Bicyclist and Pedestrian Advisory Commission, Monthly Meeting Agenda **Thursday, September 15, 2022; 6:00-8:00 pm** **Teleconference**

BPAC Home Page: www.oaklandca.gov/boards-and-commissions/bicyclist-and-pedestrian-advisory-commission
Resources for Commissioners: <https://www.oaklandca.gov/resources/resources-for-bpac-members>

Commissioners

Andrew Campbell, Alexander Frank, Grey Gardner, Michael Lok, Phoenix Mangrum,
David Ralston, Patricia Schader (Chair), Nicholas Whipps, Dianne Yee (Vice-Chair)

Pursuant to [California Government Code section 54953\(e\)](#), Oakland Bicyclist and Pedestrian Advisory Commissioners, as well as City staff, will participate via phone/video conference, and no physical teleconference locations are required.

PUBLIC PARTICIPATION

To join the meeting:

- To join the meeting by video conference, please click on this link to download Zoom and open the meeting on a computer or smart phone: <https://zoom.us/j/98311507451> at the noticed meeting time.
- To join the meeting by phone, please dial at the noticed meeting time (for higher quality, dial a number based on your current location): US: +1 (408) 638-0968 or +1 (669) 900-6833 or +1 (253) 215-8782 or +1 (346) 248-7799 or +1 (301) 715-8592 or +1 (312) 626-6799 or +1 (646) 876-9923 International numbers available: <https://zoom.us/j/98311507451> **Webinar ID: 983 1150 7451**

To comment in the meeting:

- To comment by Zoom video conference, click the “Raise Your Hand” button to request to speak when Public Comment is being taken on an eligible agenda item. You will be permitted to speak during your turn, allowed to comment, and after the allotted time, re-muted. Instructions on how to “Raise Your Hand” are available at: <https://support.zoom.us/hc/en-us/articles/205566129>.
- To comment by phone, please call on one of the above listed phone numbers. You will be prompted to “Raise Your Hand” by pressing *9 to speak when Public Comment is taken. You will be permitted to speak during your turn, allowed to comment, and after the allotted time, re-muted. Please unmute yourself by pressing *6.

If you have any questions, please email Noel Pond-Danchik, staff liaison to the commission at npond-danchik@oaklandca.gov.

Time	#	Topic
6:00	1	Teleconference Protocol/Roll Call/Determination of Quorum/Introductions (10 minutes)
6:10	2	Open Forum / Public Comment (10 minutes) – Members of the public may comment on any issue within BPAC’s subject matter jurisdiction. Comments on a scheduled agenda item will be heard with that item. The BPAC’s Open Forum Committee tracks Open Forum issues raised by the public. (See tinyurl.com/Oakland-BPAC-OpenForumTracking .) The Committee reviews the public comments on a periodic basis to identify policy issues for discussion by the Commission. To request City services, please contact the City of Oakland Call Center; information at www.oaklandca.gov/services/oak311 .
6:20	3	Approval of meeting minutes Attachment (5 minutes) – Seek motion to adopt the August 2022 BPAC meeting minutes.

- 6:25 4 **Renewal of Resolution to Continue Teleconference Meetings Attachment** (5 minutes) – The Commission will consider renewing a resolution determining that conducting in-person meetings of the Bicyclist & Pedestrian Advisory Commission and its committees would present imminent risks to attendees' health, and electing to continue conducting meetings using teleconferencing in accordance with California Government Code Section 54953(e), a provision of Assembly Bill 361 (AB-361).
- 6:30 5 **Recent Bicyclist and Pedestrian Fatal Traffic Crashes** (10 minutes) – Chair Schader (patricias.oakland@gmail.com) will lead the commission in a discussion of recent fatal and other high-profile traffic crashes in Oakland involving bicyclists and pedestrians.
- On Thursday, 8/25/2022 at 4:02 pm, a 35-year-old white male pedestrian was fatally hit by a driver at the intersection of West MacArthur Blvd and Piedmont Ave while crossing in the marked crosswalk.
- 6:40 6 **OakDOT Director Fred Kelley and Assistant Director Ariel Espiritu Santo** (20 minutes) – New Oakland Department of Transportation (OakDOT) Director, Fred Kelley (fkelly@oaklandca.gov), will share his vision for OakDOT. Kelley and Assistant Director, Ariel Espiritu Santo (aespiritusanto@oaklandca.gov) will answer questions from the BPAC.
- 7:00 7 **East Bay Greenway Updated Design Attachment** (30 minutes) – Matthew Bomberg (mbomberg@alamedactc.org), Alameda County Transportation Commission (Alameda CTC) Senior Transportation Engineer, will provide a presentation on the East Bay Greenway project, a regional active transportation project being planned and implemented by Alameda CTC in partnership with the City of Oakland. The project is identified in local and regional plans, including the City's Bike Master Plan and Measure BB Transportation Expenditure Plan. Alameda CTC is currently developing conceptual plans and conducting community engagement and environmental studies for an East Bay Greenway project which can be implemented in a near-term (3-5 year) timeframe. For more information, see <https://www.alamedactc.org/programs-projects/bicycle-and-pedestrian/eastbaygreenway/>
- 7:30 8 **2023 BPAC Commissioner Recommendations Attachment** (10 minutes) – The Recruitment Committee will report back with recommendations from its review of applications of people seeking to be appointed to the BPAC for 2023-2025 terms. The Committee is recommending reappointing Grey Gardner, Patricia Schader, and Dianne Yee. Commissioners are appointed by the Mayor and confirmed by City Council. A summary applicants and applications are included as attachments.
- 7:40 9 **Committee Report Backs Attachment** (10 minutes) – Committees of the BPAC will provide brief updates to the Commission. A list of active committees are included in the agenda packet and at <https://www.oaklandca.gov/resources/bicyclist-and-pedestrian-advisory-commission-bpac-committees-and-liaisons>.
- 7:50 10 **Three-month agenda look-ahead, suggestions for meeting topics, announcements Attachment** (10 minutes)

To request disability-related accommodations or to request an ASL, Cantonese, Mandarin or Spanish interpreter, please email npond-danchik@oaklandca.gov or call (510) 238-4753 or 711 (for Relay Service) at least five (5) working days before the meeting.

Si desea solicitar adaptaciones relacionadas con discapacidades, o para pedir un intérprete en español, Cantones, Mandarín o de lenguaje de señas (ASL) por favor envíe un correo electrónico a npond-danchik@oaklandca.gov o llame al (510) 238-4753 o al 711 para servicio de retransmisión (Relay Service) por lo menos cinco (5) días hábiles antes de la reunión. Gracias.

需要殘障輔助設施, 手語, 西班牙語, 粵語或國語翻譯服務, 請在會議前五個工作天電郵 npond-danchik@oaklandca.gov 或致電 (510) 238-4753 或 711 (電話傳達服務). 請避免塗搽香氛產品, 參加者可能對化學成分敏感.

Để yêu cầu các phương tiện hỗ trợ phục vụ người khuyết tật hoặc yêu cầu thông dịch viên ASL, tiếng Quảng Đông, tiếng Quan Thoại hoặc tiếng Tây Ban Nha, vui lòng gửi email đến địa chỉ npond-danchik@oaklandca.gov hoặc gọi đến số 711 (với Dịch vụ Tiếp âm) ít nhất năm (5) ngày làm việc trước khi cuộc họp diễn ra.

City of Oakland, Bicyclist & Pedestrian Advisory Commission
DRAFT Minutes from the August 18th, 2022 meeting
Teleconference

Meeting agenda at <https://cao-94612.s3.amazonaws.com/documents/August-2022-BPAC-Meeting-Agenda.pdf>.

Meeting called to order at 6:01 pm by BPAC Chair Patricia Schader.

Item 1. Teleconference Protocol/Roll Call/Determination of Quorum/Introductions

At roll call, quorum was established with six commissioners present (X). Two commissioners arrived after roll call (x).

Commissioners	Present
Andrew Campbell	X
Alex Frank	X
Grey Gardner	X
Mike Lok	
Phoenix Mangrum	x
David Ralston	X
Patricia Schader (Chair)	X
Nick Whipps	X
Dianne Yee (Vice Chair)	x

Introductions were made.

- Other attendees: Mari Balestrazzi, Jeff Bandy, John Brewer, Humberto Castro, Louis Cruz, Kevin Dalley, Lisa Dillon, Adam DeYoung, Danielle Dynes, Jose Feroso, Hans Chavez Ferrerya, Jan Garcia, Alan Gellman, Linda Heath, Citlalli Herrera, Deepak Jegannath, Jimmy Jessup, Jeremy Medina, Brian O'Malley, Art May, Robert Prinz, Lisa Ray, Deborah Sosebee, George Spies, Midori Tabata, Jennifer Taylor, Dawn Tran-kiem, Reid Williamson, 846 8612 5413, A D, A K, Balestrazzi, Kevin, Kim D, M, pbsj, Sam, Suzy, telephone callers 7811 and 7348
- Staff: Maya Amichai, Mandana Ashti, Karen Denicore, Michael Ford, Dean Hsiao, Ofurhe Igbiniedion, Ruth Meza, Kerby Olsen, Julieth Ortiz, Jason Patton, David Pené, Noel Pond-Danchik, Emilia O. Salto, Brian Sukkar, Joe Wang, Megan Wier, KTOP

Item 2. Open Forum / Public Comment

- George Spies called attention to the Traffic Violence Rapid Response Team and the ongoing work they are doing to encourage the City to make streets safer. He recently spoke with OakDOT Director Fred Kelley about balancing the need for both rapid responses and long-term improvements and he supports this two-pronged approach.
- Kevin Dalley, also a member of the Traffic Violence Rapid Response Team, spoke to Oakland's Fire Code negatively affecting transportation projects, including the 14th St project in downtown Oakland. The Fire Code will be updated later this year and he is in dialog with the Fire Marshall about the need to allow for narrower streets.

