EXECUTIVE SUMMARY

On July 15, 2021, the Selection Panel interviewed four candidates wishing to serve on the Police Commission. After completion of the interviews, Members voted to nominate one (1) candidate to City staff via email by July 26, 2021, and that the results would be published in this agenda report. The following votes were made by Selection Panel Members:

Angela Jackson-Castain (3 votes)	Ginale Harris (1 vote)	Rudolph Howell (4 votes)	Jose Dorado (1 vote)
Langston Buddenhagen Rickisha Herron Bill Thomasson	Jim Chanin	Lorelei Bosserman Gay Plair Cobb Brendalynn Goodall Mary Vail	Don Link

The Selection Panel also elected that if no candidate received the six required votes to be nominated by a 2/3 vote, that the Selection Panel would only consider the top two candidates at its next meeting. Based on the previous decision, the Selection Panel should only consider Rudolph Howell (received 4 votes) and Angela Jackson-Castain (received 3 votes) for nomination as a Police Commissioner.

All candidate applications are included in **Attachment A**.

- Allow candidates two (2) minutes to make an opening statement.
- Before and after interviewing incumbents, remind the public that the incumbent's interview is only part of what the Selection Panel considers, and that the Selection Panel also considers the incumbent's demonstrated performance as a commissioner. If needed, the Selection Panel can refer the public to the video recordings and agenda packets from the last three (3) years of Police Commission meetings.
- Allow discussion of a candidate's merits and any concerns the Selection Panel has but do not require such a discussion.

Also in 2020, Member Lorelei Bosserman organized outreach efforts by the Selection Panel and maintained a database of organizations that were contacted directly by Selection Panel Members.

Reserve Pool

On March 13, 2019, the Selection Panel elected to establish a Reserve Pool of applicants in cases where a vacancy occurs. The Reserve Pool:

- Is comprised of no less than three (3) applicants;
- Expires after two (2) years;
- Includes only applicants that receive at least a two-thirds (2/3) vote of the Selection Panel members present for the vote; and
- Requires applicants in the Reserve Pool to give notice to City staff if applicant no longer has interest in being in the Reserve Pool.

The reserve pool process was used in 2021 to expedite the nomination of Jesse Hsieh (a former reserve pool applicant) to fill the Alternate Commissioner vacancy on the Police Commission.

Application for Position of Commissioner: Supplemental Questionnaire

Applicant: Angela Jackson-Castain

1. Please describe any life work and significant community volunteer experiences that prepare you to contribute to the work of the Commission.

As someone born and raised in Oakland, community engagement and advocacy were instilled in me at a young age. One of my first significant experiences preparing me for the work of the Commission was serving as Chair for the City of Oakland's Mayor's Youth Advisory Commission under former Mayor Jerry Brown while in high school. This experience afforded me insight into how communities addressed societal issues from a governance vantage point; and not just as individuals experiencing them. This was my introduction into city government, I then went on to major in political science in college.

Another significant experience was through work. I was instrumental in establishing the U.S. Department of Justice, Office of Justice Programs (OJP) Diagnostic Center where I lead the delivery of national best practices; training and technical assistance; and data-driven solutions to local communities across the country grappling with systemic criminal justice and law enforcement issues.

In this capacity, I honed my expertise to become a nationally recognized criminal justice professional and subject matter expert (SME) with over twelve years of experience in quantitative and qualitative analytical techniques and the application of rigorous research methodologies to assess the **efficacy of law enforcement**, systemic violence and other serious crime problems. I worked with top executives in law enforcement, municipal and judicial sectors and other leaders in the criminal justice community to help communities address these complex justice issues by developing empirically-based recommendations and customized solutions to persistent public safety and organizational challenges. The goal of this work was to develop holistic, tangible solutions that encompassed all facets of the community to build local capacity to implement recommendations and monitor progress for sustainable change.

