

Board Vice Chair

Pamela Alston spent her career as a community dentist and most of those years as the dental director at Eastmont Wellness Center. She is a product of Oakland schools from 1st grade through community college, with undergraduate and master's degrees are from Cal Berkeley. She is currently a consultant to the US Department of Labor Job Corps Program health support contractor. She has spent her dental career combatting the health effects of SSB consumption and volunteered on the campaign to pass Measure HH.