- Reid Williamson advocated for safer walking to school in the Dimond-Laurel area. He spoke as a parent, and specifically to the intersection of Harold St and Montana St, where a driver recently went through a fence.

Item 3. Approval of meeting minutes

- A motion to **adopt the Bicyclist & Pedestrian Advisory Commission meeting minutes from July 21st, 2022** was made (Frank), seconded (Whipps), and approved by roll call vote with Commissioners Campbell, Frank, Gardner, Ralston, Schader, Whipps, and Yee voting in favor (unanimously by Commissioners present). Adopted minutes online at www.oaklandbikes.info/BPAC.

Item 4. Renewal of Resolution to Continue Teleconference Meetings

The Commission considered renewing a resolution determining that conducting in-person meetings of the Bicyclist & Pedestrian Advisory Commission and its committees would present imminent risks to attendees' health, and electing to continue conducting meetings using teleconferencing in accordance with California Government Code Section 54953(e), a provision of Assembly Bill 361 (AB-361).

- The Commission **adopted a resolution determining that conducting in-person meetings of the Bicyclist & Pedestrian Advisory Commission and its Committees would present imminent risks to attendees' health, and electing to continue conducting meetings using teleconferencing in accordance with California Government Code Section 54953(e), a provision of AB-361.** The motion was made (Whipps), seconded (Ralston), and adopted by roll call vote with the following Commissioners voting in favor: Campbell, Frank, Gardner, Ralston, Schader, Whipps, and Yee (unanimously by Commissioner present).

The resolution is attached to these meeting minutes.

Speakers other than commissioners: None

Item 5. Recent Bicyclist and Pedestrian Fatal Traffic Crashes

Chair Schader led the commission in a discussion of recent fatal and other high-profile traffic crashes in Oakland involving bicyclists and pedestrians.

- On Monday, 7/18/22 at 10:11pm, a Black male pedestrian was fatally struck by a driver on Bancroft Ave at 62nd Ave.
- On Saturday, 7/23/22 at 11:53pm, a 63-year-old white male bicyclist was fatally struck by a driver on Jackson St at 14th St.

Summary of Discussion:

- Megan Wier, OakDOT's Safe Streets Division Manager, noted there have been 25 traffic fatalities thus far this year. She thanked the Commission for having this standing item to bring much needed attention to these tragedies. She reported that OakDOT's Rapid Response team is evaluating the feasibility of installing new crosswalks on Bancroft Ave at 61st Ave and 62nd Ave, which may include the installation of pedestrian safety islands. OakDOT is seeking to make these improvements in October. The street lighting at the location is being evaluated. OakDOT is also looking at funding

sources for longer-term improvements to slow traffic on Bancroft Ave in this vicinity. OakDOT is working proactively citywide through the Safe Oakland Streets Initiative and in partnership with OPD, the City Administrator and the Department of Race and Equity to deter the driving behavior that is resulting in many of these fatalities. There are no new resources for doing this Rapid Response work on Bancroft Ave. It is getting done by prioritizing current resources.

- The crosswalks and lighting are specific improvements at the locations of the fatalities. It is hard to know if these improvements would have prevented the recent fatalities, but they are significant pedestrian safety improvements at these locations.
- Following OakDOT's identification of the causes of these crashes, it would be helpful to seek input from the BPAC on the possible solutions that would address these causes.
- OakDOT is working with OPD to bring an item to the BPAC in the coming months to discuss in detail traffic fatalities and the follow-up investigations conducted by OPD and OakDOT.
- It would be helpful for OakDOT to share more information on the investigations that are conducted for rapid response projects.
- There are no stop controlled intersections/crossings along half a mile of Bancroft Ave in the vicinity of 61st And 62nd Aves. It appears that the traffic speeds, crossing distances, and lighting levels are the combination leading to these deaths. Find ways to slow drivers on this roadway.
- Despite Bancroft Ave being wide, a lot of people are parking their cars on the sidewalk. There aren't many crosswalks, and even fewer traffic signals.
- OPD should be collecting the vehicle speeds from the event recorders in the cars involved in these crashes.
- People expressed a shared sense of sadness for these tragedies, but also appreciation for BPAC's continuing attention and OakDOT's work.

Deleted: s

Speakers other than commissioners: Megan Wier, George Spies, Kevin Dalley, Emilia Salto

Item 6. Sidewalk Blocking

Kerby Olsen, New Mobility Supervisor at OakDOT, presented on the department's draft proposal to address sidewalk parking through a combination of community outreach and education, street modifications and parking enforcement. The presentation slides were included in the meeting's agenda packet and an updated version of the presentation slides are attached to these minutes.

Summary of Discussion:

- The enforcement component is a delicate business because some people may not have the resources to pay the ticket, or to get their car back if it is towed.
- Consider how to make more of the right-of-way accessible to pedestrians (like Slow Streets), in addition to trying to keep vehicles off sidewalks.
- Prioritization will be a challenge as there are so many locations where sidewalk parking occurs. Look for prioritization factors that emphasize safety.
- Hard data are not available on the response times to requests for parking enforcement. The goal is to have a technician on site within twenty minutes, and work is underway to be able to measure response times.
- Some violators are individuals. Other violators are businesses, like some auto repair shops, where their regular business operation includes sidewalk parking.

- OakDOT is working more collaboratively with other departments involved in code enforcement. This partnership can provide a more sophisticated response to chronic issues at particular businesses.
- Implementing one-way streets would create more roadway width for parking off of the sidewalk. But this solution won't be feasible on streets that are needed for both ingress and egress into neighborhoods.
- Some number of residents don't see sidewalk parking as a concern and believe that they should be able to park on sidewalks.
- Consider allowing residents to submit photographs of cars parked on sidewalks that would trigger warning letters – and eventually tickets – being sent to the registered owners.
- Consider taking these recommendations to the neighborhood councils in the impacted neighborhoods to get feedback on the possible solutions. Keep in mind the neighborhood council attendees may not represent all views in a given neighborhood, so also talk to people on the streets in question.
- The timeframe for this effort is under development, with the immediate next steps being to gather more input on the approach.
- During shelter-in-place, there was more enforcement of sidewalk parking because people had a greater need for using their sidewalks and because parking enforcement for street sweeping was temporarily suspended, freeing up staff resources for more enforcement of sidewalk parking.
- The Underhills Rd letter noted in the presentation was the outcome of months of negotiations with multiple City departments. It reflected a complicated balance of competing interests involving people with driveways and garages too small for their vehicles along a narrow street with a steep hill.
- The Underhills Rd letter was an agreement that also involved residents repairing their sidewalks at their expense and with keeping their foliage trimmed to keep clear the available sidewalk width.
- Please acknowledge the careful work that was done to develop the compromise that is memorialized in the Underhills Rd letter. A lot of thoughtful work went into it. Additionally, not all State laws make sense, so be careful with pursuing this issue simply as illegal behavior under State law.
- Citations are not a viable solution because there is not sufficient space for people to park their cars while still allowing vehicles – including service vehicles – to get through. Citations won't create space for people to park.
- The Lakeshore Homes neighborhood was designed in a specific way that doesn't allow for all uses to fit as they should. People in the neighborhood do walk and this is important to many people. Solutions should be specific to the contextual circumstances of the particular location.

Speakers other than commissioners: Michael Ford, Humberto Castro, John Brewer, Lisa Ray, Alan Gellman, Kevin Dalley, Lisa Dillon, Kim D, Jeff Bandy, Art May, Midori Tabata

- A motion to ***extend the meeting until 8:30pm*** was made (Campbell), seconded (Gardner), and approved by all Commissioners present.

Item 7. Highway Safety Improvement Program (HSIP) Grant Cycle 11 OakDOT Applications

Julieth Ortiz and Ruth Meza, OakDOT Transportation Planners, shared an overview of the crash data-driven HSIP grant program and the current proposals to request funds to implement HSIP-eligible countermeasures that focus on intersection safety for pedestrians and bicyclists. The applications are due

September 12th. Following the overview of the grant program, Dean Hsiao, OakDOT Supervising Transportation Engineer, shared an overview of pedestrian signals and leading pedestrian intervals. The presentation slides were included in the meeting's agenda packet and an updated version of the presentation slides are attached to these minutes.

Summary of Discussion:

- Consider additional treatments as part of the RRFB project, like bulbouts. (OakDOT is planning to include additional treatments within the constraints of the HSIP program.)
- RRFBs are largely designed and understood as being for pedestrians. For them to work on neighborhood bike routes, RRFBs need to be reworked to serve bicyclists.
- Drivers should be informed that they must stop at the RRFBs when the yellow lights are flashing.
- The leading pedestrian interval (LPI) traffic signal timing is very important in downtown, but the pedestrian push buttons have no place in downtown.
- People with visual impairments use the sound of cars starting at a green light to know when to cross the street. With LPI, people with visual impairments will not know the LPI exists unless a detectable pedestrian push button is in place.
- OakDOT staff are working to finish the list of RRFB locations and the list can be shared with the BPAC. Commissioners can provide feedback by email, as the application is due before the September BPAC meeting.
- The BPAC Infrastructure Committee will meet in early September and this is an opportunity for discussing these applications in additional detail before the application deadline.
- Consider working with OakDOT's Rapid Response team to implement interim measures at HSIP locations in advance of the HSIP-funded improvements.
- Confirm that RRFBs designed for bicyclists are allowed with the HSIP funding. In the Shattuck Ave HSIP project, an RRFB planned for 59th St could not be designed for bicyclists due to restrictions associated with the federal funds.

Speakers other than commissioners: Robert Prinz, George Spies

Item 8. Committee Report Back

Committees of the BPAC provided brief updates to the Commission. A list of active committees was included in the agenda packet and at <https://www.oaklandca.gov/resources/bicyclist-and-pedestrian-advisory-commission-bpac-committees-and-liaisons>.

