*Distinguished  
Budget Presentation  
Award*

PRESENTED TO

**City of Oakland  
California**

For the Biennium Beginning

**July 1, 2013**

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Oakland for its biannual budget for the fiscal years 2013-14 and 2014-15.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan and as a communications device.

The award is valid for a period of one budget cycle only. We believe our current budget for fiscal years 2015-16 and 2016-17, continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

## **FISCAL YEAR 2015-17 ADOPTED POLICY BUDGET FOR THE CITY OF OAKLAND**

Honorable Mayor Schaaf, City Council and Residents of Oakland:

On behalf of the entire City Administration, I am transmitting the City of Oakland's Adopted Policy Budget for the period of July 1, 2015 through June 30, 2017.

This biennial budget demonstrates a strong, long-term commitment to growing responsibly and takes additional steps to address the City's long-term financial obligations. This budget takes advantage of a growing economy by making responsible and strategic investments, while restoring City services to levels that residents need and can afford.

This budget is a collaboration and comprehensive in its focus of allocating resources based on the priorities of the residents' needs. As a result, it focuses on investments to grow the permanent revenue base of the City through improving public safety and fostering economic development. The key priorities for Oaklanders across all demographic groups are improving public safety, investment in job training and housing, maintaining City infrastructure and roads, and preserving programs serving our youth, elders, and vulnerable populations. This budget preserves and expands services, while making substantial investments in public safety, the top priority of Oaklanders.

As in the previous biennial budget documents, this FY 2015-17 Adopted Policy Budget reflects the budget as it was adopted by the City Council on June 30, 2015. It does not capture changes made after budget adoption, including the approval of labor agreements. Funds were set aside in the Non Departmental budget for labor costs and future budget reports will provide information about how labor costs were spread throughout departments, as well as the impacts of other budget decisions subsequent to the adoption of this Budget.

## **BUDGET SUMMARY**

---

The FY 2015-17 Adopted Budget contains a two-year appropriation of approximately \$2.4 billion, with approximately \$1.2 billion in each fiscal year, across all funding sources. The General Purpose Fund (GPF) accounts for a little over 40 percent of the City's total budget at \$524.7 million in FY 2015-16 and \$519.9 million in FY 2016-17. The GPF appropriation in FY 2015-16 is higher than the next fiscal year due to use of one-time funds identified from savings

or fund balance to accelerate the repayment of negative fund balances in various other funds. The GPF appropriation includes \$33.4 million in one-time funds earmarked for one-time expenditures over the two years, thereby eliminating the reliance on one-time sources of revenue for ongoing expenses. Funds comprising the remainder of the City's budget are restricted for special purposes, such as grant programs, sewer services, bond-funded projects, capital projects, and debt payments.

Category	FY 2015-16	FY 2016-17
Unrestricted General Purpose Fund	\$534,378,786	\$530,689,270
Restricted Special Funds	\$668,581,423	\$651,448,411
<b>TOTAL - All Funds</b>	<b>\$1,202,960,209</b>	<b>\$1,182,137,681</b>
Full-Time Equivalent Positions (FTEs) – GPF	2,285 FTEs	2,285 FTEs
Full-Time Equivalent Positions (FTEs) – All Funds	4,127 FTEs	4,113 FTEs

**BUDGET BALANCING PRINCIPLES**

---

Budgeting Principles underlying the development of the FY 2015-17 Proposed Policy Budget include:

Principle 1: *Appropriate use of one-time funds to free-up on-going funding for City's core priorities.*

Principle 2: *No reduction in service or staffing levels.*

Principle 3: *Maximize cost recovery through service charges and revenue collection (must adhere to Proposition 26) to grow the permanent revenue base.*

Principle 4: *Reduce expenditures by delivering services more efficiently and effectively.*

Principle 5: *Strategically address long-term unfunded obligations including negative fund balances.*

Principle 6: *Align services to appropriate funding sources.*

Principle 7: *Help strengthen the City's position in the financial and capital markets.*

**BUDGET BALANCING MEASURES**

---

Using the above guiding principles, the City was able to close the funding gap identified in the GPF, meet obligations, and make some new strategic investments by finding both expenditure savings and revenue enhancements.

<b>Net FY 2015-17 surplus/(deficit)</b>	<b>\$0.00</b>		<b>\$0.00</b>	

Some significant contributors to closing the gap included (two-year totals):

- Using one-time funds through financing, rather than ongoing funds for IT license renewal (\$6.5 million) and paying down Other Post-Employment Benefits (OPEB) unfunded liability with contribution to the OPEB trust fund (\$14.9 million);
- Revising fees and improved revenue collections including landlord audits, fire code inspections, special enforcement and various other fees (\$15 million);
- Utilizing projected available fund balance from FY 2014-15 (\$19 million);
- Using of Deferred Pension Credits (\$9.7 million);
- Transferring previous GPF costs to eligible non-GPF funds (\$8.4 million);
- Freezing or eliminating vacant positions (\$8.2 million);
- Selling property (\$4.4 million);
- Paying down three negative fund balances (approximately \$7 million);
- Decreasing workers compensation rate for sworn (\$3 million);
- Using reduced interest rates to refinance debt (\$3 million);
- Reducing unemployment premiums (\$2.5 million);

A total of \$45.6 million was identified in one-time funds for one-time uses, primarily from Deferred Pension Credits (\$9.7 million); planned sale of property (\$4.4 million); projected available fund balance from FY 2014-15 (\$19 million); transfers from other funds (\$7.3 million); reimbursement from the state for historical mandated services (\$3.2 million); litigation payment (\$0.5 million); and delinquent revenue collections (\$1.6 million). The primary uses include one-time expenditures such as public safety (\$6.5 million); one-time set-asides for the City Council and community priorities (\$3.7 million); paying down long-term obligations (\$14.9 million); negative fund balances (\$7 million); internal services (\$3 million); providing subsidies for community services grants (\$5.4 million); adding personnel or Operations and Maintenance (O&M) for additional services (\$3.8 million); increasing Oakland-Alameda Coliseum operating

subsidy to pay debt service (\$3.2 million) required contribution to the emergency reserve and Vital Services Stabilization Fund (\$3.7 million) -- net of one-time savings including increased recoveries (\$4.2 million) and reduced unemployment contribution (\$2.5 million).

**Savings** identified over the two years include transferring costs to non-GPF to better align uses with the sources of funds (\$8.4 million); increasing recoveries to offset certain expenditures, PFRS prepayment discount (\$7.3 million); decreasing workers compensation rate for sworn (\$3 million); reducing ongoing internal service funds costs (\$10.6 million); unemployment premium (\$2.5 million); freezing or eliminating vacant positions to minimize the impact to service levels (\$8.2 million); and exchanging ongoing funds with one-time sources for IT internal service funds (\$13 million) and long-term obligations (\$14.9 million).

**On-going Revenues and Fund Balance** reflect continued improvements in local tax revenues and collections and other one-time sources, as included in the proposed budget. These include revenues from – one-time sources as described above (\$45.6 million); revised fees and collections (\$15 million) including landlord audits, fire code inspections, special enforcement and various other fees; and transfers from other unrestricted funds (\$5 million).

**Additions and Changes** reflect City service enhancements based on priorities of the residents. After addressing the shortfall, the remaining funds were utilized to add critical and desired services based on collaborative priorities of the City Council and residents resulting from extensive outreach and engagement process by the Mayor, City Council, and the Administration. Significant additions over the next two years include funds for compensation increases and conversion of exempt part-time employees to full-time (\$24.5 million); public safety (\$8.7 million); and one-time appropriations as described above.

## **MAYOR AND COUNCIL PRIORITIES**

---

The FY 2015-17 Adopted Policy Budget was built on the priorities set forth by the Mayor and the City Council:

- **A Safe City:** that invests in Holistic Community Safety strategies.
  - **A Vibrant City:** that makes strategic investments in infrastructure, public works, and the arts to protect and enhance the quality of life for all neighborhoods.
  - **A Just City:** that promotes equitable jobs and housing that protects and nurtures a diverse and inclusive community that cares for its youth, elderly, families, and the vulnerable.
  - **A Prosperous City:** that values workers and fosters a diverse economy that creates equitable economic growth, jobs, and housing.
  - **Trustworthy Government:** that provides quality municipal services, efficiency, transparency, and accountability, as well as respects municipal employees.
-

## **BUDGET HIGHLIGHTS**

---

The Fiscal Year (FY) 2015-2017 Adopted Policy Budget provides a framework through which the City's goals and objectives are achieved in line with the Mayor and Council priorities, including the following:

### **A Safe City**

Expand OPD's ability to investigate crimes, including robberies and child trafficking, and improve responsiveness to calls for service. Funding to complete five (5) police academies over the next two years (three (3) in the first FY and two in the second) will bring the sworn staffing level within the Oakland Police Department (OPD) from the current budgeted staff level of 722 to 762 (by the end of FY 2016-17) by adding 35 officers and 5 sergeants. Sworn OPD officers are budgeted with no assumed vacancy rate and funding is provided year round with no assumed savings from attrition.

Expand the City's Ceasefire Violence Prevention Strategy using Measure Z restricted funds, including the addition of six (6) case managers (City and contract employees) bringing the total number of case managers to ten (10).

Enhance OPD's ability to analyze, predict, and address trends in crime, which will inform the Department's strategic and tactical approach to combating crime by allocating resources to purchase, update, and maintain Crime Trend Analysis Software.

Implement a "Pipeline Pilot Program" to support 40 OPD Cadets who have graduated from Oakland public schools, to provide a path for residents to serve as sworn officers and in OPD civilian positions.

Reduce gun violence and illegal gun dealing with additional resources provided for special investigations.

Provide one-time funding for additional Crossing Guards at schools with most significant pedestrian safety and traffic safety problems.

Increase engagement in the community policing organizations with one-time funding for outreach and events in each police beat.

Enhance violence prevention efforts for the implementation of recommendations in the Comprehensive Public Safety Plan with additional one-time funds. Potential strategies include Ceasefire and support for City-County Re-Entry employment services.

Strengthen community development and health and safety by implementing the R2 inspection pilot program to provide proactive and comprehensive fire, health and safety inspections for Oakland residents.

Boost fire prevention inspection services and mitigation efforts, and create a vegetation management plan with one-time funding.

Provide security services and safety equipment at recreation centers to increase the safety of

children and adults participating in OPR programs using one-time funds. The security staff is intended to improve safety for employees, parents and participants, as well as a deterrent to criminal activity.

### **A Vibrant City**

Reorganize existing staff and resources from several departments to create a new full-service, vertically integrated Department of Transportation, which will bring projects to completion, and work with the community to improve pedestrian safety, conditions for transit riders, access for disabled people and safety for bicyclists and drivers.

Invest over \$72 million in infrastructure repairs and improvements: \$36 million for sewer rehabilitation, \$25.5 million for streets and sidewalks, \$8.6 million for traffic improvements and \$2 million on buildings and facilities upgrades. Pave 117 city blocks annually using available transportation funding, and increase the repaving and repair of streets and sidewalks.

Augment the City's ability to repair deteriorating streets and fill potholes by adding a pothole/seam sealing crew and other personnel resources.

Create a revolving fund program for the repair of sidewalks, for which the adjacent property owner is responsible.

Dedicate funding for Lake Merritt Park maintenance to preserve this improved public space.

Create a new recreation center model through the establishment of magnet and mega centers at existing Oakland Parks & Recreation (OPR) sites. The new model will allow parents to enroll their children in specific high quality programs, allow for enhanced development of programs, and increase public participation across all program areas.

Prepare a park prioritization study and the development of conceptual plans that will increase OPR's ability to receive grants and in-kind services for needed repairs and upgrades to neighborhood playgrounds and community parks utilizing one-time funds.

Provide grants to the Oakland Parks & Recreation Foundation for capacity building and increased fundraising capabilities and to the Feather River Camp with one-time funds.

Fund City initiatives to conserve water during the persistent California drought using one-time funds.

Establish an anti-graffiti pilot program in Council Districts 2 and 3 to create a "ceasefire-type" focus on high impact corridors to eliminate blight and prevent future graffiti from repeat offenders.

Maintain attorney positions in the Neighborhood Law Corps program and add two (2) positions for legal support of tenant protection/anti-displacement efforts and code enforcement activities.

## **A Just City**

Set aside 25 percent of the City's share of the residual Redevelopment Property Tax Trust Fund (former tax increment) on an ongoing basis for affordable housing development beginning in FY 2015-16, to fund affordable housing projects through the annual Notice of Funds Available. Additionally, 25 percent from the 12th Street remainder land sale proceeds will be set aside for affordable housing development in FY 2015-16.

Support the Kiva Zip small business program for direct program support through vendor loans and to establish a revolving/matching loan fund.

Continue services through the City's Day Laborer Program using one-time funds.

Support Workforce Investment Board service providers, and augment employee training and placement services with additional one-time funds.

Purchase and provide operating funds for the Dream Catcher facility for transitional housing services that supports homeless and sexually exploited youth.

Enhance library service hours effective July 2016 for branches that serve the greatest number of youth from under-served and disadvantaged communities and are geographically dispersed throughout the City.

Provide funding for the design and implementation of a K-to-College savings program for every Oakland public school kindergartner enrolled in Oakland Public Schools in partnership with the Oakland Unified School District starting FY 2016-17.

Support the recommendations of the Oakland Permanent Access To Housing (PATH) strategy, which is a roadmap for ending homelessness in the City over the next fifteen years.

Provide one-time funding for legal services and support to child asylum seekers.

Support for the City-County Neighborhood Initiative (CCNI), which is focused on improving public health and safety in impoverished neighborhoods utilizing one-time funds.

Enhance teachers' skills and tools as part of a collaborative effort with philanthropic partners to increase the availability of Head Start service to Oakland youth and improve education outcomes with one-time funding for training.

Assist in the establishment of a direct-pay program for formerly incarcerated persons on probation or parole in partnership with the County by providing one-time matching funds.

Provide personnel and O&M resources to establish the Department of Race & Equity. The role of this department is to assist the City in the application of equity and social justice practices and integrate them into the City's strategic, operational and business plans; management and reporting systems for accountability and performance; and budgets in order to eliminate inequities and create opportunities for all people and communities.

### **A Prosperous City**

Improve support for code enforcement activities to improve the health, cleanliness, and livability of Oakland neighborhoods with the restoration of inspectors and administrative support positions.

Increase staffing support for new construction permit inspections and meet the higher demand and workload for building application review and processing.

Restore support for large complex planning projects, and the historic preservation unit in order to meet statutory requirements and to achieve the City's economic development goals.

Provide essential training and operations management for all staff reviewing building permits and inspecting construction projects.

Rebuild the administrative, fiscal and planning capacity of Planning and Building, which will assist with coordination of development projects through the process to its completion.

Contribute \$16 million in funds to the repayment of long-term liabilities of Other Post-Employment Benefits (OPEB). These contributions will reduced the City's Unfunded Actuarial Accrued Liabilities and improve its financial position.

Restore support for real estate services and asset management with the addition of one (1) Real Estate Agent.

### **Trustworthy Government**

Add one-time funding for community engagement services related to future budget priorities and the development of potential ballot measures to improve fire safety, public health, and City infrastructure.

Support employee training and development to improve the efficiency and effectiveness of City staff and enhance employee morale using one-time funds.

Provide one-time funds for Contracts & Compliance to support and assess the workload associated with the enforcement and compliance of the 2014 voter-approved local minimum wage law provisions (Measure FF).

Provide consistent, independent management, as well as aid with sustaining improvements to policing made under the Negotiated Settlement Agreement (NSA) by adding a civilian director of OPD Internal Affairs, and two (2) Internal Auditor positions.

Improve police accountability and facilitate access to residents by providing the Citizen's Police Review Board with three (3) additional intake technicians.

Add one-time funding to assist the Equal Opportunity Program with investigation of complaints and increase City staff training.

Restore prior year cuts to Council Offices to improve constituency services and analysis of legislation.

Use one-time resources to support enhanced audit services for the Office of the City Auditor.

## **Challenges and Improvements**

While the City is making progress to meet its financial obligations, there continue to be major challenges that impact City finances and create structural imbalance. During this budget development, it has become clear that the City needs to consider ongoing strategies to address these long-term challenges before they become unmanageable in the future.

- **Growing medical and pension costs**, As of July 1, 2014, total unfunded liability is close to \$1.8 billion for CalPERS, OPEB and PFRS for both active employees and retirees, which reduces funding for other priorities. This budget proposes to appropriate approximately \$16 million to fund OPEB in addition to the pay-as-you-go amount over the next two years; however, it still falls short by \$19 million of the Actuarially Required Contribution (“ARC”). The City must find an ongoing funding solution to meet our ARC payments, so future required contributions do not paralyze the City’s operations. The City is committed to developing this plan before Oakland’s next budget cycle.
- The City has numerous **unfunded capital needs** along with **deferred maintenance** of infrastructure, buildings and technology exceeding \$2 billion. The budget includes funding for conducting a professional poll for a potential bond measure to secure a funding stream in the next general election.
- For financial sustainability, the City needs to **plan for future economic uncertainties**. The City’s new Rainy Day Policy takes effect this budget cycle, therefore \$1.4 million is added to the newly established Vital Services Stabilization Fund based on the excess Real Estate Transfer Tax (RETT) formula. The City needs to further increase the reserve to mitigate the impact on services and staffing in future years when economic growth slows.
- **Subsidy for key programs** should be viewed as an on-going commitment. The proposed budget includes a two-year subsidy for Head Start and other grant programs using one-time funds, which will require seeking ongoing funding at the next biennial budget cycle development from the GPF or an increase in grant funding. Otherwise, the program scope would need to be adjusted down.

**Conclusion**

The FY 2015-17 Adopted Policy Budget reflects the Mayor and City Council priorities that invest in holistic community safety, sustainable vibrant infrastructure, trustworthy government and equitable jobs and housing. In addition, this budget demonstrates a collaborative effort between staff, the Mayor and Councilmembers to continue putting Oakland on track for long-term financial sustainability. With operating efficiencies and sustained economic growth, the City of Oakland continues to advance its mission to provide quality services for its residents.

This budget document is the outcome of a team effort by City staff. I commend their hard work and diligent efforts.

Respectfully submitted,

Sabrina B. Landreth  
City Administrator

# MAYOR & COUNCIL PRIORITIES

**FY 2015-17**

## **CITY OF OAKLAND PRIORITIES**

### **PROCESS**

As part of the biennial budget development process, the Mayor and City Council establish priorities based on the concerns and needs of the residents of Oakland. In compliance with the City's policies on Budget Process, Fiscal Planning, Transparency, and Public Participation, the City conducted an extensive priority setting process for FY 2015-17 budget development that included feedback from:

- Strategic planning sessions conducted by a professional facilitator;
- Both Citywide and District Specific Community Forums;
- Council Budget Workshops;
- Meetings with Community Groups, City Staff, and Other Stakeholder Groups; and
- The results of a professional poll/survey with questions developed in conjunction with the City's Budget Advisory Committee.

Residents were also encouraged to provide feedback through electronic forms of communication and the members of the City Council were encouraged to develop their own expenditure priorities.

### **PRIORITIES**

All City activities are structured to support these priorities; and the City's FY 2015-17 Budget provides the framework through which the City's goals and objectives are achieved.

- **A Safe City:** that invests in Holistic Community Safety strategies.
- **A Vibrant City:** that makes strategic investments in infrastructure, public works and the arts to protect and enhance the quality of life for all neighborhoods.
- **A Just City:** that promotes equitable jobs and housing that protects and nurtures a diverse and inclusive community that cares for its youth, elderly, families, and the vulnerable.
- **A Prosperous City:** that values workers and fosters a diverse economy that creates equitable economic growth, jobs, and housing.
- **Trustworthy Government:** that provides quality municipal services, efficiency, transparency, and accountability, as well as respects municipal employees.

## **NOTES**

## SERVICE IMPACTS

*This section summarizes the anticipated service changes as a result of allocations and priorities set in the Fiscal Year (FY) 2015-2017 Adopted Policy Budget.*

### Police Services

- Expand OPD's ability to investigate crimes, including robberies and child trafficking, and improve responsiveness to calls for service. Funding to complete five (5) police academies over the next two years (three (3) in the first FY and two in the second), will bring the sworn staffing level within the Oakland Police Department (OPD) from the current budgeted staff level of 722 to 762 (by the end of FY 2016-17) by adding 35 officers and 5 sergeants. Sworn OPD officers are budgeted with no assumed vacancy rate and funding is provided year round with no assumed savings from attrition.
- Aid with sustaining improvements to policing made under the Negotiated Settlement Agreement (NSA) by adding two (2) Auditors to OPD Office of Inspector General.
- Provide consistent, independent management, as well as aid with sustaining improvements to policing made under the Negotiated Settlement Agreement (NSA), by adding a civilian director of Internal Affairs.
- Enhance OPD's ability to analyze, predict, and address trends in crime, which will inform the Department's strategic and tactical approach to combating crime by allocating resources to purchase, update, and maintain Crime Trend Analysis Software.
- Improve OPD's capacity to investigate, analyze, respond to, and ultimately solve crimes by adding two (2) crime analysts and two (2) police evidence technicians.
- Implement a "Pipeline Pilot Program" to support 40 OPD Cadets who have graduated from Oakland public schools, to provide a path for residents to serve as sworn officers and in OPD civilian positions.
- Reduce gun violence & illegal gun dealing with additional resources provided for special investigations.
- Provide one-time funding for additional Crossing Guards at schools with most significant pedestrian safety and traffic safety problems.
- Improve police accountability and facilitate access to residents by providing the Citizen's Police Review Board with three (3) additional intake technicians.
- Increase engagement in the community policing organizations with one-time funding for outreach and events in each police beat.
- Enhance violence prevention efforts for the implementation of recommendations in the Comprehensive Public Safety Plan with additional one-time funds. Potential strategies include Ceasefire and support for City-County Re-Entry employment services.

### Fire & Emergency Services

- Strengthen community development and health and safety by implementing the R2 inspection pilot program to provide proactive and comprehensive fire, health and safety inspections for Oakland residents.
- Expedite Fire Plan Check Requests to facilitate economic development by adding one (1) Fire Protection Engineer.
- Support regional risk and management planning activities by adding an Emergency Planning Coordination position with duties including: updating and maintaining the Emergency Operations Plan; identifying gaps in incident specific plans/annexes; and conducting emergency operations training/exercises.
- Boost fire prevention inspection services and mitigation efforts, and create a vegetation management plan with one-time funding.

## Library Services

- Enhance library service hours effective July 2016 for branches that serve the greatest number of youth from under-served and disadvantaged communities and are geographically dispersed throughout the city.

## Human Services & Education

- Expand the City's Ceasefire Violence Prevention Strategy using Measure Z restricted funds, including the addition of six (6) case managers bringing the total number of case managers to ten (10).
- Purchase and provide operating funds for the Dream Catcher facility for transitional housing services that supports homeless and sexually exploited youth.
- Design and implementation of a K to College savings program for every Oakland public school kindergartner enrolled in Oakland Public Schools in partnership with the Oakland Unified School District starting FY 2016-17. Ensure every Oakland kindergartner is given a 529 Savings Account established in their name, with an initial deposit of at least \$50.
- Enhance teachers' skills and tools as part of a collaborative effort with philanthropic partners to increase the availability of Head Start service to Oakland youth and improve education outcomes with one-time funding for training.
- Add two (2) social workers starting in October 2015 to work with students in the Oakland Unified School District (OUSD) to reduce the likelihood of delinquencies; and interrupt the school-to-prison pipeline.
- Assist in the establishment of a direct-pay program for formerly incarcerated persons on probation or parole in partnership with the County by providing one-time matching funds.
- Support the recommendations of the Oakland Permanent Access To Housing (PATH) strategy, which is a roadmap for ending homelessness in the City over the next fifteen years.
- Provide one-time funding for legal services and support to child asylum seekers.
- Support for the City-County Neighborhood Initiative (CCNI), which is focused on improving public health and safety in impoverished neighborhoods utilizing one-time funds.

## Parks & Recreation Services

- Create a new recreation center model through the establishment of magnet and mega centers at existing Oakland Parks & Recreation (OPR) sites. The model will align recreation centers to specialize in one or more key program areas such as dance, arts, sports, cultural arts, or programs for Pre-K children. The new model will allow parents to enroll their children in specific high quality programs, allow for enhanced development of programs, and increase public participation across all program areas. Mega and magnet sites include partnerships with the Oakland Unified School District (OUSD) for middle school programs, and the Chabot Space and Science Center for weekly programs to enhance the "Science in the Hood" Magnet curriculum offered through Striving to Redirect Individuals in a Difficult Environment (STRIDE).
- Provide security services and safety equipment at recreation centers to increase the safety of children and adults participating in OPR programs using one-time funds. The security staff is intended to improve safety for employees, parents and participants, as well as a deterrent to criminal activity.
- Enhance OPR's Ace Kids Golf program through the addition of a golf specialist position thereby enabling the department to continue services with Camp Sweeney, OUSD, and recreation centers citywide. The focus of the program is to keep at-risk youth off the streets and help them develop good character through understanding every aspect of golf from maintaining the course to playing the game.
- Offer camp grants for low income youth to participate in OPR programs and additional outreach to youth who may not have participated in OPR camps or programs due to lack of resources using one-time funds.
- Provide grants to the Oakland Parks & Recreation Foundation for capacity building and increased fundraising capabilities and to the Feather River Camp with one-time funds.

- Prepare a park prioritization study and the development of conceptual plans that will increase OPR's ability to receive grants and in-kind services for needed repairs & upgrades to neighborhood playgrounds & community parks utilizing one-time funds.
- Dedicate funding for Lake Merritt Park maintenance to preserve this new public space.
- To streamline operations and coordination, transfer ball field maintenance to Oakland Public Works (OPW) from Oakland Parks & Recreation.

### Animal Services

- Provide critical support to the Animal Shelter as planned during the decision to reorganize this program within the City Administrator's Office. During FY 2014-15 and incorporated into this budget, the position composition for Oakland Animal Services is further refined by converting two (2) positions to appropriate administrative classifications to support the unit outside of the Police Department. Additionally, one (1) Animal Control Officer is upgraded to a Supervisor and seven (7) part-time Animal Control Attendants are converted to full-time positions. The budget also provides ongoing funds to improve animal shelter staffing, particularly in the area of customer service and increased hours of operation.

### Housing Services

- Continue the operation of the Housing Assistance Center (initiated using one-time grant funds) by adding two (2) Home Management Counselor positions. The Center provides housing support and referral services to thousands of Oakland residents.
- Increase support for the Rent Adjustment Program (RAP) by adding three (3) positions for the duration of the two-year budget (limited duration). This will address the recent increase in Oakland landlords and renters seeking assistance, filing petitions and the resulting hearings.
- Beginning in FY 2015-16, 25 percent (25%) of the City's share of the residual Redevelopment Property Tax Trust Fund (former tax increment) is set aside for affordable housing development. This will fund \$3.5 million and \$4.2 million of affordable housing projects through the annual Notice of Funds Available (NOFA) over the next two years.
- Set-aside 25 percent (25%) of the 12<sup>th</sup> Street remainder land sale proceeds for affordable housing development.

### Economic & Workforce Development

- Transfer one (1) manager position from Workforce Development to the International Boulevard Transit-Oriented Development (TOD) grant program and funding. The loss to Workforce will result in eligible work being shifted to lower and higher level positions – further reducing the capacity of remaining staff. The position will instead support the International Boulevard Corridor project through business incubation and growth, job creation and increased job opportunities for East Oakland residents by partnering with various local organizations and businesses.
- As a result of the Workforce reductions above, the position added during FY 2014-15 midcycle for a year-around internship program will be restructured to meet Workforce Investment Act (WIA) requirements and the mandates associated with transitioning to the Workforce Innovations & Opportunities Act (WIOA).
- Continue special projects support related to catalyst development projects, such as reconstituting the Kaiser Convention Center and the Brooklyn Basin development project, and completion of an Economic Development strategy with the addition of one (1) Project Manager.
- Restore support for the Cultural Funding grants program, which will help dozens of artists through the application, grant agreement and distribution process with the addition of a part-time (permanent) position.
- Restore support for real estate services and asset management with the addition of one (1) Real Estate Agent.
- Support the Kiva Zip small business microloan program with direct program support and to establish a

# SERVICE IMPACTS

---

revolving/matching loan fund utilizing one-time funds. Kiva Zip is currently raising \$1 million in grants and \$1.2 million in loan commitments to support small Oakland businesses. This expansion to Kiva City in January 2016 will focus on supporting at least 10 small businesses in each Council District in securing a zero interest \$5,000 loan.

- Continue services through the City's Day Laborer Program using one-time funds.
- Support Workforce Investment Board service providers, and augment employee training and placement services with additional one-time funds.

## Planning & Building

- Improve support for code enforcement activities to improve the health, cleanliness, and livability of Oakland neighborhoods with the restoration of inspectors and administrative support positions.
- Increase staffing support for new construction permit inspections.
- To fulfill the demand and workload for building application review and processing, three (3) Process Coordinators are restored to help with the coordination of development projects through the process to its completion.
- Restore support for Major Projects, which are the largest and most complex planning projects, such as MacArthur Village. Two (2) additional positions will be used to process major projects development permit applications in order to meet statutory requirements and to achieve the City's economic development goals.
- Reestablish support for the Historic Preservation unit in order to meet statutory requirements related to historic preservation, especially in support of the Landmarks Preservation Advisory Board (LPAB) by adding one (1) Planner III.
- Provide essential training and operations management for all staff reviewing building permits and inspecting construction projects by adding one (1) Building Manager.
- Rebuild the administrative and fiscal capacity of Planning and Building, which will assist with inspector scheduling, billing, and revenue collection and addressing the backlog in records management with the addition of seven (7) positions.

## Public Works & Transportation

- Reorganize existing staff and resources from several departments to create a new full-service, vertically integrated Department of Transportation, which will bring projects to completion, and work with the community to improve pedestrian safety, conditions for transit riders, access for disabled people and safety for bicyclists and drivers.
- Resource efforts to ensure Oakland gets its fair share of new transportation sales tax funding (Measure BB) with projects that are competitive, and expand the City's ability to deliver repaving and other capital projects, and seek grant funds to improve and expand affordable and sustainable transportation choices, including transit passes for Oakland's youth, as well as car, bike and on-demand ride-sharing.
- Leverage new and existing transportation funds to develop a project pipeline to build the transportation infrastructure needed to support community safety, housing and economic development.
- Invest over \$72 million in infrastructure repairs and improvements: \$36 million for sewer rehabilitation, \$25.5 million for streets and sidewalks, \$8.6 million for traffic improvements and \$2 million on buildings and facilities upgrades. Pave 117 city blocks annually using available transportation funding. Increase the repaving and repair of streets and sidewalks.
- Augment the City's ability to repair deteriorating streets and fill potholes by adding a pothole/seam sealing crew and other personnel resources.
- Create a revolving fund program for the repair of sidewalks for which the adjacent property owner is responsible.

- Improve customer service and City response time to resident requests by adding one (1) Public Service Representative to the OPW call center.
- Establish a pilot program in Council Districts 2 and 3 to create a "ceasefire-type" focus on high impact corridors to eliminate blight and identify/arrest repeat offenders.

### **Finance, Administration, and General Government**

- Support employee training and development to improve the efficiency and effectiveness of City staff and enhance employee morale using one-time funds.
- Ensure a smooth transition of the City's public safety radio system to the multi-agency East Bay Regional Communications System Authority (EBRCSA) with additional one-time funding.
- Establish an internal service fund for Information Technology (IT) to pay debt service for software licenses and registration, and other major IT project costs. Debt will be issued to provide one-time funding for this critical capital and operational requirement. The software licenses include the office, financial, and customer service applications that support the operations of departments citywide.
- Add contracted support services utilizing one-time funds to Human Resources to aid in recruitment efforts during peak recruitment & testing periods. This will facilitate continued attention to high priority recruitment efforts such as those for police officers and civilian police personnel.
- Aid in the proper implementation of the City's new Zero-Waste contract provisions related to enforcement of public health and safety standards by adding two (2) positions.
- Restore prior year cuts to Council Offices to improve constituency services and analysis of legislation.
- One-time resources are added to support enhanced audit services from the Office of the City Auditor.
- Enable increased collection of delinquent revenues by funding four (4) positions to the Revenue Management Bureau.
- Expand capacity in the City Attorney's Office to enhance advice and support to City economic development and planning initiatives, and aid the resolution of tasks associated with the Negotiated Settlement Agreement. Additionally, the Rent Adjustment Program continues funding for two (2) additional City Attorney positions utilizing one-time funds to support the increased workload for that program.
- Maintain attorney positions in the Neighborhood Law Corps program and add two (2) positions for legal support of tenant protection/anti-displacement efforts and code enforcement activities.
- Funding for community engagement services related to future budget priorities and the development of potential ballot measures to improve fire safety, public health, and City infrastructure is added using one-time funds.
- Assist the Equal Opportunity Program with investigation of complaints and increase City staff training with additional one-time funding.
- Provide one-time funds for Contracts & Compliance to support and assess the workload associated with the enforcement and compliance of the 2014 voter-approved local minimum wage law provisions (Measure FF).

### **City-Wide**

- Contribute \$16 million in funds to the repayment of long-term liabilities of Other Post-Employment Benefits (OPEB). These contributions will reduced the City's Unfunded Actuarial Accrued Liabilities and improve its financial position.
- Ongoing contribution of \$0.67 million annually for OPEB and \$1.39 million annually for CalPERS pension liabilities from the Recognized Obligation Payment Schedule (ROPS) for liabilities related to the Oakland Redevelopment Successor Agency (ORSA).
- Per the Rainy Day Policy, 25 percent of the calculated excess Real Estate Transfer Tax, or \$1.35 million, is set aside in the Vital Services Stabilization Fund (VSSF), which will result in a total of \$3.37 million set aside in the VSSF to date.

## SERVICE IMPACTS

---

- Use one-time funds to pay down negative fund balances to improve the City's financial health, and to preserve ongoing funds for key City services. This includes \$4 million for accelerated repayment of the negative balance in the Facilities Fund (4400) and the complete repayment of the negative balances in the Contract Administration Fund (1791) and the Henry J Kaiser Convention Center Fund (1730).
- Provide personnel and O&M resources to establish the Department of Race & Equity. The role of this department is to assist the City in the application of equity and social justice practices and integrate them into the City's strategic, operational and business plans; management and reporting systems for accountability and performance; and budgets in order to eliminate inequities and create opportunities for all people and communities.
- Fund City initiatives to conserve water during the persistent California drought using one-time funds.
- Provide funding for website content writers and editors to ensure information is clear and user-friendly, web designers to improve navigation and consistency across departments, open source programming, and continual testing.

## BUDGET OVERVIEW

At its core, a local government budget is an approved revenue and spending plan that authorizes a municipality to use public dollars to provide services. Local governments use their budgets for a variety of additional purposes, including communication, planning, accountability, and evaluation.

The City of Oakland has a two fiscal-year (biennial) budget cycle. For the City of Oakland, the fiscal year begins on July 1 and ends on June 30. The current budget is being proposed for fiscal years (FY) 2015-16 and 2016-17. This same fiscal year calendar is used by the State of California, and most cities, counties, and school districts. The City policy of adopting a two-year budget is intended to improve the City's long-term planning, enhance funding stability, and to create greater efficiency in the budget development process. While the City's budget is adopted for a 24-month period, appropriations are divided into two one-year spending plans. During the second year of the two-year cycle, the Mayor and City Council conduct a midcycle budget review to address variances in estimated revenues, estimated expenditures, and other changes to the City's financial condition.

