

E-Scooters are here!

Shared electric scooters are a great way to get around Oakland.
Follow these simple steps for a safe and convenient ride.

Check brakes and wheels before riding. Report damaged scooters to the appropriate company.

Wear a helmet and follow traffic rules. Stay to the right of traffic, and use bike lanes where available.

Park with care on the sidewalk. Park near bike racks or by the curbside.

Don't ride on sidewalks. Scooters are allowed on multi-use pathways, including Lake Merritt Trail.

Don't park in ramps or at blue, yellow, or white curbs. Blocked paths can be dangerous for people with disabilities.

Don't block sidewalks or building entrances. Leave at least 6 feet of sidewalk space.

! Report improperly parked scooters to the scooter company or OAK 311.