Summary of Discussion:

- Bicyclist Pedestrian Police Relations Committee: Commissioner Mangrum thanked Commissioner Frank for volunteering to be a co-chair of this committee. The committee meets the 2nd Thursday of the month, 6:00-8:00pm. They will be reaching out to OPD to get going again with joint bike rides involving OPD staff and community members.

Speakers other than commissioners: None

Item 9. Three-month look-ahead, suggestions for meeting topics, announcements

The three-month look-ahead was included in the meeting's agenda packet.

Suggestions for meeting topics

- Commissioner Frank asked that the Power to the People project be scheduled for October or November.

Announcements

- Chair Schader encouraged Commissioners to continue meeting with each other and participating in community events.
- See the announcements included in the meeting agenda packet.

Meeting adjourned at 8:28 pm.

Attachments

- Presentation slides – Sidewalk Blocking
- Presentation slides - Highway Safety Improvement Program (HSIP) Grant Cycle 11 OakDOT Applications
- Resolution to Continue Teleconference Meetings

Minutes recorded by Jason Patton, Bicycle & Pedestrian Program Supervisor, emailed to meeting attendees for review on August 19, 2022 with comments requested by 5pm, September 2, 2022 to NPond-Danchik@oaklandca.gov. Revised minutes will be attached to the September 2022 meeting agenda and considered for adoption at that meeting.

OAKLAND BICYCLIST & PEDESTRIAN ADVISORY COMMISSION

Meeting of September 15, 2022, Item #4

ADOPT A RESOLUTION DETERMINING THAT CONDUCTING IN-PERSON MEETINGS OF THE BICYCLIST & PEDESTRIAN ADVISORY COMMISSION AND ITS COMMITTEES WOULD PRESENT IMMINENT RISKS TO ATTENDEES' HEALTH, AND ELECTING TO CONTINUE CONDUCTING MEETINGS USING TELECONFERENCING IN ACCORDANCE WITH CALIFORNIA GOVERNMENT CODE SECTION 54953(e), A PROVISION OF AB-361.

WHEREAS, on March 4, 2020, Governor Gavin Newsom declared a state of emergency related to COVID-19, pursuant to Government Code Section 8625, and such declaration has not been lifted or rescinded. See <https://www.gov.ca.gov/wp-content/uploads/2020/03/3.4.20-Coronavirus-SOE-Proclamation.pdf>; and

WHEREAS, on March 9, 2020, the City Administrator in their capacity as the Director of the Emergency Operations Center (EOC), issued a proclamation of local emergency due to the spread of COVID-19 in Oakland, and on March 12, 2020, the City Council passed Resolution No. 88075 C.M.S. ratifying the proclamation of local emergency pursuant to Oakland Municipal Code (O.M.C.) section 8.50.050(C); and

WHEREAS, City Council Resolution No. 88075 remains in full force and effect to date; and

WHEREAS, the Centers for Disease Control (CDC) recommends physical distancing of at least six (6) feet whenever possible, avoiding crowds, and avoiding spaces that do not offer fresh air from the outdoors, particularly for people who are not fully vaccinated or who are at higher risk of getting very sick from COVID-19. See <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>; and

WHEREAS, the CDC recommends that people who live with unvaccinated people avoid activities that make physical distancing hard. See <https://www.cdc.gov/coronavirus/2019-ncov/your-health/about-covid-19/caring-for-children/families.html>; and

WHEREAS, the CDC recommends that older adults limit in-person interactions as much as possible, particularly when indoors. See <https://www.cdc.gov/aging/covid19/covid19-older-adults.html>; and

WHEREAS, the CDC, the California Department of Public Health, and the Alameda County Public Health Department all recommend that people experiencing COVID-19 symptoms stay home. See <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>; and

WHEREAS, persons without symptoms may be able to spread the COVID-19 virus. See <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>; and

WHEREAS, fully vaccinated persons who become infected with the COVID-19 Delta variant can spread the virus to others. See <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html>; and

WHEREAS, the City's public-meeting facilities are indoor facilities that do not ensure circulation of fresh / outdoor air, particularly during periods of cold and/or rainy weather, and were not designed to ensure that attendees can remain six (6) feet apart; and

WHEREAS, holding in-person meetings would encourage community members to come to City facilities to participate in local government, and some of them would be at high risk of getting very sick from COVID-19 and/or would live with someone who is at high risk; and

WHEREAS, in-person meetings would tempt community members who are experiencing COVID-19 symptoms to leave their homes in order to come to City facilities and participate in local government; and

WHEREAS, attendees would use ride-share services and/or public transit to travel to in-person meetings, thereby putting them in close and prolonged contact with additional people outside of their households; and

WHEREAS, on October 21, 2021 the Bicyclist & Pedestrian Advisory Commission adopted a resolution determining that conducting in-person meetings would present imminent risks to attendees' health, and electing to continue conducting meetings using teleconferencing in accordance with California Government Code Section 54953(e), a provision of AB-361; now therefore be it:

RESOLVED: that the Bicyclist & Pedestrian Advisory Commission finds and determines that the foregoing recitals are true and correct and hereby adopts and incorporates them into this resolution; and be it

FURTHER RESOLVED: that, based on these determinations and consistent with federal, state and local health guidance, the Bicyclist & Pedestrian Advisory Commission renews its determination that conducting in-person meetings would pose imminent risks to the health of attendees; and be it

FURTHER RESOLVED: that the Bicyclist & Pedestrian Advisory Commission firmly believes that the community's health and safety and the community's right to participate in local government, are both critically important, and is committed to balancing the two by continuing to

use teleconferencing to conduct public meetings, in accordance with California Government Code Section 54953(e), a provision of AB-361; and be it

FURTHER RESOLVED: that the Bicyclist & Pedestrian Advisory Commission will renew these (or similar) findings at least every thirty (30) days in accordance with California Government Code section 54953(e) until the state of emergency related to COVID-19 has been lifted, or the Bicyclist & Pedestrian Advisory Commission finds that in-person meetings no longer pose imminent risks to the health of attendees, whichever occurs first.

ALAMEDA COUNTY TRANSPORTATION COMMISSION

East Bay Greenway Multimodal Project

Oakland BPAC Presentation
September 15, 2022

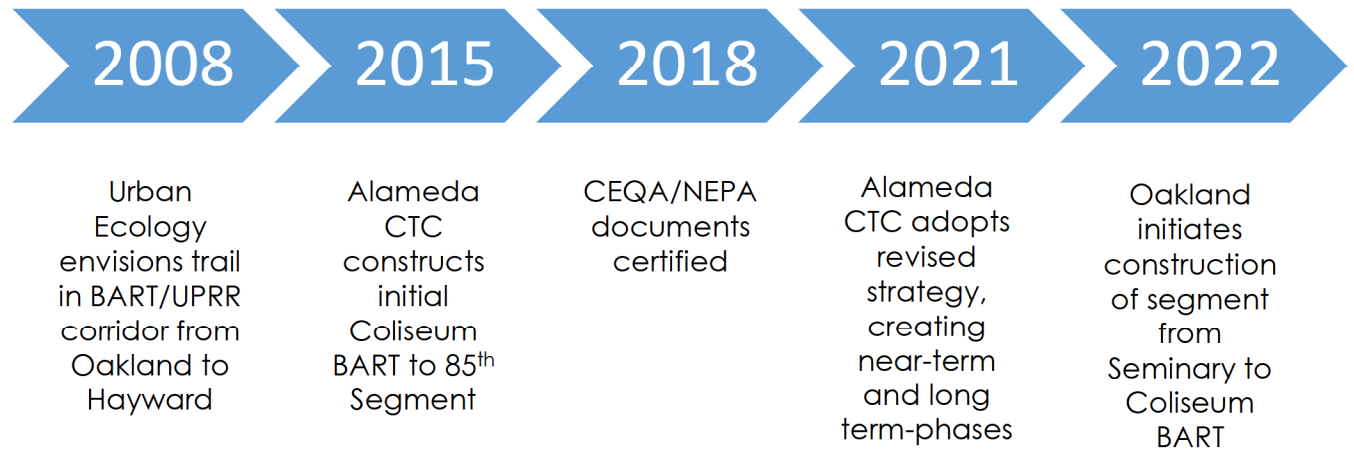

What is the East Bay Greenway?

- Regional trail for biking & walking
- Envisioned to connect length of Alameda County generally along BART corridor
- Included in Measure BB Transportation Expenditure Plan