The City of Oakland's budget presents two principal types of data: projected revenues and planned expenditures. Expenditures can be divided by type (e.g. salaries, retirement contributions, debt service, supplies, capital projects, etc.), and by the department that spends them (e.g. Police, Fire, Library, Public Works, etc.). Revenues are monetary resources that the City anticipates will become available during the fiscal year. City revenues can be categorized by type (e.g. property tax, sales tax, permit fees, etc.). City revenues may also be divided into those that can be expended on general or restricted purposes. For instance, the City's Measure Q parcel tax revenues can only be used for libraries, whereas the City's business tax revenues can be used for all governmental purposes.

To ensure that restricted revenues are used only for appropriate expenditures, the City accounts for its financial resources in different "funds." For instance grants from the federal Department of Transportation for road construction are held in a different fund than are revenues from the City's Public Safety & Services Measure. The largest City fund is the General Purpose Fund, which can be used for all public purposes over which the City has jurisdiction. General Purpose Fund revenues are generally unrestricted and include most taxes. The budget document presents data related to the General Purpose Fund only and to "all funds" (including the General Purpose Fund).

In addition to the Proposed Policy Budget, the City also issues a Proposed Capital Improvement Program (CIP) for City Council consideration. Both documents are later finalized as the Adopted Policy Budget and Adopted Capital Improvement Program. The Policy Budget is the City's operating budget and includes the projected revenues and expenditures for the provision of most City operations and services. For instance, the operating budget includes revenues from general taxes and expenditure on police services, fire & emergency medical services, youth & recreation programs, library services, minor repairs, etc. The CIP, by contrast, presents planned expenditures on projects to improve discrete elements of the City's infrastructure, buildings, and environment as well as major purchases such as land, buildings and equipment. For instance, the CIP includes water quality projects around Lake Merritt, complete repaving of streets and roads, construction of sewer infrastructure, and construction or renovation of City buildings. The CIP is also summarized in the Policy Budget in accordance with best practices.

There are also other special budgets such as the Oakland Redevelopment Successor Agency, which is a separate legal entity of the City, responsible for the wind down and completion of the activities of the former Oakland Redevelopment Agency.

## THE BUDGET PROCESS

The budget process is the procedure through which the City formally develops, deliberates and adopts its budget. Through the budget the City Council approves revenue estimates and authorizes expenditures. A budget is a reflection of a city's priorities and policies. The budget process consists of several important stages: 1) Budget Development, 2) Budget Adoption, and 3) Budget Amendment. The City's Consolidated Fiscal Policy, Ordinance 13279 CMS provides the legal framework that guides the budget process.

### Budget Development

**Nov-Dec 2014:  
Baseline Budget  
Development**

In fall of 2014, the Controller's Bureau created a "baseline budget," which is a draft two-year budget that estimates revenues and expenditures if the City maintains its current staffing, programs, and policies. The baseline budget is the foundation upon which the proposed budget is developed. The Controller's Bureau worked in conjunction with departments to create the baseline budget, taking into account the latest economic projections and information on likely expenditure increases, such as fringe benefit rates for retirement and health care. The balance of expected revenues and expenditures in the baseline budget is what helps the City assess whether it will have a surplus or shortfall to address.

**February 2015:  
Five-Year Financial  
Forecast Report**

Once development of the baseline was complete it became the foundation of the City's Five-Year Financial Forecast published in February 2015. The Five-Year Financial Forecast is a planning level estimate of revenues and expenditures that surfaces all major budget issues and contextualizes the long-term financial environment. It assumes no policy changes others than those already prescribed by law.

**Jan-Mar 2015:  
Internal Analysis**

After the development of the baseline budget, the City Administrator's Office directs, through "budget instructions," the departments to submit requests for changes to the baseline budget. Departmental requests can include changes such as new programs, increased appropriations, reduced expenditures, reorganizations, or shifting appropriations from one program or service to another. The City Administrator's Office – Budget Department, Controller's Bureau, and Revenue Management Bureau conduct in-depth analysis of each budget request to assess the value and confirm the fiscal feasibility. Based on the analysis, recommendations are provided to the City Administrator. The City Administrator and key staff hold internal budget hearings with department directors and their staff to discuss proposals. The City Administrator makes preliminary budget decisions based on the internal hearings, additional analysis, and the Mayor's priorities.

**Feb-Mar 2015:  
Community &  
Council Input**

In accordance with the City's Consolidated Fiscal Policy, an assessment of stakeholder needs, concerns and priorities is conducted prior to the finalization of the Proposed Budget. This takes the form of a statistically valid poll developed in conjunction with the City's Budget Advisory Committee. The Councilmembers were also invited to provide a list of key expenditure priorities for the Mayor's consideration for the Proposed Policy Budget.

**Mar-Apr 2015:  
Proposed Budget  
Finalized**

The City Administrator provided a preliminary budget proposal to the Mayor. The Mayor weighed options, conducted additional analysis, considered City Council, community, and other stakeholder input, and issued a final Proposed Policy Budget in late April.

## Budget Adoption

### **May-June 2015: Community Input**

The Administration and City Council held seven (7) Community Budget Forums at varied times in different neighborhoods away from City Hall. These meetings were a forum for City Councilmembers to obtain input from constituents on FY 2015-17 budget priorities and to understand questions and concerns pertaining to the Mayor's Proposed Budget.

### **May-June 2015: Council Deliberations**

Upon presentation of the proposed budget, the Mayor and City Council conducted a series of public hearings to review the FY 2015-17 Proposed Budget. The Council heard additional reports and received answers to questions regarding the proposed budget. Councilmembers submitted proposed Amendments to the Mayor's Proposed Budget for discussion and consideration. The Administration provided analytic support to assist Councilmembers in this process.

### **June 2015: Council Budget Adoption**

As required by the City Charter, the City Council adopted a balanced budget by June 30, preceding the start of the fiscal year commencing July 1. The adopted budget provides two-year appropriation authority for all funds, and first- and second-year appropriations for the Capital Improvement Program (CIP). The CIP appropriations are outlined in two annual spending plans for FY 2015-17.

## Budget Amendment

### **Mar-June 2016: Midcycle Budget Amendment**

Toward the end of the first year of the two-year cycle, the Mayor and City Council conduct a mid-cycle budget review to address variances in estimated revenues, estimated expenditures, and other changes to the City's financial condition. For the FY 2016-17 budget cycle, the mid-cycle review will take place in March-June 2016, and will pertain to revenues and expenditures for FY 2016-17 (i.e. the second year of the biennial budget).

### **Year-Round: Budget Amendments**

The City Council can make amendments to the budget throughout the two-year period. Appropriation of new money, or changes to the allocation of appropriations between funds or departments require Council approval. Transfers between divisions within a department, between spending accounts, or between projects may be made at the administrative level. These transfers can be authorized by the City Administrator, Controller's Bureau, or department directors, depending on the nature of the transfer.

## GENERAL INFORMATION

The City of Oakland ("City") is located on the east side of the San Francisco Bay in the County of Alameda. Oakland is bordered by 19 miles of coastline to the west and rolling hills to the east, which provide unparalleled vistas of the Bay and the Pacific Ocean. In between are traditional, well-kept neighborhoods, a progressive downtown, and superior cultural and recreational amenities. Oakland serves as the administrative hub of the County of Alameda, the regional seat for the federal government, the district location of primary state offices, and the center of commerce and international trade for the Bay Area.

Oakland is the eighth largest city in the State of California, with an estimated population of 404,355, and a wealth of resources and opportunities. It is home to the Port of Oakland, The Port of Oakland handled approximately 2.4 million 20-foot freight containers in 2014, valued at more than \$40 billion. Oakland International Airport has undergone a \$300 million Terminal Improvement program including construction of a new concourse with seven boarding gates/waiting areas, centralized food/beverage and retail shopping areas, as well as expanded ticketing, security, and baggage claim facilities. The Oakland Global Trade & Logistics Center (the former Oakland Army Base) is engaged in a \$400 million revitalization and redevelopment process; and \$115 million of new construction and improvements have been completed in Oakland City Center.

In concert with ongoing economic development efforts, the City strives to maintain a balance between old and new. Historic structures continue to be preserved and revitalized while new buildings are constructed. The City has completed its part in a \$350 million revitalization effort to create a multifaceted government center that links major historical landmarks with new developments. Major corporate headquarters include Clorox and Kaiser Permanente, which are in close proximity to many new businesses and various small retail shops that have sprung up in the downtown area.

Oakland is a mature city that has been able to preserve its abundant natural beauty and resources. The City has over 100 parks (totaling over 2,500 acres) within its borders, as well as several recreational areas along its perimeter. Lake Merritt, the largest saltwater lake within a U.S. city, borders the downtown area. Its shoreline is a favorite retreat for joggers, office workers and picnickers. At dusk, the area sparkles as the Lake is lit with the "Necklace of Lights." Lake Merritt is the oldest officially declared wildlife sanctuary in the United States, dating back to 1870.

## CITY GOVERNMENT

The City of Oakland has a Mayor-Council form of government. The Mayor is elected at-large for a four-year term, and can be re-elected only once. The Mayor is not a member of the City Council; however, he or she has the right to vote as one if the Councilmembers are evenly divided.

The City Council is the legislative body of the City and is comprised of eight Councilmembers. One Councilmember is elected “at large,” while the other seven Councilmembers represent specific districts. All Councilmembers are elected to serve four-year terms. Each year the Councilmembers elect one member as President of the Council and one member to serve as Vice Mayor.

The City Administrator is appointed by the Mayor and is subject to confirmation by the City Council. The City Administrator is responsible for the day-to-day administrative and fiscal operations of the City.

## OAKLAND'S ECONOMIC BASE

Oakland has diversified its economic base significantly in the past few decades. The economy offers a healthy mix of trade, government, financial, medical, information technology, publishing and service-oriented occupations. Industries with the largest growth in jobs in the last several years are professional and business services, education and healthcare, government, leisure and hospitality, traditional and specialty food production, and technology.

Oakland offers abundant resources to its businesses and residents: state-of-the-art transportation, a vibrant dining and entertainment scene, and utility facilities keep the City running smoothly. Several new office and mixed-use buildings, public facilities, hotels, convention facilities, park enhancements and outdoor art have created a cosmopolitan environment in the downtown area. Waterfront restaurants and shops at Jack London Square, as well as the burgeoning Old Oakland and Uptown districts provide lively nighttime attractions. The City's neighborhood retail areas continue to grow, as evidenced by Oakland's 10 Business Improvement Districts. While manufacturing remains an important segment of the City's economy, some industrial land has been converted to residential and work/live use.

A variety of incentives are available to companies located in the City's Foreign Trade and Recycling Market Development Zones. The Economic Development staff links businesses with the many services available to them throughout the area and serves as an ombudsman for companies dealing with the City. City staff work with merchants in each commercial district to promote the district, obtain loans, expedite permits and arrange for City services.

Oakland plays a pivotal role in the East Bay Trade Area; it is a city of rich history, impressive growth and a promising future. Located within one of the nation's largest metropolitan areas, California's eighth most populous city is the economic heart of the East Bay. Oakland has the infrastructure and economic base to support and attract a diverse mix of advanced industries and value-oriented retail.

Downtown Oakland offers competitive office space, a fiber-optic infrastructure and the amenities for both traditional and emerging enterprises. The well-maintained freeways, the mass transit systems and the ferry service make getting to and from downtown Oakland a relatively quick and easy process—travel times to San Francisco, San Jose and other Bay Area cities are surprisingly short.

Oakland is the county seat for Alameda County. The U.S. Census Bureau has estimated the county population at 1,610,921 for 2014 and a median household income of \$72,112. In the City of Oakland itself, some 154,780 households have a median income of \$52,583 and spend about \$3 billion on retail sales annually.

City departments take a proactive approach and use streamlined processes to best serve the needs of the business community.

## A BRIEF HISTORY

<b>1200 B.C.</b>	Ohlone Indians settle in the area that would become Oakland.
<b>1772</b>	Spanish explorers are the first Europeans to visit the East Bay.
<b>1797</b>	Established in Fremont, Mission de San José extends Spanish jurisdiction over the area that would become Oakland.
<b>1849</b>	During the California Gold Rush, Oakland becomes the mainland staging point for passengers and cargo traveling between the Bay and the Sierra foothills.
<b>1852</b>	Oakland was chartered as a city and almost immediately thereafter, construction of shipping wharves began. Building the large wharves and dredging a shipping channel positioned Oakland as an independent point of destination.
<b>1869</b>	The Central Pacific Railroad selected Oakland as the terminus of the new transcontinental railroad, providing a vital link to the East.
<b>1910</b>	Oakland's population more than doubles in ten years from 66,960 to over 150,000 as people and businesses relocate from earthquake-ravaged San Francisco. Oakland regains control of the long-lost waterfront by final settlement of litigation, which had lasted over half a century and cost several millions of dollars.
<b>1936</b>	The Oakland-San Francisco Bay Bridge, one of the engineering wonders of the world, opens months before the Golden Gate Bridge.
<b>1942</b>	The Permanente Foundation Hospital is dedicated in Oakland, the first in the chain of Henry J. Kaiser's health plan hospitals.
<b>1950</b>	Children's Fairyland opens in Lakeside Park. Swelled by huge numbers of workers who flocked to the city for WWII jobs, the U.S. Census puts Oakland's population at 384,575. Oakland's African American population soars from 8,462 in 1940 to 47,562 in 1950. The military makes substantial improvement to the Port's facilities.  World War II brought tremendous changes to Oakland. Huge numbers of workers moved to the Bay Area to work in local shipyards, and many of these people, as well as large numbers of military personnel who mustered out at Treasure Island and the Oakland Army Base, chose to remain in the Bay Area. As a result, the City's population increased by nearly one third between 1940 and 1950.
<b>1950s – 1970s</b>	Under the Urban Indian Relocation Program, Oakland saw large numbers of Native Americans move to the city.
<b>1970s</b>	Following the end of the Vietnam War, Oakland welcomed Cambodians, Vietnamese and Muong from war-torn Southeast Asia.
<b>2010</b>	The U.S. Census ranked Oakland as the eighth largest city in California, with a population of 390,724. According to a University of Wisconsin study, Oakland is the most ethnically diverse city in the United States. There are at least 100 different languages and dialects spoken here.  A new generation of restaurateurs and specialty food producers has fueled an epicurean renaissance. Oakland's sizzling arts and dining scene is no longer a local secret as national media outlets spread the word on our vibrant city.  Oakland has a rich literary and cultural heritage. Such historical notables as writers Bret Harte, Jack London, Joaquin Miller, Ina Donna Coolbrith, Jessica Mitford, Narman Jayo, Ishmael Reed and Gertrude Stein; architect Julia Morgan; and dancer Isadora Duncan are just a few who have left their cultural mark on the City. It is also the birthplace of the West Coast Blues.

## TRANSPORTATION

Located in the geographic center of the Bay Area, Oakland has been recognized as a vital transportation hub for more than 100 years. Oakland is also the headquarters of the Alameda-Contra Costa Transit District (AC Transit), the Bay Area Rapid Transit (BART) system, and the Metropolitan Transportation Commission that oversees transit and transportation for the Bay Area.

The combination of train, bus, marine, aviation, freeway and the Bay Area Rapid Transit (BART) system guarantees ease of travel for local residents and efficient channels of commerce for businesses relying on the City's easy access. Oakland's Port is a primary sea terminal for transporting cargo between the western United States and the Pacific Rim, Latin America and Europe. Access to air cargo services is minutes away at the Oakland International Airport.

**AC Transit.** Local and transbay bus service is offered by Alameda-Contra Costa (AC) Transit, the third largest public bus system in California serving the East Bay since 1960:

- ◆ Serves all 13 cities and adjacent unincorporated communities in 364 square miles along the east shore of San Francisco Bay. Annually, AC Transit buses drive 19.2 million service miles.
- ◆ Serves approximately 192,000 daily riders with a fleet of 586 buses and a network of more than 149 bus lines with approximately 5,500 bus stops. The bus lines connect with nine other public and private bus systems, 25 BART stations, six Amtrak stations, and three ferry terminals.
- ◆ Bus routes serve the Oakland International Airport, the Amtrak Station and ferry terminal located at Jack London Square, downtown San Francisco and other major Bay Area attractions. All buses are accessible to people with disabilities.
- ◆ All buses are equipped with bicycle racks.

**BART.** The Bay Area Rapid Transit (BART) is a 104-mile, computer-automated rapid transit system:

- ◆ Serving more than 3.5 million people in the three BART counties of Alameda, Contra Costa, and San Francisco, as well as northern San Mateo County.
- ◆ Electric-powered trains traveling up to 80 mph connect 44 stations, including 8 stations in Oakland. Travel time between downtown Oakland and downtown San Francisco averages only 11 minutes on BART.

## OTHER ATTRACTIONS

Oakland is home to many world-class and unique attractions for local residents and visitors.

**Chabot Space & Science Center** – The City of Oakland is home to Chabot Space & Science Center (CSSC), an 86,000 square foot, award-winning facility featuring hands-on science and astronomy exhibits, a state-of-the-art planetarium, a large-format domed screen theater, a simulated space mission experience, and the largest telescopes available for public use in California.

**Fox Theater** – The renovated Fox Theater in downtown Oakland reopened its doors in February 2009 with a run of performances from entertainment's top acts. The theater's wrap-around building will also be the permanent home for the Oakland School for the Arts, a tuition-free charter school dedicated to artistic and academic excellence.

**Grand Lake Theater** – A mainstay of the community since its construction in 1926, this first-run movie theater is graced with a colorful, lighted marquee and a sweeping staircase in the main hall. Look for the ornately decorated walls, brass chandeliers, and faux opera boxes. Prior to curtain on Friday and Saturday nights, an organist serenades the audience on a Wurlitzer.

**Lake Merritt** – The Lake is the largest lake located within an urban area and is set in Lakeside Park, which is home to the Garden Center, Sailboat House, Rotary Nature Center, Junior Science Center, and a Bonsai Garden. Bordered by a 3.4 mile trail, Lake Merritt is a favorite location for joggers, walkers, and strollers. Lake Merritt is being transformed by Measure DD, the \$198.2 million bond measure passed by 80 percent of voters in November 2002.

**Children's Fairyland** – Young children will enjoy this enchanting, three-dimensional fantasy world where popular nursery rhymes come to life, set in picturesque Lakeside Park.

**Jack London Square** – Located along Oakland's waterfront, Jack London Square is home to Yoshi's Jazz Club, a cineplex, numerous restaurants, and other local attractions. A developer has announced plans to open the Water Street Market in early fall of 2016.

**USS Potomac** – Affectionately dubbed the Floating White House by the press, Franklin Delano Roosevelt's presidential yacht is one of the few floating museums in the country. The restored 165-foot vessel, a national historic landmark, is a memorial to FDR and his accomplishments.

**Chinatown** – Oakland Chinatown dates back to the arrival of Chinese immigrants in the 1850s, making it one of the oldest Chinatowns in North America. Oakland's Chinatown is bustling with activity. The Asian Branch Library is one of many of Oakland Public Library's branches and is located in Chinatown's Pacific Renaissance Plaza.

**George P. Scotlan Convention Center** – Offering 64,000 square feet of exhibition and meeting space and adjoining the Oakland Marriott City Center, this convention center has an additional 25,000 square feet of flexible meeting space and 483 deluxe guest rooms.

**Old Oakland** – An historic district with beautiful buildings and a thriving commercial strip. A Farmers' Market takes place every Friday.

**Oakland Museum of California** – This is the state's only museum devoted to the arts, history and natural sciences of California. The Museum provides unique collections, rotating exhibitions and educational opportunities designed to generate a broader and deeper understanding of and interest in California's environment, history, art and people.

**Oakland Zoo** – Founded in 1922 by naturalist Henry A. Snow, the Oakland Zoo is an 85 year-old regional treasure. Many of its animals are kept in relatively "natural" habitats, and expanded natural habitats are planned. The Zoo is nationally known for its excellent elephant exhibit and has been praised for allowing its elephants to roam freely.

**Paramount Theatre of the Arts** – This beautiful Art Deco theater opened in 1931 and was authentically restored in 1973. The theater hosts an impressive variety of popular attractions, including the Oakland East Bay Symphony, Broadway shows, R&B concerts, gospel performers, comedy, and special engagements.

**Oakland's Western Aerospace Museum** – Located at the Airport's North Field, showcases aviation history through special exhibits, multimedia presentations, hands-on displays incorporating 13 vintage airplanes, photographs, replicas and other artifacts, and classes for students of all ages.

**Malonga Casquelourd Center for the Arts** – This restored 1920s building is a popular multicultural, multidisciplinary performing-arts complex sponsored by the city. The 400-seat theater and five rehearsal and class spaces showcase drama, ballet, and African and contemporary dance. Several long-standing arts organizations-Axis Dance Company, Bay Area Blues Society, CitiCentre Dance Theater, Dimensions Dance Theater, and Oakland Youth Orchestra-call the center home.

**The Crucible** – Located in West Oakland, this non-profit educational facility fosters a collaboration of Arts, Industry and Community. Through training in the fine and industrial arts, The Crucible promotes creative expression, reuse of materials and innovative design while serving as an accessible arts venue for the general public.

**Professional/Amateur Sports** – Oakland is a magnet for sports fans of all types. Whatever the season, Oakland pro and amateur games frequently garner large crowds and broad national media coverage. In the last three decades, Oakland's professional sports teams have won six world championships in three major sports.

- ◆ **Golden State Warriors** – The Warriors continue to showcase exciting basketball. In 2015, the Warriors won their first NBA Championship in 40 years. The celebratory parade and rally marking the victory was held in downtown Oakland on Friday, June 19.
- ◆ **Oakland Athletics** – The Oakland Athletics have won six American League Championships and four baseball World Series titles.
- ◆ **Oakland Raiders** – From dominance in three Super Bowl victories to improbable come-from-behind victories, the Raiders have been involved in some of professional football's most incredible moments.

## INTRODUCTION TO FINANCIAL SUMMARIES

This section contains tables summarizing revenue and expenditure data for the entire City. Summaries are presented by fund and by department. Tables are also presented on fund balances and fund descriptions.

### CITY REVENUE AND EXPENDITURE FORECAST METHODOLOGY

The City prepares revenue and expenditure forecasts for its biennial budget. The forecasts are based on current expenditure spending and revenue collection trends, historical budgetary performance, prevailing general economic conditions and department input. A detailed forecast is prepared for the General Purpose Fund (GPF), and for other selected funds.

To prepare the forecast, a comprehensive analysis of the components of the City's revenues and expenditures is performed. These major components are projected into the two-to-five-year period on the basis of various relevant assumptions. For example, projections for property tax, the single largest source of revenues for the City's General Purpose Fund (GPF), are done based on the projected growth in the net assessed value of locally assessed property and projected changes to the tax delinquency rate. Similarly, forecast of the expenditures is performed by separately analyzing individual expenditure categories (e.g. salaries, retirement, benefits, utility expenses) based on forecast cost increases (e.g. pay-step increases, PERS retirement rates, benefit cost inflation, energy prices).

#### Forecasting Techniques

Citywide revenues and expenditures are projected using two forecasting techniques: qualitative analysis, and quantitative analysis.

Qualitative analysis projects future revenues and/or expenditures using non-statistical techniques. These techniques rely on human judgment rather than statistical analysis to arrive at revenue projections. Qualitative forecasting is essential for projecting revenue or expenditure components that are unstable, volatile, or for which there is limited historical information. To facilitate sound qualitative analysis, the City of Oakland seeks input from outside experts in economic forecasting, municipal finance, and other relevant fields. Just two examples of this is the City's reliance on the League of Cities' analysis and recommendations relating to legislative issues impacting cities, and the Legislative Analyst Office for their expertise and analysis of the State of California budgetary issues that may potentially affect the City of Oakland.

Quantitative analysis involves looking at data to understand historical trends and causal relationships. One kind of quantitative analysis is *time series analysis*; it is based on data that have been collected over time and can be shown chronologically on graphs. When using time series techniques, the forecaster is especially interested in the nature of seasonal fluctuations that occur within a year, the nature of multiyear cycles, and the nature of any possible long-term trends. *Causal analysis* is another type of quantitative analysis; it deals with the historical interrelationships between two or more variables. One or more predictors influence, directly or indirectly, the future revenue or expenditure. The causal forecasting techniques are predicated upon selecting the correct independent variables, correctly defining their interrelationship to the dependent variable, i.e. the projected revenue or expenditure item, and, finally, collecting accurate data.

## Revenue Forecast

Citywide revenues are projected using dynamic forecasting that anticipates changes in revenues triggered by new economic development, economic growth, changes in the levels of service of departments and agencies, (in the case of Master Fee Schedule changes approved by the City Council), changes in governmental policies at the state or federal level, and various economic and demographic changes. The purpose of this dynamic forecast is to demonstrate the potential impact of various events and actions on the selected revenue sources. Under this scenario:

- *Tax Revenues* are projected to grow at rates that are responsive to dynamic forces in the economy. Generally, the assumption is the local economy will be affected by national and state trends, with some deviation expected due to specific characteristics of regional business and labor markets.
- *Fee increases* will likely follow the projected inflation and changes in the local population due to increased service costs and changes in demand.
- Any known or anticipated changes in revenues as a result of potential changes in state revenue streams and/or legislation are reflected in the analysis.

The revenue forecast takes into consideration a number of *economic factors and trends*, including changes in economic growth, income, sales and Consumer Price Index (CPI), among other factors. Additionally, anticipated changes in *State or local policy* are also considered.

## Expenditure Forecast

Forecasting the City's expenditures involves analyzing, at the department level, and by category.

The expenditure forecast begins with the *baseline budget*, which represents the cost of maintaining the current level of services, while taking into account all unavoidable costs necessary to continue at that current level. Examples of unavoidable costs are pre-negotiated MOU salary levels, as well as health care and retirement costs that the City pays on behalf of its employees.

The baseline budget is then modified to reflect changes to programs and services that the Mayor and the City Administrator decide to include as part of the Proposed Budget. These modifications could include additions or reductions in any of categories discussed above. Changes to debt service are less discretionary, and are made based on changes in the Treasury Division's debt payment schedules.

The expenditure forecast follows the guidance of the Government Finance Officers Association (GFOA), which recommends that expenditures be grouped into units of analysis that are meaningful to the organization, such as departments and standard budget categories of expenditures. As such, staff grouped proposed budget expenditures by department and by expenditure category consistent with the City's chart of accounts. Future expenditures are forecasted from the FY 2015-17 proposed budget. This forecast generally assumes that expenditures will only grow due to inflationary cost escalation. Costs also change due to changes in service or staffing levels, as described in the "Significant Changes" summary for each department and "Service Impacts" section of this document.

### **BASIS OF BUDGETING**

The City of Oakland's basis of budgeting for its major fund groups (General Funds, Special Revenue Funds, Enterprise Funds, Internal Service Funds and Capital Project Funds) are the Generally Accepted Accounting Principals (GAAP), and the modified accrual basis of accounting.

Revenues are budgeted according to when they are both measurable and available. Revenues are considered to be available when they are collected within the current year, or soon enough thereafter to pay liabilities of the current period. The City considers property tax revenues to be available for the year levied if they are collected within 60 days of the end of the current fiscal year. All other revenues are considered to be available if they are collected within 120 days of the end of the current fiscal year.

Expenditures are budgeted according to when the liability is incurred, regardless of the timing of related cash flows. The exceptions are debt service, compensated absences, claims and judgments, which are budgeted as expenditures according to when the payments are due.

The City's basis of budgeting is the same as the basis of accounting used in the City's audited financial statement, the Comprehensive Annual Financial Report (CAFR).

### **PLANNING FOR THE CITY OF OAKLAND'S TWO-YEAR BUDGET**

#### **Planning for the Two-Year Budget**

The City's budget development process begins over a year in advance of the actual adoption of the two-year budget. During this advance planning process, the City identifies factors (known or anticipated) that may have a significant effect on future revenues, expenditures, or staffing levels. The analysis is based on actual City revenue and expenditure trends, general and relevant economic trends and outlooks, input from the City Departments who oversee those specific expenditure and revenue streams, and input from outside economists and revenue experts.

The two-year budget projections are also aided by preparing a five-year financial forecast according to the City's Consolidated Fiscal Policy. The five-year forecast was presented to the City Council at a budget workshop (held for the FY 2015-17 Budget on March 2, 2015). At the workshop, the Council was provided with information regarding the City's financial situation, including the five-year financial forecast, a report on debt portfolios and long-term liabilities, results from a budget priorities poll, and the FY 2014-15 Second Quarter Revenue & Expenditure report.

## BREAKDOWN OF FY 2015-17 GPF REVENUE BY TYPE

## HISTORICAL CHANGES IN GPF REVENUE

### SUMMARY OF THE GENERAL PURPOSE FUND REVENUES

Below is a detailed discussion of the individual categories that comprise General Purpose Fund (GPF) revenues. For each category, a brief description is provided, followed by historical data, relevant analysis, key forecast assumptions and then the forecast itself.

#### Property Tax

Property tax is the largest single source of revenue for the GPF. The property tax is ad valorem, which means that the tax paid on a property is proportional to the property's value. However, Proposition 13, which passed in 1978, introduced two significant caveats: 1) the annual tax owed is a maximum of 1 percent of a property's assessed value, and 2) the assessed value can only increase a maximum 2 percent each year, unless ownership changes, in which case the prevailing market value assessment is used as the basis for taxation.

The one percent assessment is collected by the County and is distributed to various public entities in accordance with a complex formula. The County's computation results in the City receiving about 26 percent of total collections.

Over the last 10 years, property tax revenue has grown on average, year-over-year, at a steady pace of 7.6 percent, due primarily to robust increases in local housing values. The growth for that period was accelerated by a rapid run-up of housing demand, new construction, and developments that began in FY 2004-05. The rise in FY 2004-05 property tax revenues was also due to a Vehicle License Fee (VLF) “backfill” payment from the State (the difference between the old VLF of 2 percent and new fee of 0.65 percent) in the form of property tax. The value of rising property tax, which increased more quickly than VLF revenues, brought Oakland additional revenues. Furthermore, in FY 2011-12, with the dissolution of the Redevelopment Agency, unallocated redevelopment property tax increment is flowing back to the City in the form of additional property tax revenues.

Beginning in FY 2004-05, property assessments rose quickly, propelled by high volume of home sales and rising home prices. Driven by economic growth and aggressive lending practices, the housing market accelerated and finally peaked in 2007 when the median single-family home price reached \$580,000. After this peak, housing demand and prices eventually declined due to an economic downturn, lack of affordability, tightened credit, and increased foreclosures. In the beginning of the Great Recession, the median house price fell to \$315,000 in 2008 and further fell to \$192,000 in 2009. The local real estate market bottomed out in FY 2010-11. Starting in FY 2011-12, the City began to see a rebound in housing prices. Currently the median single-family home price is around \$500,000, only \$80,000 from the 2007 peak. The figure below shows property tax revenues since FY 2001-02. Of note, since 2012, the City receives a portion of the Residual Property Tax Trust Fund (RPTTF) as the result of dissolution of the Redevelopment Agency, which is regulated by State law. RPTTF is the portion of property tax increment that would have gone to redevelopment agencies if they had not been dissolved less the funding required to wind-down the obligations of the redevelopment agency. Of particular note is FY 2012-13, which realized a one-time spike in RPTTF resulting from the

## FINANCIAL SUMMARIES

distribution of all unobligated tax increment revenue held in reserve by the former Redevelopment Agency. The RPTTF should not be viewed as growth of property tax, but rather as a shift of local resources after losing redevelopment agency funding. General Purpose Fund property taxes, inclusive of RPTTF, are expected to grow from a budgeted \$148.8 million in FY 2014-15 to \$172.5 million in FY 2016-17.

## Sales & Use Tax

Sales and use tax applies to the retail sale or use of “tangible personal property.” The recent passage of Proposition 30 brings the total sales tax percentage in the City of Oakland to 9.5 percent; meaning on a \$1 purchase, tax paid is 9.5 cents. The City receives 1 percent of the total tax, meaning the City receives 1 cent on a \$1 purchase.

The table below details the general allocation of sales and use tax on purchases in the City of Oakland. Some of the tax revenue receive by the State of California is redistributed to counties to provide health and public safety services.

Receiving Agency	Rate
The State of California	6.5%
The City of Oakland	1.0%
The Bay Area Rapid Transit District	0.5%
Alameda County Transportation Improvement Authority	1.0%
Alameda County Essential Health Care Services	0.5%
<b>Total Sales Tax</b>	<b>9.5%</b>

Sales tax revenue is fairly volatile, varying to a large extent with the overall strength of the local and national economy. During the previous recession, sales tax revenue declined significantly. Recently sales tax revenues have increased to the economic recovery. Increases are also attributable to high gasoline and jet fuel prices.

One of the strengths of the Oakland Sales Tax base is its diversity; it comes from seven major business groups. No single group accounts for more than 25 percent of the total. See the chart below.

# FINANCIAL SUMMARIES

Sales Tax revenue in FY 2015-16 is projected to be 11.4 percent higher than its FY 2013-14 level, due to the economic recovery and an anticipated one-time increase due to the end of the “Triple-Flip”. The Triple Flip refers to a funding shift beginning in FY 2004-05 under which the State withheld 0.25 percent of the local 1 percent portion of sales tax to pay debt service on \$15.0 billion in bonds authorized under the Proposition 57, California Economic Recovery Bond Act. The withheld 0.25 percent was backfilled with an equivalent amount of property tax revenue that would have otherwise been given to schools. According to the California Department Finance, it is anticipated that the bonds will be retired in FY 2015-16. When the bonds are retired, the City will receive a one-time true-up sales tax remittance of \$3 million. These are one-time revenues and are not assumed to continue.

### Business License Tax

The Business License Tax (BLT) is charged annually to Oakland businesses and is composed of three primary components; normal business gross receipts; gross receipts from construction activity; and business tax from the rental of residential and commercial property. The rate on gross receipts varies by type of business, ranging from a low of sixty cents per \$1,000 of receipts for grocers to six dollars per \$1,000 of receipts for public utilities. The rate on rental income is \$13.95 per \$1,000.

Business License Tax has been a relatively steady and reliable revenue source as shown in the chart below. However, BLT is impacted by the condition of the economy. The City expects to see a benefit from an increase in the rental real estate market. Office space in the downtown realized a drop in the vacancy rate to 8.4 percent at the end of calendar 2014. This is down more than a percentage point since 2013. Continuing growth activity is largely centered in the BART served business districts, particularly Lake Merritt and Oakland City Center areas.

Recovery of the local economy and the implementation of a new business discovery program are expected to help increase revenues in future years. Over the two-year budget business license tax revenue is expected to increase by roughly 3 percent annually.

### Utility Consumption Tax

The Utility Consumption Tax (UCT) is imposed on the use of utilities, primarily electricity, natural gas, cable television, and telephone. The UCT applies to both residential and commercial users. It is collected by utility companies and remitted to the City each month. The tax rate in Oakland has been 7.5 percent since 1993, although there are two significant exceptions: annual payments by manufacturers are capped at \$350,000, and low-income residents pay just 5.5 percent on energy use (gas and electricity).

The FY 2014-15 UCT revenue totaled \$50.59 million and its composition is shown below. The graph illustrates that in FY 2014-15, energy and telecommunications accounted for a major portion of UCT, at 58 percent and 32 percent, respectively. Cable television accounted for the remaining 10 percent.

Historical growth in UCT revenue has been due in large part to increases in the tax rate and the prices of energy and services billed to customers. This tax is unpredictable due to industry restructuring, technological change, weather, dynamics of energy markets, price volatility, consumption patterns and energy conservation.

