PUBLIC HEARINGS

The hearing provides opportunity for all concerned persons to speak; the hearing will normally be closed after all testimony has been heard. If you challenge a Commission decision in court, you will be limited to issues raised at the public hearing or in correspondence delivered to the Planning and Building Department, at, or prior to, the public hearing.

The Commission will then vote on the matter based on the staff report and recommendation. If the Commission does not follow the staff recommendation and no alternate findings for decision have been prepared, then the vote on the matter will be considered a "straw" vote, which essentially is a non-binding vote directing staff to return to the Commission at a later date with appropriate findings for decision and, as applicable, conditions of approval that the Commission will consider in making a final decision.

If you wish to be notified on the decision of an agenda item, please indicate the case number and submit a self-addressed stamped envelope, for each case.

Planning Commission decisions that involve "major" cases (e.g., major variances, major conditional use permits) are usually appealable to the City Council. If any interested party seeks to challenge such decision in court, an appeal **must be filed** within ten (10) calendar days of the date of the announcement of the Planning Commission decision and by 4:00 p.m. An appeal shall be on a form provided by the Planning and Building Department, and submitted to the same at 250 Frank H. Ogawa Plaza, Suite 2114, to the attention of the case planner. The appeal shall state specifically wherein it is claimed there was error or abuse of discretion by the Planning Commission or wherein their decision is not supported by substantial evidence and must include payment of the required fee in accordance with the City of Oakland Master Fee Schedule. Failure to timely appeal will preclude you from challenging the City's decision in court. The appeal itself must raise each and every issue that is contested, along with all the arguments and evidence in the record which supports the basis of the appeal; failure to do so will preclude you from raising such issues during your appeal and/or in court. However, the appeal will be limited to issues and/or evidence presented to the Planning Commission prior to the close of the Planning Commission's public hearing on the matter.

Any party seeking to challenge a final decision in court must do so within ninety (90) days of the date of the announcement of a final decision, pursuant to Code of Civil Procedure section 1094.6, unless a shorter period applies.

This item has been continued to the December 7, 2016, Planning Commission Meeting

2. Location:	CITYWIDE
Proposal:	Establish a new citywide food vending permit program that would replace Oakland's existing food vending permit types and programs. This revised proposal for a new citywide food vending program would permit, with certain restrictions, individual food vending on private property and from the public right of way in selected commercial and industrial areas. The new program would also permit group site vending citywide. Ordinance would revise the definition of "Fast Food Restaurant Commercial Activities" in Section 17.10.280 of the Oakland Planning Code; and revise the following sections of the Oakland Municipal Code: Section 5.51 ("Food Vending Group Site Pilot Program"); Section 5.49 ("Pusheart Food Vending Pilot Program"); and Section 8.09 ("Vehicular Food Vending"). The Ordinance would also include revisions to other Planning and Municipal Code sections as minor conforming changes. <i>This is a continued item from a previous public hearing before the Planning Commission on August 3, 2016.</i>

No further environmental review is required under CEQA Guidelines Sections 15162 and 15163. Moreover, each as a separate and independent basis, this proposal is also exempt from CEQA pursuant to CEQA Guidelines Sections 15183 (projects consistent with General Plan and Zoning) and 15061(b)(3) (general rule, no significant effect on the environment).

Background
In 1998, the Oakland City Council certified the Environmental Impact Statement /Environmental Impact Report (EIS/EIR) for the Disposal and Reuse of the Naval Medical Center Oakland and Final Reuse Plan including the Maximum Capacity Alternative. A 2006 Initial Study and 2007 Draft SEIR was prepared and circulated for the "former Oak Knoll Project." No Final SEIR was certified. Because Oak Knoll Mixed Use Community Plan Project may result in new or substantially more severe impacts than the "former Oak Knoll Project" analyzed in 2007, the City is preparing a revised SEIR.

Historic Status: The Oakland Cultural Heritage Survey rates Club Knoll as a Potential Designated Historic Property (PDHP) with a rating of B+3. The Landmarks Preservation Advisory Board (LPAB) found it eligible for Landmark status with an A rating in June of 1995 and placed it on the Preservation Study List. Club Knoll is therefore considered a CEQA historic resource.