for Bicyclists
& Pedestrians

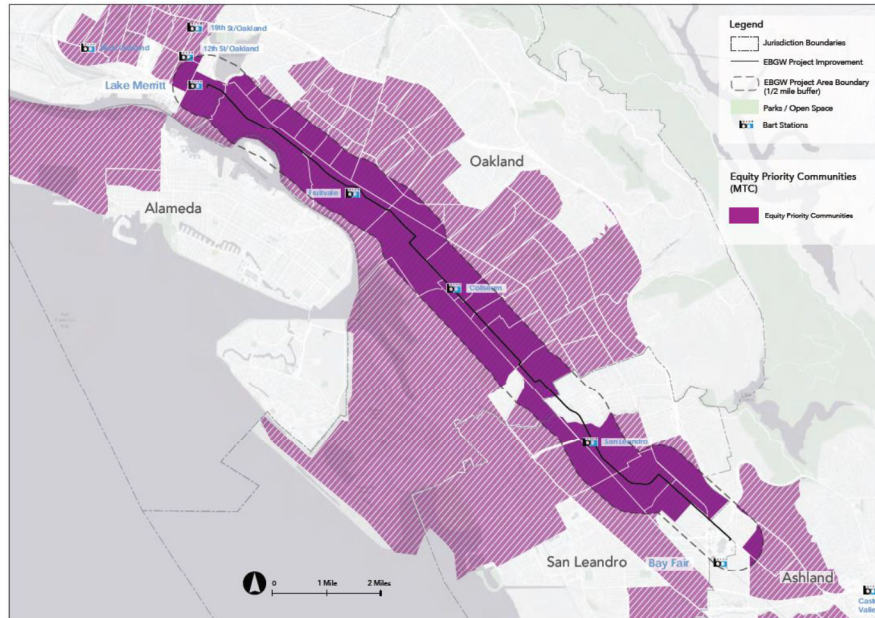

Access to Key
Destinations

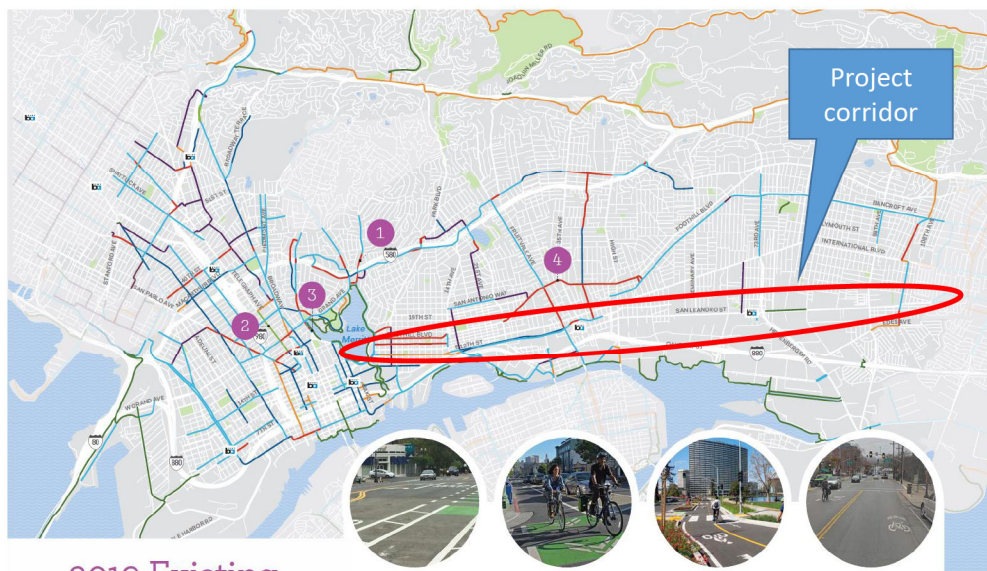

Investment in
Equity Priority
Communities

Equity Priority Communities

- East Oakland: 2 cars for every 3 drivers
- Many tracts in the 90th percentile statewide for asthma rates
- Project identified in East Oakland Mobility Action Plan

2019 Existing Bicycle Network

- Path
- Protected Bike Lane
- Buffered Bike Lane
- Bike Lane
- Neighborhood Bike Route
- Bike Route
- Arterial Bike Route
- Park
- Oakland City Limits
- BART Station

1 The City's focus on lane conversion projects that reduce the number of travel lanes, such as on Grand Avenue, is a strategy to make room for bikeways while providing traffic calming benefits to the roadway.

2 Oakland's first parking protected bikeway on Telegraph Ave has illustrated the safety benefits of increased separation - with a 40% reduction in collisions measured after installation.

3 Projects like the Lakeside Green Streets project next to Lake Merritt are providing high quality, separated experiences of Oakland's assets.

4 Arterial Bike Routes, which require bicyclists to share lanes with cars on busy streets, will no longer be proposed. The 14 miles of existing routes are proposed for more comfortable bikeway types.

Source: City of Oakland Bike Master Plan

Planning Context

The East Bay Greenway is consistent with or included in numerous adopted local, county, and regional plans including:

Local	County	Regional
<ul style="list-style-type: none">• Lets Bike Oakland!• Oakland Walks• East Oakland Mobility Action Plan• East Oakland Neighborhoods Initiative	<ul style="list-style-type: none">• Alameda Countywide Active Transportation Plan• Countywide Transportation Plan• Community-Based Transportation Plans• East 14th/Mission Multimodal Corridor Plan• 400 mile Countywide Bikeways Network	<ul style="list-style-type: none">• Plan Bay Area 2050• East Bay Regional Park District Master Plan• BART Station Area Plans

Project Phasing

East Bay Greenway Multimodal (Phase 1)

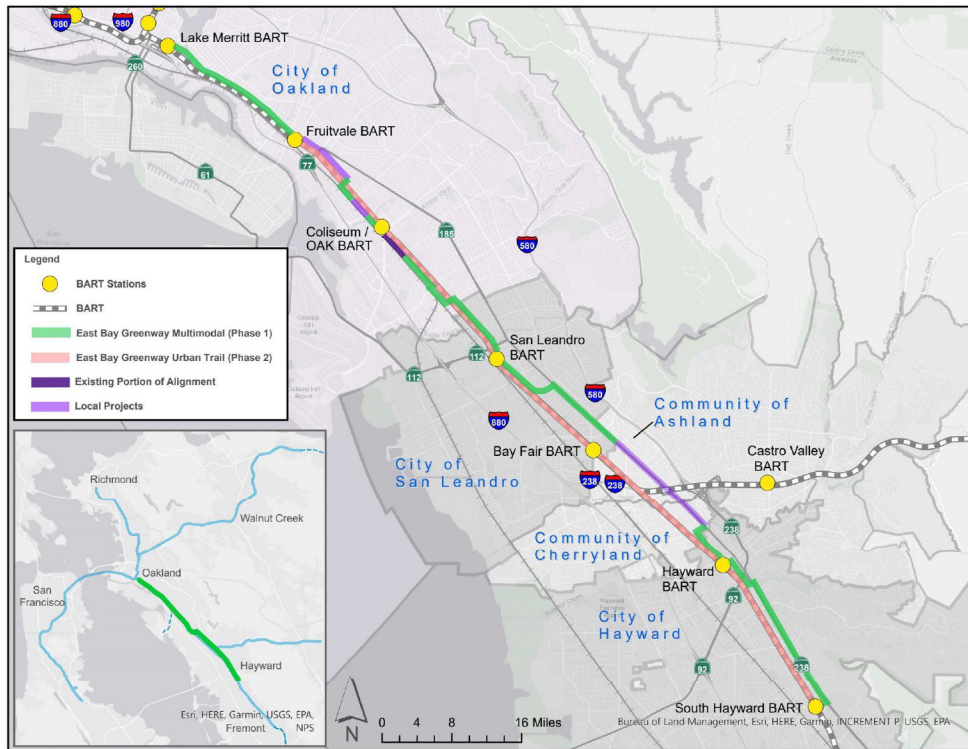

- Provide all ages and abilities, interjurisdictional active transportation facility
- On-street facility, utilize parallel streets where needed
- Avoid UPRR ROW
- Deliver within 3-5 years (funding permitting)

East Bay Greenway Urban Trail (Phase 2)

- Provide all ages and abilities, interjurisdictional active transportation facility
- Potential linear park enhancements
- Off-street facility in UPRR/BART corridor
- Environmentally cleared in 2018
- 10+ year timeline

Job Title

Which Boards would you like to apply for?

Bicyclist & Pedestrian Advisory Commission: Submitted

Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I would like to serve on BPAC as a Commissioner to support increases in pedestrian and bicycle transportation in Oakland by identifying and overcoming barriers to access. I would like to empower historically underrepresented stakeholders in disadvantaged communities to express their needs and achieve transit policy objectives by initiating conversations, seeking their input and amplifying their voices to Oak DOT, Oakland City Council, and the Planning Commission. I gained experience empowering under-represented stakeholders from diverse economic and cultural backgrounds working as a social worker with young adults who are homeless and mentally ill for four years in East Oakland. I believe in listening and making space for under-represented voices to be heard. I'm committed to cultural humility and identifying and challenging deep institutional and social roots of bias and racism both as an introspective process and in dialogue with communities. I'm committed to advocating for anti-racist transportation policy in Oakland and working in a collaborative spirit based on group consensus. I relied on bicycling, walking, and public transit in the Bay Area as my sole means of transport for eight years starting in 2012, when I sold my car. I often combine bicycling, BART, and buses to do errands and commute. Recreational bicycle rides are my primary pastime on weekends. I biked over 5,000 miles last year, most of it in the Bay Area. I'm familiar with how many bus and train routes connect to bicycle and pedestrian infrastructure in communities around the bay. I believe increased walking, public transit and bicycle use are a vital part of the solution to climate change and community health. My undergraduate degree in Political Science and master's degree in Economics equip me with tools to assess and evaluate the impact of proposed transportation policies, understand project proposals, and craft resolutions and recommendations. My employment as a Data Analyst equips me with tools to gather, analyze and present data relevant to transit policy decisions. I currently serve as a member of the BART Bicycle Advisory Task Force. I started attending their bi-monthly meetings in Dec 2019. I started attending Oakland BPAC meetings in Nov 2019. I've been a member of both Bike East Bay and SF Bicycle Coalition for 15 years, since moving to the Bay Area in 2007. I'm a member of three recreational bicycle clubs in Alameda County: Oakland Yellow Jackets, Grizzly Peak Cyclists, and Berkeley Bicycle Club. As a BPAC Commissioner I would prioritize and champion the BPAC Strategic Plan Goals of emphasizing community input and working closely with councilmembers, Outreach to councilmembers in each district and Public Works Committee, to provide input about projects early in the process. To get more community input on projects. To get relevant information from the Commission into the community and seek community input. As a BPAC Commissioner I would advocate for robust evaluation and monitoring over time of progress in closing pedestrian and bicycle transportation access disparities in disadvantaged neighborhoods. My favorite sections of the Oakland Bike Plan emphasize transportation justice for disadvantaged neighborhoods. I would leverage this analysis to encourage councilmembers to prioritize meaningful investments in disadvantaged neighborhoods. My favorite sections are: P.125 Disparities between - Share of existing bikeways and disadvantaged population by zone, P. 131 Distribution of priority projects by zone relative to disadvantaged population by zone. I will commit to attending all BPAC meetings and continue to attend bimonthly BART Bicycle Advisory Task Force meetings to stay informed and facilitate communication between groups. I'm interested in serving on the Infrastructure Committee or Planning Commission Review Committee and continue to contribute to the Bicyclist & Pedestrian Police Relations Committee.

