

#### **BUDGET MEMORANDUM**

**DATE:** June 11, 2021

TO: City Council and Members of the Public FROM: Council President Nikki Fortunato Bas

**SUBJECT**: Council President's Amendments to the FY 21-23 Budget

Dear City Council Colleagues and Members of the Public,

We are seeking to shift the budget - this cycle and onward - towards equity and addressing systemic disinvestment in vulnerable and marginalized communities. To this end, members of my Council President's budget team have been working to develop amendments to the Mayor's Fiscal Year 2021-2023 Budget that focus on the four priorities our Council developed over the past two months:

- 1. Affordable housing and homelessness solutions,
- 2. Public safety and violence prevention,
- 3. Good jobs and a vibrant economy, and
- 4. Clean, healthy, sustainable neighborhoods.

Please see the attached slides, which were shared during our June 7th Council retreat, for a preview of our budget priorities.

Even under the time constraints of this budget process, we had hoped to publish our amendments today. However, we must take more time to review critical information, which we have just received, and are still awaiting additional answers to our questions. The Administration's Errata, their adjustments to the proposed budget, was just published today, and the last informational memo was published vesterday.

Members of my Council President's budget team and I will be working over the weekend to finalize our amendments to the Mayor's proposed budget and will publish them on Monday, June 14th, our legal deadline, for our June 17th special Council meeting.

I look forward to our discussion and appreciate the work of our Finance Department in supporting our budget deliberations.

Respectfully Submitted,

Nikki Fortunato Bas

Council President, District 2
