WHEREAS, on March 4, 2020, Governor Gavin Newsom declared a state of emergency related to COVID-19, pursuant to Government Code Section 8625, and such declaration has not been lifted or rescinded. See <https://www.gov.ca.gov/wp-content/uploads/2020/03/3.4.20-Coronavirus-SOE-Proclamation.pdf>

WHEREAS, on March 9, 2020, the City Administrator in their capacity as the Director of the Emergency Operations Center (EOC), issued a proclamation of local emergency due to the spread of COVID-19 in Oakland, and on March 12, 2020, the City Council passed Resolution No. 88075 C.M.S. ratifying the proclamation of local emergency pursuant to Oakland Municipal Code (O.M.C.) section 8.50.050(C); and

WHEREAS, City Council Resolution No. 88075 remains in full force and effect to date; and

WHEREAS, the Centers for Disease Control (CDC) recommends physical distancing of at least six (6) feet whenever possible, avoiding crowds, and avoiding spaces that do not offer fresh air from the outdoors, particularly for people who are not fully vaccinated or who are at higher risk of getting very sick from COVID-19. See <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>;

WHEREAS, the CDC recommends that people who live with unvaccinated people avoid activities that make physical distancing hard. See <https://www.cdc.gov/coronavirus/2019-ncov/your-health/about-covid-19/caring-for-children/families.html>;

WHEREAS, the CDC recommends that older adults limit in-person interactions as much as possible, particularly when indoors. See <https://www.cdc.gov/aging/covid19/covid19-older-adults.html>;

WHEREAS, the CDC, the California Department of Public Health, and the Alameda County Public Health Department all recommend that people experiencing COVID-19

symptoms stay home. See <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>;

WHEREAS, persons without symptoms may be able to spread the COVID-19 virus. See <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>;

WHEREAS, fully vaccinated persons who become infected with the COVID-19 Delta variant can spread the virus to others. See <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html>;

WHEREAS, the City's public-meeting facilities are indoor facilities that do not designed to ensure circulation of fresh / outdoor air, particularly during periods of cold and/or rainy weather, and were not designed to ensure that attendees can remain six (6) feet apart; now therefore be it:

WHEREAS, holding in-person meetings would encourage community members to come to City facilities to participate in local government, and some of them would be at high risk of getting very sick from COVID-19 and/or would live with someone who is at high risk; and

WHEREAS, in-person meetings would tempt community members who are experiencing COVID-19 symptoms to leave their homes in order to come to City facilities and participate in local government; and

WHEREAS, attendees would use ride-share services and/or public transit to travel to in-person meetings, thereby putting them in close and prolonged contact with additional people outside of their households; now therefore be it:

RESOLVED: that the Community Policing Advisory Board finds and determines that the foregoing recitals are true and correct and hereby adopts and incorporates them into this Resolution; and be it

FURTHER RESOLVED: that, based on these determinations and consistent with federal, state and local health guidance, the Community Policing Advisory Board determines that conducting in-person meetings would pose imminent risks to the health of attendees; and be it

FURTHER RESOLVED: that the Community Policing Advisory Board firmly believes that the community's health and safety seriously and the community's right to participate in local government, are both critically important, and is committed to balancing the two by continuing to use teleconferencing to conduct public meetings, in accordance with California Government Code Section 54953(e), a provision of AB-361; and be it

FURTHER RESOLVED: that the Community Policing Advisory Board will renew these (or similar) findings at least every thirty (30) days in accordance with California Government Code section 54953(e) until the state of emergency related to COVID-19 has been lifted, or the Community Policing Advisory Board finds that in-person meetings no longer pose imminent risks to the health of attendees, whichever is occurs first.

Project: Little Saigon and surrounding area

CRO: Ofc S. Triana

Supervisor: Sgt E. Kim, Sgt. A. Manguy

Lieutenant: J. Thomason

Captain: M. Beaver

Background:

This project was created in June 2022 to address the alarming spike in crime in the area. Which included a homicide on 17 July 2022, in the 2000 block of 13th Ave and a homicide on 21 Augusts 2022, in the 1000 block of 5th Ave. The issues were identified as:

- The absence of officers in the area.
-
- Subjects driving into the area to commit violent crimes.

Services were provided in the following ways:

- Several press conferences were held by the Chief of police, council members, and community members in the area relaying to the community that OPD will be providing additional resources.
- Increase the staffing to the overtime assignment to provided additional high visibility patrolling in the area, seven day a week to cover the most active hours. With the focus on the below locations:
 - o 7th Ave and International
 - o 900 BLK of E12th St
 - o Clinton Park (655 International Blvd)
 - o 12th Ave and International Blvd
- An officer was appointed as the Little Saigon liaison officer (Ofc. Nguyen) for any additional needs or wants and better partnerships with the community.
- Intelligence-led investigative follow-up and enforcement. Let by CROs, along with the department's Violent Crime Operations Center officers, continued to identify suspects and develop operations to safely make arrests, identify suspect's through patrol and surveillance operations.