Which Boards would you like to apply for?

Bicyclist & Pedestrian Advisory Commission: Submitted

Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I have been active with BPAC, both prior to joining as a commissioner and since appointment for my first term - and am presently coordinating the Legislative committee for the commission. I have also actively participated in the transportation advocacy community in Oakland and been a strong advocate for safer streets and a more walkable community.

Please submit your resume or curriculum vitae. You may upload a document. (A Word format is preferred.) Alternatively, you may paste the text of your resume in the field provided below.

Bicyclist & Pedestrian Advisory Commission: Submitted

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I am very passionate about improving bike, pedestrian, and transit safety in Oakland and the Bay Area. I also have a history of civic engagement on this issue. Previously, I represented San Francisco on the Caltrain Citizens Advisory Committee to represent the voice of riders on Caltrain. Additionally, my work in my day job at Google involves escalating the voice of users and partners to our product team, so I am well-versed in issues of user experience, communication, and prioritizing issues from key stakeholder groups.

Please submit your resume or curriculum vitae. You may upload a document. (A Word format is preferred.) Alternatively, you may paste the text of your resume in the field provided below.

Recent Work Experience

Manager, Product Specialists, YouTube (August 2017 - Present)

Manager of Paid Products go-to-market team, while serving as Sr. Product Specialist for YouTube Music. Product Specialists serve as the voice to and from Product, ensuring products delight users, partners, and content creators.

- **People Manager:** Promoted to manage mid-senior level team of five high-performing product specialists, received 95% favorable rating in 360° reviews from direct reports
- Led multi-year effort to transition users and artists from [Google Play Music \(GPM\) to YouTube Music](#), exceeding target of migrating XXM paid subscribers:
 - **Voice of the Customer:** Represented the voice of users to inform [relaunch of YouTube Music](#) and expansion into 90+ countries, utilizing unstructured user feedback from millions of users to prioritize features and craft value proposition. Managed end-to-end operational rollout including leading regular updates to YouTube Executive team.
 - **Artists & Industry:** Partnered with Product, Artist Relations, and Partner Engineering teams to ensure YouTube Music catalog parity from <80% to >95% across markets
 - **Operational leadership:** Managed the complete operational transition of Google Play Music support from Google to YouTube organization, including online help content and vendor operations in 29 languages

Product Support Manager, Google Play (August 2015 - August 2017)

General manager of Play user support and operations lead connecting support to Play Product, Marketing and Engineering teams

- **Reduce subscriber churn:** Pioneered a proactive support email campaign to users in a Google Play Music free trial that resulted in a 5pp increase in conversion to paid subscriptions
- **Obviate the need for support:** Led multi-quarter initiative with Product, Engineering, and Marketing to execute product and user messaging improvements to alleviate the #1 user issue. Fix resulted in 80%+ reduction in support contacts and significant cost savings.
- **Drive business impact:** Led internal design consulting team on a 6-week sprint to tackle a company-wide OKR, resulting in product changes and a 20% reduction in support volumes

Incubation Program Manager, Google Consumer Operations (August 2014- August 2015)

Responsible for incubating and scaling support for new products and channels across all consumer-facing Google products

- Developed workflows, success metrics, hired agents, and developed agent training for the Device Experts program (hardware support via hangouts), which launched in Q4 2014 and generated high user satisfaction and positive press coverage ([TechCrunch](#), [The Verge](#))

Sales Operations & Strategy MBA Intern, Google Offers (Summer 2013)

Developed segmentation and prioritization for franchised merchants and proposed a sales approach during 10-week MBA internship

Pre-MBA Work Experience

Manager, Business Development & Corporate Strategy, Del Monte Foods (May 2010 - August 2012)

- Led development of Board of Directors presentations for the Pet Products business division
- Owned M&A pipeline and workstreams, including due diligence process and valuation of targets

Senior Analyst, Environmental Risk Communications, Inc (September 2009 - March 2010)

Management Consultant, Kaiser Associates (August 2007 - August 2009)

Education

University of California Berkeley Walter A. Haas School of Business, MBA (May 2014)

Williams College B.A. in Economics (May 2007)

Bicyclist & Pedestrian Advisory Commission: Submitted

Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I'm currently the chair on the Bicycle Pedestrian Advisory Commission and I'm applying for a second term to continue advocating for safe biking and pedestrian infrastructure in Oakland. In my first three years I have enjoyed gaining a greater understanding about how OAKDOT plans for future projects and the impact it has on different communities. I also understand the challenges that OAKDOT faces when communities push back on projects that would be beneficial to that community. I would like to continue advocating for more equitable outcomes in East Oakland by educating and engaging with the community. I would like to continue my journey in attempting to create neighborhoods where myself and others can enjoy the outdoors in a safe and healthy environment.

Please submit your resume or curriculum vitae. You may upload a document. (A Word format is preferred.) Alternatively, you may paste the text of your resume in the field provided below.

Which Boards would you like to apply for?

Bicyclist & Pedestrian Advisory Commission: Submitted

Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I have experience as a bicycle and pedestrian planner in my almost 3 years of working at Caltrans District 4 (Oakland office). I reviewed plans and reports for bicycle and pedestrian impacts, and helped redesign projects to include complete streets elements. I have experience working with various agencies and stakeholders and strive to have everyone on the same page so that we all work toward the same goal of safe streets. I studied Urban Studies & Planning at UC San Diego and interned at WalkSanDiego. I wrote my senior project on San Diego's lack of bicycle infrastructure, and compared the city's policies and history to that of San Francisco and Seattle, and made recommendations on how the city could speed up its buildout of cycle infrastructure. I attended Portland State University and completed my Master's in Urban and Regional Planning, with a focus on transportation planning. One of my classes was on bicycle and pedestrian planning, and my group project proposed a redesign of SE Hawthorne Blvd, to make a relatively successful neighborhood main street more vibrant and safe for all users. I am currently working at the City of Berkeley as an associate planner. I work on transit coordination as well as parking policy. I have lived in Oakland for 14 years, in Downtown/Chinatown and currently in West Oakland. I have the educational and work background that is relevant for the BPAC, and as a local resident I want to advocate for safe streets for Oakland.

DIANNE YEE

Work Experience:

- City of Berkeley Department of Public Works, Transportation Berkeley, CA
developing Transit-First Policy Implementation Plan,
coordinating City projects with transit agencies and vice versa,
outreach for goBerkeley parking management program and capital improvement projects,
writing council reports, such as on the Telegraph Ave Loading Zone Pilot Program,
completed grant applications for safe routes to school and complete streets projects
- Caltrans District 4 Office of Transit & Community Planning Oakland, CA
reviewed plan sets, reports, and encroachment permits for bicycle & pedestrian impacts;
coordinated projects with cities, counties, other agencies, and advocacy groups;
reviewed grant applications and managed Sustainable Transportation Planning Grants;
applied for Federal Land Access Program funding for a US 101/Alexander Ave
safety improvement project involving multiple jurisdictions;
coordinated agency response of and reviewed CEQA documents and permit applications of
local developments for impacts on the State Transportation Network
- City of Berkeley Department of Planning & Development, Land Use Berkeley, CA
supported the Adeline Corridor Specific Plan:
researched plans, policies, and history; conducted public outreach, analyzed surveys;
coordinated with City departments to evaluate status of past implementation measures;
applied for the UC Berkeley Chancellor's Community Partnership grant for a project
to preserve the neighborhood's history in the face of change and gentrification;
- City of Oakland Bicycle & Pedestrian Facilities Program Oakland, CA
field-verified bike racks and wayfinding signage for inventorying and maintenance,
gathered data for a low-stress bikeway network mapping project,
analyzed survey results for a "supersharrow" project
- Bike East Bay (formerly "East Bay Bicycle Coalition") Oakland, CA
supported public outreach for campaigns, including:
Oakland Bikeways, Bikes on BART, Alameda County Measure B1;
taught cycling classes and workshops as a League Cycling Instructor

Education:

- Portland State University Class of 2015
Master of Urban and Regional Planning – Transportation Planning
- University of California, San Diego Class of 2012
International Studies – Economics, and Urban Studies & Planning
- Freie Universität Berlin & Technische Universität Berlin 2010–2011
Economics, Urban Planning
- Berkeley High School Class of 2008

Skills & Hobbies:

writing, research, policy and data analysis, outreach
HTML/CSS, Photoshop, InDesign, Illustrator, Microsoft Office, ArcGIS
Oakland Bicyclist and Pedestrian Advisory Commission vice chair
English, Cantonese, German, Mandarin, Finnish
spinning music, cycling, photography

Which Boards would you like to apply for?

Bicyclist & Pedestrian Advisory Commission: Submitted

Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I am a driver, runner, and urban bicycle advocate wanting to help Oakland minority (BIPOC) & lower income communities have a chance to commute around Oakland & Alameda county in a safe space. I have experience in helping pedestrian-related efforts in SF, and am a member of East Bay & SF Bike Coalitions.

Please submit your resume or curriculum vitae. You may upload a document. (A Word format is preferred.) Alternatively, you may paste the text of your resume in the field provided below.