The experiences of my personal and professional life have more than adequately prepared me to contribute to the work of the Commission, as I have demonstrated experience in the following:

Policy & Practice

- Reviewing, customizing and developing **policing policy and procedures** in accordance with **national standards**; specifically, in the areas of police **misconduct and discipline, use of force, organizational risk management, police accountability** and the customization of Lexipol policies
- Establishing **police/civilian oversight, transparency and accountability** organizations
- Conducting **program evaluations** and developing and implementing **key performance indicators** and to track progress toward intended outcomes
- Serving as a **key contributor, panelist and trainer** at international and national conferences (i.e., IACP, NOBLE, NCJ, NFCJ, PERF; see resume for an exhaustive list and organizational affiliations)

Stakeholder Coordination & Collaboration, Strategic Planning & Resourcing

- Understanding of the **entire criminal justice system** and **key stakeholder groups** needed to support reforms and initiatives
- Establishing **criminal justice coordinating councils** for top officials across all sectors of the justice system
- Facilitating **community outreach and engagement**; hosting/moderating townhalls, focus groups, roundtable discussions, etc.
- Developing robust strategic plans with **identification and prioritization of initiatives, projects, and activities** in alignment with **near- and long-term goals and objectives**
- Understanding **municipal finances**; including financial structures, budget management and resource allocation
- Identifying and coordinating **local, state and federal resources** to support program initiatives

Application for Position of Commissioner: Supplemental Questionnaire

Applicant: Angela Jackson-Castain

Expertise & Knowledge Base

- Possessing **up-to-date knowledge** of key issues such as **racial disparities** in policing and **unconstitutional policing practices** confronting justice and social systems
- Working with and on behalf of **marginalized populations** to improve police interactions
- Developing/coordinating **effective policing solutions** on a range of topics; such as **racial bias, mental health, substance abuse, recidivism, juvenile justice, domestic and intimate partner violence and homelessness**

My hope is to be able to leverage these skills and experience to enhance the work of the Commission. Through my working relationships with renowned experts and national organizations, I am well-positioned to bring innovative solutions to the Oakland Police Department and the City of Oakland.

I voted to establish the Commission in 2016 and I am still committed to its vision and mission to improve upon and ensure best practices in policing, specifically for people of color and other marginalized groups. Moreover, I am personally committed to the eradication of systemic racism and injustice. Working with the Oakland Police Commission would provide me an opportunity to directly contribute to the growth and development of my community.

2. Please describe your contacts or experiences with the Oakland Police Department.

Aside from the D.A.R.E. program as an Oakland public school student and more recent requests for support from law enforcement/community liaison officer to address specific incidents/concerns in my West Oakland neighborhood, I have had virtually no other contact with OPD. In a professional capacity, the local departments I have worked directly with include Richmond, Vallejo and Salinas PDs.

3. Please describe, if applicable, if you or an immediate family member has had significant volunteer or employment experience: (a) as a police officer, (b) as a criminal prosecutor or defense attorney, (c) with a public agency or nonprofit community group serving or advocating for crime victims or persons charged or convicted of crimes.

N/A; neither I nor an immediate family member has worked or volunteered in these roles. I have only worked with the aforementioned in a professional capacity.

4. Have you ever served on a board, committee, commission, or other group? (Examples might include church boards or school organizations.) Please describe your experiences. What were the most challenging aspects of your participation?

YWCA Berkeley/Oakland Board of Directors

For the last five years, I have served as a Board member on the Board of Directors for the YWCA Berkeley/Oakland to support of its mission to eliminate racism and empower women. I am currently on the Executive Committee and have served on a variety of subcommittees; such as the Asset, Financial Development, Program & Policy, Nominating, and Personnel committees. I supported the development, review and approval of annual budgets, audits; evaluated and nominated potential candidates for membership; supported program leads in delivering the YWCA programs' services to Oakland and Berkeley; and participated and spearheaded funding raising events.