Updates:

On 23 Aug 22, CRO units were patrolling in the 1700 block of 13th Ave. They observed a older model Electric Blue Merc (Veh-1) that match a vehicle from a shooting, that had occurred on 18 Aug 22. A high-risk felony stop was conducted. The driver of the vehicle was placed in custody without incident. A search of Veh-1 yielded negative results.

CRO officers observed a Ford Explorer White (Veh-2) in color bearing parked near Veh-1. CRO officer observed a firearm in plain sight inside Veh-2. CRO officers conducted a PC search of Veh-2 which yielded the following:

- One (1) Black Rifle w/collapsible stock (Serial #AKA2318), One magazine w/unknown amount of 7.62mm ammo.

- One (1) Glock 26 loaded firearm with one in the chamber, 10 round magazine with unknown amount of ammunition inside.

- Four (x4) Semi-automatic firearms
- Approx. 15lbs. of suspected marijuana
- \$3000 US Currency
- 12 Gaming machines

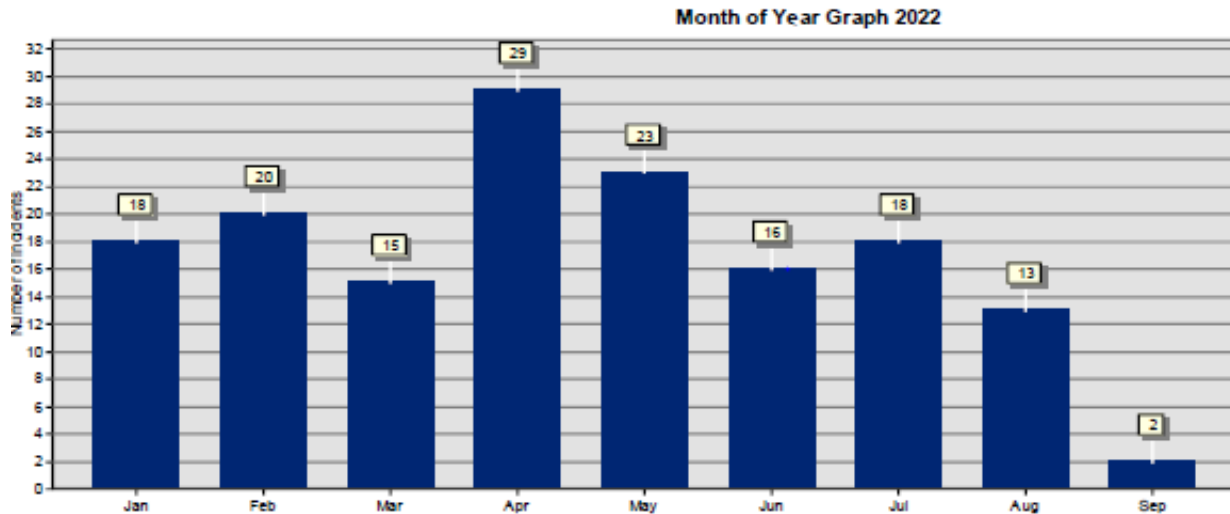

On 3 Sep 22, OPD officer, working Little Saigon overtime, was directed by a gas station employee to vehicle where an individual was sleeping. The officers observed a firearm next to the individual. The individual woke up and began to drive away. The officers conducted a high risk stop and the individual was taken into custody without incident. Officers recovered a loaded firearm. (RD# 22-040418)

- 4) Please provide data on the number of non-emergency 911 calls that were successfully diverted to community partners or alternative first responders.**

Diversion programs are not yet in place.

- 5) Please indicate areas in which the CPAB can support, and engage NCPCs and block level ambassadors in supporting, community policing strategies and initiatives.**

The relationship between NSPC's, and Little Saigon Community members has been outstanding in public safety assistance and educating the public. They have improved the way we communicate and collaborate with the community. We continue to have community meetings to answer any questions or ongoing concerns regarding public safety strategies moving forward. OPD (and the community) will only benefit further with more community engagement. If the CPAB has any insight on how to get more member of the community involved, OPD would be happy to partner with them. The safety of our community remains our number one focus.

- 6) Please feel free to share any other updates, areas of progress, concerns or complaints**

With continued challenges with staffing, BFO1 community resource unit has been significantly reduced to address issues brought forth by neighborhood committees. We ask our community members to be patient with us and we understand that all concerns are important, and we are doing our best to address your concerns.