Professional Experience

Data Analyst, Data Science (Products) | Autodesk | April 2019 – Present

- Cross-functionally delivering analytics and reporting for 200+ ACS, a conglomerate of acquisitions such as BuildingConnected, Plangrid, Assemble, and BIM 360, business users.
- Model 50+ datasets using a popular open source Analytics Engineering tool for Looker (BI)
- Implement Survival Analysis, MAU time series for team analysis, Customer Health Score for CS org

Business Data Analyst [Contract] | Google | June 2018 – January 2019

- Deliver critical dashboards & SQL queries on 1400+ Sales user compensation & Google Ad users' insights
- Contribute and lead in fast-paced team of developer's code migration audit for 150+ offering signals
- Developed Gmail alert system w/embedded SQL queries using Google App Script for 4+Stakeholders

Data Analyst [Contract] | MobileIron | August 2017 – June 2018

- Produce Salesforce Report & Dashboards and Domo reports for Sales & Applications teams using MySQL
- Perform regression and unit testing for system robustness and data validation in SCRUM and Sprint model
- Data Wrangling and Transformation for 60% Asset information for migration to new system

Data Substitute Instructor & Teaching Assistant | UC Berkeley Extension | June 2017 – Current

Lead evening lectures in one of several UC Berkeley Extension Locations for 30+ students in:

- Python, Statistics, Data Analysis Libraries, SQL ([Example Lecture](#))

Talks

- [PyBay](#), [PyData LA](#), [SF Python](#)

Education

- [Intro to Machine Learning Nanodegree](#) | 2020 | Udacity
- B.S. Applied Mathematics w/Economics Minor | 2016 | University of California, Davis
- [Data Analyst Nanodegree](#) | 2017 | Udacity

Certificates

- [SalesForce Certified Administrator](#) | 2017 | Salesforce
- Data Analyst Track | 2017 | DataQuest.io

Volunteer

- Teaching Fellow | Delta Analytics | January 2019 – Present
- Core Volunteer | Datakind, SF | November 2016 - January 2019

Projects

Strava: My Running Mileage Visualization - [Live Visualization](#) | February 2018

- Extract data from open source API for transformation using python
- Visualizing running performance using D3.js and Javascript

Which Boards would you like to apply for?

Bicyclist & Pedestrian Advisory Commission: Submitted

Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I've worked in local government. I was a Policy Associate focused on Public Safety in the Mayor's Office in San Francisco, under then Mayor Gavin Newsom. I was there for two years and worked to increase public safety. I've also been a bike advocate in the Bay Area for 8 years. I have tracked bicycle and pedestrian fatalities in a public spreadsheet, documenting all of the collision information for the public and press to use in reporting, since 2016. I also founded ourbikes.org, which is an advocacy org created to expand bike share in the Bay Area.

Please submit your resume or curriculum vitae. You may upload a document. (A Word format is preferred.) Alternatively, you may paste the text of your resume in the field provided below.

Which Boards would you like to apply for?

Bicyclist & Pedestrian Advisory Commission: Submitted

Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I would like to join BPAC as a Commissioner to support increases in pedestrian and bicycle transportation in Oakland by identifying and overcoming barriers to access. I would like to empower historically underrepresented stakeholders in disadvantaged communities to express their needs and achieve transit policy objectives by initiating conversations, seeking their input and amplifying their voices to Oak DOT, Oakland City Council, and the Planning Commission. I gained experience empowering under-represented stakeholders from diverse economic and cultural backgrounds working as a social worker with young adults who are homeless and mentally ill for four years in East Oakland. I believe in listening and making space for under-represented voices to be heard. I'm committed to cultural humility and identifying and challenging deep institutional and social roots of bias and racism both as an introspective process and in dialogue with communities. I'm committed to advocating for anti-racist transportation policy in Oakland and working in a collaborative spirit based on group consensus. I relied on bicycling, walking, and public transit as my sole means of transport since 2012, when I sold my car. Since moving to the Bay Area 13 years ago, I commuted daily across the bay by BART (with my bicycle) as I live in Oakland and work in San Francisco. The pandemic has decreased the frequency of my commutes. Recreational bicycle rides are my primary pastime on weekends. I biked over 6,000 miles last year, most of it in the Bay Area. I'm familiar with how many bus and train routes connect to bicycle and pedestrian infrastructure in communities around the bay. I believe increased walking, public transit and bicycle use are a vital part of the solution to climate change and community health. My undergraduate degree in Political Science and master's degree in Economics equip me with tools to assess and evaluate the impact of proposed transportation policies, understand project proposals, and craft resolutions and recommendations. My employment as a Data Analyst equips me with tools to gather, analyze and present data relevant to transit policy decisions. I've been a member of both Bike East Bay and SF Bicycle Coalition for 10+ years, since moving to the Bay Area in 2007. I started attending Oakland BPAC meetings in Nov 2019. I started attending all bi-monthly meetings of the BART Bicycle Advisory Task Force in Dec 2019. I'm a member of three recreational bicycle clubs in Alameda County: Oakland Yellow Jackets, Grizzly Peak Cyclists, and Berkeley Bicycle Club. As a BPAC Commissioner I would prioritize and champion the BPAC Strategic Plan Goals of emphasizing community input and working closely with councilmembers, Outreach to councilmembers in each district and Public Works Committee, to provide input about projects early in the process. To get more community input on projects. To get relevant info from the Commission into the community and seek community input. I would make use of connections with councilmembers. And champion fiscal oversight and monitoring. As a BPAC Commissioner I would advocate for robust evaluation and monitoring over time of progress in closing pedestrian and bicycle transportation access disparities in disadvantaged neighborhoods. My favorite sections of the Oakland Bike Plan emphasize transportation justice for disadvantaged neighborhoods. I would leverage this analysis to encourage councilmembers to prioritize meaningful investments in disadvantaged neighborhoods. My favorite sections are: P.125 Disparities between - Share of existing bikeways and disadvantaged population by zone, P. 131 Distribution of priority projects by zone relative to disadvantaged population by zone. I would commit to attending all BPAC meetings and continue to attend bimonthly BART Bicycle Advisory Task Force meetings to stay informed and facilitate communication between groups. I'm interested in serving on the Infrastructure Committee or Planning Commission Review Committee and continue to contribute to the Bicyclist & Pedestrian Police Relations Committee.

Which Boards would you like to apply for?

Bicyclist & Pedestrian Advisory Commission: Submitted

Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I am a regular public attendee at the City of Oakland Bicyclist and Pedestrian Advisory Commission meetings, and as an enthusiastic cyclist and an advocate for better access to safer and more pleasant means of transportation, I am eager to dive in fully as a BPAC commissioner. I love analyzing not only the technical aspects of community improvement projects, but also the manner in which they are financed and carried out. I love reading and discussing the broad visions for more equitable and livable forms of transportation, and am diligent about doing the more detailed work involving reviewing the documents and technical plans needed to meet those broader goals. My patient and curious attitude leads me to believe I would be an asset to the commission in meticulously reading, reviewing, and providing input to various plans and policies calling for input from the BPAC. I also have a strong desire to listen and learn from the community, and value the process of discussing and consequently changing and building upon existing ideas. I have a deep respect for community advocates and their ability to inspire folks around them. With these values at the forefront, I would be eager to engage with OakDOT staff, outside agencies, and the greater Oakland community to help ensure the needs of bicyclists and pedestrians are heard during the planning and implementation of various projects. The BPAC is a great example of passionate people following through on serving their community, and I believe my past and current commitments show that I have the energy, enthusiasm, and work ethic to make every effort to work with the BPAC team and advocate for livable streets in Oakland.

Bicyclist & Pedestrian Advisory Commission: Submitted

Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

Since moving to the East Bay in 2011, I have established a strong sense of place and respect for this community through my professional and personal interactions. I primarily get around by walking and biking, and as a result I have become more aware of the issues that have impacted each of the neighborhoods throughout Oakland. Many of my closest friends are local City and Urban Planners, and they have taught me a great deal about bike/pedestrian infrastructure, related policies, community response, and ways that our city is working to make this a more equitable and enjoyable place to get around. I look forward to participating more actively in this process by lending my skillset rooted in public health as an observant person, critical thinker, and one focused on population level solutions. My first job in Berkeley was working at LifeLong Medical Care, a local community health organization, and I would bike to all of our health centers throughout Alameda and Contra Costa counties. This allowed me the opportunity to get to know these communities more personally and meet individuals from North Oakland to Downtown to East Oakland. This was my introduction to how different lived experiences were across Oakland and raised many questions for me about accessibility. At this time, I was thinking about issues related to primary care, food security, safe streets, mental health, and school-based health solutions. This work was foundational for me as I continued on to grad school in Health Administration, working at Kaiser Permanente in regional strategy, and into my current role with designing mobile dental care solutions. All of this lends itself well towards the mission of BPAC, and I look forward to bringing a unique perspective to the group from a community health and regional strategy mindset. With each of these experiences, I take a very customer centered approach that focuses in on ways that my work impacts those that it is designed to serve. I have much to contribute through my formal trainings and personal passions in group facilitation, community advocacy, and project management that results in goal oriented outcomes. My combined background in this work and interests in improving the bike and pedestrian infrastructure throughout Oakland makes me a great candidate for this commission.