Application for Position of Commissioner: Supplemental Questionnaire

Applicant: Angela Jackson-Castain

Some of the most challenging aspects of my participation has been around representation. Until recently, I have been serving as the youngest Board member and being a Black woman on a Board that has historically been comprised of more affluent, white women closely aligned to the University (Cal Berkeley). Therefore, the approach to delivering services to underserved members of the community, in particular school-aged girls in Oakland, has come from a limited vantage point and perhaps, a lack of understanding of what needs should be met through our programming.

As a result, we have shifted the focus of the Board to improve understanding and awareness of systemic racism and the cascading impacts. As a Board, we recently received racial justice and anti-racism training, we are launching an initiative on digital equity and partnering with other organizations to align investments as shareholders to promote social corporate responsibility, particularly in the realm of diversity, equity and inclusion.

Other Local Activities

Active member of the National Alumnae Association of Spelman College – Bay Area Chapter, volunteer in Oakland Public School District, PICO California, and Faith in Action. As a youth, served as the Chair of the Mayor’s Youth Advisory Commission for the City of Oakland and Chair of the Northern California chapter of A Better Chance.

Question #1: Nothing can dissuade me from my commitment to Oakland and to our community. I have returned to this committee humbled, yet more determined and powerful, asking you to give me another opportunity to serve as a member of the Oakland Police Commission. Our Police Commission has made significant progress, but we still have a mountain of work ahead to ensure that the Oakland Police Department finally achieves NSA compliance and is following constitutional policing standards.

There's no need to remind you that the NSA is a reform that the Oakland Police Department is mandated to complete as the settlement of a lawsuit 21 years ago. In 2000, 119 people claimed that they were victims of police brutality at the hands of OPD officers. In 2016, our community let their collective voice be heard with a resounding 80% vote demanding Oakland create an independent, citizen-led Police Commission. Oaklanders have made it clear that we want accountability and oversight. Then on May 20, 2020, George Floyd was murdered, a national movement was ignited and 9:29 became a symbol of 300 years of police brutality and the immediate need to reevaluate the role of law enforcement and to re-imagine public safety. I am part of that resounding vote and collective voice in Oakland!

The Ginale Harris who stands in front of you today has lived the experience of Police Commission work for three years and the expertise that comes along with it. This Ginale has lived the pain and devastation of losing a family member who was brutally murdered after being reported as a missing person to the Oakland Police Department. This Ginale was accused of using derogatory remarks, asking for favors as well as abusing and harassing OPD staff by former Chief Kirkpatrick. Some people questioned my approach, my integrity, my tone and how I choose to express myself. Although I am not a victim of police brutality now, I continually hear many stories and have watched the seemingly endless stream of bodycam videos where lives, especially Black lives, are not respected or honored, not protected and too often are brutalized or ended by the police without the families ever receiving justice.

My tone and expressions are responses to accumulated anger, frustration and indignation about injustice. Shouldn't we all be frustrated and indignant at this point? Yet my commitment to this community is unbreakable and emanates from my core, so I am still here doing the work, fighting the fight and making good trouble by being selected by the Police Commission and volunteering on the Re-imagining Public Safety Committee and the Missing Persons Policy Ad-Hoc Committee. During my tenure as a

Commissioner, I served as the Vice Chair for two consecutive years and had the opportunity to lead and participate in various ad-hoc committees which include: The Use of Force, Armed and Unresponsive Persons Arrest Teams, Parole & Probation Stop Policy, the Budget committee, and the Job Description for the Chief of Police committee, the personnel committee, the rebuttal for the Police commission Audit and an array of others. I have personally volunteered as the liaison for two separate families that have been affected negatively by actions of the Oakland Police Department. I have learned about the complexities and the process of collaboration, teamwork and understanding police policy and procedures which will assist the commission going forward.