Energy consumption is impacted by the recession, energy efficiency programs, and by local conservation efforts. Telecommunications accounts for 32 percent of UCT revenues down from 40 percent in FY 2009-10. This is due to innovations in technology that have begun to erode the tax base. Services like pre-paid cell phones and voice over internet protocol, combined with decreasing data costs and industry price wars, are placing downward pressure on the consumption of taxable telecommunications services. UCT is forecasted to remain at the current level. Increases in cable and energy usage are offset by energy efficient projects and "green" building.

## Real Estate Transfer Tax

The Real Estate Transfer Tax (RETT) rate is 1.61 percent charged to real estate transactions. Oakland's share is 1.5 percent - Alameda County gets the remaining 0.11 percent. The tax is triggered by the transfer of property ownership and both the buyer and seller are responsible for ensuring the tax is paid.

Up until 2006, RETT revenue had been one of the fastest growing major revenue categories, following significant real estate market growth. As the real estate market cooled in 2007, sales volume significantly declined, and home prices decreased. This resulted from the economic downturn, rising new and existing home inventories, and escalating home foreclosures due to falling home prices and growing number of adjustable rate mortgages and subprime loan defaults. Additionally, new and more stringent lending standards plus reluctance on the part of lenders applied further downward pressure on the housing market. As demand for housing and sales transactions plummeted, RETT revenue took a major hit. In FY 2012-13 the local housing market began to experience a substantial recovery in the average sale price of homes. The City has seen double digit year-over-year growth in home prices. These price increases have resulted in strong increases in RETT revenues. Furthermore, the recent growth in RETT has largely been due to the sale of large commercial properties as post-recession commercial real estate, once again, becomes an attractive investment.

RETT is often subject to major non-recurring revenues. When certain high value properties are sold they can result in anomalously high revenue. In past years, the sale of the downtown City Center complex resulted in nearly \$10 million in revenue. These very large transactions cannot be easily projected.

# FINANCIAL SUMMARIES

## Transient Occupancy Tax

The Transient Occupancy Tax (TOT) rate is 14 percent and is paid by lodgers at the City's hotels who stay thirty days or less; the tax is collected and remitted by hotel operators. The rate was increased from 11 to 14 percent in FY 2008-09 due to the Measure C tax surcharge. Measure C supports various cultural institutions and is booked in a separate fund.

TOT revenue declined by 17 percent in FY 2008-09 and FY 2009-10 due to the recession's adverse affects on tourism and travel. This is consistent with the prior recessions. Following the September 11<sup>th</sup> terrorist attacks and economic slowdown, TOT revenues declined sharply and remained flat for the next four years. In FY 2005-06, TOT rebounded by 9.7 percent, and continued positive growth two years afterward. In FY 2008-09 the City experienced significant decline in TOT due to the Great Recession. TOT revenues have since recovered culminating in a record high of \$14.3 million in FY 2013-14.

TOT is expected to grow steadily over the two-year budget, reaching \$17.56 million in FY 2016-17. The recovery in TOT revenues has been principally driven by high average daily hotel room rates and increased occupancy rates.

## Parking Tax

The Parking Tax is a tax imposed on the occupant of an off-street parking space. The tax rate is 18.5 percent (8.5 percent supports Measure Z activities and is booked in a separate fund), and is collected by parking operators. Approximately half of the City's Parking Tax revenue is generated from parking at the Oakland International Airport.

The Parking Tax revenues are strongly correlated with passenger volume at the Oakland International Airport. Parking revenue declined sharply in FY 2008-09, due to aggressive price competition, the economic downturn, and reduced airline travel.

Parking Tax revenue is expected to surpass levels reached during its pre-recession peak during the FY 2015-16 and FY 2016-17 budgets.

# FINANCIAL SUMMARIES

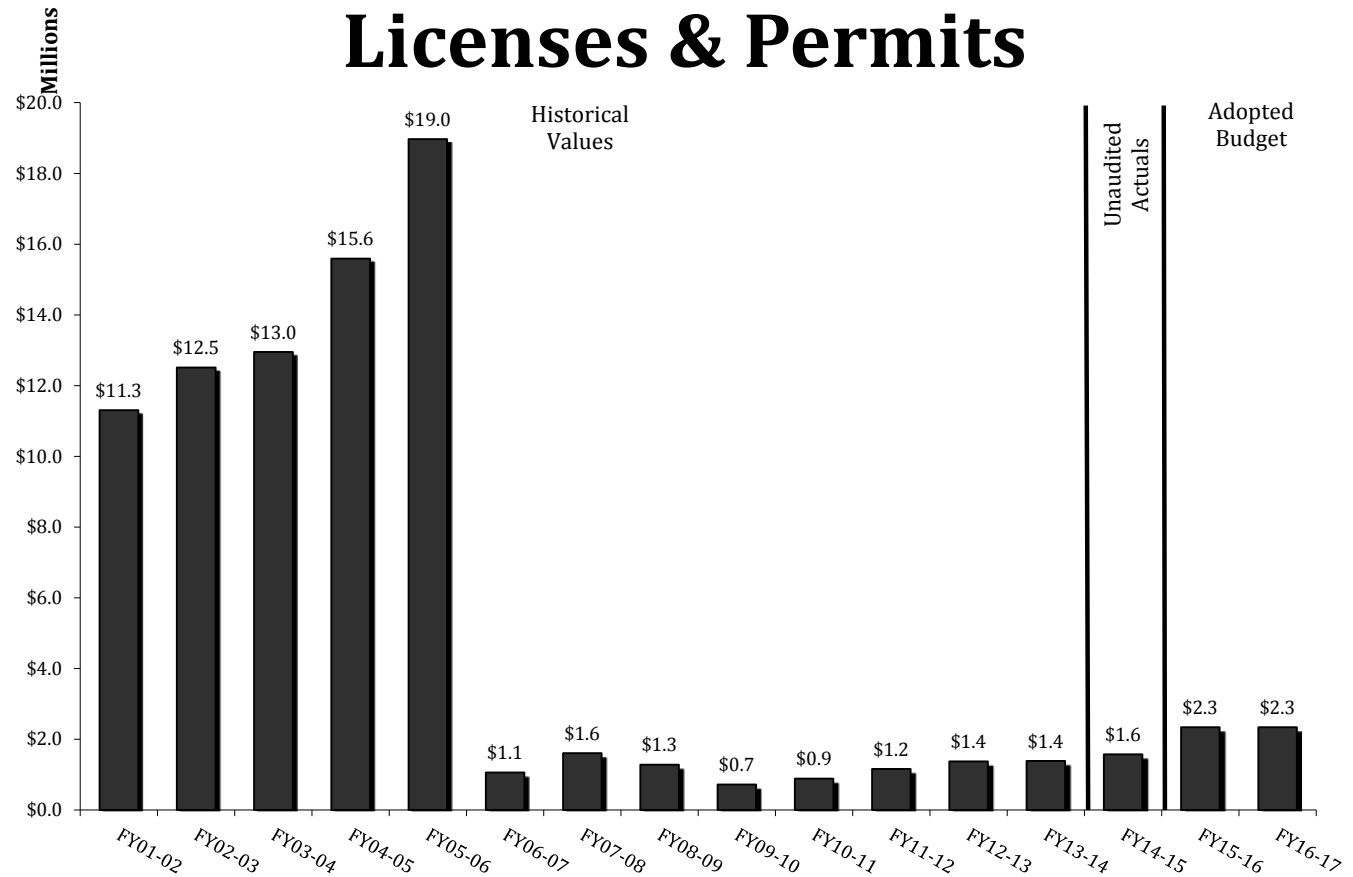

## Licenses & Permits

Licenses and Permits revenue primarily includes special Police and Fire permits, traffic, medical cannabis, bingo permits, residential parking permits, and animal licenses.

In FY 2006-07, 93 percent of License & Permit revenue related to development and building code enforcement activities were taken out of the General Purpose Fund (GPF) and moved to the new Development Services Fund (2415). Those revenues were specifically associated with a variety of development and enforcement activities, such as land use, permit, and inspection and abatement services. This separation was intended to allow clearer monitoring of these revenues and their related expenditures, as required by state law.

As a result of the separation, Licenses and Permits revenue after FY 2006-07 dropped to a new baseline of only 7 percent of the previous amounts.

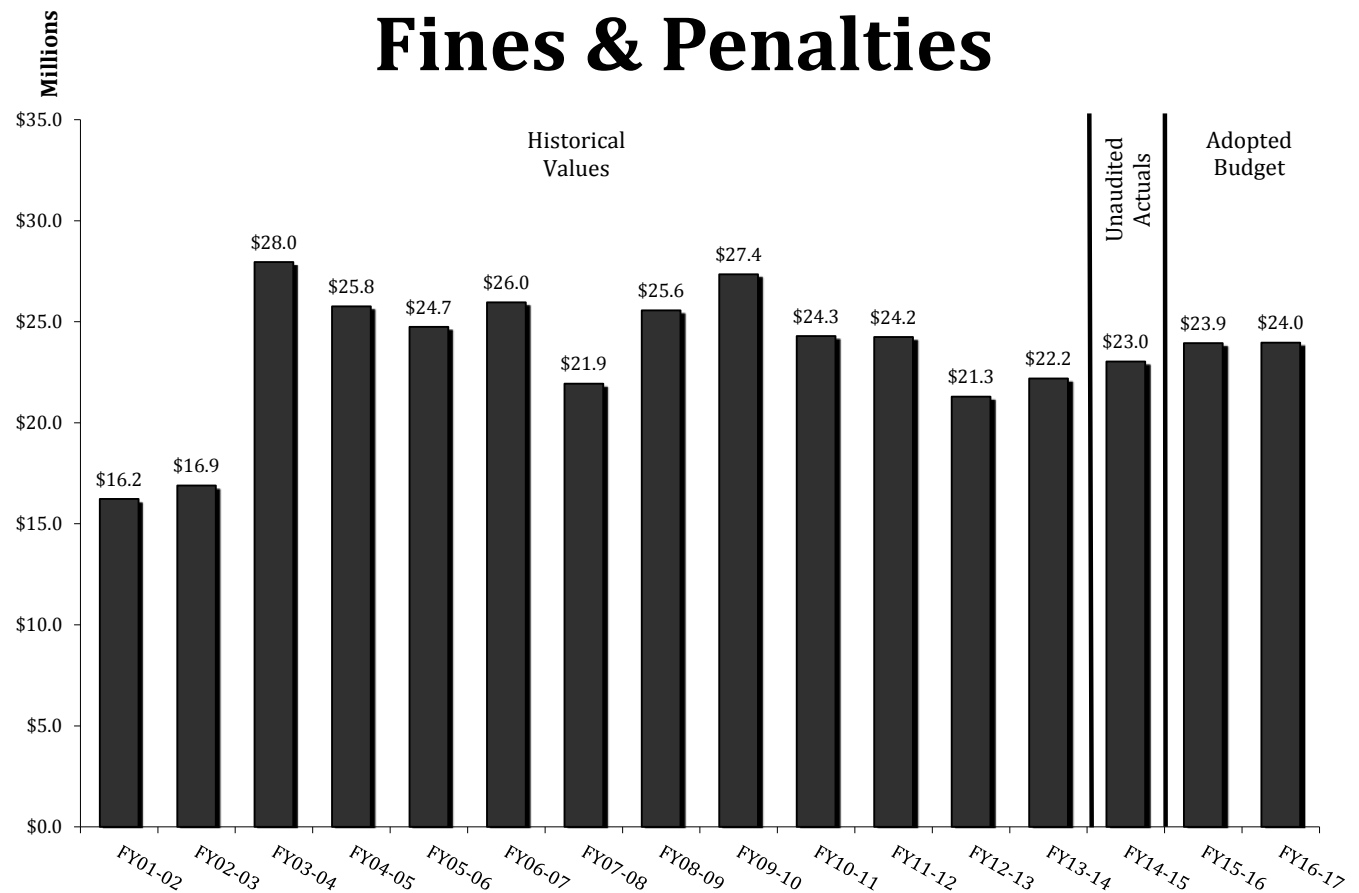

Proposed increases to the City's Master Fee Schedule is responsible for the growth forecasted in FY 2015-16 over FY 2014-15. In FY 2016-17 revenues are projected to remain flat.

## Fines & Penalties

Fines & Penalties consist primarily of parking enforcement fines (roughly 90 percent of the total), penalties, and interest on late property tax payments.

Parking citation revenues are expected to remain constant over the two-year budget period. This is primarily due to decreased parking citation issuance arising from the implementation of several parking friendly policies, including the five-minute grace period and the park mobile program.

# FINANCIAL SUMMARIES

## Interest Income

This revenue category nets interest income from investments against the cost of advances made from the City's General Purpose Fund to other funds.

Interest income is volatile, fluctuating along with short-term interest rate movements. Interest income is estimated at \$0.7 million in each of FY 2015-16 and FY 2016-17. The amount reflects the interest income projected to be received from pooled investments.

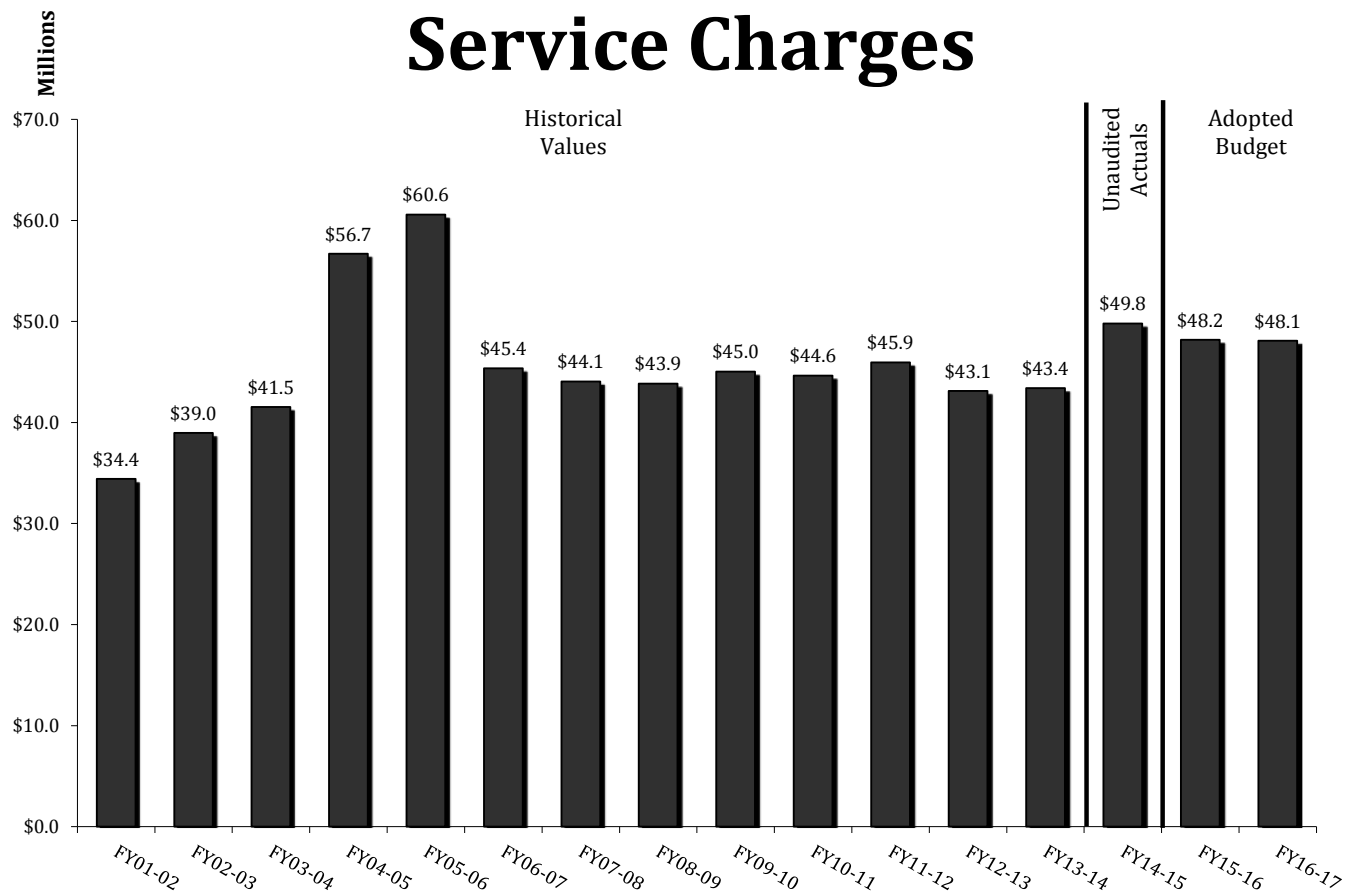

## Service Charges

Service charges are imposed on the user of a service provided by the City. The charge (or fee) may recover all or part of the cost of providing the service. In FY 2006-07, the composition of this revenue changed significantly, explaining the steep drop in revenue that year. A major change in that year saw \$11 million in revenues related to building and construction being permanently moved into the Development Services Fund (2415).

Background information concerning the components of service charges is provided below:

- **Port Revenue** consists of payments for general services, Fire, and other services the City provides to the Port. The City invoices semi-annually, based on actual costs of services. Port revenue is expected to remain constant over the two-year budget.
- **Franchise Fees** apply to four utilities for the use of City rights of way: PG&E for gas and electric; Waste Management of Alameda County for garbage collection; East Bay Municipal Utility District for water; and Comcast for cable television. Franchise fee revenue is expected to remain constant over the two-year budget.
- **Parking Meter Revenue** consists of charges for parking in metered street stalls. Parking revenue is expected to grow between 1 and 2 percent annually over the two-year budget.
- **Other Service Charges** is revenue from other fees charged including parks and recreation fees, public works fees, fire inspection fees, and charges for personnel service to provide public safety at events. These revenues are expected to remain constant annually over the two-year budget.
- **Rental Income** is rental fees for the City's facilities and lands, as well as concessions at various locations. These revenues are expected to grow between 1 and 2 percent annually over the two-year budget.

## Miscellaneous

The Miscellaneous category consists largely of one-time items that do not fit well into other categories, such as billboard revenue agreements and land/property sales. The Miscellaneous category has experienced substantial variation from year to year, due to its one-time and unpredictable nature. The peaks in FY 2002-03, FY 2003-04, FY 2006-07 and FY 2008-09 occurred as a result of a large number of land and facility sales in those years. The large peak in FY 2011-12 is also a result of land sales, notably the Henry J. Kaiser Convention Center.

# FINANCIAL SUMMARIES

## Interfund Transfers

Interfund Transfers are transfers into the GPF from other funds. They can be made for a variety of reasons and have various objectives. These transfers are usually one-time payments or scheduled payments for a limited time.

For example, the Sewer Service Fund (3100) has been making fund transfers into GPF to cover the cost of the office space taken up by Sewer Service employees in the City Administration Complex.

In FY 2015-16 and 2016-17 the GPF is expected to receive approximately \$14.9 million and \$2.2 million, respectively in Interfund Transfer revenue. These consist of one-time transfers of \$9.72 million in deferred pension credit and \$3 million as a result of the transfer of garages and the on-going \$2.2 million associated revenues.

## BREAKDOWN OF FY 2015-17 GENERAL PURPOSE FUND EXPENDITURE BY DEPARTMENT

## HISTORICAL CHANGES IN ALL FUNDS

### SUMMARY OF THE GENERAL PURPOSE FUND EXPENDITURES

Below is a detailed discussion of the individual categories that comprise General Purpose Fund (GPF) expenditures. For each category, a brief description is provided, followed by relevant analysis, and key forecast assumptions.

# FINANCIAL SUMMARIES

## Salaries

The budget includes assumptions related to salaries for sworn and civilian personnel that are consistent with the City's memoranda of understanding with its bargaining units. The budget includes Cost of Living Adjustments for sworn firefighter personnel that were agreed to in the Memorandum of Understanding reached with Local 55, International Association of Firefighters on July 1, 2014. As agreements covering the two year budget cycle have not been reached with the City's other bargaining units no COLAs are assumed, although funds have been set aside for employee compensation, and available for negotiations. The budget does assume increases in salaries for classifications that will be impacted by the newly enacted Measure FF minimum wage law.

## Fringe Benefits

Civilian and sworn fringe benefit expenditures are comprised of many components, including health insurance, workers' compensation, dental and vision insurance, disability insurance, unemployment insurance, and others. Cost sharing between employer and employee on fringe benefits is also a bargained arrangement. The budget assumes that the arrangement currently in place would continue (e.g., the City fully pays the equivalent of the Kaiser health insurance premiums).

# FINANCIAL SUMMARIES

## Retirement

Staff assumed that the City's employer contribution retirement expenditures for civilian and sworn employees would grow at the rate projected by CalPERS, the City's retirement program administrator. Based on the most current information available, it is expected that the civilian employee rate will increase by 2.74% in FY 2015-16 and 2.46% in FY 2016-17. The rate increase for sworn employees is expected to be 2.59% in FY 2015-16 and 2.71% in FY 2016-17.

Although CalPERS identifies an "employer contribution" and "employee contribution" for retirement deposits, the actual cost sharing between the City and employees is a bargained arrangement codified in Memoranda of Understanding (MOUs) between the City and employee unions. The budget assumes that the arrangement currently in place would continue.

## Other Expenditures

### Operations and Maintenance

Budgeted operations and maintenance (O&M) expenditures would remain in future years at FY 2014-15 levels, consistent with budgeting practices and the City's actual experience with these expenditures, unless specific policy interventions occur. Historically, operations and maintenance expenditures, which are composed of services and supplies and contracts, have grown very slightly, and therefore no growth is assumed.

### Debt Service, Overhead, and Operating Transfers

The City's Treasury Division estimated the future debt service expenditures based on the repayment schedule of the City's current debt. Debt service includes principal and interest expenses on bonds and other loans. Staff forecasted that overhead and operating transfers would remain constant at FY 2014-15 levels. The FY 2015-17 adopted budget contains some updates to overhead cost recovery rates relative to past years.

**OTHER BUDGET INFORMATION**

### NEGATIVE FUNDS

Many non-GPF City funds have negative balances. The poor financial standing of the funds is a result of historical overspending and/or under-recovery, as well as operational shortfalls (cost increases outpacing revenue growth).

*Funds with significant negatives* include: Self-Insurance Liability Fund (\$15.3 million projected by the end of FY 2014-15), Mandatory Refuse Program (\$3.9 million), Municipal Capital Improvement (\$5.4 million), Kaiser Convention Center Fund (\$1.8 million), and Facilities Fund (\$17.5 million). These negative balances harm the overall health of the City's assets by borrowing from the available positive funds, such as the General Purpose Fund, internal pension assets, deferred leave balances, etc. Except for the GPF, these other positive funds are mostly restricted, and funds borrowed from them will require repayment.

## TEN-YEAR REPAYMENT PLAN FOR FUNDS WITH NEGATIVE BALANCES

Certain funds with negative balances, such as the Kaiser Convention Center Fund and Contract Compliance Fund were put on 10-year repayment schedules during FY 2005-07. The plan involves the GPF amortizing the negative balance in these funds and making annual transfers over a 10-year period.

## LONG-TERM LIABILITIES

### Overview of Long-Term Liabilities

The City has four defined benefit retirement plans: Oakland Police and Fire Retirement System (PFRS), Oakland Municipal Employees' Retirement System (OMERS), and the California Public Employees' Retirement System (PERS) Public Safety Retirement Plan and Miscellaneous Retirement Plan. PFRS and OMERS are closed plans that cover employees hired prior to July 1976 and September 1970, respectively.

The City also has programs in place to partially pay health insurance premiums for certain classes of retirees from City employment. City retirees are eligible for retiree health benefits if they meet certain requirements relating to age and service. The retiree health benefits are described in the labor agreements between the City and Local Unions and in City resolutions.

The table below shows a summary of the long-term liabilities for the City:

Unfunded Amount	Descriptions
\$1,135M <sup>1</sup>	California Public Employees Retirement System (Cal PERS) unfunded balance as of June 30, 2013. The Public Safety Plan has a \$478M unfunded liability and 67.9% funded ratio; the Miscellaneous (non-sworn) Plan has a \$657M unfunded liability and 69.5% funded ratio. The City annual pension cost for FY 2013-14 – \$98.6 million.
\$463M <sup>2</sup>	Other Post-Employment Benefits (OPEB) has the unfunded actuarial accrued liability (UAAL) of \$463M as of July 1, 2013. The City contributed \$20.6 million for FY 2013-14.
\$215M <sup>3</sup>	Police and Fire Retirement System (PFRS), closed retirement system, unfunded balance as of July 1, 2013 payments will resume in FY 2017-18, estimated at \$25M. 100% Funding required by 2026. A separate tax override funding stream exists until 2026.
\$98.7M	Negative Funds – \$62.3 million of the negative funds have a repayment plan, \$22.9 million are reimbursement funds and \$13.5 million are funds with no repayment plan.
\$40.3M	Accrued Leaves are approximately \$40.3M unfunded as of June 30, 2014.

<sup>1</sup> The City annual pension cost is funded per CalPERS annual required contribution (ARC).

<sup>2</sup> The City is on a pay-as-you go funding progress. As of June 30, 2014, the City began to partially pre-fund the ARC to California Employer's Retiree Benefit Trust ("CERBT") per resolution no. 85016. The UAAL is defined as the difference between the present value of projected future benefits earned by employees to date and the actuarial value of assets accumulated to finance those benefits.

<sup>3</sup> Tax override funding stream exists until 2026. On July 1, 2012, the City issued \$210 million in additional Pension Obligation Bonds (Series 2012). As a result of a funding agreement was entered into between the PFRS Board and the City and therefore, no annual contributions until July 1, 2017.

### Unfunded Pension Liability for CalPERS – Active Retirement Plan

The City has active defined benefit retirement plans for safety and miscellaneous employees with CalPERS. Although the funded ratios of the safety and miscellaneous (civilian) plan with CalPERS are below 100%, the City will continue to maintain these funded ratios through increases in CalPERS' required contributions from the City, which are already accounted for in the cost escalation of current employees' retirement contribution.

## Unfunded Pension Liability for PFRS and OMERS – Closed Retirement Plans

Regarding unfunded pension liability, the City has two close defined benefit retirement plans: the Oakland Police and Fire Retirement System (PFRS), Oakland Municipal Employees' Retirement System (OMERS). The OMERS system was recently annuitized by the City through the passage of Measure EE by the voters in November of 2014 and thus does not present an ongoing financial challenge to the City.

Based upon the most recent report the PFRS' Unfunded Actuarial Accrued Liability (UAAL) was \$215.7M as of July 1, 2013. On July 30, 2012, the City issued Taxable Pension Obligation Bonds, Series 2012 ("2012 POBs") of approximately \$212.5 million. The proceeds of the bonds were deposited into the closed Police and Fire Retirement System (PFRS) to fund the Unfunded Actuarial Accrued Liability (UAAL) or beneficiary retirement benefits. As a result, the City will not be required to make any further periodic payments to the Retirement System through June 30, 2017, thereby providing temporary relief to the City's general fund. Most importantly, the bonds are secured and payable from any legally available source of funds of the City as well as and including the pledge of Tax Override Revenues (TOR) received by the City from a levy of a 0.1575 percent tax on property within the City of Oakland.

## Other Post Employment Benefits (OPEB)

Like many municipalities, the City has accrued significant unfunded long-term liabilities, including for other post employment benefits (OPEB) for police, fire, and miscellaneous employees. Public administration and financial management best practices dictate that the City must begin to make deposits to build assets in order to offset these liabilities. In addition, the Governmental Accounting Standards Board (GASB) now requires that municipalities report these liabilities in their CAFR and other appropriate financial reports.

The City is currently paying for OPEB benefits for its retirees on a pay-as-you-go basis, through which it pays as much each year as is required for just that year's expenses. According to the most recent report from the City's actuary, Aon Hewitt, the estimated required pay-as-you-go payments for FY 2015-16 are \$7 million for police, \$5.5 million for Fire, and \$7.7 million for Civilians totaling \$20.6 million annually.

As of July 1, 2013, the Actuarial Accrued Liability (which is equal to that portion of the Actuarial Present Value of OPEB Benefits that have been earned to date), was \$463,850,944, a decrease from the previous year (\$553,530,074). The reduction was due to a City contribution into California Employer's Retirement Benefit Trust (CERBT), an agent multiple-employer defined benefit post-employment healthcare plan administered by CalPERS. After the dissolution of the former Redevelopment Agency, the City has requested payments for OPEB through the Recognized Obligation Payment Schedule ("ROPS"). To date, the City has received approximately \$2,364,688 and has begun investing those funds in the CERBT. The City will receive approximately \$665,000 annually until June 30, 2022, thus over this period the City has secured approximately \$14 million to pay unfunded OPEB liabilities. By partially pre-funding the annual required contribution (ARC) to CERBT, the City has established asset for future liabilities and is able to use a higher discount rate.

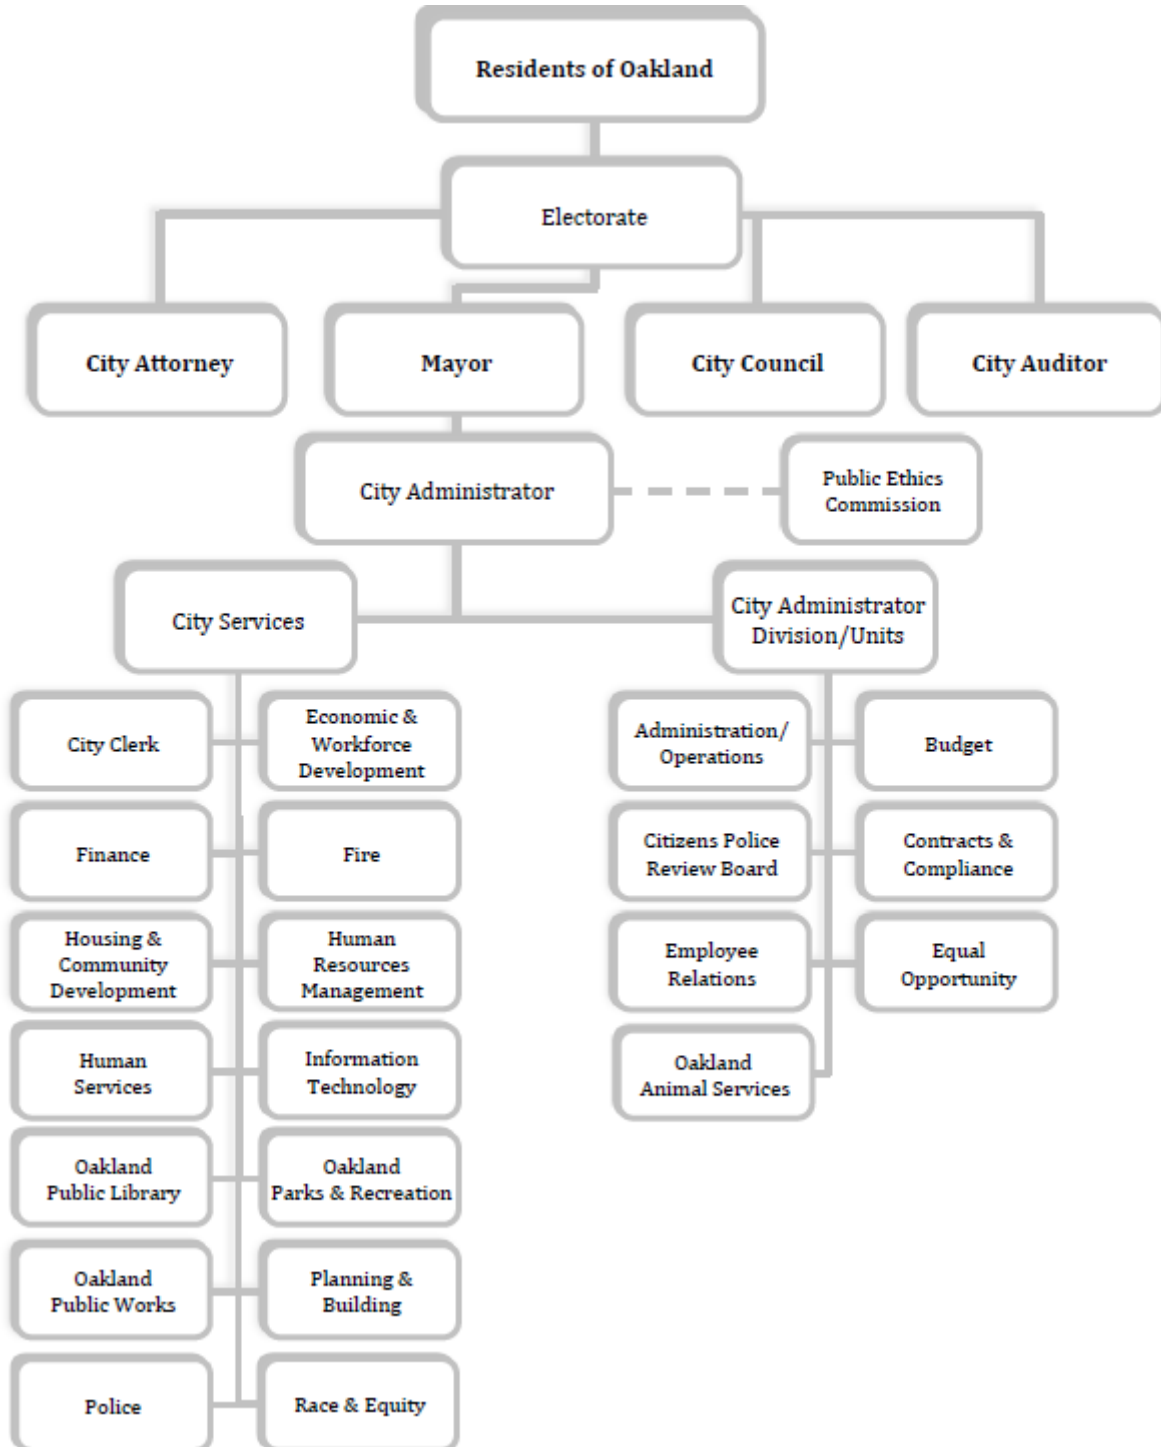

As a component of the FY 2015-17 Budget, the administration recommended that \$16 million (\$14.9 million one-time and \$1.1 million on-going) be used to contribute to the CERBT, which will lead to reductions in the City's future Actuarial Accrued Liability.

## Compensated Absences – Accrued Vacation, Sick Leave, and Compensatory Time

The City's policy and its agreements with employee groups permit employees to accumulate earned, but unused vested vacation, sick leave and other compensatory time. All earned compensatory time is accrued when incurred in the government-wide financial statements and the proprietary fund financial statements. A liability for these amounts is reported in the governmental funds only if they are due and payable. The estimated current liability is \$40.3 million.

## MAYOR

## DUTIES AND RESPONSIBILITIES

The Mayor's Office supports the Mayor in carrying out her duties as specifically outlined in the City Charter:

- The Mayor shall be responsible for the submission of an annual budget to the Council that shall be prepared by the City Administrator under the direction of the Mayor and Council. The Mayor shall, at the time of the submission of the budget, submit a general statement of the conditions of the affairs of the City, the goals of the administration and recommendations of such measures as she may deem expedient and proper to accomplish such goals.
- The Mayor shall recommend to the Council measures and legislation as she deems necessary and to make such other recommendations to the Council concerning the affairs of the City as she finds desirable.
- The Mayor shall encourage programs for the physical, economic, social and cultural development of the City.
- The Mayor shall actively promote economic development to broaden and strengthen the commercial and employment base of the City.
- The Mayor shall appoint the City Administrator, subject to confirmation by the City Council, remove the City Administrator and give direction to the City Administrator. The Mayor shall advise the Council before removing the City Administrator.
- The Mayor shall serve as ceremonial head of the City.
- The Mayor shall represent the City in inter-governmental relations as directed by the Council.
- The Mayor shall provide community leadership.

