Single-family Home Edition

Let's Break it Down!

Please make sure cardboard boxes are broken down (no larger than 3ft x 3ft) and recycling is free of plastic film and foam packaging.

**PLACE
PLASTIC FILM
& WRAP IN
TRASH**

**PLACE
FOAM
PACKAGING IN
TRASH**

**BREAK DOWN
CARDBOARD, PLACE
IN or NEXT TO
RECYCLING**

Did You Know?

Plastic bags cause damage or other challenges at the recycling processing plant. Recycling in a tied plastic bag might be sorted out as trash. Ensure your bottles and cans are recycled by putting them loose in your cart.

Keep Recyclables Loose!

Plastic bags do not belong in your recycling cart. Make sure you empty your recyclables into your grey recycling cart. Put plastic bags in the trash.

Also remember to keep your recyclables empty, clean and dry.

SOLUTIONS**
Zero Waste Specialists

Have items that won't fit in your containers? Use the Bulky Pickup program - it is **FREE!**

Participation in Oakland's Bulky Pickup Service helps reduce illegal dumping and keep our city clean. Report illegal dumping to Oakland Public Works at SeeClickFix.com/Oakland or call the OPW Call Center at (510) 615-5566.

Visit OaklandRecycles.com/bulky-pickup-services for full service information or call Waste Management to schedule your appointment today at (510) 613-8710.

Don't Forget to Compost Right!

ONLY place the following acceptable items in your compost cart.

Food Scraps, Plant Debris, Untreated Wood

Food-Soiled Paper

**NO RECYCLABLES
RECYCLE IT!**

**NO PLASTIC
BAGS
TRASH IT!**

**NO DIAPERS OF
ANY KIND
TRASH IT!**