If I am chosen for a second term, I have a comprehensive plan to increase our engagement with the community. My plan includes creating new partnerships by reaching out to groups impacted by misconduct and police violence, groups who have a negative relationship and history with law enforcement and groups underrepresented at Oakland Police Commission meetings. This plan includes communicating with religious leaders, partnering with established community leaders (Oakland Frontline Healers, East Oakland Pillars, Homies Empowerment Program/Adelante, 100 Black Men of the Bay Area, B.O.S.S. (Building Opportunities for Self-Sufficiency), Dream catcher Youth Services and increasing our social media strategy and impact. Oakland has a dedicated group of community members who regularly attend and participate at Commission meetings, but the audience is pretty empty. My goal is to fill the audience with community members that reflect the diversity of Oakland, to increase the voices that we hear and to educate our community about exactly how to make a complaint, about the role and responsibilities of the Police Commission.

Question #2: As a resident of Deep East Oakland over the past 10 years, I have frequently watched Oakland Police officers driving lights and sirens to a call-for-service or they've responded to my neighborhood for a call. It's been my observation that although "The Flatlands" are plagued with a high level of violence, we never see sufficient police officers patrolling this area. When I was representing Oaklanders on our Police Commission, I did a ride-along with an officer and understood one of the reasons. During my ride-along, the police officer showed me on the monitor that there were 450 priority calls pending and that detail spoke volumes about what I witnessed at home and why the response time was such a long wait.

Although I have been a victim and witness of crime, I chose to resolve these situations on my own within my neighborhood. I realistically knew that with current patrol staffing combined with the high amount of activity, I would be waiting for hours. I have communicated with the Community Resource Officer for my area and provided details and intel regarding ongoing serious issues on my block: multiple homes owned by one neighbor where renters are allowed to have all hours of the night loud parties every weekend with drug/alcohol usage and guns, home burglaries and arson associated with these same homes and on one occasion, these

same renters and their guests taking over the entire block by completely blocking all street entrances with multiple vehicles. I recently organized a NCPC ZOOM block meeting with my NCPC representative and I promoted the meeting, but unfortunately other than the NCPC rep and one neighbor, we were the only attendees. This seems like a complex and perfect Community Policing project for the Oakland Police Department. As someone directly impacted by crime and violence, although I am frustrated with the lack of police response, I also understand that solving these problems will take participation from everyone: the police officers, the Department of Violence Prevention, Ceasefire, NCPC, Community Resource Officers AND THE COMMUNITY. While everyone is talking about defunding the police; I am talking about Re-imagining Public Safety, having sufficient patrol for the level of activity in East Oakland and other high crime areas, having accountability and having community participation.

During my time as a Police Commissioner, I was fortunate to work with Oakland Police Department employees like now Chief Leronne Armstrong, Deputy Chief Nishant Joshi, Acting Lieutenant Aaron Smith, and Lieutenant Joseph Turner. Chief Armstrong and Deputy Chief Joshi listened to my concerns especially about East Oakland and offered suggestions and support. Chief Armstrong even responded to East Oakland to increase OPD's presence after multiple homicides during the pandemic. Lieutenant Turner was a member of the Use of Force Ad-Hoc Committee and we collaborated well together, along with other members of the committee. He was open and owned mistakes or shortcomings made by OPD which made the process faster and brought forth a solid policy. I've also had negative experiences with the Oakland Police Department during my time as a Commissioner. Former Chief Kirkpatrick and retired Deputy Chief Cunningham made promises while I was acting as a liaison and advocating for the Bandabaila family regarding their son's disappearance. They didn't keep their promises, were not truthful or forthcoming with me or the Bandabaila family. My expectations are realistic, I expect police officers to serve the community, to do the job they're paid to do, to be honest and to have integrity. Going forward, OPD and the Police Commission can ensure that the Oakland Police Department hires the right people and once they're wearing the blue uniform, badge and carrying a gun, that they are ALL held accountable for their actions and that they're following the best standard practices and department policies.