# MAYOR

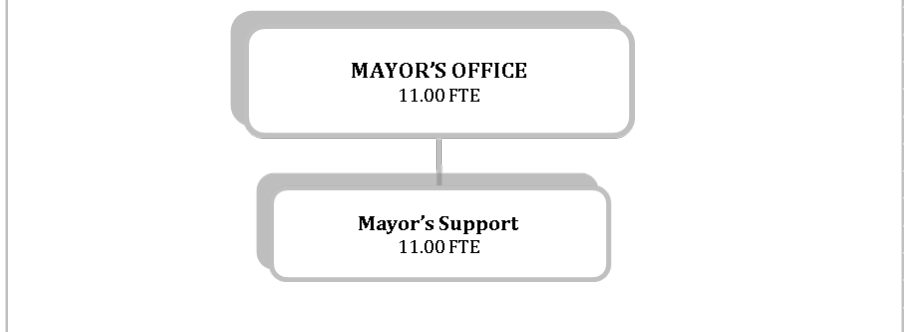

## PRIORITIES

To achieve her vision, the Mayor seeks to position Oakland as a vibrant, equitable city that is growing responsibly.

The Mayor has four priorities for growing those revenue sources responsibly:

1. Improve public safety using a holistic approach, including more police officers, better community policing, violence intervention and prevention programs, as well as addressing the root causes of crime, starting with better jobs and education.
2. Improve the City's physical infrastructure, starting with roads, so they look and work better, cost less to maintain and create more vibrant, attractive and healthy neighborhoods – making Oakland a great place to come live, play and bring your business.

## ORGANIZATIONAL CHART BY PROGRAM

3. Create more housing and jobs, but do so in an equitable way that keeps Oakland affordable for residents at every income level and provides employment opportunities for Oaklanders with a variety of skills and education.
4. Be more responsive to requests for city services so problems in every

neighborhood are cleaned and corrected quickly and police and firefighters are there when we need them. This will show that government is trustworthy and transparent and make the city look attractive, so people feel good about living and working in Oakland.

## CITY COUNCIL

Vested with all powers of legislation in municipal affairs, the City Council is the governing body that exercises the corporate powers of the City of Oakland under the authorities granted by the Oakland City Charter and the State of California Constitution.

The Council is comprised of eight Councilmembers, with seven elected from geographic districts and one citywide (At-Large). All Councilmembers are elected to a term of four years.

### DUTIES AND RESPONSIBILITIES

In accordance with the Charter, the City Council:

- sets the goals and priorities for the City,
- adopts the City budget,
- adopts the city's laws by ordinance and resolution,
- appoints members to various City and Port of Oakland boards and commissions.

### BUSINESS GOALS

- Ensure a good quality of life for all Oakland residents.
- Grow revenues through economic growth and improved government efficiency.
- Reduce crime and ensure public safety for every Oakland neighborhood.
- Expand economic development and reduce unemployment.
- Expand public-private partnerships.
- Improve efficiency and responsiveness to our residents and stakeholders.
- Improve the infrastructure, transportation and housing.
- Develop a sustainable city.
- Ensure that all Oakland children through seniors have an opportunity to be successful.

## FIRE DEPARTMENT

### MISSION STATEMENT

The proud men and women of the Oakland Fire Department are committed to providing the highest quality and highest level of courteous and responsive services to the citizens of Oakland.

This is accomplished by implementing comprehensive strategies and training in fire prevention, fire suppression, emergency medical services, and all risk mitigation, including: human-caused and natural disasters, emergency preparedness, 9-1-1 services and community-based fire services.

### BUSINESS GOALS

- Provide leadership to all aspects of the Department's operation, especially strategic planning, fiscal management, personnel management and labor relations.
- Deliver high quality services when responding to emergency calls within 7 minutes, 90% of the time - from when dispatch first receives the call to arrival on the scene.
- Create 9-1-1 incidents in the Dispatch system within 90 seconds for the annual volume of 60,000 emergency calls; maintain Computer Aided Dispatch/Records Management System (CAD/RMS) and the Center of Excellence accreditation, which will enable the Oakland Fire Department to compete for Emergency Medical Services (EMS) dispatch contracts.
- Provide Communities of Oakland Respond to Emergencies (CORE) training and public education; continue to implement the National Incident Management System (NIMS) and National Response Plan (NRP); provide basic and advanced training to elected officials, management, and key staff to ensure an effective Emergency Operations Center (EOC).

## BUSINESS GOALS (CONT'D)

- Review 98-100% of all plans, sprinkler, fire alarm, evacuation, hood and duct (Tenant Improvements (TI), and Tenant Parcel Maps (TPMs) within fifteen (15) business days; ensure public and private buildings are in compliance with the California Fire Code; develop and implement online permitting with an online payment option; develop and implement new inspection and billing database.
- Continue to maintain an effective and efficient Fiscal and Administration Services Division to ensure minimal vacancies with effective recruitment and exam processes. In addition, ensure employee safety and health, which will result in increased productivity and reduced workers' compensation claims. Partner with Oakland Public Works to provide logistical support to the Oakland Fire Department's facilities, apparatus, and equipment, including developing and instituting reasonable maintenance schedules to ensure CAL-OSHA compliance.
- Continue to explore revenue opportunities, such as grant funds and cost-recovery fees; streamline the billing process to maximize revenue collection.
- Continue to meet all mandated training, exercise and drill requirements needed to respond to emergency incidents related to airport, water rescue, confined space rescue, heavy rescue and hazardous material response, natural and human-made disasters and Urban Search and Rescue.
- Improve the entire Oakland Fire Department training curriculum with established, OFD-specific performance standards. Continue to assess the feasibility of the Joint Oakland Fire and Police Department Regional Training Center. Enhance training capacity and efficiency of meeting mandated training requirements by utilizing online, web-based training.

## BUREAU/DIVISION DESCRIPTIONS

### FIRE CHIEF OFFICE & FISCAL/ADMINISTRATION SERVICES

Responsible for providing effective leadership the Department's operations through strategic planning, financial reporting, performance measures, payroll and benefits, staff development and training; serves as the liaison to the citizens, department staff, city management, the Mayor and City Council. Manages entry level and promotional recruitment, exams, testing, worker's compensation, grievances, disciplines and labor relations; provides training in labor law

and practices to supervisory and executive-level staff; administers contracts and grants.

### FIELD OPERATIONS BUREAU

Responsible for emergency medical response, fire suppression, mitigation of disasters and rescue activities. Largest division employs 10 Battalion Chiefs and over 430 suppression personnel. The Field Operations Bureau handles over 60,000 emergency incidents a year, which includes fire, rescue, medical aid and other calls for service. Manages all major disaster responses and staffs 25 engine companies (including the airport) and seven truck companies.

# FIRE DEPARTMENT

## BUREAU/DIVISION DESCRIPTIONS

### FIELD OPERATIONS BUREAU (CONT'D)

In addition to emergency response, firefighters conduct non permitted commercial, multi-residential facilities and vegetation management inspections on an annual basis. The Special Operation Division operates under the direction of the Field Operations Bureau and is comprised of four highly trained, specialized response teams; Aircraft Rescue and Firefighting (ARFF) Response Team, Hazardous Materials Response Team, Technical Rescue Team and the Water Rescue Response Team. Each team is required to undergo extensive preparatory training and annual refresher training in order to remain certified in their respective specialties.

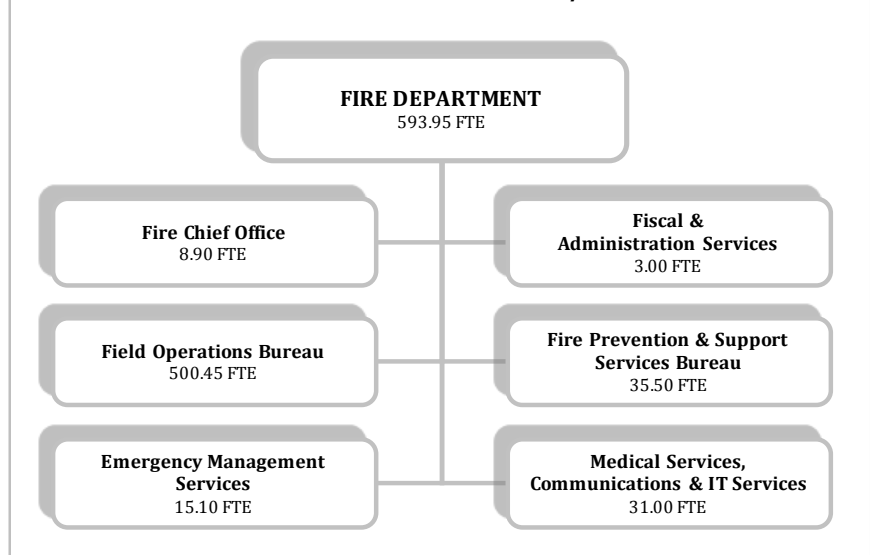

### FIRE PREVENTION & SUPPORT SERVICES BUREAU

Fire Prevention manages and directs all fire prevention functions to benefit the overall health & safety of the Oakland Community through public education, inspection and enforcement of the California Fire Code. Fire Prevention supports business and building development through fire engineering plan check and engineering services, and Fire Investigation Services. The Commercial Inspection Program, managed by fire prevention is an annual fire code inspection of non-permitted commercial and multi-unit residential occupancies conducted by sworn personnel. The Vegetation Management Program is an annual fire code inspection of both private public properties and open space, located within the Fire District, conducted by both sworn and Fire Suppression District personnel. Support Services manages the timely and cost-effective purchase, acquisition, coordination, maintenance and/or repair of Fire Department facilities, fire apparatus, personal protective safety gear, tool and equipment, and the FEMA sponsored CA-TF4, Type 1 Urban Search and Rescue team, while the training division coordinates mandated training for existing and recruit personnel.

## DIVISION DESCRIPTIONS

### EMPOWERING SENIORS AND PEOPLE WITH DISABILITIES (CONT'D)

Program (MSSP) which supports frail seniors and persons with disabilities to remain independent; Senior Companion and Foster Grandparent (SC/FG) Programs which offer volunteer opportunities for seniors to work with frail-elderly and at-risk children; and the ASSETS program which provides low income seniors with employment training services and job placement. Oakland Paratransit for the Elderly and Disabled (OPED) provides paratransit services which augment the County's paratransit program. OPED is funded by Alameda County Measure B Transportation Initiative and shortly will be augmented by Measure BB. Additionally City-sponsored Senior Centers offer culturally appropriate and accessible social, nutrition, education and wellness programming for seniors throughout the City. Rental of City-owned senior facilities generates revenue to support senior activities. The Mayor's Commission on Aging provides advocacy and policy direction on senior issues.

### FOSTERING SAFE AND HEALTHY COMMUNITIES

Encompasses HSD services specifically designed to make residents safer and to support individuals and families in key areas such as housing and income supports that contribute to the overall well-being of the Oakland community. Included is the Youth Commission which gives youth the opportunity to build leadership skills and participate in civic activities; Community Housing Services which serves people in Oakland who are homeless, hungry, HIV/AIDS positive, or living on extremely low incomes by providing food and hot meal programs, housing -- emergency, transitional, and permanent supportive--and support services. The Alameda County -- Oakland Community Action Partnership (AC-OCAP) provides funding and staff support to programs designed to promote self-sufficiency and eliminate poverty in the community. The OUSD Academies

### MEASURE Y/MEASURE Z-VIOLENCE PREVENTION

Measure Y: the Violence Prevention and Public Safety Act of 2004 provides approximately \$6 million annually for violence prevention programs to neighborhoods and youth and young adults most at risk for committing or being victims of violence. As Measure Y sunsets, Measure Z passed in 2014 will be implemented. With similar funding levels, Measure Z priorities for violence prevention include: 1) street outreach and case management to youth and young adults at high risk of involvement in violence; 2) crisis response, advocacy, and case management for victims of crime

such as domestic violence, commercially sexually exploited minors; 3) reentry programs for youth and young adults including employment; 4) young children exposed to trauma. The Measure Z Oversight Committee will approve a spending plan recommendation for services to City Council. The plan will inform a request for proposal to develop and implement programming under the new initiative.

### OAKLAND FUND FOR CHILDREN AND YOUTH

The Oakland Fund for Children & Youth (OFCY) fosters the development of young people ages 0 to 20 by providing grant funds for services and programs that improve outcomes for children and youth. The Planning and Oversight Committee

## DIVISION DESCRIPTIONS

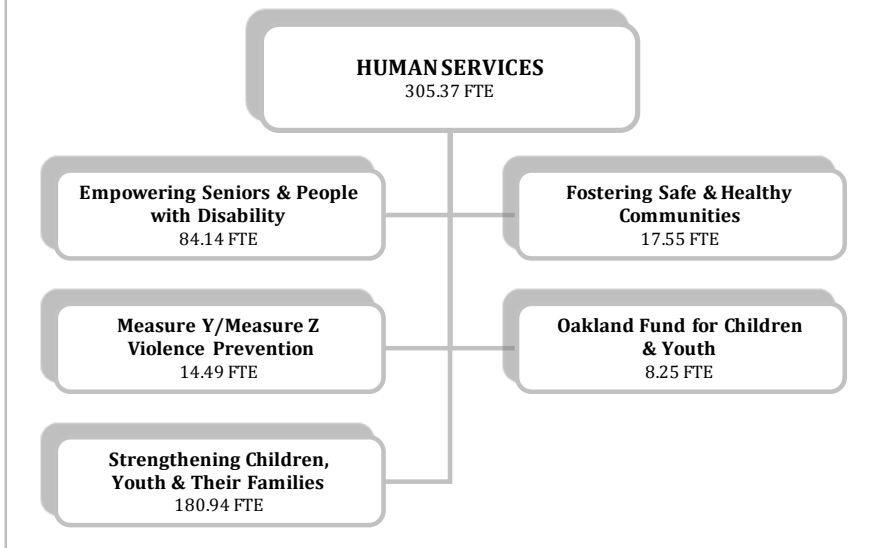

### OAKLAND FUND FOR CHILDREN AND YOUTH (CONT'D)

provides policy recommendations to the City Council and oversees strategic planning, evaluation and grant-making through a competitive proposal process. A City Charter amendment (1996 Measure K – Kids First! voter initiative) established OFCY as a mandated set aside of funds calculated at 2.5% of the General Purpose revenues annually “to help young people become healthy, productive, and honorable adults”. In November 2008, Oakland voters passed Measure OO, the Kids First 2 initiative, which took effect July 1, 2009. Measure OO changed the required funding amount and subsequently Measure D modified Measure OO, and required a 3% percent set-aside of city unrestricted general fund revenues for children’s programs. Legislation requires completion of an OFCY Strategic Plan every four years and a comprehensive evaluation of OFCY annually. The competitive process yields over 125 grants to public and non-profit agencies benefitting youth throughout Oakland, which an emphasis on vibrant after school programming.

### STRENGTHENING CHILDREN, YOUTH AND THEIR FAMILIES

These programs provide services that improve the health, development and quality of life for children, youth and their families. Early Head Start (ages 0-3) and Head Start(ages 3-5) focus on the child’s social, emotional, cognitive and physical development while allowing their families with opportunities to be involved in program activities and receive advocacy and linkages to community services which support their needs and goals. The program(s) serve over 1,700 low income children and their families throughout Oakland with an emphasis on school readiness and quality classroom experiences. The Summer Food Service program delivers free, healthy nutritious lunches to low income school-aged children in Oakland neighborhoods (over 70 sites) during the summer months.

## OAKLAND PARKS & RECREATION

### MISSION STATEMENT

Oakland Parks & Recreation is committed and dedicated to offering quality services, activities, and programs open to all Oakland residents and visitors. Our goal is to cultivate awareness about the availability and accessibility of Parks and Recreation services. We offer fun activities in a clean, safe, and healthy environment that provides opportunities for personal growth and skills development. We strive to offer community ownership and launch best practice standards to operate and maintain our facilities, playgrounds, and parks to preserve the beauty and legacy of the City of Oakland.

OPR is committed to "Play with a Purpose". We are serious about our play. There is a purpose and value in play that embodies character development, health consciousness, art appreciation, life skills enhancement through sports, civic duty, environmental responsibility and leadership excellence in every program offering. Our children are healthier when they play; our families are unified when they play; our communities thrive when they Play With A Purpose.

### BUSINESS GOALS

- Establish a solid foundation that defines our purpose at every recreation center and ensure all programs are equitable citywide for children, youth, teens, and adults.
- Enhance recreation experiences for Oakland children, youth and residents through the introduction of magnet and mega centers in specialized areas to attract participants from the immediate community and citywide.
- Partner with agencies and organizations that have the

expertise in addressing traumatic experiences for children and youth, in addition to skills in training employees whom work in vulnerable communities.

- Expose, enlighten, and empower all communities to the richness of OPR programs.
- Provide specialized enrichment programs that embody character development, health consciousness, art appreciation, life skills, civic duty, and environmental responsibility in every program offering. Increase OPR's visibility to be recognized as an essential service and community resource through citywide events, such as concerts, creative partnerships, sporting events, and street festivals. Oakland Parks and Recreation aspires to ensure that all citizens have an opportunity to explore the arts. Art forms should include: Drama, Dance, Fine Arts, Crafts, Music, Architecture Drawing, Painting, and Sculpting.
- OPR intends to reinstitute the Art Exchange program at Malonga to ensure our children and youth at the recreation facilities continue to be exposed to the above art forms.
- Expand the adult programs / services to become fully self-sustaining through the expansion of leagues and non-traditional programs and classes.
- Increase department revenue in self-sustaining programs and services including the enterprise centers, through the upgrading and renewing of all contracts. Provide ongoing training for OPR employees at all levels to ensure we are developing a strong leadership team for the 21<sup>st</sup> century.
- Increase the development skills for our Counselors in Training, through onsite assessments, skill/drill training and active participation.
- Expand and enhance STRIDE (Striving to Redirect Individuals in a Difficult Environment) Job Training program for youth ages 14-21 citywide through

leverage services of foundations and Corporate Grants.

- Introduce Program Without Borders- a program that will provide an avenue for youth to take safe and supervised risk-taking activities that will develop leadership skills by assessing safe risks, overcoming obstacles, facing fears, and growing in self-reliance; educate youth in sustainability education and environmental stewardship.

- Expand Pre-K Empowerment Centers- as OPR Plays with a Purpose, we recognize that play is a child's way of making sense of his or her abilities and freedom. OPR also understands that play is critical to the social, physical, emotional and mental development of a child. Expanding Pre-K magnet centers that focus on fostering creativity and imagination will set the foundation for resilient and flexible children heading for success.

## BUSINESS GOALS (CONT'D)

- Enhance our relationship with Corporate America and introduce new initiatives and policy to include: Naming Rights, Gift in Place, Donations and Sponsorships to support capital improvements and to augment recreation programming.

## PROGRAM DESCRIPTIONS

### AQUATICS

Boating- Provide recreation experiences for Oakland residents through the exposure of water sports for ages 5 and up from sailing, kayaking, dragon boating, sailing into science education component for 5th graders and tall ships.

Pools- Provide recreation experiences for Oakland residents through the introduction of water sports for ages zero and up in progressive learn-to-swim lessons, swim teams, lifeguard training, and lap swim.

### ART CENTERS

Art centers will consist of the various forms of art ranging from painting, digital media, music lessons, folk and modern songs, martial arts, movement, drawing, crafts, videography, photography and festivals. Given the decrease of arts programs in the public schools system, it is with great excitement that OPR offers magnet center as part of its core services.

### CENTRAL ADMINISTRATION

Serve as the departmental management infrastructure including fiscal oversight, staff training and development that enables OPR to increase visibility to be recognized as an essential service and community resource, with the end result of increasing revenue, public trust and services.

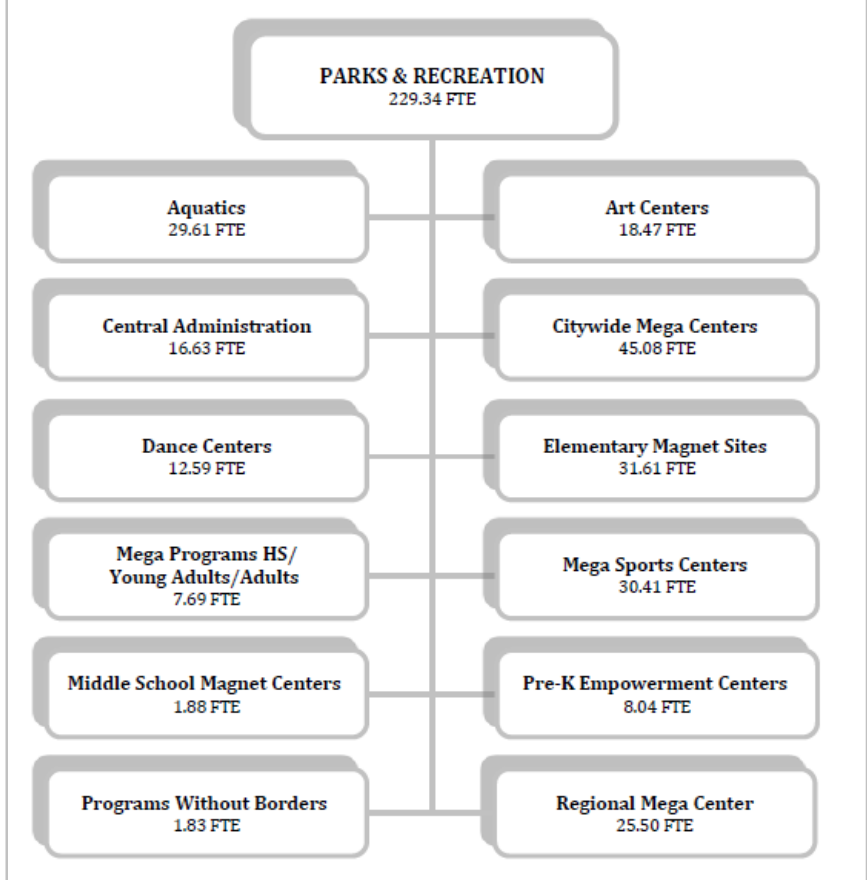

### CITYWIDE MEGA CENTERS

The citywide centers/programs represent programs and services which include; the Central Reservations Unit, Dunsmuir-

## PROGRAM DESCRIPTIONS

### CITYWIDE MEGA CENTERS (CONT'D)

Hellman Historic Estate, golf programs, Rotary Nature Center and San Antonio Recreation Center. The services provided under this category range from venue rentals, to summer camps, and unique programs geared to all ages and all occasions.

### DANCE CENTERS

For years, dance has been a foundation for OPR. As part of OPR's not too distant history, young people through the nation looked to OPR for guidance and expertise. Under the direction of Ruth Beckford, patrons not only learned tap, ballet, and modern dance all infused with pop and new hip hop, they also gained an understanding of the history and value of dance, which opened the gateway for creativity and self-expression. Allowing employees to focus on specialized areas verses a variety of scattered overlapping activities will enhance programming through the City.

### ELEMENTARY MAGNET SITES

Elementary Magnet programs have the potential to promote the development of a child's creativity, productivity, imagination, self-esteem and self-awareness. It is at this stage that recreation can add to the learning process for a child through the participation of activities that are fun, educational and more importantly allows the child to resolve conflict, seek balance, negotiate through obstacles, and explore and experience nature. Through a variety of outings and reenacting and repeating events, children will be able to act out their own feelings and fantasies which allowing the child to release his or her anger, anxiety and aggression without attacking others or bringing harm to themselves. Creating centers with a single focus will change the dynamics and landscape of the behavior of elementary children who are engaged in our programs and services.

### MEGA PROGRAMS FOR HIGH SCHOOL, YOUNG ADULTS AND ADULTS

This mega unit will focus on increasing intramural sports and family leagues of

non-traditional and traditional activities including kickball, bowling, softball, bike polo, volleyball, table board games skate boarding, radical wheels, and golf. The development of this mega unit will support OPR's belief that children and youth model the behavior of adults. Creating a format that embraces play for adults will remind the public that, in the words of George Bernard Shaw, "We don't stop playing because we grow old; we grow old because we stop playing". When we say we want you to come out and play the OPR way; we encourage this because we do not want anyone to stop playing.

### MEGA SPORTS CENTERS

The mega sports facilities will organize and provide sports for all ages from Pee-Wee to seniors, including twilight basketball and softball leagues to midnight basketball leagues. Employees assigned to these facilities will be responsible for the recruitment of participants from nearby schools, other recreation centers and community based organizations. A full spectrum of sports activities both traditional and non-traditional sports will be offered six day per week.

### MIDDLE SCHOOL MAGNET CENTERS

Middle School magnet centers will be the most challenging yet most rewarding centers. This population of young people has been faced with fluctuating social changes and family values, increases traumatic experiences, uncertain futures, lack of clear directions and the deprivation of play. To regain the trust and to restore hope in the lives of middle school aged youth, they will need to experience a full range of play in a caring environment with energetic employees. Play and recreation can be powerful for this age because it teaches young people about leadership, self-motivation, independence and autonomy. The opportunity to refocus our energy and commitment to this population through the magnet centers will open doors of opportunity for many children and youth in the City of Oakland.

## PRE-K EMPOWERMENT CENTERS

Pre-K centers will use the model "Sandboxes to Empowerment" The Sandboxes to Empowerment program has helped OPR in leveraging First Five of Alameda funding, enabling OPR to expand Tiny Tots programs and play groups citywide. As OPR plays with a purpose, we recognize that play is a child's way of making sense of his or her abilities and freedom. OPR also knows that play is critical to the social, physical, emotional and mental development of a child. Creating Pre-K magnet centers that focus on fostering creativity and imagination will set the foundation for resilient and flexible children. The long-term impact has the potential to reduce criminal behavior and will certainly ensure that children who are participants in our programs will be ahead of the 30 million word count gap, as will their parents.

## PROGRAMS WITHOUT BORDERS MAGNET SITE

This magnet site will encompass and expose children, youth adults and families to a variety of non-traditional programs and services that will range from outdoor experiences to urban technology. The team will capture, and introduce trend setting programs to challenge the minds of the young and old, and attract the youth that have felt left out, while embracing the diversity of Oakland's children, youth and families. Program Without Borders (PWB) will introduce participants to playful risk taking "aha" moments to educational empowering moments of self-worth and accomplishments. PWB will have a huge impact on changing the outlook of hopelessness, while adding personal value to all participants.

## REGIONAL MEGA CENTER

Regional mega centers represent facilities that are broad in programming and services. The users come from the entire Bay Area; the target population/recruitment is intentional by design based on the services offered. Majority of the programs offered are leveraged or considered self-sustaining. Programs range from science to dance, to sports and art, and serves Pre-K to seniors.

## OAKLAND PUBLIC LIBRARY

### MISSION STATEMENT

The Oakland Public Library delights, inspires and informs our diverse community as a resource for information, knowledge, and artistic and literary expression providing the best in traditional services, new technologies and innovative programs.

### BUSINESS GOALS

- To increase the use of all circulating library materials, including books, magazines, e-books, DVDs, tools, toys, downloadable/streaming music and movies, as well as laptops and computers for use inside the library.
- To increase the library's responsiveness to and inclusiveness of Oakland's diverse communities through engaging and creative activities inside and outside the library walls.
- To perfect a customer service approach that centers "people over things" and provides equal access to library services through a well-trained and diverse staff who are visible and vital participants in the community.
- To enhance services and programs for children including story times for preschool children and promotion of early literacy.
- To offer teen programming that expands youth expectations of libraries through arts, gaming, civic engagement and volunteer opportunities that help develop leadership skills and workplace preparedness.
- To secure funding to return branch library hours to 6-days per week and expanding Sunday hours at four select Branches while also enhancing the online services that are available 24/7.
- To be widely known as a safe and central place for participation,

# HOUSING & COMMUNITY DEVELOPMENT

## HOUSING & COMMUNITY DEVELOPMENT

### MISSION STATEMENT

Affordable Housing for All

We believe all Oakland residents should have decent and affordable housing in healthy, sustainable neighborhoods with full access to life-enhancing services. We work on several levels to create and preserve affordable housing by:

- Supporting organizations that develop and preserve affordable rental and owner-occupied housing.
- Providing direct assistance to first-time homebuyers and existing homeowners.
- Administering the City's programs to stabilize rents and ensure compliance with the Just Cause for Eviction Ordinance.
- Supporting organizations that provide economic development, public facilities, infrastructure, and social services for low and moderate income communities.

### BUSINESS GOALS

- Expansion of the Receivership Program – A program designed to facilitate the rehabilitation of vacant and blighted properties using the legal process of appointing a third party “Receiver” to obtain financing to rehabilitate the property. The program is collaboration between Housing and Community Development (HCD), Planning and Building and the City Attorney's office. Planning and Building, after recording a Declaration of Substandard, refers blighted properties to HCD for a feasibility rehabilitation/development assessment. After the feasibility is determined, the property is forwarded to the City Attorney's office as a potential Receivership Candidate. A qualified Receiver is selected from a pool and recommended to the courts. After the feasibility is

determined, the property is forwarded to the City Attorney's office as a potential Receivership Candidate. A qualified Receiver is selected from a pool and recommended to the courts. After court approval, the receiver obtains private financing to rehabilitate the property and is responsible for the disposition of the property after rehabilitation.

- Re-implementation of the Rental Rehabilitation Program – Providing construction loans to property owners to rehabilitate blighted properties for rental housing for seniors, persons with disabilities and low income renters. The program will provide a \$75,000 maximum, 6.5% percent deferred, matching funds loan. The loan becomes due and payable in full in 2 years. Loan proceeds would be deposited in a revolving fund to be used to finance additional loans.
- Expansion of the Surplus Property Development Partnership with Laney College and local Non-Profit Construction Training Organizations – Providing construction training to students by building one to four unit residential properties using City owned surplus and donated properties.
- Implement a New Commercial Loan Program, the Broadway Corridor Revitalization Project, jointly developed by OBDC and the City of Oakland, is supported by a major grant from Citibank and focused on accelerating redevelopment of the City's urban core. The mission of this new public private partnership will be to streamline support for local small businesses and create needed jobs. It is expected that 10-15 new businesses will be identified and financed through this program in the first year, resulting in the creation of at least 250 new jobs, with more to be added in the second year of the program. In the first three months of the program, \$1.6 million have been invested in 10 businesses, creating and retaining 190 jobs.

current market values in order to provide sustainable loan modifications for eligible Oakland residents. The Oakland pilot program would serve about 20-25 Oakland about 20-25 Oakland eligible homeowners and create the foundation for a regional loan fund program.

- Revamp the ImageSource Workflow system which provides tracking CDBG Grant Agreements electronically to allow the process to become completely paperless reducing excessive staff time utilized in the past CDBG grant administration process.
- Review and realign the use of administration costs for all the HUD entitlement grants. The grants continue to decrease annually while the administration requirements remain the same or increase.
- Identify additional/permanent resources to fund affordable housing development and fund rehab projects to ensure long term viability and capacity to generate residual receipts.
- Identify strategies to fund administration of affordable housing developments.
- Collaborate with City Attorney's Office to re-write the Relocation Ordinance.

## DIVISION DESCRIPTIONS

### COMMERCIAL LENDING (CONT'D)

loans funded by HUD and the Oakland Redevelopment Agency. These resources promote business attraction, retention and expansion leading to the creation of jobs and economic development primarily in Oakland's low and moderate income communities and redevelopment areas. These various loan programs contribute to Oakland's economic revitalization by expanding the City's tax base by focusing lending activity in the City's economic development target industries; placing low-moderate income Oakland residents into sustainable jobs created by loan recipients; leveraging private investment through participation loans; and abating blight through financing commercial and mixed-used developments. This program awards professional services contracts to Oakland's small business community and administers several City funded loan programs, lending outreach, servicing of the City's loan portfolio and recruitment for job placement.

### COMMUNITY DEVELOPMENT BLOCK GRANTS

Manages and implements the City of Oakland's Community Development Block Grant (CDBG) program. The City utilizes CDBG funds to rebuild and revitalize depressed areas and sustain neighborhoods with full access to life enhancing services. CDBG program provides funding for housing, economic development and a variety of neighborhood improvement/public service projects for low and moderate income residents in the seven Community Development areas. Distribution of CDBG funds undergo an extensive citizen participation process resulting in approximately 50 contracts with non-profit organizations and several city

departments for the provision of services. The CDBG program staff provides technical assistance to the seven Community Development District Boards and monitors the contracts and programs funded with CDBG funds.

### HOME OWNERSHIP & REHABILITATION & RESIDENTIAL LENDING

This program provides financial and technical assistance for the purchase of homes and minor-to-substantial rehabilitation to very-low, low and moderate income persons. Counsels and educates owners and first-time homebuyers about refinancing, purchasing and maintaining homes to promote safe, healthy and accessible neighborhoods, to identify and thwart predatory lending practices, as well as, fraudulent home improvement contracting. It promotes collaboration with lenders, general contractors, code enforcement, citizens and other housing agencies to expand opportunities for all homebuyers and to provide rehabilitation construction management services which identify and correct health and safety hazards and code violations in owner-occupied homes. Priority is given to assisting seniors and disabled persons to maintain the independence and security of homeownership. The Residential Lending Program:

- Elevate pride of ownership and sustainability in residential neighborhoods.
- Improvement of the existing housing stock by assisting low-income homeowners.
- Build community and foster livable neighborhoods.
- Systematic restoration of neighborhoods within the City
- Provide the city with a well-organized mechanism for effectively rehabilitating the City's stock of salvageable housing.
- Prevent neighborhood deterioration

- Provide residents with the necessary financial and technical assistance to improve their individual property and the overall environment of the Districts.
- Facilitate blight removal, lead-hazard reduction, and building code adherence on all 1-4 unit residential improvement projects.

### HOUSING DEVELOPMENT

This program helps implement the City and Redevelopment Agency affordable housing development programs. Staff works with for-profit and non-profit developers to revitalize neighborhoods and increase housing opportunities through new construction, substantial rehabilitation and preservation of rental and ownership housing for very low or low and moderate income households. Staff implements the City's annual Notice of Funding Availability (NOFA) process to make competitive funding awards for affordable housing projects; and monitors the City and Agency portfolio of over 75 projects to ensure proper management and maintenance and compliance with rent and income limits.

### RESIDENTIAL RENT ADJUSTMENT

This program helps maintain decent, safe, affordable, and sanitary residential rental housing in the City of Oakland by limiting rent increases, monitoring removal of rental units from the market, and limiting evictions. Administers the Rent Adjustment Ordinance, the Just Cause for Eviction Ordinance and the Ellis Act Tenant Protection Ordinance. Additional responsibilities include processing appeals of Housing Code citations and appeals of denials of relocation benefits for tenants of buildings vacated by the Code Compliance section of the Building Services Department.

## PLANNING & BUILDING

### MISSION STATEMENT

Our work is founded on the belief that people matter, neighborhoods matter, beauty, order, and a clean environment matter. In short, enriching people's lives matters. We are dedicated to improving our community through our service to the public.

To that end, we develop visionary plans that are community driven, we update the Zoning Code to reflect community needs and interests, we process development/building applications in an efficient and effective manner, and we enforce the Zoning Code, the Building Code, and other applicable laws to ensure the health, safety, and well-being of our citizens.