Dest Dental, Oakland, CA

Director, Strategy and Operations, January 2020 – Present

- Lead new business initiatives to expand the care network and deliver more affordable and convenient dental care
- Manage mobile dental care operations in Phoenix, Arizona focused on providing on-site services to over 90 nursing homes and 3,000 patients, primarily Medicaid and elderly population
- Support staff by developing standardized policies, procedures, COVID preparedness protocol, etc.
- Developed project in partnership with the city offices of Greensboro, NC to deliver on-site services for two weeks focused on improving access to care for the city's waste management and maintenance employees

Kaiser Permanente, Northern California Regional Offices, Oakland, CA

Senior Consultant, Specialty Care Services, June 2017 – December 2019

- Partner with Contracting and Finance Departments to consolidate over 90 Autism Spectrum Disorder (ASD) agencies into a single network and develop a 5-year, \$1.2B contract moving away from fee-for-service to a fixed budget model
- Develop quality performance dashboards and actionable data insights to advance ASD access and treatment standards
- Lead Transgender Services' member engagement strategy through facilitating the advisory council and co-designing a Peer Navigation Program to connect patients for support and tip-giving as they prepare for gender-affirming surgery
- Design framework and strategy for future state of NCAL Specialty Care Services, including goals of standardizing clinical pathways, establishing joint governance structure between KFHP/H and TPMG, and aligning branding strategies
- Manage regional concept pilot aimed at improving member experience with Cardiac Care surgical services; oversee site visits and physician interviews with goal of mapping patient journey and addressing gaps along the care continuum

LifeBridge Health, Baltimore, MD

Administrative Resident, June 2016 – May 2017

- Scoped and collaborated on implementation of a 17-bed Clinical Decision Unit to reduce unnecessary in-patient admissions; developed a Tableau dashboard to monitor key metrics and improved provider communication tools
- Supported executive leadership with vendor relations and project planning to implement patient-centered technology solutions including a Customer Relationship Management (CRM) software and automated post-discharge outreach calls
- Implemented Lean methodology to evaluate communication pathways and staffing protocol for a Nurse Access Center

LifeLong Medical Care, Berkeley, CA

Quality Improvement Coordinator, August 2012 – July 2015

- Managed Patient Centered Medical Home transformation efforts and achieved Level 3 recognition for 74 providers
- Led population health strategy to track, identify, and improve chronic care management and women's health services
- Trained and supported 6 health centers in advancing connectivity and interoperability of health information technology

Community HealthCorps Member, September 2011 – July 2012

- Strengthened customer voice by developing a patient advisory council and new satisfaction survey infrastructure

Felipe Dest

- Collaborated with community partners to establish 5 mini-grants aimed at reducing health disparities in South Berkeley
- Facilitated bilingual health education workshops for parents and enrolled applicants into state health insurance plans

Education

Johns Hopkins University Bloomberg School of Public Health, Master of Health Administration

University of North Carolina at Chapel Hill, Bachelor of Arts, Anthropology

School for International Training - Bahia, Brazil, Independent Research, Public Health and Community Welfare

- Thesis Paper: "The Impact of Brazil's Bolsa Familia Program on Food Security in Santo Antônio de Jesus, Bahia"

Leadership

Mandela Partners, Development Volunteer, April 2019 - December 2019

Kaiser Permanente Improvement Advisor Training, May 2018

Johns Hopkins MHA Advisory Board Member, October 2016 - September 2018

Skills

Fluent Spanish and Conversational Portuguese | Program Evaluation and Needfinding | Group Facilitation and One-on-One Coaching | Population Health Analytics and Data Visualization | Communication and Presentation Development

Job Title

Which Boards would you like to apply for?

Bicyclist & Pedestrian Advisory Commission: Submitted

Interests & Experiences

Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.

I moved to Oakland in 2005 and have enjoyed living and working in the City since then. I believe that serving on volunteer boards, commissions as well as volunteering other ways is an important way of "giving back" to the community. I have had 6 years experience coordinating, leading and facilitating meetings using Robert's Rules of Order with the Sierra Club, San Francisco Bay Chapter. I also served 6 years as a board member of City Slicker Farms in West Oakland. I have attended and spoken during meetings of the Oakland City Council, the Public Works Committee, the Public Safety Committee, the Bicycle and Pedestrian Advisory Committee, the Public Ethics Commission, and the Parks and Recreation Advisory Committee. I am a mentor with the East Bay College Fund program. I will not only advocate for my district, I will advocate for the entire city. I would like to serve my city where I am most needed and useful. Thank you for considering my application.

Please submit your resume or curriculum vitae. You may upload a document. (A Word format is preferred.) Alternatively, you may paste the text of your resume in the field provided below.

September 2022 BPAC Agenda Item 10. Three-month agenda look-ahead, suggestions for meeting topics, announcements

For the full list of requested items and other details on upcoming meeting planning, see the BPAC Scheduler at https://docs.google.com/spreadsheets/d/1PmvGuKNg3lBspg7WwnqB7_MaQumB6BCpA_7Sbvuf8Q8/edit?usp=sharing

Three-month agenda look-ahead

October

- Rapid Responses to Fatal Traffic Crashes
- Power the People Project Update (tentative)
- Paint the Town Update (tentative)

November

- School Safety: School Crossing Guard Program, School Safety Patrol, and Traffic Safety Design Elements
- BART Projects (tentative)
- Paving Plan Update (tentative)

December

- BPAC Chair's Report to Public Works Committee
- Annual Major Development Projects (tentative)
- Annual Strategic Planning Projects Development Projects (tentative)
- West Oakland LINK (tentative)

Announcements

- **BPAC Agenda Sign-Up List:** To receive these BPAC agendas by email when available, sign up at <https://oaklandca19202.activehosted.com/f/20>.
- **Virtual Meeting for Caltrans I-580 Pedestrian Overcrossing Project – Release of Draft Environmental Document:** Caltrans released a Draft Initial Study with Proposed Negative Declaration/Environmental Assessment for the “I-580 Bridge Rehabilitation Project” which would “restore and preserve the structural integrity of the Broadway-Richmond Boulevard, Webster Street, and Fruitvale Avenue Undercrossing (UC) structures as well as the Van Buren Avenue and Santa Clara Avenue pedestrian overcrossings (POCs).” The POCs connect the Grand Lake and Adams Point neighborhoods just north of Grand Ave. Due to challenges with building a replacement POC, the project includes an alternative that would instead make pedestrian/bicyclist access improvements to portions of MacArthur Blvd, Grand Ave, and Santa Clara Ave that connect the two ends of the existing POCs. The project web page (<https://d4vpm3.wixsite.com/i-580-bridge-rehab>) includes a link to the draft environmental document and information on a virtual public meeting that will be held on Wednesday, September 21, 6:00 PM – 7:30 PM at <https://bit.ly/0P900>. Comments on the draft environmental document are due October 5. The flyer for the meeting is attached.
- **Paint the Town:** The Paint the Town Program has one upcoming mural painting event.
 - Seyed Alavi and neighbors are organizing a mural painting event on September 11th and 12th, 2022 in the intersection of Dover St and 56th St.

OakDOT Bicycle and Pedestrian Program staff facilitate the mural events in coordination with partner organizations EastSide Arts Alliance and Safe Passages, the OakDOT Permit Counter, and the OakDOT Traffic Maintenance Section. For more information on the Paint the Town program, please refer to the map at: www.google.com/maps/d/u/0/viewer?mid=1QwWA2S_6-TrFrCb1xM0qRxlJceFT6ZZH&ll=37.79765446934255%2C-122.22637454999993&z=13 or the project webpage at www.oaklandca.gov/projects/paint-the-town.

- **Park Boulevard Complete Streets Project:** Construction is substantively finished on the Lower Park Blvd Complete Streets Project. The 1.4-mile project on E 18th St, 3rd Ave, and Park Blvd between Lakeshore Ave and Chatham Rd delivered paving, curb ramp upgrades, a 4-to-2 lane road diet with left turn pockets at select locations, buffered bicycle lanes, six corner radius reductions to calm high-speed right turns from Park Blvd onto side-streets, nine pedestrian safety islands, intersection reconfigurations at Park Blvd/5th Ave/Ivy

Drive, updated pavement markings and signage throughout, and reconfigurations to bus stops to improve safety and AC Transit service reliability.

(Photo of the new bike lane on Park Blvd)

- **West Street Road Diet Project:** Construction is substantively complete on the West Street Road Diet Project. The 1.7-mile project on West St between W Grand Ave and 52nd St delivered paving, curb ramp upgrades, a 3-to-2 lane road diet with left turn pockets at select locations, buffered bicycle lanes, two protected intersections, six pedestrian safety islands, a bicycle crossing safety improvement at San Pablo Ave, and updated pavement markings and signage throughout. In response to community requests for additional traffic calming, the project installed two raised intersection speed tables, six sets of speed cushions, and one speed hump.

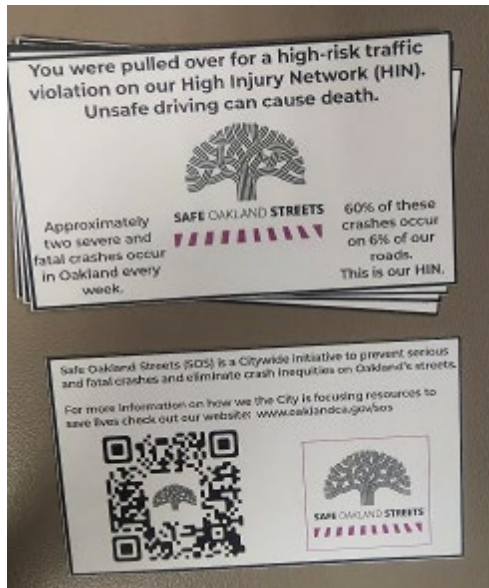

(Photo of a new protected intersection along West St)

- **We [bike] Oakland Newsletter, Summer 2022 (31st Edition):** The 31st edition of the twice-annual Bike Oakland newsletter, covering Bike Plan implementation progress between January and July 2022 is now available at <https://www.oaklandca.gov/resources/i-bike-oakland-newsletter> in English, Spanish, Chinese, and. The newsletter includes articles on the Lower Park Blvd, Bancroft Ave, and Telegraph Ave paving projects, a Slow Streets – Essential Places update, City-funded and -administered bicycle education, bicycle wayfinding sign projects, and more.
- **West Oakland Bay Trail Realignment:** As part of the 8th St West Oakland Traffic Calming Project, OakDOT staff are implementing a realignment to the San Francisco Bay Trail in West Oakland. Due to Port operations on the waterfront, the Bay Trail in this area is located inland on surface streets. The routing was changed from 8th St to 7th St between Wood St and Mandela Pkwy. The change was made to support commercial activity on 7th St, West Oakland’s “main street”, and provide more direct

connections to West Oakland BART, Middle Harbor Shoreline Park, and Mandela Pkwy. The realignment was approved on 7/28/22 by the San Francisco Bay Trail Steering Committee, a public body of the Association of Bay Area Governments (ABAG) that oversees the Bay Trail.