Question #3: My work experience and volunteering include over 28 years of advocating, facilitating and managing programs for community members involved in and/or impacted by crime. I have never been interested in titles, it is serving the community that has always motivated me. My family has been impacted by crime as well and has been caught up in the criminal justice system. With experiences on both sides of crime, I have a unique perspective that I can bring to this Commission. Whether I was acting as a Youth Program Manager, a Parole and Probation Specialist or a mentor for San Francisco's Community Response Network Outreach program, my approach was always rooted in solutions. My personal standard operating procedure when facilitating a plan to assist people involved in the criminal justice system was to offer them a clean slate. We'd focus on identifying the causes for their criminal behavior and coming up with a plan for success with solutions, support and resources tailored for each of them. I bring these same skills with me as a Police Commissioner. It takes a village to raise a child is a popular African proverb which reflects the emphasis African cultures place

on the family and community. In 2021, I would say that it takes a village to raise a child, but it also takes a progressive police department, a fearless police commission and a responsive city council standing side-by-side with the community to protect the community.

Oakland Police Commission 2021 Supplemental Questionnaire

1. Please describe any life work and significant community volunteer experiences that prepare you to contribute to the work of the Commission.

I experienced the full impact of the American criminal justice system at the age of 23. It was at this age I entered the federal prison system with a 25 year 1st time sentence. At 23 years of age I was charged with a federal drug crime and sentenced to 294 months. It was a soul crushing experience for a 23 year old kid. Nevertheless, after coming out of a 5 year stupor I took on the work of deconstructing and reconstructing myself. It took me 17 years to complete my transferable A.A. degree in Business Admin from Lassen College. This accomplishment allowed me to be accepted at San Francisco State University before my release. I was released from federal prison to the halfway house on Taylor St in San Francisco in January of 2013. I arrived on a Wednesday and that Monday I was at SFSU attending my first class at a 4yr college. I graduated with a B.A. in Criminal Justice in May of 2016. I began working for Rubicon Programs, a non profit in Richmond, Ca. that provides reentry services for citizens returning home to the Bay Area from prison. My role as the Rubicon Education Partnership program Impact Coach / Case Manager is to support any formerly incarcerated individual, from Oakland, Ca. who wants to go to college, get to college. I coach, mentor, motivate and help these students on the academic road to a career that will help increase their earning potential in an effort to eliminate poverty in the East Bay. I believe that my degree in Criminal Justice, my direct experience with the criminal justice system and my work with others impacted by the criminal justice system gives me a unique view that will allow me to contribute to the work of the Commission in a very positive and creative way.

2. Please describe your contacts or experiences with the Oakland Police Department.

My limited contact and experience with the Oakland Police Department has been friendly, so far. I have had to report stolen cars that are abandoned in the area where I live. The exchanges have been friendly and professional. The breadth of my experience with authority stems from my interactions with the FBI, DEA, BNE, LAPD, Riverside County Police and Sheriffs, Federal Marshals, Federal Correctional Officers and Federal Probation Officers. These interactions and experiences occurred from California to Texas and back were varied from bad to good.

3. Please describe, if applicable, if you or an immediate family member has had significant volunteer or employment experience:

- a. as a police officer

No one in my immediate family has experience as a police officer.

- b. as a criminal prosecutor or defense attorney

No one in my immediate family has experience as a criminal prosecutor or defense attorney

- c. with a public agency or nonprofit community group serving or advocating for crime victims or persons charged or convicted of crimes.

Oakland Police Commission 2021 Supplemental Questionnaire

No one in my immediate family has experience working with a public agency or nonprofit community group serving or advocating for crime victims or persons charged or convicted of crimes.

4. Have you ever served on a board, committee, commission, or other group? (Examples might include church boards or school organizations.) Please describe your experiences. What were the most challenging aspects of your participation?