### BUSINESS GOALS

- Add staff to improve turnaround times for permit applications, i.e., Process Coordinators, Plan Checkers, and Office Assistants.
- Complete the following plans:
  - Coliseum Area Specific Plan/EIR
  - Downtown Specific Plan/EIR
  - Update the Land Use and Transportation Element (LUTE) of the General Plan and Transportation Element, and the Estuary Policy Plan.
- Complete several Zoning Code Begin efforts on the City-wide General Plan update.
- Complete work on the Impact Fee Nexus Study.
- Complete the following revisions to the zoning code:
  - Unattended Donation and Collection Boxes
  - Mobile Food/Vending
  - Condominium Conversion
  - Secondary Unit Regulations
  - Parking regulations.
- Form a new Development Review Committee (DRC) to improve customer service through better coordination with OPW, Fire and other relevant departments.

# PLANNING & BUILDING

## PROGRAM DESCRIPTIONS

### ADMINISTRATION

Provides agency oversight and support services for policy development; human resource planning; management and training; accounting; budget development; fiscal and grants management; information technology systems and support; agenda management and contract administration. Ensures that the department meets its obligations and complies with federal, state, and local laws including labor and public records laws, financial management, and auditing.

### DEVELOPMENT PERMIT INSPECTIONS

This program assures conformance with the California Building, Electrical, Plumbing Mechanical Codes, and the Oakland Municipal Code regulating the construction of residential and non-residential buildings and structures, public and private infrastructure, and earthwork; geo-technical remediation, and land use conditions.

### DEVELOPMENT REVIEW/ZONING

Provides information on zoning regulations and reviews proposed development applications for people seeking information or application sign-offs at the Zoning Counter. Development applications fall into three main categories: 1) major cases, which are reviewed by the Planning Commission - 10%; 2) administrative cases decided by the Zoning Administrator after public notice and comments - 40%; and 3) residential design review cases decided by staff - 50%.

### ENGINEERING & ARCHITECTURAL PLAN APPROVAL

This program assists builders, property owners, architects, engineers, and realtors in understanding and processing appropriate construction permits related to buildings and infrastructure with applicable state health and safety codes, regional environmental regulations, and city development and land subdivision ordinances, and provides records cataloging, archive retrieval, and interpretation services.

## ORGANIZATIONAL CHART BY PROGRAM

## PROGRAM DESCRIPTIONS

### HISTORIC PRESERVATION

This program fosters the economic vitality and quality of life in Oakland by means of education, regulations, and incentives. Activities include maintaining a library/archive and citywide database on historic properties; providing information to residents, real estate agents, developers, staff and environmental consultants about historic properties; conducting design reviews involving historic properties; and providing staff support to the Landmarks Preservation Advisory Board, which designates and reviews landmark projects.

### LIVABLE NEIGHBORHOOD CODE ENFORCEMENT SERVICES

This program enforces the California Housing Law and the Oakland Municipal Code regulating the maintenance of buildings used for human occupancy and the surrounding property; land use activities on private property, and the vending of food and newspapers and the use of public telephones in the public right-of-way.

### GENERAL PLAN, ZONING UPDATE & STRATEGIC ANALYSIS

This program manages complex environmental reviews (environmental impact reports or EIRs), including EIRs for new specific plan areas and comments on EIRs for other public agencies' projects. It works closely with applicants to expedite projects to the maximum extent feasible while ensuring good quality development, sensitivity to community issues, and legal defensibility. It manages a full caseload of active projects in various stages of review.

## OAKLAND PUBLIC WORKS

### MISSION STATEMENT

Service to the public is our sole reason for existence. Oakland Public Works plans, builds and maintains Oakland's physical and environmental infrastructure for the residents, businesses and visitors of the city, making it a sustainable and desirable place to live, work, invest and visit.

### BUSINESS GOALS

- Improve livability through sustainable practices for cleaning and maintaining streets, trees, sidewalks, parks, and facilities.
- Maintain the City's infrastructure to meet current and future needs of our neighborhoods, support development, and reduce the City's exposure to liability.
- Create a sustainable City through implementing green buildings, renewable energy and efficiency projects, alternative fueled vehicles, and recycling/solid waste services.
- Leverage existing resources by seeking grants, public private partnerships, and by enhancing volunteerism and sponsorship opportunities.
- Foster collaborative opportunities with other agencies and individuals to improve service delivery.
- Continue focusing on high-quality service and customer satisfaction to be the "provider of choice" for our customers.

# OAKLAND PUBLIC WORKS

## PROGRAM DESCRIPTIONS

### ADMINISTRATION (CONT'D)

and information analysis, safety program, public information and operation of the Public Works Call Center, which handled over 60,000 in 2014.

### AMERICANS WITH DISABILITIES ACT

ADA Programs provides comprehensive access compliance activities to City departments as well as the disability, business and nonprofit communities, as mandated by Title II of the Americans with Disabilities Act. ADA divides staffing resources between physical and programmatic responsibilities. ADA support multimillion dollar infrastructure improvement programs, major settlement agreements, and citywide accommodation efforts. It also staffs the Commission on Persons with Disabilities and Commission on Aging.

### BUILDINGS AND FACILITIES MANAGEMENT AND MAINTENANCE

Oakland Public Works provides custodial services, security, preventative and general maintenance to approximately 300 City-owned buildings (estimated 2.5 million square feet) ranging in size from Police Administration Building (147,900 sq. ft.) to the FROG Park restroom (40 sq. ft.). In Fiscal Year's 2013-15 Council allocated \$1million per year in funding for minor capital improvement repairs, which has been used to address immediate repairs to building systems, lighting upgrades, theft and vandalism damage, and overall extending the life and improving the conditions of city facilities.

### ELECTRICAL PROJECTS

Electrical staff provides design services and electrical engineering review for project development and construction. Utility coordination, planning, design and facilitation of assessment engineering are provided for the utility undergrounding program.

## PROGRAM DESCRIPTIONS

### ENGINEERING DESIGN

Engineering Design provides long-range planning for critical infrastructure in Oakland as well as project management, engineering and inspection services for City assets, including sanitary sewer rehabilitation, major street improvements, pavement rehabilitation, bridge rehabilitation, storm drainage, and sidewalks. The program manages the work of public utilities and private excavations within City streets. This program also provides project management services on a wide variety of technical projects in support of other City departments. The program is a key resource in emergency response to assess and manage critical infrastructure.

### FLEET AND EQUIPMENT MANAGEMENT AND MAINTENANCE

The City of Oakland owns and operates 1,469 vehicles and major pieces of equipment. The City's fleet has been reduced by over 350 vehicles in the last ten years. A full-time City staff of 55 mechanics, service workers, technicians, and administrative staff completing over 13,000 vehicle service and repair work orders keep the City's aging fleet at an 88% availability rate. The average fleet vehicle is 10.7 years old which is more than twice the 5.2-year replacement age recommended by the National Association of Fleet Administrators (NAFA). Currently, over 55% of City vehicles are over the NAFA recommended replacement age. A continued investment in regular replacement cycles for equipment will increase availability, reduce total operating costs, and reduce the fleet's carbon footprint.

### KEEP OAKLAND CLEAN AND BEAUTIFUL

The Keep Oakland Clean and Beautiful program maintains and enhances the cleanliness, health, and appearance of City streets and neighborhoods. Activities include annual response to 20,000 service

# OAKLAND PUBLIC WORKS

## PROGRAM DESCRIPTIONS

### KEEP OAKLAND CLEAN AND BEAUTIFUL (CONT'D)

requests for removal of illegal dumping; abatement of over 100 homeless encampments annually; removal of 800,000 sq. ft. of graffiti; support for volunteer cleanup and beautification events; special events support; and street sweeping of 614 routes monthly to improve the quality of life for Oakland residents and comply with Clean Water regulations.

### PARKING MANAGEMENT – METER REPAIR

Oakland has a total of about 7,900 parking spaces. It consists of an estimated 3,900 single parking meter spaces and 567 multi-space parking meters that control about 4,000 parking spaces. Single space meters have been upgraded to utilize modern technology and accept various credit cards for payment. Multi-space parking meters will be replaced within the next Budget Cycle. Revenue generated from citations goes directly to the General Purpose Fund.

### PARKS, GROUNDS AND MEDIANS MAINTENANCE

Oakland Public Works provides landscape maintenance, litter removal and homeless encampment abatement for 134 parks and public spaces. This includes two region-serving parks, nine community parks, 53 neighborhood parks, 15 special use parks, 26 athletic fields, plus many mini-parks, linear parks, and public grounds. There are another 1,055 acres of Resource Conservation Area (open space) primarily in the Oakland hills. Approximately 100 landscaped medians and streetscapes are also included in the City's park maintenance responsibility along with grounds at City facilities. New and renovated parks and plans are being developed primarily funded by voter-supported Measure DD (2002 Oakland Trust for Clean Water & Safe Parks), Measure WW (2008 Preserve Open Space for Recreation and Wildlife Habitat),

## PROGRAM DESCRIPTIONS

### PARKS, GROUNDS AND MEDIANS MAINTENANCE (CONT'D)

State Park Bond Funds (2002 California Clean Water, Clean Air, Safe Neighborhood Parks, and Coastal Protection Act) and Redevelopment funds (still funding projects in process). Bonds and former Redevelopment funds are restricted to supporting the creation of a park or other facility, and are not available to fund staff or materials for ongoing maintenance. No funds have been budgeted to maintain these newly constructed parks. Park maintenance staffing levels for fulltime staff was reduced nearly 50% in 2008. These reductions have impacted the maintenance; resulting in a look and feel that Oakland parks are unkempt and have increased risk to the City.

### SAFETY AND LIABILITY

Serves all Public Works employees and aggressively addresses and improves issues of employee safety and training. Reduces workers compensation claims, increases the number of employees returning to work, and decreasing the amount of exposure and liability to the city. Activities within the program include training in sound safety and health practices, developing and enforcing safety and health rules, and investigating every accident promptly and thoroughly to determine cause and implement proper measures to prevent recurrence. This program works closely with the City Attorney's Office, the City's Risk Management Division and the third party administrator.

### SANITARY SEWER MANAGEMENT AND MAINTENANCE

The City of Oakland has 929 miles of City-maintained sanitary sewer pipes, seven pump stations, and over 27,000 manholes and structures. Most of Oakland's sewer system is 60 to 70 years old. During storm events, sewer flows are significantly increased due to infiltration and inflow (I/I) of storm water into the sanitary sewer system. The Sewer

## PROGRAM DESCRIPTIONS

### SANITARY SEWER MANAGEMENT AND MAINTENANCE (CONT'D)

Service Charge that is collected from all properties pays for the operating and capital expenses of the program. The sanitary sewer collection system is a network of pipes, manholes, clean-outs, pump stations, and other structures used to collect all wastewater and transport it to the East Bay Municipal Utility (EBMUD) interceptor and treatment plant. The City of Oakland sanitary sewer system is a collection system only. Sewage treatment and disposal occurs at the EBMUD Treatment Facility near the Bay Bridge and two other facilities—Oakport Wet-Weather Facility and San Antonio Creek Wet-Weather Facility.

Conditions such as ground movement, tree root intrusion, quality of original pipe material, and other factors can significantly decrease the serviceability of sewer pipes and manholes. In 1987, a long-term capital improvement program was initiated to rehabilitate about 25% of sewer lines that contributed to wet weather overflows. In 2010, the City, in response to EPA mandates, started a two-year flow metering and modeling project to evaluate system capacity and plan for the next long-term capital improvements, with an objective to improve pipe conditions and reduce wet-weather flows. In 2014, the City and the US EPA, along with other East Bay communities, agreed on a 22-year landmark sewer consent decree to continue its sewer rehabilitation program at a rate of 13 miles per year. The agreement also called for other operational changes including 5-year cyclic system cleaning, 10-year cyclic system inspection, root-foaming and other asset management practices needed to reduce sanitary sewer overflows and decrease wet-weather flows into EBMUD facilities.

## PROGRAM DESCRIPTIONS (CONT'D)

### STREET AND SIDEWALK MANAGEMENT AND MAINTENANCE

The City of Oakland has 806 miles of City-maintained streets. Buses use 150 miles of these streets. Bike facilities are designated on 200 miles of streets. Pavement condition is rated by a "Pavement Condition Index" (PCI), a regionally used ranking that rates the condition of streets on a zero to 100 point system. Oakland currently ranks 98<sup>th</sup> out of 109 Bay Area cities in PCI, with a three-year average PCI of 60. The current backlog of street rehabilitation is \$443 Million and is growing. Maintaining the existing pavement condition on Oakland's streets would require an estimated \$28 million annually, while our annual funding for this purpose is totally dependent on federal, state, and county allocations which have been less than \$6 million in recent years. The recent passage of Measure BB will hopefully allow Oakland to better address this key asset.

The City of Oakland also has 1,100 miles of sidewalk, 17,800 curb ramp locations, and 232 developed stairs and pathways. A majority of Oakland's sidewalks, stairs, and paths are in acceptable condition, while 60% of the curb ramps are non-compliant or non-existing. Oakland is committed to a long-term plan to fully upgrade all curb ramps and to improve the condition of sidewalks throughout the City.

### STREET LIGHT MANAGEMENT AND MAINTENANCE

Oakland has approximately 37,000 streetlights covering over 800 miles of roadways and pedestrian passages. Most of the lights are mounted on wooden poles and fed directly overhead from PG&E. Of the 37,000 streetlights, 30,000 are "Light Emitting Diode (LED)" fixtures on tall poles, while about 7,000 are ornamental pedestrian lights. In FY 2013-14, City staff responded to 1,901 street lighting service requests and repaired 1,775 streetlights. In addition, the City converted 30,000 street lights from High Pressure Sodium

(HPS) to LED lighting. In general, the streetlights in Oakland meet the levels in the Street Lighting Warrants approved by City Council; however, there are areas that could benefit from enhanced lighting due to increased pedestrian usage or unsolicited activity.

### SUSTAINABLE OAKLAND PROGRAM

The Sustainable Oakland Program leads the protection of Oakland's natural resources and the improvement to health of our community through energy efficiency and increased use of renewable energy sources, pollution prevention, environmental cleanup and restoration, and promotion of sustainability. The program tracks Oakland's progress in becoming a more sustainable city, coordinates climate change mitigation and adaptation

initiatives, and leads internal sustainability teams.

The program is dedicated to reducing energy consumption in and maintaining environmental compliance for municipal facilities, conducting environmental assessment and cleanup of open spaces, rights-of-way, waterways and development projects, and implementing broad based sustainability project throughout the community. The Program supports the efforts of community volunteers to clean, green, and beautify Oakland's streets, parks, and creeks through the Adopt a Spot program, and major beautification events such as Earth Day and Creek to Bay Day.

The program aggressively seeks grants to support these efforts enabling Oakland to be a top 10 green city in the nation.

## PROGRAM DESCRIPTIONS (CONT'D)

### TRAFFIC SIGNAL MANAGEMENT AND MAINTENANCE

Oakland's streets include 677 signalized intersections (which include 18,000 traffic signals and 4,000 pedestrian walk/don't walk signals). Signals are reviewed and re-timed on the average of once every five to ten years due to the large number of signals (higher than most cities of comparable size) and few staff to collect the traffic counts necessary to make signal timing changes. Much of the City's signal equipment is obsolete and/or not compatible with modern communication systems. Maintenance of traffic signals is provided by City staff.

The City has developed an Intelligent Transportation Systems (ITS) Master Plan to upgrade and manage the signal system along major corridors. Only a fraction of the system has been built. A Traffic Management Center (TMC) was recently completed and serves as the nerve center for ITS corridors. New areas will be added as part of transportation projects and as funding opportunities become available.

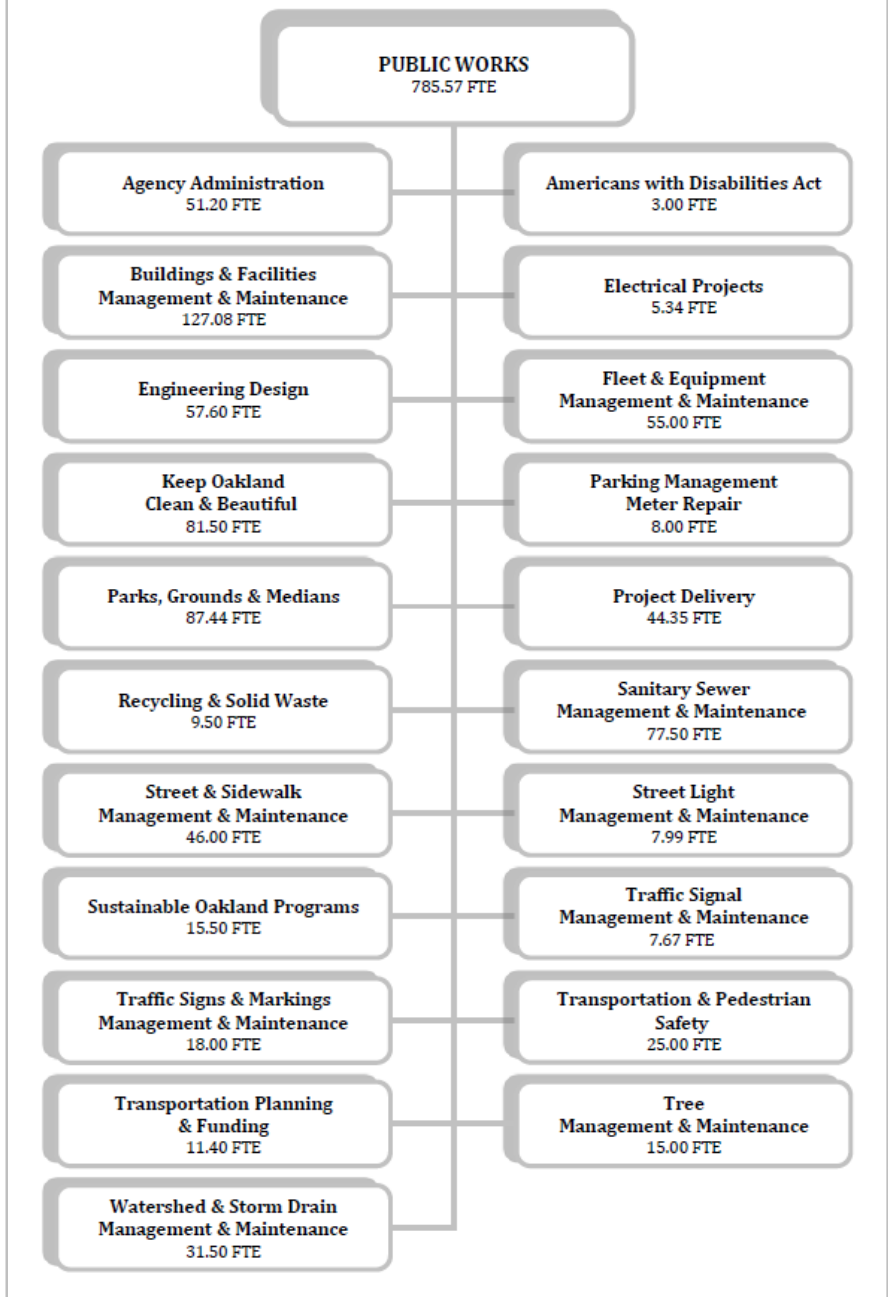

### TRAFFIC SIGNS AND MARKINGS MANAGEMENT AND MAINTENANCE

There are over 3,500 signal poles, and on average, 100 traffic signal poles have to be replaced each year from damages. Oakland's streets also include 200,000 traffic signs, 3,600 miles of lane striping, and legends are designed using the California Manual of uniform Traffic Control Devices specifications and standards as dictated by 23 CFR 655.603. These signs, stripes, and legends are maintained daily by City staff, and through the course of yearly paving contracts for streets identified in the Five-Year Paving Plan. In addition, striping is maintained as hazards are identified or on a complaint basis.

### TRANSPORTATION AND PEDESTRIAN SAFETY

The Transportation and Pedestrian Safety program advances safety for

## ORGANIZATIONAL CHART BY PROGRAM

pedestrians, cyclists, motorists and transit riders on City streets, with particular emphasis around schools, parks, senior centers and other public places. Activities include assessing risks, designing traffic calming systems and other engineering approaches to making our community safer, installing or upgrading traffic signals and safety devices, audible pedestrian signal

heads, pavement markings. The program also provides curbside management of residential blue zones, and other parking zones to enhance neighborhood economic activity,. This program also promotes alternative modes of transportation such as walking and bicycling.

## PROGRAM DESCRIPTIONS (CONT'D)

### TRANSPORTATION PLANNING AND FUNDING

Transportation Planning and Funding coordinates the grant application prioritization and submittal process for transportation projects and provides review of the impact of large private development on transportation. Deliverables include transportation policies and long-range plans, bicycle and pedestrian plans in keeping with the complete streets Policy. This is achieved through community outreach, corridor planning, development project review and the update and implementation of the General Plan Circulation Element and TOD and Transit-First policies. The Division coordinates planning of large-scale transportation projects with AC Transit, BART, Caltrans, and the Port of Oakland.

### TREE MANAGEMENT AND MAINTENANCE

Oakland is known for its green tree canopy; the 100-year-old Jack London Oak tree symbolizes our commitment to being a Green City. The urban forest maintained by OPW consists of over 250,000 trees of which 42,642 are street trees (per the 2008 Sidewalk Survey) plus trees found in public parks, medians, streetscapes, and within the street right-of-way, the exact number has not been quantified. Several hundred new street trees have

been planted by Urban Releaf, Sierra Club, West Oakland Greening Initiative and homeowners, far fewer than pre-2006 when the City had a tree planting crew that planted over 1,000 trees a year.

Tree staff is also responsible for processing over 200 tree permits annually under the City Tree and View Ordinances. All permits and hazardous tree requests must be inspected by an Arboricultural Inspector or Tree Supervisor. There are currently two positions which handle this work. Tree Services staffing was reduced by 50% since 2006. Tree services are limited to managing emergency tree response. The City ended the tree planting and aesthetic tree pruning program in 2008.

### WATERSHED AND STORM DRAIN MANAGEMENT AND MAINTENANCE

The City's storm water infrastructure includes more than 402 miles of pipe that range from 6" to 98" in diameter, including trash collection devices such as Vortex Units, 15,000 structures, and over 80 miles of open creek. The majority of the City's storm water infrastructure was constructed 60 to 80 years ago. Since that time, very little to no upgrading of the system has taken place. Much of the system has long suffered from inadequate resources leading to increasing instances of flooding, erosion, and property damage. Additionally, the City of Oakland is subject to storm water quality regulations (Municipal Regional Permit

- MRP) that mandates the City implement numerous programs including : New development and redevelopment permitting and enforcement, Industrial and commercial site inspections, enforcement, and control, Illicit discharge detection and elimination, Construction site inspections, enforcement, and controls, Public information and outreach, Water quality monitoring, Trash load reduction, Mercury, PCBs, copper and legacy pesticide, PBDE, and selenium controls and Development of plans for implementation of green infrastructure. The City of Oakland has no fund source dedicated to managing storm water or for water quality compliance. Without a dedicated source of funding for ongoing maintenance, capital improvements, and water quality efforts the existing storm water system will continue to deteriorate, damage related to flooding and infrastructure failure will increase and compliance with water quality regulations will be jeopardized. Much of the system is now nearing the end of its useful life and is in need of replacement. If water quality regulatory requirements, such as trash reduction and PCB reduction are not met the City may face potential fines from the Water Board and third party lawsuits. An average annual investment of \$20 to \$25 million is needed for storm water system capital projects and maintenance and for water quality compliance.

**NOTES**

## TRANSPORTATION

### MISSION STATEMENT

To envision, plan, build, operate and maintain a transportation system for the City of Oakland - in partnership with local transit providers and other agencies - which provides safe, equitable, and sustainable access and mobility for residents, businesses and visitors.

### FUNDING

Funds totaling \$500,000 in FY 2015-16 and \$1.0 million in FY 2016-17 are set aside in Oakland Public Works, Measure BB Fund (2216), to support the creation of this department.

### GOALS

- To attract new funding and manage existing revenues to enhance, operate and maintain Oakland's transportation policies, programs, services, and infrastructure.
- To develop and complete transportation capital projects through a comprehensive process including visioning, planning, project identification and prioritization, design, and project construction.
- To support economic development and housing by implementing the major projects included in the Alameda Countywide Transportation Plan and local plans, including the Oakland Army Base, the City's Bicycle and Pedestrian Master Plans, and transit-oriented development at West Oakland, Macarthur, Downtown, Fruitvale and Coliseum BART stations.
- To work closely with BART, AC Transit, Capital Corridor, paratransit and others to achieve a state of good repair and support transit service and stations improvements.
- To accelerate the improvement, operation and maintenance of Oakland's 805 miles of streets, 1,500 miles of sidewalks, 150 blocks of path and stairways, and 671 traffic signals.
- To manage and improve performance and customer satisfaction with all of

the City of Oakland's on-street and off-street parking.

- To support programs and policies that improve and expand transportation choices, such as car sharing, bicycle sharing, on-demand ride-sharing and transit pass programs for residents and employees.
- To operate an effective, responsive and accountable organization that can attract and retain top quality staff and provide professional development opportunities to all staff in order to successfully innovate and implement the best practices to serve the evolving needs of residents.
- To measure performance, provide comprehensive information to the public, and to guide investments in the City's transportation assets to improve mobility and reduce operations and management costs where feasible.

### DIVISION DESCRIPTIONS

#### OFFICE OF THE DIRECTOR

Directs and coordinates work for the Department, including legal and legislative issues, and policy and procedure development, as well as other inter-departmental and inter-division special projects. Oversees administrative functions, including fiscal and personnel management for Department. Manages Public Information, Data Analytics and Asset Management. Collects, analyses, and distributes data to provide city and the public with timely, relevant information on transportation service and projects. Coordinates transportation asset management for cost-effective and transparent. Support Administration to develop and track performance metrics for all assigned work.

#### POLICY, PLANNING AND PROGRAMMING

Carries out long-range transportation planning, participates in regional planning efforts to develop transportation policy and projects, and works to identify funding to implement the transportation elements of the City's adopted plans and policies. Fosters public and private partnerships to support Oakland's land use, economic development and equity goals. Supports current planning by providing the

Planning & Building Department with development review, and by participating the development of specific and general plans and land-use related policies such as impact fees, Conditions of Approval and parking requirements.

#### COMPLETE STREETS CAPITAL DELIVERY

Provides project management to develop and deliver multi-modal transportation, streetscape and public space improvements on time and on budget, including planning and development, fundraising, design and engineering, community involvement, environmental, review and construction management. Capital Projects also supports partner agencies including BART and AC Transit, and other City agencies, including the Port of Oakland, Planning & Building Department and the Economic and Workforce Development Department to realize significant transportation improvements in the city.

#### PARKING AND MOBILITY MANAGEMENT

Manages the city's off-street parking and curb space, including on-street parking including policy, parking infrastructure, meter management and enforcement to serve the public needs for private vehicles, transit, taxis, commercial loading, bicycle parking, parklets and other public benefits. Develops and administers programs and policies that improve and expand transportation choices, such as car sharing, bicycle sharing, and transit pass programs for residents and employees.

#### INFRASTRUCTURE MAINTENANCE

Monitors the condition of city streets and manages pavement maintenance, sidewalk repair, and bicycle infrastructure.

#### TRANSPORTATION OPERATIONS AND SAFETY

Operates and works to improve the day-to-day operation of the City's street system, including paving design, traffic signals, and signs, and temporary Traffic Management Plans. Implements Bicycle and Pedestrian Plan, including bike parking, safety improvements, bicycle-related pavement markings, crosswalk upgrades, signal management, wayfinding and safety signage.

## NON-DEPARTMENTAL

Non-Departmental comprises costs, programs, activities, debt and lease payments that are not assignable to a specific department.

### PROGRAM DESCRIPTIONS

#### CITYWIDE ACTIVITIES

Citywide Activities includes wide variety of city-wide costs and programs. The other major component is subsidies to organizations outside City governments. Examples of city-wide programs, and their annual costs, include the; Joint Powers Authority Membership (\$150,000) and Business Improvement District assessment charges on City-owned property. Examples of subsidies include City-wide Arts Grants (\$730,000).

#### DEBT/LEASE PAYMENTS

Include payments for debt related to financing of City administration buildings at Frank Ogawa Plaza (\$9 million); various Information Technology lease payments, such as costs for the an upgrade to Oracle (the City's financial system) and payment for the Oakland-Alameda County Coliseum (\$10 million).

#### FISCAL MANAGEMENT

Fiscal Management includes a variety of fiscal items such as fund transfers, overhead cost recoveries, and contingency line items. The largest item is a cost recovery into the General Purpose Fund for \$21.5 million from other funds. This represents a reimbursement for services provided by General Government departments such as Personnel, the City Administrator, the City Attorney and Finance. Also included in Fiscal Management are payments from the General Purpose Fund to other funds with negative balances.

**REDEVELOPMENT SUCCESSOR AGENCY OF THE CITY OF OAKLAND.** The City's Former Redevelopment Agency and Redevelopment Successor Agency have issued several series of tax allocation bonds to provide funding for blight alleviation and economic development in parts of the City, or for the construction of low-income housing. The bonds are payable from the revenues deposited into the Redevelopment Property Tax Trust Fund which were formerly tax increment revenues received from the specific redevelopment project areas. Tax allocation bonds have been issued for the Acorn Redevelopment Project Area, the Central District Redevelopment Project Area, the Coliseum Area Redevelopment Project Area, the Central City East Redevelopment Project Area and the Broadway/MacArthur/San Pablo Redevelopment Project Area. In addition, bonds have been issued that are secured by dedicated housing set-aside revenues from all the City's redevelopment project areas.

The tables below summarize the Redevelopment Successor Agency's outstanding tax allocation debt and other financings, including the final maturity date, original par amounts and amounts outstanding. All information below is presented as of July 1, 2015.

## CATEGORIES

### SEWERS AND STORM DRAINS

(CONT'D)

United States Environmental Protection Agency and the State of California. The Order requires the City to plan and implement capital repairs and replacements to the aging sewer facilities and implement maintenance practices to prevent sewage discharges into creeks, lakes, and the San Francisco Bay. Funding for emergency repair and replacement of sewer and storm drain facilities is also included.

### STREETS AND SIDEWALKS

Projects in this category include street paving and rehabilitation, street safety projects, street lighting, and sidewalk repair, as well as streetscape beautification. These projects are designed to address the maintenance backlog of City streets and sidewalks.

### TRAFFIC IMPROVEMENTS

This category includes traffic and transportation-related improvements, including traffic calming, traffic signals, modernization of traffic signals and signal controllers, and signal synchronization. They are intended to improve the safety of all modes of travel: pedestrian, cyclist and automobile.

## OAKLAND CITY COUNCIL

ORDINANCE NO. 13279 C.M.S.

### ORDINANCE AMENDING THE CITY OF OAKLAND FINANCIAL POLICIES, TO ESTABLISH A NEW RAINY DAY POLICY AND CONSOLIDATING ALL FISCAL POLICIES INTO THE CITY OF OAKLAND CONSOLIDATED FISCAL POLICY

**WHEREAS**, the Government Finance Officers Association (GFOA) recommends that jurisdictions adopt policies in the areas of financial planning, revenue, and expenditure; and

**WHEREAS**, the City has previously adopted policies on subjects including budget balancing, use of volatile revenues, use of one time revenues, process for carryforward appropriations, long term financial planning, and transparency & public participation; and

**WHEREAS**, through its fiscal policies, the City has established reserve funds for emergencies, insurmountable and unanticipated hardship, and for capital improvement; and

**WHEREAS**, the City seeks to establish a reserve fund to stabilize the provision of vital services, protect against service reductions, prevent layoffs, furloughs, and similar measures in times of economic hardship as an element of a rainy day policy; and

**WHEREAS**, the City seeks to adopt procedures to accelerate debt repayment and pay-down unfunded long-term obligations as an element of a rainy day policy; and

**WHEREAS**, City staff recommends the definition of excess Real Estate Transfer Tax should be modified to increase with the overall growth of tax revenues; and

**WHEREAS**, the City's fiscal policies are contained within various ordinances and resolutions that were adopted to address a range of economic situations as they have arisen; and

**WHEREAS**, a single consolidated fiscal policy will communicate the policies relating to City financial matters more clearly to the public, the financial community, and policy makers;

**WHEREAS**, the Consolidated Fiscal Policy will include the policies on budgeting practices, reserve funds, and budget process, fiscal planning, transparency, and public participation; now, therefore

## Section 1. Budgeting Practices

### Part A. General Provisions

The City's Fiscal Year shall run from July 1<sup>st</sup> through June 30<sup>th</sup> of the subsequent year and the Budget shall be adopted by resolution as provided by the City charter.

The City shall adopt a two-year (biennial) policy budget by July 1<sup>st</sup> of odd-numbered calendar years. The City shall amend its biennial policy budget (midcycle) by July 1<sup>st</sup> of even-numbered years.

### Part B. Policy on Balanced Budgets

The City shall adopt balanced budgets, containing appropriated revenues equal to appropriated expenditures. This policy entails the following additional definitions and qualifications:

1. The budget must be balanced at an individual fund level.
2. City policies on reserve requirements for individual funds must be taken into account. The appropriated expenditures to be included in the balanced budget equation must include the appropriations necessary to achieve or maintain an individual fund's reserve target.
3. Appropriated revenues can include transfers from fund balance where such fund balance is reasonably expected to exist by the end of the fiscal year preceding the year of the adopted budget. Transfers from fund balance are not to be counted as revenue if the fund balance is not reasonably expected to exist by the end of the fiscal year preceding the year of the adopted budget. (Note: The precise definition of 'fund balance' will vary from fund to fund, depending on the fund's characteristics and accounting treatment.)
4. Appropriated expenditures can include transfers to fund balance or to reserves.

The City Administrator shall be responsible for ensuring that the budget proposed to the City Council by the Mayor, adheres to the balanced budget policy.

From time to time the City Council may present changes in policy and consider additional appropriations that were not anticipated in the most recently adopted budget. Fiscal produced required that prior to Council approval of such actions the following occur:

1. Identification of a new or existing viable funding source whose time span reflects the timing of the expenditure or lasts until the approval of the next biennial budget.
2. The budget must be amended in such a way as to maintain a balanced budget where appropriated revenues are equal to appropriated expenditures.

Each fiscal year, once prior year information has been made available, the City Administrator shall report to the Council how actual year-end revenues and expenditures compared to budgeted revenues and expenditures in the General Purpose Fund and such other funds as may be deemed necessary.

### Part C. Use of Excess Real Estate Transfer Tax (RETT) Revenues

To ensure adequate levels of the General Purpose Fund reserves and to provide necessary funding for municipal capital improvement projects and one-time expenses, the City shall require that excess Real Estate Transfer Tax revenues be defined and used as follows:

1. The excess Real Estate Transfer Tax (RETT) revenue is hereby defined: Any amounts of projected RETT revenues whose value exceeds 14% of corresponding General Purpose Fund Tax Revenues (inclusive of RETT).
2. The excess Real Estate Transfer Tax collections, as described in this section, shall be used in the following manner and appropriated through the budget process.
  - a. At least 25% shall be allocated to the Vital Services Stabilization Fund. Until the value in such fund is projected to equal to 15% of General Purpose Fund revenues over the coming fiscal year.
  - b. At least 25% shall be used to fund accelerated debt retirement and unfunded long-term obligations: including negative funds balances, to fund the Police and Fire Retirement System (PFRS) liability, to fund other unfunded retirement and pension liabilities, unfunded paid leave liabilities, to fund Other Post-Employment Retirement Benefits (OPEB).
  - c. The remainder shall be used to fund one-time expenses; augment the General Purpose Fund Emergency Reserve, and to augment the Capital Improvements Reserve Fund.
3. Use of the "excess" RETT revenue for purposes other than those established above may only be allowed by a super majority vote (6 out of 8) of the City Council through a separate resolution.
  - a. The resolution shall be supported by a statement explaining the necessity for using excess RETT revenues for purposes other than those established above and;
  - b. The resolution authorizing expenditures using excess RETT revenue for proposes other than those above shall include a finding of necessity by the City Council; and
  - c. The resolution shall also include steps the City will take in order to return to utilizing one-time RETT revenues as described above.
4. Following the completion of the annual audit, audited revenues will be analyzed to determine whether the appropriate value was transferred to the Vital Services Stabilization Fund and to fund accelerated debt retirement and unfunded long-term obligations. If is found that insufficient funds were transferred then a true-up payment shall be made as a part of the next fiscal year's budget process. If the transfers exceeded

the actual required amounts, then the amounts in excess may be credited against future allocations in the next fiscal year's budget process.

