

Board Commissioner

Lesley Latham is a pediatric dentist who graduated from Baylor College of Dentistry with awards for public health service. She worked as assistant clinical professor and fellow at The Ohio State University College of Dentistry, Nationwide Children's Hospital. Dr. Latham completed UCSF's pediatric dental residency, focusing on community outreach and Oral and Craniofacial Sciences. As Dental Director at Eastmont Wellness Center, she adapted the clinic for COVID-19 safety and provided emergency care during the pandemic. Originally from Texas, Dr. Latham holds a Biomedical Engineering degree from UT Austin and enjoys jigsaw puzzles, exploring California, and traveling with her Mom.