I have served on a board that seeks to bring community based organizations to college campuses whose mission is to help formerly incarcerated students navigate their respective college campuses. The board known as BASIC Bay Area System Impacted Consortium was developed by the Urban Strategies Council in Oakland. Before COVID we met twice a month to design, develop and promote a prison to college pipeline. The most challenging aspect is the limited funding to get things done. I would like to see more action than talk. Hopefully, with the advent of some normalcy returning to everyday life the efforts to build the prison to college pipeline will resume.

APPLICATION FOR POSITION OF COMMISSIONER

Addendum to Application Page 2, Question 1. “Please describe any life work and significant community volunteer experiences that prepare you to contribute to the work of the Commission.”

Born and raised in Jingtletown and the Fruitvale neighborhood before moving to San Leandro at age sixteen. Worked in several warehouses after graduating from San Lorenzo High School in 1966. Member of Communication Workers and Steelworkers Unions.

Student activist attending Chabot College, Hayward, 1969 to 1971. Elected Student Body Vice-President on a Coalition Slate, represented Chabot in the California Community College Student Government Association while agitating statewide as a member of the Chicano Student Union, including actively supporting the United Farm Workers Union and demonstrating against the Vietnam War. In 1970 witnessed and suffered Police Brutality in Los Angeles at the Chicano Moratorium and in Hayward at the demonstrations against the U.S. invasion of Cambodia.

Married in 1971, raised three children working as a Union Machinist, a non-profit Director, Teamster Warehouse/Shop Steward and Union Carpenter. Remarried in 1999, proud grandfather of three. Following in my father’s footsteps, established a Tax Preparation and Bookkeeping business in 1990 in the Fruitvale, thereby becoming involved in merchant and community issues through several Latino Chambers of Commerce. Actively advocated for grassroots empowerment at City Council and community meetings. Contributed to the early planning of the Fruitvale Transit Village through the Unity Council.

In 1996 the City of Oakland formally adopted Community Policing as City policy, establishing Neighborhood Crime Prevention Councils (NCPCs) citywide. Current Chair of the eight member Board of the Maxwell Park Neighborhood Council (MPNC), Beat 28X. First elected in 1998, presently preside over monthly Board meetings and bi-monthly General meetings featuring NAT Committee (Neighborhood Action Team) reports, Crime stats and Guest Speakers on timely topics. The MPNC has established the following NATs, each with a Chair or Co-Chairs: Blight and Beautification, Community Building and Diversity, Public Safety, our Maxwell Park, Traffic, Cameras, Neighborhood Watch and the Maxwell Park Emergency Response Team (MPERT). Appointed by then-Councilmember Jean Quan in 2005 to the Measure Y Oversight Committee (Violence Prevention and Public Safety Act of 2004), becoming Chair in 2010, the only original member to serve the ten year term of the Measure.

Provided security for marches in coordination with OPD during Occupy Oakland. Acted as an Observer of arrests during the second clearing of Occupy Oakland from Frank Ogawa Plaza in November 2011. Promoted the concept of the Peacekeepers, a grassroots, broad, diverse group of Oaklanders acting as monitors of marches and protests, using their moral authority to deter violence against persons or property. Augmented security in coordination with OPD and Private Security after a young man was shot and killed at First Fridays in 2013. Appointed to the Citizen’s Police Review Board by Mayor Schaaf in late 2016. In June 2017 traveled to Minneapolis, Minnesota, for four days with fifteen members of the Oakland Racial Equity Taskforce to study the development of the Municipal Racial Equity Scorecard and met with local programs and City Hall representatives. Completed the Citizen’s Police Academy on June 19, 2017, and participated in an OPD ride-along from 2pm to 2am in Area Four of East Oakland on June 26, 2017. Honored to be appointed by the Selection Panel to the Oakland Police Commission in 2017. Attended National Association for Civilian Oversight of Law Enforcement Conference in St. Petersburg, Florida, Sept. 30 – Oct. 4, 2018.

APPLICATION FOR POSITION OF COMMISSIONER

Addendum to Application Page 2, Question 2. "Please describe your contacts or experiences with the Oakland Police Department."