## **Part D. Use of One Time Revenues**

1. From time to time, the City may receive "one time revenues", defined as financial proceeds that will not likely occur on an ongoing basis, such as sales of property or proceeds from the refinancing of debt, but not including additional Real Estate Transfer Tax revenues discussed in Section "B" above.
2. Fiscal prudence and conservancy requires that one time revenues not be used for recurring expenses. Therefore, upon receipt of one time revenues, such revenues shall be used in the following manner, unless legally restricted to other purposes: to fund one time expenditures, to fund accelerated debt retirement and unfunded long-term obligations: including negative funds balances, to fund the Police and Fire Retirement System (PFRS) liability, to fund other unfunded retirement and pension liabilities, unfunded paid leave liabilities, to fund Other Post- Employment Retirement Benefits (OPEB); or shall remain as fund balance in the appropriate fund.
3. Use of the "one time revenues" for purposes other than those established above may only be allowed by a super majority vote (6 out of 8) of the City Council through a separate resolution
  - a. The resolution shall be supported by a statement explaining the necessity for using one-time revenues for purposes other than those established above; and
  - b. The resolution authorizing expenditures utilizing one-time revenue for purposes other than those above shall include a finding of necessity by the City Council; and
  - c. The resolution shall also include steps the City will take in order to return to utilizing one-time revenues as described above.

## **Part E. Use of Unallocated General Purpose Fund Balance.**

Any unallocated General Purpose Fund balance, as projected based upon the 3rd Quarter Revenues and Expenditures forecast, and not budgeted for other purposes, shall be used in accordance with Part D.

## Exhibit 1

### **Part F. Analysis of Payments for Debt or Unfunded long-term obligations from certain revenues**

When allocating funds to fund accelerated debt retirement and unfunded long-term obligations from excess Real Estate Transfer Tax and One Time Revenues the City Administrator shall present his or her analysis and recommendations to the Council based on the best long-term financial interest of the City. The term Unfunded long-term obligations shall be clearly defined, as part of the budget process.

### **Part G. Criteria for Project Carryforwards and Encumbrances in the General Purpose Fund.**

Previously approved but unspent project appropriations ("carryforwards"), as well as funding reserved to fund purchases or contracts that are entered into in the current year, but are not paid for until the following year ("encumbrances"), draw down funding from reserves. Fiscal prudence requires that such drawdowns be limited in the General Purpose Fund (GPF). Therefore:

1. Funding for non-operating projects and purchases shall be restricted within the General Purpose Fund.
2. In cases when non-capital, operating projects and purchases must be funded in the General Purpose Fund, these shall be included in an annual budget and supported with new annual revenues.
3. Carryover of unspent project carryforwards and encumbrances in the GPF from one year into the next, with no new funding, will be allowed only on an exception basis.
4. In the beginning of each fiscal year, before project carryforwards and encumbrances are carried over from the prior year, and no later than September 1:

The Budget Director shall liquidate all unspent project carryforwards and encumbrances in the GPF and advise affected City departments of said action.

The Budget Director shall provide a report of all unspent project carryforwards and encumbrances to the City Council for review and direction.

5. Departments may request to retain some or all of the liquidated GPF carryforwards and encumbrances only if and when such balances are deemed essential to the delivery of city projects, programs and services, and only if the liquidation of such balances would be in violation of legislative or legal requirements, could lead to health or safety issues, and/or would greatly impact essential City projects, programs and services.
6. A request to retain some or all of the liquidated GPF carryforwards or encumbrances must be submitted in writing to the Budget Director within five (5) working days of receiving an advisory from the Budget Director about said liquidations, and must detail

# FINANCIAL POLICIES

---

specific reasons necessitating such a request, including but not limited to those stated in item (3) above.

7. The Budget Director, upon review of a department's request, shall recommend an action to the City Administrator within five (5) working days of receiving the department's request.
8. The City Administrator, in consultation with the Budget Director, shall make a final determination of any and all requests for exceptions by departments, by September 20, and all requesting departments should be so notified by September 30.

## **Part H. Grant Retention Clauses**

Prior to the appropriation of revenues from any grant outside of the budget process, the City Council shall be informed of any retention clauses that require the City to retain grant-funded staff, services, programs, or operations beyond the term of the grant. The fiscal impacts of such retention clauses shall be disclosed. During the biennial budget process staff shall report to the Council the ongoing projected fiscal impacts of such retention clauses.

## **Part I. Alterations to the Budget**

Substantial or material alterations to the adopted budget including shifting the allocation of funds between departments, substantial or material changes to funded service levels, shall be made by resolution of the City Council.

## **Part J. Transfers of Funds between accounts.**

The City Administrator shall have the authority to transfer fund between personnel accounts, and between non-personnel accounts within a department. The City Administrator shall have the authority to transfer funds allocated to personnel accounts to non-personnel accounts within a department provided that cumulative transfers within one fiscal year do not exceed 5% of the original personnel account allocation of that department. The City Administrator shall have the authority to transfer funds from non-personnel accounts to personnel accounts within a department. For the purposes of this section accounts for the provision of temporary personnel services shall be considered personnel accounts.

## **Part K. Pay-Go Account Expenditures & Grants and Priority Project Fund Expenditures & Grants**

The City Council hereby finds and determines that it is in the public interest to spend Pay-go account fund to facilitate and support programs & services of the City of Oakland, capital improvement projects of the City of Oakland, and programs & capital improvement projects of the public schools and other public entities within the City of Oakland. The Council authorizes Pay-Go account funds to be used for the following purposes:

## Exhibit 1

### Capital Improvements:

1. To pay for or augment funding for a City of Oakland capital improvement project including planning and pre-construction services for projects such as, but not limited to, feasibility studies and design, landscaping, architectural and engineering services and all services and materials needed to construct a capital improvements such as, but not limited to, contractor services, lumber, concrete, gravel, plants and other landscape materials, fountains, benches, banners, signs, affixed artwork and any other design and decorative elements of the project; and
2. To provide a grant to a public school, including a school chartered by the State of California or Oakland Unified School District, or other public entity for use on capital improvement project within the City of Oakland, including planning and pre-construction services for projects such as, but not limited to, feasibility studies and design, landscaping, architectural and engineering services and all services and materials needed to construct a capital improvements such as, but not limited to, contractor services, lumber, concrete, gravel, plants and other landscape materials, fountains, benches, banners, signs, affixed artwork and any other design and decorative elements of the project; and

### Furniture, Equipment:

3. To pay for or augment funding for purchase of furniture and equipment, including computer equipment and software, to be used by participants in a program operated by the City of Oakland; and
4. To provide a grant to a public school, including a school chartered by the State of California or Oakland Unified School District, or another public entity to be used for furniture and equipment, including computer equipment and software, to be used by participants in a program operated by the public school or public entity.

Pay-go purposes stated above shall operate as restrictions on Pay-go expenditures or Pay-go grants, regardless of the Pay-go account funding source.

Pay-go purposes stated above shall apply to any and all Pay-go expenditures or grants made by the Mayor and each City Councilmember.

All Pay-go expenditures and grants shall be administered by the City Administrator on behalf of the city, and grant agreements shall be required for all such grants.

In accord with the City Council's motion approving the initial allocation of Councilmember Priority Project funds on June 8, 2006, the City Councilmembers must obtain City Council approval for all Priority Project expenditures.

All Priority Project fund grants approved by the City Council and shall be administered and executed by the City Administrator on behalf of the city, and grant agreements shall be required for all such grants.

## Section 2. Reserve Funds

### Part A. General Purpose Fund Emergency Reserve Policy

1. Council hereby declares that it shall be the policy of the City of Oakland to provide in each fiscal year a reserve of undesignated, uncommitted fund balance equal to seven and one-half (7.5%) of the General Purpose Fund (Fund 1010) appropriations for such fiscal year (the "General Purpose Fund Emergency Reserve Policy").
2. Each year, upon completion of the City's financial audited statements, the City Administrator shall report the status of the General Purpose Funds Emergency Reserve to the City Council and on the adequacy of the of the 7.5% reserve level. If in any fiscal year the General Purpose Fund Reserve Policy is not met, the City Administrator shall present to Council a strategy to meet the General Purpose Funds Emergency Reserve Policy. Each year, the City Administrator shall determine whether the 7.5% reserve level requires adjustment and recommend any changes to the City Council.
3. The amounts identified as the General Purpose Funds Emergency Reserve may be appropriated by Council only to fund unusual, unanticipated and seemingly insurmountable events of hardship of the City, and only upon declaration of fiscal emergency. For the purposes of this Ordinance, "fiscal emergency" may be declared (1) by the Mayor and approved by the majority of the City Council, or (2) by a majority vote of the City Council.
4. Prior to appropriating monies from the General Purpose Funds Emergency Reserve, the City Administrator shall prepare and present such analysis to the City Council. Upon review and approval of the proposed expenditure by the City Council, and appropriate fiscal emergency declaration necessary for the use of GPF reserve, the City Administrator will have the authority to allocate from the reserves.

### Part B. Vital Services Stabilization Fund Reserve Policy

1. Council hereby declares that it shall be the policy of the City of Oakland to maintain a Vital Services Stabilization Fund.
2. In years when the city projects that total General Purpose Fund revenues for the upcoming fiscal year will be less than the current year's revenues, or anytime service reductions (such as layoffs or furloughs) are contemplated due to adverse financial conditions, use of this fund must be considered so as to maintain existing service levels as much as possible, and to minimize associated impacts; and the adopted budget may appropriate funds from the Vital Services Stabilization Fund to preserve city operations; however, the budget may not appropriate more than sixty percent of the reserve balance in any year.

The Mayor and City Administrator and/or their designees will meet and discuss the key features of the Mayor's proposed draft budget with the labor unions, which represent City employees as duly authorized representatives for their respective bargaining units, in

## Exhibit 1

accordance with applicable state labor law, provided the labor unions can respond within the timeline required.

The timeline may be restricted and may require short notice. Reasonable notice shall be provided to the labor unions. Further, information contained in the Mayor's budget prior to release is in draft form and subject to change before a final version is released to the City Council and the public.

3. Any deviations from this policy, including the need to address unusual and temporary increases in baseline expenditures, must be made by Resolution requiring a minimum of 6 votes. The Resolution must include (1) a statement explaining the necessity for the deviation and (2) a plan for replenishing the reserve.

### **Part C. Capital Improvements Reserve Fund**

1. Council hereby declares that it shall be the policy of the City of Oakland to maintain a Capital Improvements Reserve Fund.
2. On an annual basis, an amount equal to \$6,000,000 shall be held in the Capital Improvements Reserve Fund. Revenue received from one time activities, including the sale of Real Property, shall be deposited into the Capital Improvements Reserve Fund, unless otherwise directed by a majority vote of the City Council. Interest earnings on monies on deposit in the Capital Improvements Reserve Fund shall accrue to said fund and be maintained therein.
3. Monies on deposit in the Capital Improvements Reserve Fund may be appropriated by Council to funds unexpected emergency or major capital maintenance or repair costs to City-owned facilities and to fund capital improvement projects through the Five-Year Capital Improvement Program.
4. Each year, upon completion of the City's financial audited statements, the City Administrator shall report the status of the Capital Improvements Reserve Fund. If in any fiscal year the Capital Improvements Reserve Fund threshold of \$6,000,000 is not met, the City Administrator shall present to Council a strategy to meet said threshold.

## Section 3. Budget Process, Fiscal Planning, Transparency, and Public Participation

All Timelines apply only to budget development years, normally odd numbered years and not to mid-cycle revisions to an adopted two-year budget.

### 1. Council Initial Budget Briefing and Priorities Discussion

**Timeline:** January.

**Requirements:** The Mayor and City Council will hold a bi-annual budget workshop soon after the commencement of the Council term. The workshop will include briefings on estimated baseline expenditures, revenue projections and an overview of the City's budgeting process. The workshop will provide the Mayor and Council with the opportunity to begin discussing priorities for the next budget year based on preliminary projected increases or decreases in the next budget.

### 2. Five Year Forecast

**Timeline:** Produced and heard by the Council's Finance & Management Committee in February. Forecast Fact Sheets should be distributed to City community centers and Forecast data should be available on Open Data Portal within two weeks of the Committee hearing.

**Requirements:** Each Budget Cycle, the City Administrator must prepare a Five Year Forecast.

The Five-Year Financial Forecast ("Forecast") is a planning tool that estimates the City's likely revenues and expenditures over a future period of at least five-years, based on appropriate financial, economic, and demographic data. The purpose of the Forecast is to surface all major financial issues and estimate future financial conditions to support informed long-term planning and decision making regarding issues such as expenditures, labor negotiations, economic development policies, and revenue policies. Such planning provides for greater financial stability, signals a prudent approach to financial management, and brings the City into compliance with current best practices of other governmental entities.

The Forecast shall contain the two-year baseline budget for the forthcoming two-year budget period, clearly reflecting projected expenditures to maintain existing service levels and obligations, plus at least an additional three- year forecast of revenues and expenditures. The Baseline Budget shall consist of projected expenditures necessary to maintain existing staffing and service levels, plus an estimate of anticipated revenues for the two-year period.

The Forecast shall also contain information on the variance between prior forecasts and actual amounts, including the factors that influenced these variances. Revenue estimates shall be based on the most current data available; minimally revenue projections shall take into account projected revenue for the current fiscal year, as reflected in the 2nd quarter Revenue and Expenditure Report, with appropriate trending into future years and an explanation as to how such revenue projections were derived.

The report shall include a Five Year Forecast "Fact Sheet" document, which summarizes the

### Exhibit 1

Forecast's key findings with simplified text and graphics so as to make this important budgetary information more accessible to the general public. Within two weeks after the Forecast is accepted by the City Council, the City Administrator shall print and distribute the Forecast Fact Sheet to all City libraries, recreation centers and senior centers, including in languages required by Oakland's Equal Access Ordinance. The full Forecast shall also be posted on the City of Oakland's website. Forecast data shall be available in open data format on Oakland's data portal.

### 3. Assessment of Stakeholder Needs, Concerns and Priorities

**Timeline:** Budget Advisory Committee review prior to survey release. Survey completion by February 15th. Results publicly available within two weeks of survey's close.

**Requirements:** During the prior to Budget Adoption of a budget adoption year, the City Administrator should develop or secure a statistically valid survey for assessing the public's concerns, needs and priorities. Whenever feasible, the City should conduct a professional poll administered to a statistically relevant and valid sample of residents that is representative of Oakland's population in terms of race, income, neighborhood, age, profession, family size, homeownership/renter-ship, etc. If that's not possible, then demographic information should be collected and reported out with the survey results.

Prior to release, the survey questions shall be submitted to the Budget Advisory Committee for review of bias, relevance, consistency in administration, inclusion of benchmark questions, and ability to assess concerns, needs and priorities. The survey instrument, method of dissemination, and any instructions for administration shall be publicly available.

If the City cannot afford a professional survey, an informal survey shall be made available for broad dissemination by the Mayor and Councilmembers through community list serves and other communication channels. A list of those dissemination channels should be publicly available along with survey results. Survey results should be publicly available within two weeks of the survey closes.

In the event that City's statistically valid survey has been completed, the Mayor and City Administrator shall include in their proposed budget a summary of the survey data and a statement regarding how the data was or was not incorporated into the final proposed budget. Informal surveys and their results shall be made public but not included in their proposed budget document.

The City Administrator shall also create an email address, a phone number with voicemail service, and a web-based engagement platform to collect resident input prior to budget development. Furthermore, the City Administrator shall take steps to promote participation, such as issuing a Flyer promoting participation in the survey and methods of participation (survey internet link, email, phone number) and posting such Fliers near publicly available computers in all City libraries, Recreation Centers, and Senior Centers.

## 4. Statement of Councilmember Priorities

**Timeline:** Written submission due by March 15th.

**Requirements:** City Council Members will have the opportunity to advise the Mayor and City Administrator publicly of their priorities. Each Councilmember shall be invited to submit up to seven expenditure priorities in ranked and/or weighted order for changes to the baseline budget as presented in the Five Year Forecast. Councilmember priority statements may either be submitted as part of a report to be heard by the City Council and/or in a publicly available writing to the Mayor and City Administrator. In addition to the priorities, Councilmembers may also submit other suggestions, including revenue suggestions.

## 5. Administrator's Budget Outlook Message & Calendar Report

**Timeline:** Heard by City Council before April 15th.

**Requirements:** The City Administrator shall bring as a report to the City Council a Budget Outlook Message & Calendar no later than April 15th that provides an overview of the budget development process and lists all key dates and estimated dates of key budget events, including, but not limited to the release of the Mayor and Administrator's Proposed Budget, Community Budget Forums, Council meetings, and formal budget passage dates. This publication shall be posted on the City's website and by other means determined by the City Administrator.

## 6. Release of Mayor & Administrator's Proposed Budget & Fact Sheet

**Timeline:** Published and publicly available by May 1st. Heard by City Council and Fact Sheet distributed by May 15th.

**Requirements:** The Proposed Budget must be released by May 1st and shall clearly indicate any substantive changes from the current baseline budget, including all changes to service levels from the current budget. The Proposed Budget shall indicate staffing by listing the number of positions in each classification for each Department, including a listing of each position proposed for addition or deletion. The Council shall hold a public meeting to present the Proposed Budget no later than May 15th in budget adoption years. The full proposed budget document shall be made available online from the City's website, and printed copies shall be available in all City libraries. Additionally, the proposed budget data shall be available in open data format on the City's open data portal by May 1st. Every effort should be made to thoroughly respond to any public request for departmental budget details, such as line item budgets. The requested information shall also be made available on the City's website and open data portal within a reasonable time period following the request.

The Proposed Budget must include a Budget Fact Sheet with easy-to-understand graphics and text explaining the City's overall finances, the Proposed Budget and that year's Budget Calendar. The Fact Sheet shall be published in languages required by Oakland's Equal Access Ordinance. The Fact Sheet shall be printed and made available in all City Recreation Centers and Senior

## Exhibit 1

Centers as well as all City libraries by May 15th or the presentation to the Council, whichever is sooner.

### 7. Community Budget Forums

**Timeline:** Between May 1st and June 10th

**Requirements:** The Administration and Council shall hold at least three (3) Community Budget Forums at varied times in different neighborhoods away from City Hall. These meetings, organized by the City Administrator's Office shall be scheduled so as to maximize residents' access. These meetings must include sufficient time for question and answer period as well as a presentation of budget facts by City staff. One or more of the meetings must be scheduled in the evening. Another must be scheduled on the weekend. These meetings shall also be scheduled so that Councilmembers have sufficient opportunity to attend a meeting close to their council district. Every member of the City Council shall make their best effort to attend at least one Community Budget Forum. In addition, members of the Budget Advisory Commission shall be requested to attend at least one Community Budget Forum. Translators will be provided by request with forty- eight hours advance notice, per Oakland's Equal Access Ordinance. Sufficient Fact Sheets in all available languages shall be available at all Forums.

Meetings shall be held in ADA accessible facilities served by public transit (BART stop, frequently running bus line, etc.). Every effort shall be made to record the meeting via video or audio. The City Administrator shall prepare an Informational Report summarizing the Community Forum process, to be heard by the City Council at its the next available budget discussion following the final Forum. The summary memo shall attempt to identify key areas of public agreement and disagreement, as well as respond to the most commonly asked questions.

### 8. Budget Advisory Commission's Report

**Timeline:** June 1st

**Requirements:** The Budget Advisory Committee (BAC) shall be requested to submit published, written report to the full City Council regarding the proposed budget with any suggested amendments no later than June 1 in budget adoption years. If submitted, the statement shall be published as part of the next budget report to the City Council. The BAC is encouraged to provide similar statements during the mid-cycle budget revise and any other significant budget actions.

### 9. Council President's Proposed Budget

**Timeline:** June 17th

**Requirements:** The City Council President, on behalf of the City Council, shall prepare a proposed budget for Council consideration to be heard at a Special City Council Budget Hearing occurring before June 17th. The Council President may delegate the duty to prepare a budget proposal to another member of the Council. A costing analysis request for any proposed

# FINANCIAL POLICIES

---

amendments must have been submitted to the City Administrator at least five working days prior to the Special City Council Budget Hearing. The City Council may schedule additional Special City Council Budget Hearings or Workshops as needed.

## 10. Council Budget Amendments

**Timeline:** No later than up to three days prior to final budget adoption

**Requirements:** In addition to the Council President's proposed budget, any Councilmember or group of Councilmembers may submit proposed budget amendments at any time during the budget process. However, the adopted budget shall not contain substantive amendments made on the floor by Councilmembers at the final meeting when the budget is adopted. All substantive amendments must have been published in the City Council agenda packet for at least three days prior to the budget's final adoption. This three-day noticing requirement may be waived by a vote of at least six Councilmembers upon a finding that (1) new information impacting the budget by at least \$1 million dollars came to the attention of the body after the publication deadline making it not reasonably possible to meet the additional notice requirement and (2) the need to take immediate action on the item is required to avoid a substantial adverse impact that would occur if the action were deferred to a subsequent special or regular meeting, such as employee layoffs.

Additionally, a costing analysis request for the proposed budget amendment must have been submitted to the City Administrator at least five working days prior to the budget's final adoption.

## 11. Process Feedback & Continual Improvement

**Timeline:** September 30<sup>th</sup> following budget adoption

**Requirements:** The Budget Advisory Commission (BAC) shall be requested to submit an Informational Report to the Council's Finance and Management Committee containing their analysis of the budget adoption process including, but not limited to: 1) the informational quality of the Proposed Budget; 2) the City Administration's and City Council's attention to engaging the public and its impacts on the budget process and product; 3) the level of transparency and open dialogue in all public meetings dedicated to the budget; and 4) opportunities for improving the process in future years. In assessing opportunities for continually improving public participation in the budget process, the Administration, City Council and BAC shall be requested to consider the following guiding principles:

- **Inclusive Design:** The design of a public participation process includes input from appropriate local officials as well as from members of intended participant communities. Public participation is an early and integral part of issue and opportunity identification, concept development, design, and implementation of city policies, programs, and projects.
- **Authentic Intent:** A primary purpose of the public participation process is to generate public views and ideas to help shape local government action or policy.
- **Transparency:** Public participation processes are open, honest, and understandable. There is clarity and transparency about public participation process sponsorship, purpose, design, and how decision makers will use the process results.

### Exhibit 1

- **Inclusiveness and Equity:** Public participation processes identify, reach out to, and encourage participation of the community in its full diversity. Processes respect a range of values and interests and the knowledge of those involved. Historically excluded individuals and groups are included authentically in processes, activities, and decision and policymaking. Impacts, including costs and benefits, are identified and distributed fairly.
- **Informed Participation:** Participants in the process have information and/or access to expertise consistent with the work that sponsors and conveners ask them to do. Members of the public receive the information they need, and with enough lead time, to participate effectively.
- **Accessible Participation:** Public participation processes are broadly accessible in terms of location, time, and language, and support the engagement of community members with disabilities.
- **Appropriate Process:** The public participation process uses one or more engagement formats that are responsive to the needs of identified participant groups; and encourage full, authentic, effective and equitable participation consistent with process purposes. Participation processes and techniques are well- designed to appropriately fit the scope, character, and impact of a policy or project. Processes adapt to changing needs and issues as they move forward.
- **Use of Information:** The ideas, preferences, and/or recommendations contributed by community members are documented and given consideration by decision-makers. Local officials communicate decisions back to process participants and the broader public, with a description of how the public input was considered and used.
- **Building Relationships and Community Capacity:** Public participation processes invest in and develop long-term, collaborative working relationships and learning opportunities with community partners and stakeholders. This may include relationships with other temporary or ongoing community participation venues.
- **Evaluation:** Sponsors and participants evaluate each public participation process with the collected feedback and learning shared broadly and applied to future public participation efforts.

City of Oakland  
Fiscal Year 2011-2012 2012-2013

Exhibit-A Attachment A  
Executive Summary

Adopted by the City Council and Oakland Redevelopment Agency  
On July October 32, 2012

## Executive Summary of Debt Management Policy

- I. **Goals and Objectives.** In implementing a formal debt management policy, the goal of the City of Oakland and the Oakland Redevelopment Agency (collectively, the "City") is to maintain long-term financial flexibility while ensuring that the City's capital needs are adequately supported.
- II. **Approach to Debt Management.** The City's approach to its financings is to ensure continued market access at the lowest cost of borrowing. As such, the Debt Policy denotes debt affordability for the City compared to capacity ratios which are established by the rating agencies (Moody's Investor Service, Standard & Poor's Ratings Services, and Fitch Ratings). Debt capacity ratios are defined as annual debt service payments as a percentage of General Fund and other revenues. Below are the debt capacity ratio ranges:
  - Low debt capacity ratio <5%
  - Moderate debt capacity ratio 5% - 15%
  - High debt capacity ratio >15%
- III. **Standards for Use of Debt Financing.** Debt financing will be utilized when public policy, equity and economic efficiency favor debt over pay-as-you-go financing.
  - Debt will be used to finance long-term capital projects, and the respective maturities will not exceed the respective projects' useful lives.
  - The City will seek to use the most economical financing alternative.
  - The City will ensure good record-keeping and compliance with all debt covenants and State and Federal laws.
- IV. **Financing Criteria.** Whether issuing long- or short-term debt, the City will determine the most appropriate structure, the mode (fixed or variable), and the possible use of synthetic fixed or floating rate debt. These decisions will be made within the context of already existing obligations.
- V. **Terms and Conditions of Bonds.** In the issuance of its bonds, the City shall carefully consider and evaluate the term of the financing, use of capitalized interest, call provisions, original issue discount and the use of deep discount bonds.
- VI. **Credit Enhancement.** The use of credit enhancement is to be considered on a case-by-case basis and will be purchased only when debt service savings can clearly be demonstrated.

City of Oakland  
Fiscal Year 2011-2012 2012-2013

Exhibit A-Attachment A  
Executive Summary

- VII. Refinancing Outstanding Debt.** A minimum savings threshold of 3% or \$500,000, whichever is lower, in present value savings is utilized except when there are legal or restructuring reasons for defeasance.
- VIII. Methods of Issuance.** The preferred sale method (negotiated or competitive) will be determined for each issuance of bonds. General Obligation Bonds and Tax and Revenue Anticipation Notes will be issued on a competitive basis, except on a case-by-case basis. However, other methods such as private placement may be considered on a case-by-case basis.
- IX. Market Relationships.** The City will actively manage its relationships with the various rating agencies and analysts through frequent and open communication. The City will also maintain compliance with S.E.C. Rule 15c2-12 by the timely filing of its annual financial statements and other financial and operating data for the benefit of its bondholders.
- X. Consultants.** The City shall utilize the services of independent financial advisors and bond counsel on all debt financing. The selection of financial consultant(s) shall be based upon firm and staff qualifications, and experience with debt structures similar to what is being proposed. However, depending on the type of financing, other service providers may be necessary which may include underwriting, trustee, verification agent, escrow agent, arbitrage consultant and special tax consulting. In addition, the City should be encouraged to use local and disadvantaged banks and financial firms, whenever possible. Consultants will be required to provide complete disclosure regarding any agreements with other financing team members and outside parties. Selling groups may be considered for certain transactions. All parties are subject to post-evaluation of performance.

## introduction

So as to maintain the highest quality debt management program possible, the City of Oakland and the Oakland Redevelopment Agency (the "City") has adopted the guidelines and policies set forth in this document, referred to hereafter as the "Debt Management Policy." The Debt Management Policy is intended to guide decisions related to debt issued by the City. Debt issuance should be evaluated on a case-by-case basis as well as within the context of the City's general debt management program. The City recognizes that changes in the capital markets and other unforeseen circumstances may require action deviating from this Debt Management Policy. In cases requiring exceptions to the Debt Management Policy, approval from the City Council will be required. The Debt Management Policy is not applicable to intra-City borrowing.

## I. Goals and Objectives

The Debt Management Policy formally establishes parameters for issuing debt and managing a debt portfolio, which encompasses the City's specific capital improvement, needs, its ability to repay financial obligations, and the existing legal, economic, financial and debt market conditions. The policies outlined in the Debt Management Policy are not goals or a list of rules to be applied toward the City's debt issuance; rather, these policies should be utilized as tools to ensure that adequate financial resources are available to support the City's long-term capital needs. Specifically, the policies outlined in this document are intended to assist the City in the following:

- Evaluating critical debt issuance options
  - Promoting sound financial management
  - Providing accurate and timely information on financial conditions
  - Maintaining appropriate capital assets for present and future needs
  - Protecting and enhancing the City's credit rating
- A.** Ensuring the legal use of City bonding authority through an effective system of financial security and internal controls
- B.** Promoting cooperation and coordination with other public entities and the private sector in the financing and delivery of services

## II. Approach to Debt Management

In managing its debt, the City's greatest priorities are to:

- achieve the lowest cost of capital,
- ensure high credit quality,
- ensure full and timely payment of debt,
- maintain full compliance with financial disclosure and reporting,
- maintain a prudent level of financial risk,
- assure access to credit markets, and
- preserve financial flexibility, and
- utilize local and disadvantaged banking and financial firms, whenever possible, in the sale of City debt.

**A. Capital Plan Integration.** A sound debt management program begins with a well-devised capital plan. Therefore, a multi-year capital plan, which integrates pay-as-you-go projects and the projects to be financed, is critical. The multi-year capital plan (the "Capital Plan") shall be for a minimum of a 5-year period and shall be updated at least once annually. In addition to capital project costs, the Capital Plan shall include the following elements:

1. Qualified capital projects
2. Description of all sources of funds
3. Availability of current revenues (non-debt sources) which are reflected in the City's multi-year forecast
4. Timing of capital projects
5. A financing plan or methodology and debt service requirements

**B. Review of Capital Plan.** It is anticipated that the Capital Plan will be modified from time to time. Modifications to the Capital Plan shall be accompanied by a report from the City's Treasurer or designee ~~Finance Director of Administrative Services Agency~~ and Budget Director that discusses the impact of the proposed borrowing on the Capital Plan. The Capital Plan is reviewed and presented to the City Council at least once annually.

**C. Qualified Capital Projects.** Generally, the City will not issue bonds for capital improvements with a cost less than \$250,000. The City shall not construct or acquire a public facility if it is unable to adequately provide for the subsequent annual operation and maintenance costs of the facility throughout its life.

# FINANCIAL POLICIES

Exhibit-A Attachment A  
Debt Policy

**D. Cash Financing of Capital Outlays.** To demonstrate the City's commitment to a continued capital program, ensure careful consideration of capital expenditure levels, and enhance the City's overall credit worthiness, the City shall seek to fund at least between two and five percent of the overall capital program from current resources, depending upon the specific projects and annual budgetary constraints.

**E. Authorization for Issuance.** Debt issuance for capital projects shall not be considered unless such issuance has been incorporated into the Capital Plan.

**F. Affordability Targets.** The ratios, standards, and limits identified below are primarily intended to restrict the use of debt financing in order to facilitate long-term access to capital while ensuring that financial leveraging decisions do not negatively impact the City's annual operations.

1. **Debt Capacity** - The City's approach to its financings is to ensure continued market access at the lowest cost of borrowing. As such, the Debt Policy denotes debt affordability for the City compared to capacity ratios which are established by the rating agencies (Moody's Investor Service, Standard & Poor's Ratings Services, and Fitch Ratings). Debt capacity ratios are defined as annual debt service payments as a percentage of General Fund and other revenues. Below are the debt capacity ratio ranges:

- Low debt capacity ratio <5%
- Moderate debt capacity ratio 5% - 15%
- High debt capacity ratio >15%

2. **Self-supporting Debt** - In some cases, the City will issue debt for which there is an identified repayment source. For debt to be characterized as self-supporting, the repayment source must support the issue through its maturity. Bond issues where interest has been capitalized are not considered to be self-supporting.

3. **Overlapping Debt** (including debt from all other jurisdictions, which tax City taxpayers) will be taken into consideration in planning debt issuance.

**G. Credit Quality.** All City debt management activities will be conducted to receive the highest credit ratings possible for each issue, consistent with the City's financing objectives, and to maintain the current credit ratings assigned to the City's debt by the major credit rating agencies.

## III. Standards for Use of Debt Financing

The City's debt management program will promote the use of debt only in those cases where public policy, equity, and economic efficiency favor debt over cash (pay-as-you-go) financing. Whenever possible, the debt shall be self-supporting.

- A. Long-Term Capital Projects.** Debt will be used primarily to finance long-term capital projects — paying for the facilities or equipment over some or all of their useful life and concurrent with the stream of benefits from these facilities. The City will consider the debt capacity in determining the use of debt financing.
- B. Special Circumstances for Non-Capital-Project Debt Issuance.** Debt may be used in special circumstances for projects other than long-term capital projects such as pension obligations, only after careful policy evaluation by the City.
- C. Debt Financing Mechanisms.** The City will evaluate the use of all financial alternatives available, including, but not limited to: long-term debt, pay-as-you-go, joint financing, reserve fund releases, lease-purchase, authority sponsored debt, special districts, community facility districts, special assessments, Mello-Roos bonds, state and federal aid, certificates of participation, tax increment, private placement, master lease programs, and interfund borrowing. The City will utilize the most cost advantageous financing alternative available while limiting the General Fund's risk exposure.
- D. Record-Keeping.** All debt related records shall be maintained within the Treasury Division. At a minimum, this repository will include all official statements, bid documents, ordinances, indentures, trustee reports, leases, etc., for all City debt. To the extent that official transcripts incorporate these documents, possession of a transcript will suffice (transcripts may be in hard copy or stored on CD-ROM). The Treasury Division will maintain all available documentation for outstanding debt and will develop a standard procedure for archiving transcripts for any new debt.
- E. Rebate Policy and System.** The City will accurately account for all interest earnings in debt-related funds. These records will be designed to ensure that the City is in compliance with all debt covenants, and with State and Federal laws. The City will maximize the interest earnings on all funds within the investment parameters set forth in each respective indenture. The City will calculate and report interest earnings that relate to Internal Revenue Code rebate, yield limits, and arbitrage.

## IV. Financing Criteria

- A. Types of Debt.** When the City determines that the use of debt is appropriate, the following criteria will be utilized to evaluate the type of debt to be issued.

  - 1. Long-Term Debt.** Long-term borrowing may be used to finance the acquisition or improvement of land, facilities, or equipment. The City may issue long-term debt (e.g., general obligation bonds, revenue bonds, conduit revenue bonds, tax increment bonds, lease obligations, or variable rate bonds) when required capital improvements cannot be financed from current revenues. The proceeds derived from long-term borrowing will not be used to finance current operations or normal maintenance.

City of Oakland  
Fiscal Year 2011-2012 2012-2013

Exhibit-A Attachment A  
Debt Policy

Long-term debt will be structured such that the obligations do not exceed the expected useful life of the respective projects.