- **Safe Oakland Streets (SOS):** OakDOT staff worked with OPD to produce SOS info cards for OPD officers to hand out to drivers as an educational tool when pulling people over for traffic violations that will be in use soon. Photo of the back and front below:

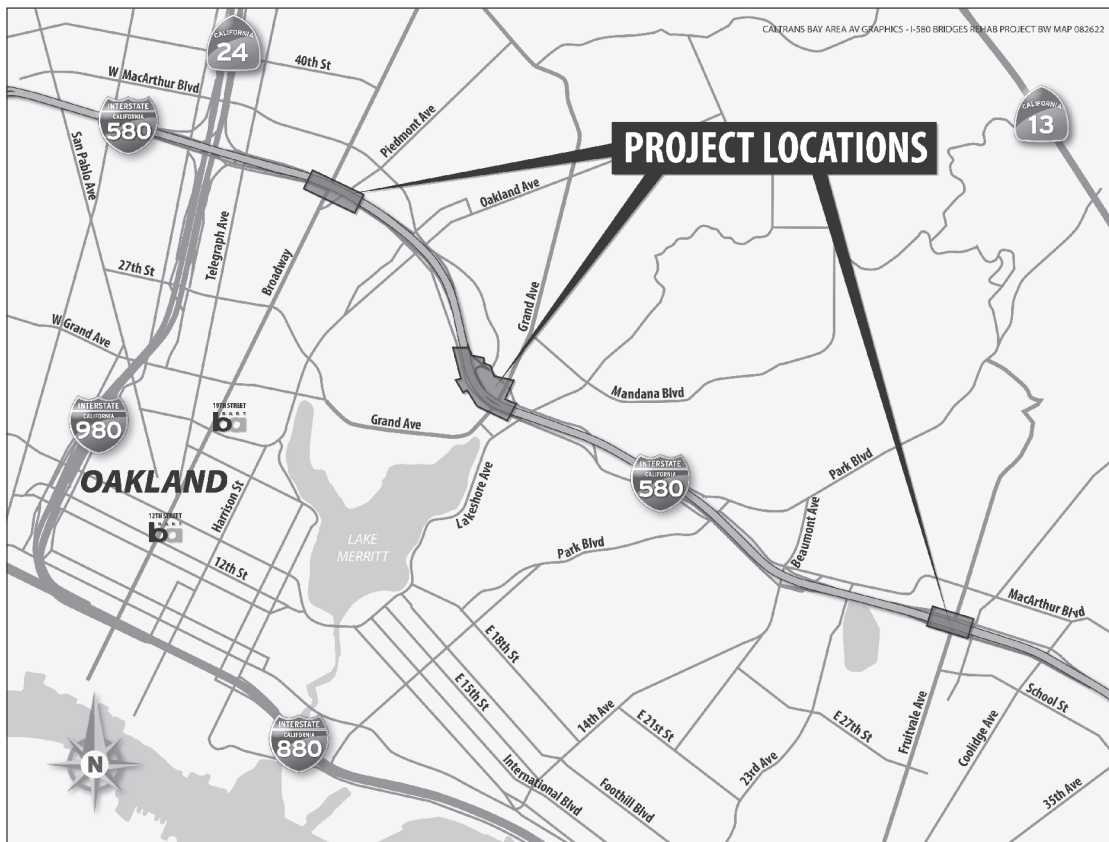

- **Rapid Response:**
 - Pedestrian fatality on Park Blvd near East 38th Ave—Park Blvd lane drops were installed in July 2021 near East 38th Ave. Striping of additional lane drops between Hollywood and Wellington avenues was completed in the week of August 15th with delineators to be added in upcoming weeks pending delivery of material shipment.

VIRTUAL PUBLIC MEETING

FOR THE DRAFT ENVIRONMENTAL DOCUMENT FOR THE I-580 BRIDGE REHABILITATION PROJECT IN OAKLAND

You are invited to attend a virtual public meeting for the **I-580 Bridge Rehabilitation Project** in Oakland via Webex on **Wednesday, September 21, 2022, from 6:00 pm to 7:30 pm**. The virtual public meeting link is: <https://bit.ly/0P900>.

Caltrans proposes the **I-580 Bridge Rehabilitation Project** to restore and preserve the structural integrity of three undercrossings and two pedestrian overcrossings while maintaining connectivity between communities in the City of Oakland. The Project is located along I-580 and proposes seismic retrofits and bridge barrier railing replacements at the Broadway-Richmond Boulevard and Fruitvale Avenue Undercrossings, bridge barrier railing replacements at the Webster Street Undercrossing, and demolition of the existing Van Buren Avenue and Santa Clara Avenue pedestrian overcrossings.

The Project proposes two alternatives: Alternative 1 includes work at the three undercrossings and construction of a new replacement pedestrian overcrossing over I-580 from Crescent Street to MacArthur Boulevard while Alternative 2 also includes work on the three undercrossings and surface street improvements like protected bicycle lanes, bus boarding islands, and pedestrian safe crossings along MacArthur Boulevard, Grand Avenue, and Santa Clara Avenue. Caltrans wants your opinion on the proposed alternatives to enhance access across I-580!

The Draft Environmental Document and more project information can be found on the project website at <https://dot.ca.gov/caltrans-near-me/district-4/d4-popular-links/d4-environmental-docs>. The DED is also available for review at the Caltrans District 4 Office (111 Grand Avenue, Public Information Office, Ground Floor, Oakland, CA 94612).

Comments are encouraged anytime during the public comment period between **September 5, 2022 and October 5, 2022**, and can be submitted the following ways:

- by mail to the address: **Caltrans District 4 CODY ERICKSEN - Office of Environmental Analysis**
P.O. Box 23660,
MS: 8B Oakland, CA 94623-0660
- via email to cody.ericksen@dot.ca.gov or
- by digital comment form, which can be navigated to using the project website:
• <https://dot.ca.gov/caltrans-near-me/district-4/d4-popular-links/d4-environmental-docs>.
- by phone to leave a voicemail: (510) 519-1336

Para solicitar una copia impresa del DED por correo y/o adaptaciones especiales para asistir a la reunión pública virtual o enviar comentarios sobre el DED, incluidos los servicios de traducción e interpretación, comuníquese con **Cody Ericksen** en cody.ericksen@dot.ca.gov.

Webinar ID:	2485 429 7735
Passcode:	caltransd4

MEETING DATE:
Wednesday, September 21, 2022, from 6:00 PM to 7:30 PM

City of Oakland Bicyclist and Pedestrian Advisory Commission Strategic Plan Goals for 2022

April 2022

Goal 1: Be strong advocates for bicycle and pedestrian safety and hold the city accountable.

Task	Task Description	Next Steps
1.1	Advocate for Safe Oakland Streets effort, including more quick fix/rapid response traffic calming and AB 43 implementation.	Receive staff presentation at BPAC meeting. Legislative Committee discuss other ways to pursue. Commissioner Gardner leading.
1.2	Support state and federal funding for pedestrian and bike projects and programs.	Request funding presentations at BPAC meetings and consider taking position of support.
1.3	Continue review of fatal and serious injury crashes involving cyclists and pedestrians at monthly meetings.	Keep as standing item with Chair Schader leading discussion.
1.4	Organize bike ride with BPAC commissioners, community members and police department to create trust and develop ongoing relationships.	Police Relations Committee organizing.
1.5	Convene meeting on racially-biased bicycle stops with the Oakland Police Department, Department of Race and Equity, BPAC policing subcommittee, and community partners per 2019 Bike Plan.	Police Relations Committee organizing.
1.6	Explore challenges of reckless and dangerous driver behavior.	Collaborate with other groups such as WOBO and Bike East Bay to develop responses and determine what active role BPAC can play.

Goal 2: Be a conduit for information on bicycle and pedestrian projects.

Task	Task Description	Next Steps
2.1	Invite project managers to present on projects post-construction to evaluate what worked and what did not.	Schedule review of projects at BPAC meetings.
2.2	Get status update on Bike Plan every six months. Support hiring of staff necessary to track Pedestrian Plan progress.	Request staff presentations in conjunction with the bi-annual We Bike Oakland newsletter, including the "By the Numbers" updates. Raise pedestrian staffing needs with DOT leadership and council.
2.3	Highlight subcommittee activities.	Request written reports from each committee monthly.
2.4	Get periodic updates on Major Development Project from Department of Planning and highlight the most bike/ped relevant projects for Infrastructure Committee to review and provide comments.	Schedule at BPAC meeting once per year.

Goal 3: Encourage equity driven investments and policies and advocate for the bicycle and pedestrian community.

Task	Task Description	Next Steps
3.1	Advocate for equity driven bike/ped priorities in the General Plan, Environmental Justice Element.	Commissioner Ralston to identify next steps.
3.2	Prioritize safety needs in East Oakland.	Schedule relevant items at BPAC meetings and advocate during planning discussions.
3.3	Use BPAC Blog, Open Forum and community meetings to create open communication between BPAC, community members and DOT.	Vice Chair Yee leads BPAC Blog. Open Forum facilitated by Open Forum Committee. All commissioners engage in other community outreach.
3.4	Advocate for community groups, including Neighborhood Councils, to be integrated into OakDOT program and community outreach work (in a paid capacity wherever possible).	Advocate in the context of presentations at BPAC meetings.

Goal 4: Build relationships with policymakers and provide feedback on pedestrian and bicycle policy.

Task	Task Description	Next Steps
4.1	Present BPAC Chair's Report to Public Works Committee.	2022 report schedule for 4/26/22. Use as an opportunity to raise priorities with council.
4.2	Establish ongoing coordination with Caltrans, MTC, Bay Area Regional Collaborative on bicycle and pedestrian investments and plans.	Commissioner Ralston to pursue next steps.
4.3	Meet with each Councilmember and their staff at least once per year to introduce BPAC and our goals.	Each commissioner expect to reach out to their councilmember.
4.4	Reach out to councilmembers concerning current bike/ped issue.	Each commissioner expect to reach out to their councilmember on hot topics needing their support.
4.5	Introduce BPAC to neighborhood councils	Each commissioner expected to reach out to one or more neighborhood councils/NCPCs in their areas to introduce the BPAC and support neighborhood efforts on bike/ped safety.