Extensive and ongoing contacts and experiences, both positive and negative, with OPD as a member of the Oakland Police Commission since 2017 and current Vice-Chair since February 2021.

Invited by OPD to participate in their Strategic Planning Process from November 2014 to March 2015.

In 2014, after considerable delay, OPD complied with my request as the Chair of the Measure Y Oversight Committee (Violence Prevention and Public Safety Act of 2004) to provide information on the hours Problem Solving Officers spend in their respective Beats.

In 2013, OPD invited me to be an observer at a Ceasefire "Call-In" held at a local Church at which the early effectiveness of the program could be clearly seen as well as the coordination with Federal Agencies, pertinent programs and the community. In early 2014, co-led the Block By Block Organizing Network (BBBON) panel discussion on Sexually Exploited Minors in Oakland at which OPD provided their nationally recognized expert, Sgt. Holly Joshi.

Invited in 2012 by then Chief Howard Jordan to be on an Advisory Panel to his office. Represented the community in the interview process for promotions to Captain in OPD during that year. Invited over the years to address the Command Staffs of former Chiefs Batts, Jordan and Whent on my perspective on Community Policing and OPD. Developed viable working relationships with OPD Area Four Captains especially as of late.

In late 2011 during Occupy, OPD allowed myself and three others to observe the arrests in the second clearing of Frank Ogawa Plaza. OPD also coordinated with the Peacekeepers in the marches and protests during that time. Various individuals in OPD have also expressed public and private support for the Peacekeeper concept.

Collaborated with an OPD Captain to hold a youth workshop at the Community Policing Summit of 2011 at which the Captain provided ten Officers, all the materials and extremely valuable insights on the topics covered.

Worked with various Problem Solving/Community Resource Officers (PSO/CRO) since 1998 as the Chair of the Maxwell Park Neighborhood Council (MPNC) Beat 28X. These contacts have met with various degrees of success over the years depending on the degree of commitment to Community Policing of the PSO/CRO. In 2003 and 2004 had a number of conversations with then Chief Richard Word and the MPNC Board regarding the specific barriers in OPD culture that prevent effective communication with the community.

In 2011, upon the return to duty by our CRO Amie Rutten after an on-the-job injury, OPD arranged for the MPNC to deliver Get Well Cards and Chocolates to her as a surprise at an early morning lineup at Eastmont.

Oakland was profoundly impacted by the deaths of the Fallen Four on March 21, 2009. On several occasions expressed my great disappointment to OPD regarding their not involving the community in their subsequent commemorations of these brave Officers, even after witnessing the outpouring of grief from a broad spectrum of Oaklanders immediately after their murders.

A motion was made by Lorelei Bosserman, seconded by Bill Thomasson, to discuss the candidates that same evening. The motion passed with nine ayes (Bosserman, Buddenhagen, Chanin, Cobb, Goodall, Herron, Link, Thomasson, Vail).

Selection Panel Members then discussed the merits of the candidates and if there were any conflicts of interest in Selection Panel Members evaluating candidates they know on a personal level. Deputy City Attorney Allison Dibley clarified there were no legal barriers for a Member to vote for a candidate they were familiar or had a personal relationship with.

A second motion was made by Bill Thomasson, seconded by Don Link, for Selection Panel Members to nominate one candidate each and submit their vote to City staff via email, for staff to report the votes in the next agenda packet, and that if a candidate did not receive the necessary two-thirds threshold to receive the nomination, that the Selection Panel would eliminate the two lowest scoring candidates and only deliberate the top two scoring candidates. The motion passed with seven ayes (Buddenhagen, Chanin, Cobb, Goodall, Herron, Link, Thomasson) and two noes (Bosserman, Vail).

City staff member Richard J. Luna stated the deadline to submit votes would be 12:00 pm on Monday, July 26, 2021, and that the agenda packet would publish that same day. The next meeting was announced as Thursday, July 29, 2021 at 6:15 pm.
