandemic suspensions, with some changes to support equity and reflect new travel patterns.
- Proposed on-demand microtransit zones where fixed route service expansion is less practical.

Key Highlights

City of Oakland Bicyclist & Pedestrian Advisory Commission Strategic Plan

April 2023

Goal 1: Be strong advocates for bicycle and pedestrian safety and hold the city accountable.

| Task | Task Description | Next Steps |
|------|--|---|
| 1.1 | Support interagency street safety efforts, including more quick-build/rapid response traffic calming and long-term street safety efforts. | Consider developing BPAC principles and guidelines for street safety. |
| 1.2 | Review grant applications to support pedestrian and bicyclist projects and programs that meet BPAC's goals. | Request funding presentations at BPAC meetings and consider taking position of support. |
| 1.3 | Continue review of fatal and serious injury crashes involving cyclists and pedestrians at monthly meetings. Continue to seek timely release of collision data. Explore challenges of reckless and dangerous driver behavior. | Keep as standing item with Commissioner Schader leading discussion. Collaborate with other groups such as WOBO and Bike East Bay to develop responses and determine what active role BPAC can play. |
| 1.4 | Support staff hiring to work on bicyclist and pedestrian projects. | Raise the issues of staffing and street safety to elected officials. |
| 1.5 | Support Slow Streets and safe spaces for community activities. | Continue discussion with staff on Slow Streets/Neighborhood Bike Route Implementation. |

Goal 2: Be a two-way conduit for information on bicycle and pedestrian projects.

| Task | Task Description | Next Steps |
|------|---|---|
| 2.1 | Invite project managers to present on projects at key milestones. Request invitations to outreach activities. | Schedule review of projects at BPAC meetings. Ask staff to send BPAC contact info to project managers. |
| 2.2 | Get status update on Bike Plan and Pedestrian Plan every six to twelve months. | Request staff presentations in conjunction with the bi-annual We Bike Oakland newsletter, including the "By the Numbers" updates. |
| 2.3 | Highlight committee activities. | Request written reports from each committee monthly. |
| 2.4 | Get periodic updates on Major Development Projects from Department of Planning and highlight the most bike/ped relevant projects for BPAC or Infrastructure Committee to review and provide comments. | Schedule at BPAC meeting once per year. |

Goal 3: Encourage equity-driven investments and policies and increase community involvement in high-injury and historically underserved areas.

| Task | Task Description | Next Steps |
|------|--|--|
| 3.1 | Advocate for equity driven bike/ped priorities in the General Plan (Environmental Justice Element, Land Use, and Transportation Element). | Review the General Plan and develop comments. |
| 3.2 | Prioritize transportation safety projects and support pursuing funding opportunities in East Oakland. | Schedule relevant items at BPAC meetings and advocate during planning discussions. Request staff to provide a status list of East Oakland transportation projects. |
| 3.3 | Advocate for the expansion of the Town for All project and waterfront connections to East Oakland. | Request follow-up on relevant projects. |
| 3.4 | Use BPAC Blog, Open Forum and community meetings to create open communication between BPAC, community members, and OakDOT. | Chair Yee leads BPAC Blog. Open Forum facilitated by Open Forum Committee. All commissioners engage in other community outreach. |
| 3.5 | Advocate for community groups and Neighborhood Councils in low-income high-injury areas to be integrated into OakDOT program and community outreach work (in a paid capacity wherever possible). | Advocate in the context of presentations at BPAC meetings. Request the Dept of Race and Equity to present about outreach procedures at BPAC. |
| 3.6 | Organize bike ride with BPAC Commissioners, community members, and the Oakland Police Department to create trust and develop ongoing relationships. | Police Relations Committee organizing. |
| 3.7 | Convene meeting on racially-biased bicycle stops with the Oakland Police Department, Department of Race and Equity, BPAC Police Relations Committee, and community partners per 2019 Bike Plan. | Police Relations Committee organizing. |

Goal 4: Build relationships with policymakers and provide feedback on policies that affect walking and bicycling in Oakland.

| Task | Task Description | Next Steps |
|------|--|--|
| 4.1 | Present BPAC Chair's Report to Public Works Committee. | Use the report as an opportunity to raise priorities with City Council. |
| 4.2 | Establish connections with active transportation committees at regional agencies such as Caltrans, MTC, Bay Area Regional Collaborative on bicyclist and pedestrian investments and plans. | Ask staff to request regional agencies present relevant projects at BPAC meetings. |
| 4.3 | Meet with each Councilmember and their staff at least once per year to introduce BPAC and our goals. | Each Commissioner is expected to reach out to their Councilmember to promote BPAC. |
| 4.4 | Reach out to City Councilmembers concerning current bike/ped issues. | Each Commissioner is expected to reach out to their Councilmember on hot topics needing their support. |
| 4.5 | Introduce BPAC to Neighborhood Councils. | Each Commissioner is expected to reach out to one or more Neighborhood Councils/NCPs in their areas to introduce the BPAC and support neighborhood efforts on bike/ped safety. |