The City shall not use any debt, lease financing or other instruments of installment repayments with terms longer than two years to finance its operating costs. Exceptions to the policy may be made on a case-by-case basis by the Council.

2. **Short-Term Debt** Short-term borrowing may be utilized for the temporary funding of operational cash flow deficits or anticipated revenues (defined as an assured source with the anticipated amount based on conservative estimates). The City will determine and utilize the least costly method for short-term borrowing. The City may issue short-term debt when there is a defined repayment source or amortization of principal, subject to the following policies:

- a) **Bond Anticipation Notes (BANs)** may be issued instead of capitalizing interest to reduce the debt service during the construction period of a project or facility. The BANs shall mature not more than 3 years from the date of issuance. BANs shall mature within 6 months after substantial completion of the financed facility.

- b) **Tax and Revenue Anticipation Notes (TRANS)** shall be issued only to meet projected cash flow needs consistent with a finding by bond counsel that the sizing of the issue fully conforms to Federal IRS requirements and limitations.

- c) **Lines of Credit** shall be considered as an alternative to other short-term borrowing options. The lines of credit shall be structured to limit concerns as to the Internal Revenue Code.

- d) **Other Short-Term Debt**, including commercial paper notes, may be used.

3. **Lease-Purchase Debt** Lease-purchase debt, including certificates of participation, shall be considered as an alternative to long-term vendor leases. Such debt shall be subject to annual appropriation. In order to reduce the cost of lease borrowing and to improve control over leases, the City may adopt a master lease program.

4. **Variable Rate Debt.** To maintain a predictable debt service burden, the City may give preference to debt that carries a fixed interest rate. Variable rate debt, which is synthetically fixed, shall be considered fixed rate debt through the maturity of the swap. The City, however, may consider variable rate debt in certain instances, such as:

- a) **High Interest Rate Environment** Current interest rates are above historic average trends.
- b) **Variable Revenue Stream.** The revenue stream for repayment is variable, and is anticipated to move in the same direction as market-generated variable interest rates, or the dedication of revenues allows capacity for variability.
- c) **Adequate Safeguards Against Risk.** Financing structure and budgetary safeguards are in place to prevent adverse impacts from interest rate shifts; such structures could include, but are not limited to, interest rate swaps, interest rate caps and the matching of assets and liabilities.
- d) **As a Component to Synthetic Fixed Rate Debt** Variable rate bonds may be used in conjunction with a financial strategy, which results in synthetic fixed rate debt. Prior to using synthetic fixed rate debt, the City shall certify that the interest rate cost is lower than traditional fixed rate debt.
- e) **Variable Rate Debt Capacity.** Consistent with rating agency guidelines; the percentage of variable rate debt outstanding (not including debt which has been converted to synthetic fixed rate debt) shall be hedged by cash flow liquidity.

## V. Terms and Conditions of Bonds

The City shall establish all terms and conditions relating to the issuance of bonds, and will control, manage, and invest all bond proceeds. Unless otherwise authorized by the City, the following shall serve as bond requirements:

- A. **Term.** All capital improvements financed through the issuance of debt will be financed for a period not to exceed the useful life of the improvements, but in no event greater than thirty years.
- B. **Capitalized Interest.** Certain types of financings such as certificates of participation and lease-secured financings will require the use of capitalized interest from the issuance date until the City has beneficial use and occupancy of the financed project. Interest shall not be funded (capitalized) beyond a period of three years, or a shorter period if further restricted by statute. The City may require that capitalized interest on the initial series of bonds be funded from the proceeds of the bonds. Interest earnings may, at the City's discretion, be applied to extend the term of capitalized interest but in no event beyond the term statutorily authorized.
- C. **Debt Service Structure.** Debt issuance shall be planned to achieve relatively rapid repayment of debt while still matching debt service to the useful life of facilities. The City shall avoid the use of bullet or balloon maturities except in those instances where these maturities serve to levelize existing debt service.

# FINANCIAL POLICIES

City of Oakland  
Fiscal Year 2011-2012

Exhibit A-Attachment A  
Debt Policy

- D. Call Provisions.** In general, the City's securities will include a call feature, which is no later than 10 years from the date of delivery of the bonds. The City will avoid the sale of non-callable bonds absent careful evaluation by the City of the value of the call option.
- E. Original Issue Discount.** An original issue discount will be permitted only if the City determines that such discount results in a lower true interest cost on the bonds and that the use of an original issue discount will not adversely affect the project identified by the bond documents.
- F. Deep Discount Bonds.** Deep discount bonds may provide a lower cost of borrowing in certain markets. The City will carefully consider their value and effect on any future refinancings as a result of the lower-than-market coupon.
- G. Derivative Structures.** When appropriate, the City will consider the use of derivative structures as a hedge against future interest rate risk and as a means for increasing financial flexibility. The City will avoid the use of derivative structures for speculative purposes. The City will consider the use of derivative structures when it is able to gain a comparative borrowing advantage of ~~40~~<sup>ten</sup> or more basis points, and is able to reasonably quantify and understand potential risks.

~~The City shall not use derivative structures for the sole purpose of generating operating or capital proceeds, without a determination that such structure will accrue interest rate and borrowing costs benefits for the City. *Aside from the current outstanding 1998 Swap, the City has placed a moratorium on any future use of Swaps in connection with debt financing.* For more information on "swaps", please refer to the City's Swap Policy.~~

~~**Swaps.** Recognizing the potential risks associated with a swap transaction, [Staff recommends the following alternative options:~~

- ~~(1) The City shall only enter into a Swap upon approval from the City Council on a case-by-case basis. The City Council shall authorize the parameters of any Swap transaction, including the terms, conditions and other provisions, or (2) As recommended by Finance Committee, aside from the current outstanding Swap, the City shall not use Swaps in connection with any future debt financing.]~~

~~For more information on "swaps", please refer to the City's Swap Policy.~~

- H. Multiple Series.** In instances where multiple series of bonds are to be issued, the City shall make a final determination as to which facilities are of the highest priority and those facilities which will be financed first, pursuant to funding availability and the proposed timing of facilities development, and which will generally be subject to the earliest or most senior lien.

## VI. Credit Enhancements

The City will consider the use of credit enhancement on a case-by-case basis, evaluating the economic benefit versus cost for each case. Only when a clearly demonstrable savings can be shown shall enhancement be considered. The City will consider each of the following enhancements as alternatives by evaluating the cost and benefit of such enhancement.

**A. Bond Insurance.** The City shall have the authority to purchase bond insurance when such purchase is deemed prudent and advantageous. The predominant determination shall be based on such insurance being less costly than the present value of the difference in the interest on insured bonds versus uninsured bonds.

1. **Provider Selection.** ~~The Finance Director of Administrative Services Agency~~ Treasurer or or-his/her designee will solicit quotes for bond insurance from interested providers, or in the case of a competitive sale submit an application for pre-qualification on insurance. In a negotiated sale, the City Administrator or designee and/or the Director or the Treasury Manager ~~Treasurer or designee~~ shall have the authority to select a provider whose bid is most cost effective and whose terms and conditions governing the guarantee are satisfactory to the City. The winning bidder in a competitive sale will determine whether it chooses to purchase bond insurance for the issue.

**B. Debt Service Reserves.** When required, a reserve fund equal to the least of ten percent (10%) of the original principal amount of the bonds, one hundred percent (100%) of the maximum annual debt service, and one hundred and twenty five percent (125%) of average annual debt service, or, if permitted, 10 percent (10%) of par value of bonds outstanding (the "Reserve Requirement") shall be funded from the proceeds of each series of bonds, subject to federal tax regulations and in accordance with the requirements of credit enhancement providers and/or rating agencies.

The City may purchase reserve equivalents (i.e., the use of a reserve fund surety) when such purchase is deemed prudent and advantageous. Such equivalents shall be evaluated in comparison to cash funding of reserves on a net present value basis.

**C. Letters of Credit.** The City may enter into a letter-of-credit ("LOC") agreement when such an agreement is deemed prudent and advantageous. The City Administrator or designee and/or the Finance Director of Administrative Services Agency or the Treasury Manager ~~Treasurer or designee~~ shall prepare (or cause to be prepared) and distribute to qualified financial institutions as described in paragraph 2 below, a request for qualifications which includes terms and conditions that are acceptable to the City.

1. **Provider Selection.** Only those financial institutions with long-term ratings greater than or equal to that of the City, and short-term ratings of VMIG 1/A-1 F1, by

Exhibit A Attachment A  
Debt Policy

Moody's Investors Service, Standard & Poor's Ratings Services and Fitch Ratings, respectively, may be solicited.

2. **Selection Criteria.** The selection of LOC providers will be based on responses to a City-issued request for qualifications; criteria will include, but not be limited to, the following:
  - a) Ratings at least equal to or better than the City's
  - b) Evidence of ratings (including "Outlook")
  - c) Trading value relative to other financial institutions
  - d) Terms and conditions acceptable to the City; the City may provide a term sheet along with the request for qualifications to which the financial institution may make modifications
  - e) Representative list of clients for whom the bank has provided liquidity facilities
  - f) Fees, specifically, cost of LOC, draws, financial institution counsel and other administrative charges

## VII. Refinancing Outstanding Debt

The ~~Treasury Manager~~ Treasurer or designee shall have the responsibility to analyze outstanding bond issues for refunding opportunities that may be presented by underwriting and/or financial advisory firms. In most cases, the goal of refunding or restructuring the debt portfolio is to reduce the City's annual debt service obligations. The ~~Treasury Manager~~ Treasurer or designee will consider the following issues when analyzing possible refunding opportunities:

- A. **Debt Service Savings.** The City establishes a minimum savings threshold goal of three percent (3%) of the refunded bond principal amount or at least \$500,000, whichever is less, in present value savings (including foregone interest earnings) unless there are legal or restructuring reasons for defeasance. Refunding which produce a net savings of less than three percent (3%) will be considered on a case-by-case basis. The present value savings will be net of all costs related to the refinancing. The decision to take savings on an upfront or deferred basis must be explicitly approved by the ~~City Administrator~~ City Administrator or designee, or the Finance Director or Administrative Services Agency or the Treasurer or designee.
- B. **Restructuring.** The City will refund debt when in its best interest to do so. Refundings will include restructuring to meet unanticipated revenue expectations,

terminate swaps, achieve cost savings, mitigate irregular debt service payments, release reserve funds, or remove unduly restrictive bond covenants.

**C. Term of Refunding Issues.** The City may refund bonds within the term of the originally issued debt. However, the City may consider maturity extension, when necessary to achieve a desired outcome, provided that such extension is legally permissible. The City may also consider shortening the term of the originally issued debt to realize greater savings. The remaining useful life of the financed facility and the concept of inter-generational equity should guide this decision.

**D. Escrow Structuring.** The City shall utilize the least costly securities available in structuring refunding escrows. The City will examine the viability of an economic versus legal defeasance on a net present value basis. A certificate will be required from a third party agent who is not a broker-dealer, stating that the securities were procured through an arms-length, competitive bid process (in the case of open market securities), that such securities were more cost effective than State and Local Government Obligations (SLGS), and that the price paid for the securities was reasonable within Federal guidelines. Under no circumstances shall an underwriter, agent or financial advisor sell escrow securities to the City from its own account.

**E. Arbitrage.** Arbitrage regulations apply to all of the City's tax-exempt financings. The City shall take all necessary steps to optimize escrows and to avoid negative arbitrage in its refundings. Any resulting positive arbitrage will be rebated as necessary according to Federal guidelines.

## VIII. Methods of Issuance

The City will determine, on a case-by-case basis, whether to sell its bonds competitively or through negotiation. General Obligation Bonds and Tax and Revenue Anticipation Notes will be issued on a competitive basis unless otherwise determined on a case-by-case basis that a negotiated sale is the most advantageous.

**A. Competitive Sale.** In a competitive sale, the City's bonds shall be awarded to the bidder providing the lowest ~~rate-interest-cost~~ sealed bid as long as the bid adheres to the requirements set forth in the published official notice of sale.

**S. Negotiated Sale.** In a negotiated sale, the terms and price are negotiated by the City and the selected underwriter(s). The City recognizes that some securities are best sold through negotiation. In its consideration of a negotiated sale, the City shall assess the following circumstances:

City of Oakland  
~~Fiscal Year 2014-2015~~ 2012-2013

Exhibit A Attachment A  
Debt Policy

1. Bonds issued as variable rate demand obligations
  2. A complex structure which may require a strong pre-marketing effort
  3. Size of the issue which may limit the number of potential bidders
  4. Market volatility is such that the City would be better served by flexibility in timing its sale in changing interest rate environments
- C. Private Placement.** From time to time the City may elect to privately place its debt. Such placement shall only be considered if this method is demonstrated to result in a cost savings to the City relative to other methods of debt issuance.
- D. Conduit Debt Issuance.** The City may issue conduit revenue bonds that are not a debt or obligation of the City itself, but are obligations of a private borrower. Notwithstanding other credit requirements of the City, such conduit revenue bonds may be issued and sold with or without a credit rating, provided that for any bond with a rating lower than "A", the following conditions shall be met:
1. Bonds shall be issued only in denominations of not less than two-hundred and fifty thousand dollars
  2. Bonds shall be eligible for purchase only by "qualified institutional buyers" as defined in Rule 144A of the Securities Act of 1933
  3. Bonds shall be sold only to buyers who execute a standard form investor letter containing, among other things, representations of the buyer as sophisticated as an investor and its familiarity with the transaction
- E. Issuance Method Analysis.** The City shall evaluate each method of issuance on a net present value basis.
- F. Feasibility Analysis.** Issuance of self-supporting revenue bonds will be accompanied by a finding that demonstrates the projected revenue stream's ability to meet future debt service payments.
- G. Report of Final Sale.** Existing law requires the issuer of any new debt issue of state or local government to submit a report of final sale, within 45 days after the signing of the bond purchase contract or acceptance of a bid in a competitive offering, to the California Debt and Advisory Commission, as specified. This bill would also require the issuer of any proposed new debt issue of state or local government to give written notice of a proposed sale, no later than 30 days prior to the sale of any debt issue at private or public sale, to the commission, as specified.

## IX. Market Relationships

**A. Rating Agencies and Investors.** The City Administrator, ~~Assistant City Administrator or designee, the Finance Director of Administrative Services Agency, and/or the Treasury Manager~~ Treasurer or designee shall be responsible for maintaining the City's relationships with Moody's Investors Service, Standard & Poor's Ratings Services and Fitch Ratings. The City may, from time to time, choose to deal with only one or two of these agencies as circumstances dictate. In addition to general communication, the City Administrator, ~~Assistant City Administrator or designee, the Finance Director of Administrative Services Agency and the Treasury Manager~~ Treasurer or designee and the Budget Director shall: (1) meet with credit analysts at least once each fiscal year, and (2) prior to each competitive or negotiated sale, offer conference calls with agency analysts in connection with the planned sale.

**B. Continuing Disclosure.** The City shall remain in compliance with Rule 15c2-12 by filing its annual financial statements and other financial and operating data for the benefit of its bondholders within ~~270 days~~ nine (9) months of the close of the fiscal year. The inability to make timely filings must be disclosed and would be a negative reflection on the City. While also relying on timely audit and preparation of the City's annual report, the ~~Treasury Manager~~ Treasurer or designee will ensure the City's timely filing with each Nationally Recognized Municipal Securities Information Repository.

**C. Rebate Reporting.** The use of bond proceeds and their investments must be monitored to ensure compliance with arbitrage restrictions. Existing regulations require that issuers calculate annual rebates, if any, related to each bond issue, with rebate, if due, paid every five years. Therefore, the ~~Treasury Manager~~ Treasurer or designee shall ensure that proceeds and investments are tracked in a manner that facilitates accurate calculation, calculations are completed, and rebates, if any, are made in a timely manner.

**D. Other Jurisdictions.** From time to time, the City will issue bonds on behalf of other public or private entities ("conduit" issues). While the City will make every effort to facilitate the desires of these entities, the ~~Finance Director of Administrative Services Agency and the Treasury Manager~~ Treasurer or designee will ensure that the highest quality financings are done and that the City is insulated from all risks. The City shall require that all conduit financings achieve a rating at least equal to the City's ratings or that credit enhancement is obtained.

Exhibit A Attachment A  
Debt Policy

**X. Fees.** The City will charge an administrative fee equal to direct costs plus indirect costs as calculated by the City's OMB A87 model to reimburse its administrative costs incurred in debt issuance on behalf of other governmental entities.

**XI. Consultants.** The City shall select its primary consultant(s) by competitive process through a Request for Proposals (RFP), however, if there are unforeseen events that necessitate immediate action including but not limited to redemption, defeasance, or restructuring to prevent the City from experiencing further losses, the City Administrator City Administrator or designee and/or the Treasurer or designee Director of Finance can select a consultant without using the RFP process. In addition, the City should be encouraged to use local and disadvantaged banks and financial firms whenever possible.

**A. Selection of Financing Team Members.** Final approval of financing team members will be provided by the City Council.

1. **Selection of Underwriter:** For any issue of debt, financing or debt instrument, the City shall select the underwriter through a request for proposal process, when appropriate. The request for proposal will be distributed to qualified candidates to determine the level of experience as well as fees in the proposed type of financing.

**Senior Manager Selection.** ~~The Finance Director and/or the Treasury Manager~~ Treasurer or designee shall recommend to the City Administrator City Administrator or designee the selection of a senior manager for a proposed negotiated sale. Solicited or unsolicited RFP's or Request of Qualifications (RFQ) will be used to determine the selection and appointment of the senior managers and co-managers on the debt issuances. The criteria for selection as reflected in the RFP or RFQ shall include but not be limited to the following:

- The firm's ability and experience in managing complex transactions
- Prior knowledge and experience with the City
- The firm's willingness to risk capital and demonstration of such risk
- The firm's ability to sell bonds
- Quality and experience of personnel assigned to the City's engagement
- Financing plan presented

**Co-Manager Selection.** Co-managers will be selected on the same basis as the senior manager. In addition to their qualifications, co-managers appointed to specific

transactions will be a function of transaction size and the necessity to ensure maximum distribution of the City's bonds.

**Selling Groups.** The City may establish selling groups in certain transactions. To the extent that selling groups are used, the City Administrator or designee and/or the Finance Director and/or the Treasury Manager ~~Treasurer or designee~~ at his or her discretion, may make appointments to selling groups from within the pool of underwriters or from outside the pool, as the transaction dictates.

**Underwriter's Discount.**

- ~~• The Finance Director and/or the Treasury Manager will evaluate the proposed underwriter's discount against comparable issues in the market. If there are multiple underwriters in the transaction, the Director and/or the Treasury Manager will determine the allocation of fees with respect to the management fee. The determination will be based upon participation in the structuring phase of the transaction.~~
- All fees and allocation of the management fee will be determined prior to the sale date; a cap on management fee, expenses and underwriter's counsel will be established and communicated to all parties by the Treasury Manager ~~Treasurer or designee~~. The senior manager shall submit an itemized list of expenses charged to members of the underwriting group. Any additional expenses must be substantiated.

**Evaluation.** The City and/or ~~FA~~ Financial Advisor will evaluate each bond sale after its completion to assess the following: costs of issuance including underwriters' compensation, pricing of the bonds in terms of the overall interest cost and on a maturity-by-maturity basis, and the distribution of bonds and sales credits.

**Syndicate Policies.** For each negotiated transaction, syndicate policies will be prepared that will describe the designation policies governing the upcoming sale. The Treasury Manager ~~Treasurer or designee~~ or Financial Advisor shall ensure receipt of each member's acknowledgement of the syndicate policies for the upcoming sale prior to the sale date.

**Designation Policies.** To encourage the pre-marketing efforts of each member of the underwriting team, orders for the City's bonds will be net designated, unless otherwise expressly stated. The City shall require the senior manager to:

- Comply with MSRB regulations governing the priority of orders and allocations
- Within ~~10~~ ten working days after the sale date, submit to the ~~Finance Director or Treasury Manager~~ Treasurer or designee a detail of orders, allocations and other relevant information pertaining to the City's sale

**Selection of Underwriter's Counsel.** In any negotiated sale of City debt in which legal counsel is required to represent the underwriter, the appointment will be made by the lead underwriter.

**Selection of Financial Advisor:** The City shall conduct a request for qualifications from potential candidates every three years to establish a pool of qualified financial advisors for each of the following areas:

The City Administrator or designee and/or the Treasurer or designee ~~Finance Director or of Administrative Services Agency~~ will make recommendations for financial advisors and the City shall utilize the services of qualified applicants in the pool on a rotational basis, as applicable, for any issue of debt, financing or debt instrument. The recommended pool has to be approved by finance committee.

Selection of the City's financial advisor(s) and financial advisor pool shall be based on, but not limited to, the following criteria:

- Experience in providing consulting services to complex issuers
- Knowledge and experience in structuring and analyzing complex issues
- Experience and reputation of assigned personnel
- Fees and expenses

**B. Financial Advisory Services.** Financial advisory services provided to the City shall include, but shall not be limited to the following:

1. Evaluation of risks and opportunities associated with debt issuance
2. Monitoring marketing opportunities
3. Evaluation of proposals submitted to the City by investment banking firms
4. Structuring and pricing
5. Preparation of request for proposals for other financial services (trustee and paying agent services, printing, credit facilities, remarketing agent services, etc.)
6. Advice, assistance and preparation for presentations with rating agencies and investors
7. Assist in the preparation and review of legal and financing documents in coordination with the financing team in connection with the financing

**C. Bond Counsel.** City debt will include a written opinion by legal counsel affirming that the City is authorized to issue the proposed debt, that the City has met all constitution and statutory requirements necessary for issuance, and a determination of the proposed debt's federal income tax status. The approving opinion and other documents relating to the issuance of debt will be prepared by counsel with extensive experience in public finance and tax issues. The City will then make recommendations to the City Attorney's Office where they will review the recommendations and fees before forwarding the recommendations and fees to council. Compensation will be based on a fixed fee schedule and will vary based on the complexity of the transaction.

**D. Disclosure by Financing Team Members.** All financing team members will be required to provide full and complete disclosure, relative to agreements with other financing team members and outside parties. The extent of disclosure may vary depending on the nature of the transaction. However, in general terms, no agreements shall be permitted which could compromise the firm's ability to provide independent

advice which is solely in the City's best interests or which could reasonably be perceived as a conflict of interest.

- E. Conflicts of Interest.** The City also expects that its financial advisor will provide the City with objective advice and analysis, maintain the confidentiality of City financial plans, and be free from any conflicts of interest.

## Glossary

**Arbitrage.** The difference between the interest paid on the tax-exempt securities and the interest earned by investing the security proceeds in higher-yielding taxable securities. IRS regulations govern arbitrage on the proceeds from issuance of municipal securities.

**Balloon Maturity.** A later maturity within an issue of bonds which contains a disproportionately large percentage of the principal amount of the original issue.

**Bond Anticipation Notes (BANs).** Notes issued by the government unit, usually for capital projects, which are paid from the proceeds of the issuance of long term bonds.

**Bullet Maturity.** A maturity for which there are no sinking fund payments prior to the stated maturity date.

**Call Provisions.** The terms of the bond contract giving the issuer the right to redeem all or a portion of an outstanding issue of bonds prior to their stated dates of maturity at a specific price, usually at or above par.

**Capitalized Interest.** A portion of the proceeds of an issue which is set aside to pay interest on the securities for a specific period of time. Interest is commonly capitalized for the construction period of the project.

**Certificates of Participation (COP).** A bond from an issue, which is secured by lease payments made by the party leasing the facilities, financed by the issue. Typically certificates of participation ("COPs") are used to finance construction of facilities (i.e., schools or office buildings) used by a state or municipality, which leases the facilities from a financing authority. Often the leasing municipality is legally obligated to appropriate moneys from its general tax revenues to make lease payments.

**Commercial Paper.** Very short-term, unsecured promissory notes issued in either registered or bearer form, and usually backed by a line of credit with a bank.

**Competitive Sale.** A sale of securities by an issuer in which underwriters or syndicates of underwriters submit sealed bids to purchase the securities in contrast to a negotiated sale.

**Continuing Disclosure.** The principle that accurate and complete information material to the transaction which potential investors would be likely to consider material in making investment decisions with respect to the securities be made available on an ongoing basis.

Debt Policy

**Credit Enhancement.** Credit support purchased by the issuer to raise the credit rating of the issue. The most common credit enhancements consist of bond insurance, direct or standby letters of credit, and lines of credit.

**Debt Service Reserve Fund.** The fund in which moneys are placed which may be used to pay debt service if pledged revenues are insufficient to satisfy the debt service requirements.

**Deep Discount Bonds.** Bonds which are priced for sale at a substantial discount from their face or par value.

**Derivatives.** A financial product whose value is derived from some underlying asset value.

**Designation Policies.** Outline of how an investor's order is filled when a maturity is oversubscribed when there is an underwriting syndicate. The senior managing underwriter and issuer decide how the bonds will be allocated among the syndicate. There are three primary classifications of orders, which form the designation policy.

The highest priority is given to Group Net orders; the next priority is given to Net Designated orders and Member orders are given the lowest priority.

**Escrow.** A fund established to hold moneys pledged and to be used to pay debt service on an outstanding issue.

**Expenses.** Compensates senior managers for out-of-pocket expenses including: underwriters' counsel, DTC charges, travel, syndicate expenses, dealer fees, overtime expenses, communication expenses, computer time and postage.

**Lease-Purchase.** A financing lease which may be sold publicly to finance capital equipment, real property acquisition or construction. The lease may be resold as certificates of participation or lease revenue bonds.

**Letters of Credit.** A bank credit facility wherein the bank agrees to lend a specified amount of funds for a limited term.

**Management Fee.** The fixed percentage of the gross spread which is paid to the managing underwriter for the structuring phase of a transaction.

**Members.** Underwriters in a syndicate other than the senior underwriter.

**Moody's Median.** Key financial, debt, economic and tax base statistics with median values for each statistic presented. Moody's uses audits for both rated and unrated cities to ensure that

the medians presented are representative of all cities.

**Negotiated Sale.** A method of sale in which the issuer chooses one underwriter to negotiate terms pursuant to which such underwriter will purchase and market the bonds.

**Original issue Discount.** The amount by which the original par amount of an issue exceeds its public offering price at the time it is originally offered to an investor.

**Overlapping Debt.** That portion of the debt of other governmental units for which residents of a particular municipality are responsible.

**Pay-As-You-Go.** An issuer elects to finance a project with existing cash flow as opposed to issuing debt obligations.

**Present Value.** The current value of a future cash flow.

**Private Placement.** The original placement of an issue with one or more investors as opposed to being publicly offered or sold.

**Rebate.** A requirement imposed by Tax Reform Act of 1986 whereby the issuer of the bonds must pay the IRS an amount equal to its profit earned from investment of bond proceeds at a yield above the bond yield calculated pursuant to the IRS code together with all income earned on the accumulated profit pending payment.

**Selling Groups.** The group of securities dealers that participate in an offering not as underwriters but as sellers who receive securities, less the selling concession, from the managing underwriter for distribution at the public offering price.

**Special Assessments.** Fees imposed against properties, which have received a special benefit by the construction of public improvements such as water, sewer and irrigation.

**Syndicate Policies.** The contractual obligations placed on the underwriting group relating to distribution, price limitations and market transactions.

**Tax increment.** A portion of property tax revenue received by a redevelopment agency, which is attributable to the increase in assessed valuation since adoption of the project area plan.

**Underwriter** A dealer that purchases new issues of municipal securities from the Issuer and resells them to investors.

**Underwriter's Discount.** The difference between the price at which bonds are bought by the Underwriter from the Issuer and the price at which they are reoffered to investors.

## **1.0 POLICY**

The purpose of this Investment Policy ("Policy") is to establish overall guidelines for the management and investment of the City of Oakland (the "City") public funds pursuant to Council Resolution Nos. 75855 C.M.S and 00-38 C.M.S and in accordance with Government Codes Section 53607. This Investment Policy is now amended and adopted as of June 16, 2015 and will serve as the City of Oakland's Investment Policy for Fiscal Year 2015-16 and until it's further revised. As of October 18, 2012, the Investment Policy has been certified by California Municipal Treasures Association. In 2013, the Investment Policy was also certified by Association of Public Treasurers of the United States and Canada.

## **2.0 SCOPE**

The Investment Policy applies to the operating funds of the City of Oakland, and the Port of Oakland (the "City Operating Pool"), which includes the General Fund, Special Revenue Funds, Debt Service Funds and all other funds comprised in City Operating Pool. .

2.1 Proceeds of notes, bonds issues or similar financings including, but not limited to, reserve funds, project funds, debt service funds and capital trust funds derived from such financing, are not governed by this Investment Policy, but rather shall be invested pursuant to their respective bond indentures or the State of California Government Code 53600, as applicable.

2.2 Retirement/Pension Funds and Deferred Compensation Funds are also not governed by this Investment Policy, but rather by the policies and Federal or State statutes explicitly applicable to such funds.

## **3.0 PRUDENCE**

All investments and evaluation of such investments shall be made with the Prudent Investor Standard as set forth by California Government Code, Section 53600.3 and 27000.3, is defined as;

Prudent Investor Standard: Acting with care, skill, prudence and diligence under the circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the professional management of their business affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.

## **4.0 OBJECTIVES**

The primary objectives, in order of priority, of the City Portfolio is:

### **4.1 Preservation of Capital (Safety)**

The first and primary goal of the Portfolio is the preservation of capital. Investment shall be undertaken in a manner to avoid losses due to market value risk, issuer default and broker default. To attain this objective; investments are diversified.

### **4.2 Liquidity**

The Portfolio will be structured in a manner that will provide cash as needed to meet anticipated disbursements. Cash flow modeling ensures that investments mature as needed for disbursements.

# FINANCIAL POLICIES

---

## 4.3 Diversity

The objective is to avoid over-concentration in issuers, instruments, and maturity sectors. No more than 5 percent of the total assets of the investments held by the City may be invested in the securities of any one issuer, except the obligations of the United States government or government-sponsored enterprises.

## 4.4 Yield

The Portfolio is also managed to maximize its overall market return with consideration of the safety, liquidity, and diversity parameters discussed above.

## **5.0 DELEGATION OF AUTHORITY**

Management responsibility for the investment program is specifically delegated by the City Administrator or designee to the Treasurer or designee who shall establish procedures for the investment programs, which are consistent with the Investment Policy. Authorization for investment decisions is limited to the Treasurer or designee. A Principal Financial Analyst may execute investment transactions in the absence of the Treasurer or designee per the Treasurer's instructions or prior authorization.

A Principal Financial Analyst, Financial Analyst, or Treasury Analyst III may make decisions only with respect to overnight investments, but may implement investment decisions received directly from the Treasurer or designee.

## **6.0 INTERNAL CONTROL**

The Treasurer or designee shall maintain a system of internal controls designed to ensure compliance with the Investment Policy and to prevent losses due to fraud, employee error, misrepresentations by third parties or unanticipated changes in financial markets.

## **7.0 ETHICS AND CONFLICTS OF INTEREST**

All officers and employees involved in the investment process shall not engage in any personal business activity, which could conflict with proper execution of investments subject to this Policy. Any material financial interests in financial institutions which do business with the City should be disclosed to the City Administrator. All individuals involved in the investment process are required to report all gifts and income in accordance with California State Law.

## **8.0 SAFEKEEPING AND CUSTODY**

All security transactions, including collateral for repurchase agreements, entered into by the City shall be conducted on a delivery-versus-payment (DVP) basis pursuant to approved custodial safekeeping agreements. All securities owned by the City shall be held in safekeeping by the City's custodial bank, which acts as agent for the City under the terms of custody agreement.

## **9.0 APPLICABLE ORDINANCES**

### **9.1 Nuclear Free Zone Ordinance**

Under the guidelines of a voter-approved Measure, the Oakland City Council approved Ordinance No. 11062 C.M.S, which restricts the City's investments in U.S Government Treasuries. The Treasurer shall make every attempt to invest in any available short-term option that provides approximately the same level of security and return as Treasuries. In the event that no reasonable alternatives exist, or to the extent that the City may experience financial hardship as a result of investment in these alternatives, the City Council may adopt a waiver for a period not to exceed 60 days, as authorized by the Ordinance, allowing the City to invest in U.S securities.

### **9.2 Linked Banking Ordinance**

Pursuant to Ordinance No. 12066 C.M.S. the City has established a Linked Banking Service Program. This reference applies to depositories for both the City of Oakland and the Port of Oakland banking needs. Depositories are defined within the Ordinance as "all banking services utilized by the City including the Port of Oakland operating fund, with the exception of investments made through investment banks and broker/dealers." Depositories providing services to the City and the Port of Oakland must provide to the City, annually, the information enumerated under Section 3 of the Ordinance.

### **9.3 Tobacco Divestiture Resolution**

On February 17, 1998, Council adopted Resolution No. 74074 C.M.S., which prohibits investment in businesses deriving greater than fifteen percent of their revenues from tobacco products. Treasury Bureau maintains a list of firms excluded from permitted investments due to the tobacco divestiture requirements.

### **9.4 Fossil Fuel Divestiture Resolution**

On June 17, 2014, Council adopted Resolution No. 85053 C.M.S. which prohibits the Investment or ownership stake in any companies that extract, produce, refine, burn or distribute fossil fuels. Treasury Bureau is in full compliance with this resolution

### **9.5 Firearm or Gun Manufacturer Divestiture Resolution**

On March 5, 2013, Council adopted Resolution No. 84242 C.M.S which prohibits investment or ownership stake in any manufacturer of firearms or ammunition. Treasury Bureau does not have any direct investment exposure to firearms or ammunition manufacturer.

## **10.0 SOCIAL RESPONSIBILITY**

When possible, it is the City's policy to invest in companies that promote the use and production of renewable energy resources and any other socially responsible investments, subject to the prudent investment standard.

## **11.0 REPORTING**

### **11.1 City Council**

As best practice and sound financial management practice, the City Administrator or designee will submit a quarterly investment report and an annual investment policy for the City within 30 days following the period being reported to the City Council.

# FINANCIAL POLICIES

---

The quarterly report will be deemed timely pursuant to this Investment Policy and Government Code Section 53646, so long as it has been submitted to the Assistant City Administrator within 30 days following the period being reported to be scheduled for the Finance and Management Committee. The quarterly cash management report for the period ending June 30 will be filed in a timely manner, but it will not be approved until September due to the City Council summer recess.

The report will include the information required under Government Code Section 53646 including: the type of investment, issuer, date of maturity, par and dollar amount invested (this data may be in the form of a subsidiary ledger of investments); a description of any investments under management of contracted parties, if any; current market values and source of valuation; statement of compliance or manner of non-compliance with the Investment Policy; and a statement denoting the ability to meet the Fund's expenditure requirements for the next six months. In addition, the report shall summarize economic conditions, liquidity, diversity, risk characteristics and other features of the portfolio. The report will disclose the total investment return for the 3-month period. In meeting these requirements, the report shall include an appendix that discloses all transactions during each month and the holdings at the end of each month during the period being reported.

## 11.2 Annual Audit

Investment Portfolio is priced to market per Government Accounting Standards Board (GASB) and reported in compliance with General Accepted Accounting Principals. Annual disclosure requirements such as Custodial Credit Risk, Credit Risk, Concentration of Credit Risk, Interest Rate Risk and Foreign Currency Risk are reported in the City's Annual Comprehensive Financial Report (CAFR).

## 11.3 Internal Audits

Internal audits of treasury operations maybe conducted periodically to review its procedures and policies and make any recommendations for changes and improvements if needed.

## 12.0 TRADING POLICES

### 12.1 Sales Prior to Maturity

"Buy and hold" is not necessarily the strategy to be used in managing the Funds. It is expected that gains will be realized when prudent. Losses are acceptable if the proposed swap/trade clearly enhances the portfolio yield over the life of the new security on a total return basis.

Sufficient written documentation will be maintained to facilitate an audit of the transaction. Losses, if any, will be recognized and recorded based on the transaction date.

## 13.0 BROKER/DEALERS AND FINANCIAL INSTITUTIONS

The purchase of any authorized investment shall be made either directly from the issuer or from any of the following:

- Institutions licensed by the State of California as a broker/dealer
- Members of a federally regulated securities exchange
- National or state-chartered banks

---

## FINANCIAL POLICIES

- Federal or state savings institutions or associations as defined in Finance Code Section 5102
- Brokerage firms reporting as a primary government dealer to the Federal Reserve Bank

The Treasurer or designee will maintain a current and eligible list of reputable primary and regional dealers, brokers and financial institutions with whom securities trading and placement of funds are authorized. A strong capital base credit worthiness, and, where applicable, a broker/dealer staff experienced in transactions with California local governments are the primary criteria for inclusion on the City of Oakland's approved list.

Approved dealers and brokers shall be limited to primary dealers or regional dealers that qualify under Securities and Exchange Commission Rule 15C3-1 (uniform net capital rule) and which provide: proof of Financial Industry Regulatory Authority (FINRA) certification; proof of California State registration; and a completed City of Oakland broker/dealer questionnaire. In addition, prior to approval and for every two years thereafter, approved dealers and brokers must provide: an audited financial statement; certification of receipt, review of and willingness to comply with the current Investment Policy; and certification of compliance with Rule G-37 of the Municipal Securities Rulemaking Board regarding limitations on political contributions to the Mayor or any member of the City Council or to any candidate for these offices.

The Treasurer may remove a firm from the approved list at any time due to: any failure to comply with any of the above criteria; any failure to successfully execute a transaction; any change in broker/dealer staff; or any other action, event or failure to act which, in the sole discretion of the Treasurer is materially adverse to the best interests of the City.

### **14.0 GENERAL CREDIT QUALITY**

Short-term debt shall be rated at least "A-1" by Standard & Poor's Corporation, "P-1" by Moody's Investor Service, Inc., "F-1" by Fitch. Long-term debt shall be rated at least "A" by Standard & Poor's Corporation, Moody's Investors Service, Inc., or Fitch.

The minimum credit requirement for each security is further defined within the Permitted Investments section of the policy. If securities which are purchased for the Fund are downgraded below the credit quality required by the Fund. The Treasurer, will determine whether to retain or to sell the security. Evaluation of divestiture of securities will be determined on a case-by-case basis.

### **16.0 GLOSSARY**

Definitions of investment-related terms are listed in Exhibit A.

# FINANCIAL POLICIES

---

## EXHIBIT A

### GLOSSARY

**ACCRETION:** Adjustment of the difference between the prices of a bond bought at an original discount and the par value of the bond.

**AGENCIES:** Federal agency securities and/or Government-sponsored enterprises (GSEs), also known as U.S. Government instrumentalities. Securities issued by Government National Mortgage Association (GNMA) are considered true agency securities, backed by the full faith and credit of the U.S. Government. GSEs are financial intermediaries established by the federal government to fund loans to certain groups of borrowers, for example homeowners, farmers and students and are privately owned corporations with a public purpose. The most common GSEs are Federal Farm Credit System Banks, Federal Home Loan Banks, Federal Home Loan Mortgage Association, and Federal National Mortgage Association.

**AMORTIZATION:** Accounting procedure that gradually reduces the cost value of a limited life or intangible asset through periodic charges to income. For fixed assets, the term used is "depreciation". It is common practice to amortize any premium over par value paid in the purchase of preferred stock or bond investments.

**APPRECIATION:** Increase in the value of an asset such as a stock bond, commodity or real estate.

**ASKED PRICE:** The price a broker/dealer offers to sell securities.

**ASSET BACKED:** A type of security that is secured by receivables, such as credit card and auto loans. These securities typically pay principal and interest monthly.

**BANKERS' ACCEPTANCE (BA):** A draft or bill of exchange accepted by a bank or trust company. The accepting institution guarantees payment of the bill, as well as the issuer. This money market instrument is used to finance international trade.

**BASIS POINT:** One-hundredth of one percent (i.e., 0.01%).

**BENCHMARK:** A comparative base for measuring the performance or risk tolerance of the investment portfolio. A benchmark should represent a close correlation to the level of risk and the average duration of the portfolio's investment.

**BID PRICE:** The price a broker/dealer offers to purchase securities.

**BOND:** A financial obligation for which the issuers promises to pay the bondholder a specified stream of future cash flows, including periodic interest payments and a principal repayment.

**BOOK VALUE:** The value at which a debt security is shown on the holder's balance sheet. Book value is acquisition cost less amortization of premium or accretion of discount.

**BROKER:** A broker acts as an intermediary between a buyer and seller for a commission and does not trade for his/her own risk and account or inventory.

**CALLABLE SECURITIES:** A security that can be redeemed by the issuer before the scheduled maturity date.

**CASH FLOW:** An analysis of all changes that affect the cash account during a specified period.

**CERTIFICATE OF DEPOSIT (CD):** A time deposit with a specific maturity evidenced by a certificate. Large-denomination CD's are typically negotiable.

**COLLATERAL:** Securities, evidence of deposit or other property which a borrower pledges to secure repayment of a loan. Also refers to securities pledged by a bank to secure deposits of public monies.

**COLLATERALIZED MORTGAGE OBLIGATION (CMO):** A type of mortgage-backed security that creates separate pools of pass-through rates for different classes of bondholders with varying maturities, called tranches. The repayments from the pool of pass-through securities are used to retire the bonds in the order specified by the bonds' prospectus.

**COMMERCIAL PAPER:** Short-term, unsecured, negotiable promissory notes of corporations.

**COMPREHENSIVE ANNUAL FINANCIAL REPORT (CAFR):** The official annual financial report for the City. It includes combined statements and basic financial statements for each individual fund and account group prepared in conformity with Generally Accepted Accounting Principles (GAAP).

**CORPORATE NOTE:** Debt instrument issued by a private corporation.

**COUPON:** The annual rate at which a bond pays interest.

**CREDIT RATINGS:** A grade given to a debt instrument that indicates its credit quality. Private independent rating services such as Standard & Poor's, Moody's and Fitch provide these

**CREDIT RISK:** The risk that an obligation will not be paid and a loss will result due to a failure of the issuer of a security.

**CUSIP:** Stands for Committee on Uniform Securities Identification Procedures. A CUSIP number identifies most securities, including: stocks of all registered U.S. and Canadian companies, and U.S. government and municipal bonds. The CUSIP system—owned by the American Bankers Association and operated by Standard & Poor's—facilitates the clearing and settlement process of securities. The number consists of nine characters (including letters and numbers) that uniquely identify a company or issuer and the type of security.

**CURRENT YIELD:** The annual interest on an investment divided by the current market value. Since the calculation relies on the current market value rather than the investor's cost, current yield is unrelated to the actual return the investor will earn if the security is held to maturity.

**CUSTODIAN:** A bank or other financial institution that keeps custody of stock certificates and other assets.

**DEALER:** A dealer, as opposed to a broker, acts as a principal in all transactions, buying and selling for his/her own risk and account or inventory.

**DEBENTURES:** A bond secured only by the general credit of the issuers.

**DELIVERY VERSUS PAYMENT (DVP):** Delivery of securities with a simultaneous exchange of money for the securities.

# FINANCIAL POLICIES

---

**DERIVATIVE:** A financial instrument that is based on, or derived from, some underlying asset, reference date, or index.

**DIRECT ISSUER:** Issuer markets its own paper directly to the investor without use of an intermediary.

**DISCOUNT:** The difference between the cost of a security and its value at maturity when quoted at lower than face value.

**DIVERSIFICATION:** Dividing investment funds among a variety of securities offering independent returns and risk profiles.

**DURATION:** A measure of the timing of the cash flows, such as the interest payments and the principal repayment, to be received from a given fixed-income security. This calculation is based on three variables: term to maturity, coupon rate, and yield to maturity. Duration measures the price sensitivity of a bond to changes in interest rates.

**FACE VALUE:** The principal amount owed on a debt instrument. It is the amount on which interest is computed and represents the amount that the issuer promises to pay at maturity.

**FAIR VALUE:** The amount at which a security could be exchanged between willing parties, other than in a forced or liquidation sale. If a market price is available, the fair value is equal to the market value.

**FANNIE MAE:** Trade name for the Federal National Mortgage Association (FNMA), a U.S. Government sponsored enterprise.

**FEDERAL DEPOSIT INSURANCE CORPORATION (FDIC):** A federal agency that provides insurance on bank deposits, guaranteeing deposits to a set limit per account, currently \$250,000.

**FEDERAL FARM CREDIT BANK (FFCB):** Government-sponsored enterprise that consolidates the financing activities of the Federal Land Banks, the Federal Intermediate Credit Banks and the Banks for Cooperatives. Its securities do not carry direct U.S. government guarantees.

**FEDERAL FUNDS RATE:** The rate of interest at which Federal funds are traded. This rate is considered to be the most sensitive indicator of the direction of interest rates, as it is currently pegged by the Federal Reserve through open-market operations.

**FEDERAL GOVERNMENT AGENCY SECURITIES:** Federal Agency or United States government-sponsored enterprise obligations, participations, or other instruments, including those issued by or fully guaranteed as to principal and interest by federal agencies or United States government-sponsored enterprises.

**FEDERAL HOME LOAN BANKS (FHLB):** Government sponsored enterprise (currently made up of 12 regional banks) that regulates and lends funds and provides correspondent banking services to member commercial banks, thrift institutions, credit unions and insurance companies. Although the banks operate under federal charter with government supervision, the securities are not guaranteed by the U. S. Government.

**FEDERAL HOME LOAN MORTGAGE CORPORATION (FHLMC):** Government sponsored enterprise that helps maintain the availability of mortgage credit for residential housing. FHLMC

finances these operations by marketing guaranteed mortgage certificates and mortgage participation certificates. Its discount notes and bonds do not carry direct U.S. government guarantees.

**FEDERAL NATIONAL MORTGAGE ASSOCIATION (FNMA):** Government sponsored enterprise that is the largest single provider of residential mortgage funds in the United States. FNMA is a private stockholder-owned corporation. The corporation's purchases include a variety of adjustable mortgages and second loans, in addition to fixed-rate mortgages. FNMA's securities are also highly liquid and are widely accepted.

**FEDERAL OPEN MARKET COMMITTEE (FOMC):** A committee of the Federal Reserve Board, which establishes monetary policy and executes it through temporary and permanent changes to the supply of bank reserves.

**FEDERAL RESERVE SYSTEM:** The central bank of the U.S. which consists of a seven member Board of Governors, 12 regional banks and about 5,700 commercial banks that are members.

**FED WIRE:** A wire transmission service established by the Federal Reserve Bank to facilitate the transfer of funds through debits and credits of funds between participants within the Fed system.

**FREDDIE MAC:** Trade name for the Federal Home Loan Mortgage Corporation (FHLMC), a U.S. government sponsored enterprise.

**GINNIE MAE:** Trade name for the Government National Mortgage Association (GNMA), a direct obligation bearing the full faith and credit of the U.S. Government.

**GOVERNMENT ACCOUNTING STANDARDS BOARD (GASB):** A standard-setting body, associated with the Financial Accounting Foundation, which prescribes standard accounting practices for governmental units.

**GUARANTEED INVESTMENT CONTRACTS (GICS):** An agreement acknowledging receipt of funds, for deposit, specifying terms for withdrawal, and guaranteeing a rate of interest to be paid.

**INTEREST RATE:** The annual yield earned on an investment, expressed as a percentage.

**INTEREST RATE RISK:** The risk of gain or loss in market values of securities due to changes in interest-rate levels. For example, rising interest rates will cause the market value of portfolio securities to decline.

**INVESTMENT AGREEMENTS:** A contract providing for the lending of issuer funds to a financial institution which agrees to repay the funds with interest under predetermined specifications.

**INVESTMENT GRADE (LONG TERM RATINGS):** The minimum, high quality ratings for long term debt such as corporate notes. Investment Grade ratings are as follows: A3 (Moody's), A- (S&P), and A- (Fitch).

**INVESTMENT PORTFOLIO:** A collection of securities held by a bank, individual, institution or government agency for investment purposes.

**LIQUIDITY:** A liquid asset is one that can be converted easily and rapidly into cash with minimum risk of principal.

# FINANCIAL POLICIES

---

**LOCAL AGENCY INVESTMENT FUND (LAIF):** An investment pool sponsored by the State of California and administered/managed by the State Treasurer. Local government units, with consent of the governing body of that agency, may voluntarily deposit surplus funds for the purpose of investment. Interest earned is distributed by the State Controller to the participating governmental agencies on a quarterly basis.

**LOCAL AGENCY INVESTMENT POOL:** A pooled investment vehicle sponsored by a local agency or a group of local agencies for use by other local agencies.

**MARKET RISK:** The risk that the value of securities will fluctuate with changes in overall market conditions or interest rates. Systematic risk of a security that is common to all securities of the same general class (stocks, bonds, notes, money market instruments) and cannot be eliminated by diversification (which may be used to eliminate non-systematic risk).

**MARKET VALUE:** The price at which a security is currently being sold in the market. See FAIR VALUE.

**MASTER REPURCHASE AGREEMENT:** A written contract covering all future transactions between the parties to repurchase agreements and reverse repurchase agreements that establish each party's rights in the transactions. A master agreement will often specify, among other things, the right of the buyer-lender to liquidate the underlying securities in the event of default by the seller-borrower.

**MATURITY:** The date that the principal or stated value of a debt instrument becomes due and payable.

**MEDIUM-TERM NOTES (MTNs):** Unsecured, investment-grade senior debt securities of major corporations which are sold in relatively small amounts either on a continuous or an intermittent basis. MTNs are highly flexible debt instruments that can be structured to respond to market opportunities or to investor preferences.

**MODIFIED DURATION:** The percent change in price for a 100 basis point change in yields. This is a measure of a portfolio's or security's exposure to market risk.

**MONEY MARKET:** The market in which short term debt instruments (Treasury Bills, Discount Notes, Commercial Paper, Banker's Acceptances and Negotiable Certificates of Deposit) are issued and traded.

**MORTGAGED BACKED SECURITIES:** A type of security that is secured by a mortgage or collection of mortgages. These securities typically pay principal and interest monthly.

**MUNICIPAL BONDS:** Debt obligations issued by states and local governments and their agencies, including cities, counties, government retirement plans, school districts, state universities, sewer districts, municipally owned utilities and authorities running bridges, airports and other transportation facilities.

**MUTUAL FUND:** An entity that pools money and can invest in a variety of securities which are specifically defined in the fund's prospectus.

**NEGOTIABLE CERTIFICATE OF DEPOSIT:** A large denomination certificate of deposit which can be sold in the open market prior to maturity.

**NET PORTFOLIO YIELD:** Calculation in which the 365-day basis equals the annualized percentage of the sum of all Net Earning during the period divided by the sum of all Average Daily Portfolio Balances.

**NATIONALLY RECOGNIZED RATING ORGANIZATION (NRSRO):** is a credit rating agency that issues credit rating that U.S Securities and Exchange Commission permits other financial firms to use for certain regulatory purposes.

**OPEN MARKET OPERATIONS:** Purchases and sales of government and certain other securities in the open market by the New York Federal Reserve Bank as directed by the FOMC in order to influence the volume of money and credit in the economy. Purchases inject reserves into the bank system and stimulate growth of money and credit; Sales have the opposite effect. Open market operations are the Federal Reserve's most important and most flexible monetary policy tool.

**PAR VALUE:** The amount of principal which must be paid at maturity. Also referred to as the face amount of a bond. See FACE VALUE.

**PORTFOLIO:** The collection of securities held by an individual or institution.

**PREMIUM:** The difference between the par value of a bond and the cost of the bond, when the cost is above par.

**PRIMARY DEALER:** A group of government securities dealers who submit daily reports of market activity and positions and monthly financial statements to the Federal Reserve Bank of New York and are subject to its informal oversight. These dealers are authorized to buy and sell government securities in direct dealing with the Federal Reserve Bank of New York in its execution of market operations to carry out U.S. monetary policy. Such dealers must be qualified in terms of reputation, capacity, and adequacy of staff and facilities.

**PRIME (SHORT TERM RATING):** High quality ratings for short term debt such as commercial paper. Prime ratings are as follows: P1 (Moody's), A1 (S&P), and F1 (Fitch).

**PRINCIPAL:** The face value or par value of a debt instrument, or the amount of capital invested in a given security.

**PRIVATE PLACEMENTS:** Securities that do not have to be registered with the Securities and Exchange Commission because they are offered to a limited number of sophisticated investors.

**PROSPECTUS:** A legal document that must be provided to any prospective purchaser of a new securities offering registered with the Securities and Exchange Commission that typically includes information on the issuer, the issuer's business, the proposed use of proceeds, the experience of the issuer's management, and certain certified financial statements (also known as an "official statement").

**PRUDENT INVESTOR STANDARD:** A standard of conduct for fiduciaries. Investments shall be made with judgment and care—under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.

**PUBLIC DEPOSITS:** A bank that is qualified under California law to accept a deposit of public funds.

# FINANCIAL POLICIES

**PURCHASE DATE:** The date in which a security is purchased for settlement on that or a later date. Also known as the "trade date".

**RATE OF RETURN:** 1) The yield which can be attained on a security based on its purchase price or its current market price. 2) Income earned on an investment, expressed as a percentage of the cost of the investment.

**REALIZED GAIN (OR LOSS):** Gain or loss resulting from the sale or disposal of a security.

**REGIONAL DEALER:** A financial intermediary that buys and sells securities for the benefit of its customers without maintaining substantial inventories of securities and that is not a primary dealer.

**REPURCHASE AGREEMENT (RP or REPO):** A transaction in which a counterparty or the holder of securities (e.g. investment dealer) sells these securities to an investor (e.g. the City) with a simultaneous agreement to repurchase them at a fixed date. The security "buyer" (e.g. the City) in effect lends the "seller" money for the period of the agreement, and the terms of the agreement are structured to compensate the "buyer" for this. Dealers use RP extensively to finance their positions. Exception: When the Fed is said to be doing RP, it is lending money, that is, increasing bank reserves.

**REVERSE REPURCHASE AGREEMENT (REVERSE REPO):** The opposite of a repurchase agreement. A reverse repo is a transaction in which the City sells securities to a counterparty (e.g. investment dealer) and agrees to repurchase the securities from the counterparty at a fixed date. The counterparty in effect lends the seller (e.g. the City) money for the period of the agreement with terms of the agreement structured to compensate the buyer.

**RISK:** Degree of uncertainty of return on an asset.

**SAFEKEEPING:** A service which banks offer to clients for a fee, where physical securities are held in the bank's vault for protection and book-entry securities are on record with the Federal Reserve Bank or Depository Trust Company in the bank's name for the benefit of the client. As agent for the client, the safekeeping bank settles securities transactions, collects coupon payments, and redeems securities at maturity or on call date, if called.

**SECURITIES AND EXCHANGE COMMISSION (SEC):** Agency created by Congress to protect investors in securities transactions by administering securities legislation.

**SECONDARY MARKET:** A market for the repurchase and resale of outstanding issues following the initial distribution.

**SECURITIES:** Investment instruments such as notes, bonds, stocks, money market instruments and other instruments of indebtedness or equity.

**SETTLEMENT DATE:** The date on which a trade is cleared by delivery of securities against funds.

**SPREAD:** The difference between two figures or percentages. It may be the difference between the bid (price at which a prospective buyer offers to pay) and asked (price at which an owner offers to sell) prices of a quote, or between the amount paid when bought and the amount received when sold.

**STRUCTURED NOTE:** A complex, fixed income instrument, which pays interest, based on a formula tied to other interest rates, commodities or indices. Examples include "inverse floating rate" notes which have coupons that increase when other interest rates are falling, and which fall when other interest rates are rising and "dual index floaters", which pay interest based on the relationship between two other interest rates, for example, the yield on the ten-year Treasury note minus the Libor rate. Issuers of such notes lock in a reduced cost of borrowing by purchasing interest rate swap agreements.

Issuers of such notes lock in a reduced cost of borrowing by purchasing interest rate swap agreements.

**SUPRANATIONALS:** are international institutions that provide development financing, advisory services and/or financial services to their member countries to achieve the overall goal of improving living standards through sustainable economic growth. The Government Code allows local agencies to purchase the United States dollar denominated senior unsecured unsubordinated obligations issued or unconditionally guaranteed by the International Bank for Reconstruction and Development, International Finance Corporation, or Inter-American Development Bank.

**TIME DEPOSIT:** A deposit with a California bank or savings and loan association for a specific amount and with a specific maturity date and interest rate. Deposits of up to \$250,000 are insured by FDIC. Deposits over \$250,000 are collateralized above the insurance with either government securities (at 110% of par value), first trust deeds (at 150% of par value), or letters of credit (at 105% of par value).

**TOTAL RATE OF RETURN:** A measure of a portfolio's performance over time. It is the internal rate of return which equates the beginning value of the portfolio with the ending value, and includes interest earnings and realized and unrealized gains and losses on the portfolio. For bonds held to maturity, total return is the yield to maturity.

**TRUSTEE OR TRUST COMPANY OR TRUST DEPARTMENT OF A BANK:** A financial institution with trust powers which acts in a fiduciary capacity for the benefit of the bondholders in enforcing the terms of the bond contract.

**UNDERWRITER:** A dealer which purchases a new issue of municipal securities for resale.

**UNIFORM NET CAPITAL RULE:** Securities and Exchange Commission requirement that member firms as well as nonmember broker/dealers in securities maintain a maximum ratio of indebtedness to liquid capital of 15 to 1; also called net capital rule and net capital ratio. Indebtedness covers all money owed to a firm, including margin loans and commitments to purchase securities, one reason new public issues are spread among members of underwriting syndicates. Liquid capital includes cash and assets easily converted into cash.

**U.S. GOVERNMENT AGENCY SECURITIES:** Securities issued by U.S. government agencies, most of which are secured only by the credit worthiness of the particular agency. See AGENCIES.

**U.S. TREASURY OBLIGATIONS:** Securities issued by the U.S. Treasury and backed by the full faith and credit of the United States. Treasuries are the benchmark for interest rates on all other securities in the U.S. The Treasury issues both discounted securities and fixed coupon notes and bonds. The income from Treasury securities is exempt from state and local, but not federal, taxes.

**TREASURY BILLS:** Securities issued at a discount with initial maturities of one year or less. The Treasury currently issues three-month and six-month Treasury bills at regular weekly auctions. It also issues very short-term "cash management" bills as needed to smooth out cash flows.

**TREASURY NOTES:** Intermediate-term coupon-bearing securities with initial maturities of one year to ten years.

**TREASURY BOND:** Long-term coupon-bearing securities with initial maturities of ten years or longer.

**UNREALIZED GAIN (OR LOSS):** Gain or loss that has not become actual. It becomes a realized gain (or loss) when the security in which there is a gain or loss is actually sold. See REALIZED GAIN (OR LOSS).

## FINANCIAL POLICIES

### RECOMMENDATION

Receive an informational report presenting the results of the 2015 budget priorities poll of Oakland residents conducted in accordance with the Consolidated Fiscal Policy (Ordinance 13279 C M S ) as part of the FY 2015-2017 budget development

### OUTCOME

This is an informational report providing analysis to the City Council and the public of the survey conducted to assess budget priorities, concerns and needs of Oakland residents (Attachment A)

### BACKGROUND/LEGISLATIVE HISTORY

On December 9, 2014, the City Council approved the Consolidated Fiscal Policy (Ordinance 13279 CMS) which directs staff to conduct a professional and statistically valid poll of Oakland residents as part of the biennial budget development process for assessing the public's needs, concerns, and priorities. The Consolidated Fiscal Policy also requires the survey questions to be submitted to the Budget Advisory Committee (BAC) for review of bias, relevance, consistency in administration, inclusion of benchmark questions, and ability to assess concerns, needs and priorities.

The FY 2014-15 Amended Midcycle Budget included an appropriation of \$45,000 to conduct a professional poll. Through a competitive bid process, the consultant Fairbank, Maslin, Maullin, Metz & Associates (FM3) was selected to conduct the survey. FM3 has experience conducting a similar budget priority survey for San Jose recently and various community polls for other cities in the bay area. Additionally, they have conducted community surveys for Oakland in the past (2002, 2005 and 2008) which serve as comparative benchmark information. The questions were developed in accordance with the Consolidated Fiscal Policy. FM3 and the staff met with the

BAC prior to release of the poll to solicit their feedback and input. The BAC unanimously approved the final survey questions that were submitted for polling.

## ANALYSIS

FM3 conducted a telephone survey of 701 randomly-selected registered voters to assess their views on the City's budget priorities. The survey was conducted in English, Spanish and Cantonese. Please see the accompanying report for the FM3's full analysis. A high level summary of the results of the survey are provided below.

Overall, the survey results suggest that voters in Oakland are generally satisfied with life in their City, although they are less pleased with how City government delivers services. Their top priorities for the budget include public safety – police, fire, and emergency services – as well as education & children, jobs, and affordable housing. Addressing crime and violence and providing associated services were clearly the top priority irrespective of the many in which the question was asked.

Many expect the City to have a budget shortfall, and if there is a shortfall, the overwhelming preference is to address it with revenue increases rather than cuts in programs both when asking generally and with regard to cuts in specific services. A majority of voters favored increasing revenues to maintain or to increase nearly all of the services that were polled. Over two-thirds of residents would pay more to maintain or increase the following services.

- Emergency medical response
- Violence prevention and intervention services
- Police protection in your neighborhood
- Fire prevention and response
- Job training and employment programs
- Repair of potholes in city streets and broken sidewalks
- Child care and Head Start programs
- Youth programs at city parks and recreation centers
- Housing programs and affordable housing development
- Clean-up and removal of illegal dumping

Oakland residents draw from a variety of information sources to learn about City government issues and have a range of preferences for how they interact with the City in the future. Television news is the most popular method for learning about City government, followed by newspapers, word of mouth, and social media. Preferences for future interactions with City government are split fairly evenly between interacting in person, by email, via website, or by phone.

## PUBLIC OUTREACH/INTEREST

The BAC held three public meeting to discuss the poll and its questions through the fall and winter of 2014. The final polling instrument was approved a public special meeting of the BAC.

## COORDINATION

The Budget Advisory Committee was instrumental in the development of the poll and its questions. The City Administrator's Office also provided helpful input and guidance.

## COST SUMMARY/IMPLICATIONS

There are no costs or fiscal impacts associated with the acceptance of this report.

## SUSTAINABLE OPPORTUNITIES

*Economic.* No direct economic opportunities have been identified.

*Environmental.* No direct environmental opportunities have been identified.

*Social Equity:* No direct social equity opportunities have been identified.

## APPENDIX A – TOPLINE SURVEY RESULTS

## INTRODUCTION AND METHODOLOGY

Between January 27-31, 2015, Fairbank, Maslin, Maullin, Metz & Associates (FM3) conducted a telephone survey of 701 randomly-selected registered voters in the City of Oakland to assess their views on issues related to the Oakland City budget. The survey questionnaire was translated and administered in Spanish and Cantonese, as well as in English.

Survey questions were developed in consultation with City staff and the City's Budget Advisory Committee, and several were repeated from similar surveys conducted in 2005, 2002 and 2000. It is important to note in making comparisons to previous years that the sample for those surveys were drawn by a random digit dialing or RDD methodology from the entire population of Oakland residents, rather than only registered voters. Due to the escalating costs associated with conducting RDD surveys – and the practical difficulties with interviewing a representative sample using this methodology – this survey was conducted using a voter sample. Additionally, the sample was weighted slightly to conform to demographic data on the City's electorate.

61 percent of the interviews were conducted with respondents who make "all" or "most" of their phone calls on cell phones. Seven percent of the interviews were conducted in Spanish (4%) or Cantonese (3%). 15 percent of respondents reported being born outside the U.S., and their countries of origin are summarized in the table below.

Country of origin	Number of respondents
Mexico	18
China	13
Philippines	10
El Salvador	3
England	3
Hong Kong	3
Jamaica	3
Vietnam	3
Argentina	2
Canada	2

India	1
Indonesia	1
Iran	1
Japan	1
Kenya	1
Nicaragua	1
Panama	1
Puerto Rico	1
Russia	1
Taiwan	1
United Kingdom	1
Yemen	1

The margin of error for the survey sample as a whole is plus or minus 3.7 percentage points at the 95 percent confidence level. The margin of error for smaller subgroups within the sample is larger. Finally, it should be noted that due to rounding, not all combined percentages will sum to their assumed total. For example, 13.4 percent and 12.4 percent are shown as 13 and 12 percent in this report, and instead of their combined total summing to 25 percent, it sums to 26 percent (25.8 percent).

This report discusses and analyzes the survey's principal findings. Following a brief summary of findings, the report is divided into four parts:

- **Part 1** examines Oakland voters' views of life in the City and the overall performance of City government in delivering services.
- **Part 2** explores general impressions of the City budget and preference for how to deal with a budget shortfall
- **Part 3** focuses on specific priorities for City spending and preferences for revenue increases or budget cuts in specific programs
- **Part 4** addresses respondents' preferences for how to interact with City government

The topline results of the survey are included at the end of the report in **Appendix A**

## **SUMMARY OF MAJOR FINDINGS**

---

Overall, the survey results suggest that voters in Oakland are generally satisfied with life in their City, although they are less pleased with how City government delivers services. Many expect the City to have a budget shortfall, and if there is a shortfall, the overwhelming preference is to address it with revenue increases rather than cuts in programs. Their top priorities for the budget include public safety – police, fire, and emergency services – as well as education, jobs, and affordable housing. They learn about City government in a number of different ways (with television news the #1 information source) and express a range of preferences for future interactions with the City (with a plurality favoring in-person interactions).

More specifically:

- Seven in ten respondents (70%) rate Oakland as an excellent (26%) or good (44%) place to live
- Only 32 percent, however, say Oakland city government does an excellent (3%) or good (28%) job providing services for the people who live there, while 44 percent rate the City's performance as fair and 18 percent as poor
- A plurality (47%) expect a budget shortfall for the upcoming year, 2015, including 21 percent who expect a large shortfall. Only 11 percent expect a surplus and 18 percent expect a balanced budget, while 24 percent do not know enough to provide an expectation
- Improving public safety is a clear priority for voters when considering City spending, followed by issues related to education and children, jobs, and affordable housing
  - Assorted issues related to crime, violence, police funding and public safety top the list of concerns raised by respondents, with 38 percent volunteering one of these as the most serious problem in the city and another 24 percent who name it second
  - When asked to consider what qualities make a city a good place to live, low rates of crime and violence is rated as extremely important by 80 percent of respondents, more than any other issue, with a series of issues including promoting literacy, emergency medical services, job availability, and affordable housing making up a second tier, with over six in ten calling them extremely important
- The electorate prefers raising revenue to cutting services as a way to deal with a potential budget shortfall, both in general, and when faced with particular programs.
  - To address a budget shortfall, in concept a majority (54%) preferred raising additional revenue, including taxes or fees, while only 22 percent would choose to cut existing City services.
  - Presented with a series of City programs, majorities would choose to pay more in taxes or fees rather than cut them. The programs respondents are least willing to cut are those that reflect their priorities for the budget, including emergency medical

response (80% would pay more to maintain or improve) and police protection in your neighborhood (79% would pay more)

- The only programs a majority would be willing to cut include graffiti removal (52% cut), and attracting and keeping professional sports teams (60% cut)
- Voters learn about City government issues in a number of ways and express a range of preferences for how they interact with the City in the future
- Television news is the most popular method for learning about City government (29% say it is their first choice), followed by newspapers (18%), word of mouth (10%) and social media (10%)
  - Preferences for future interactions are almost as diverse, with 35 percent saying they prefer interacting in person, 27 percent by email, 26 percent on a website, and 24 percent on the phone (each respondent was allowed to select multiple options).
- The general pattern described above holds for most subgroups of the City, with overall satisfaction being high, crime and violence a serious concern, and an interest in raising revenues rather than cutting programs to deal with a budget shortfall. There are some differences of degree by subgroup, however, which are spelled out in the body of the report

The remainder of this report presents these and other results of the survey in more detail

## PART 1: IMPRESSIONS OF LIFE IN OAKLAND

Overall, survey respondents generally felt quite positive towards life in Oakland, but offered lower marks to how well the City provides services to its residents

### 1.1 Perceptions of Oakland as a Place to Live

As a place to live, Oakland receives high marks. Seven in ten survey respondents rated it as “excellent” (26%) or “good” (44%), while only three in ten (30%) rated it as “only fair” (22%) or “poor” (9%). As **Figure 1** illustrates, this is slightly more positive than the surveys between 2000 and 2005 found, with most of the increases coming among those who feel life in Oakland is “excellent”

**FIGURE 1:**  
**Current and Historical Perceptions of Life in Oakland**

*Generally speaking, how would you rate Oakland as a place to live  
is it an excellent place to live, a good place, only fair, or a poor place to live?*

Rating	%			
	2000	2002	2005	2015
<b>Total positive</b>	<b>65</b>	<b>64</b>	<b>61</b>	<b>70</b>
Excellent	18	19	19	26
Good	47	45	42	44
<b>Total negative</b>	<b>35</b>	<b>35</b>	<b>38</b>	<b>30</b>
Only fair	28	27	30	22
Poor	7	8	8	9

### Results among subgroups

Several subgroups expressed more positive feelings about the quality of life in Oakland. These respondents were disproportionately white, well-educated, younger, more recent residents to Oakland, and with somewhat higher levels of income:

- Whites (39% “excellent” compared to 26% overall),
- Those with middle-to-higher levels of income, including \$75,000-\$100,000 (36%) and \$100,000-\$150,000 (34%),
- Residents of City Council District 1 (36%) and District 3 (33%),
- Those who have lived in Oakland less than ten years (34%),
- Those with post-graduate degrees (35%) or any four-year college degree (33%);
- Men ages 18-49 (34%),
- Those ages 30-39 (34%),
- Those who are self-employed (33%), and
- Democrats ages 18-49 (32%)

# FINANCIAL POLICIES

February 2015

Page 6

In comparison, the subgroups who disproportionately rated life in Oakland as “poor” were Chinese Americans and Latinos (and immigrants, overall), retirees, those with lower levels of educational attainment and income, and some categories of older respondents

- Those interviewed in Spanish or Chinese (35% “poor” compared to 9% overall),
- Immigrants (24%);
- Chinese Americans (22%) and Latinos (18%),
- Retirees (20%),
- Those with a high school education or less (19%) and women without college degrees (16%),
- Residents of City Council District 7 (18%),
- Women ages 50+ (17%) and those age 75 + overall (15%),
- Independents ages 50+ (17%), and
- Those with household incomes under \$30,000 a year (17%)

## 1.2 Perception of City Government Services

In contrast to the generally positive ratings given to life in Oakland overall, the City’s provision of services received more mixed ratings from survey respondents. One-third (32%) rated *the overall job being done by Oakland city government in providing services for the people who live here* as “excellent” (3%) or “good” (28%), while 44 percent rated it as “only fair” and 18 percent rate it as “poor.” As shown in **Figure 2**, these ratings are generally comparable to the ratings given by Oakland residents in 2000, 2002, and 2005

**FIGURE 2:**  
**Current and Historical Perceptions of Provision of City Services**

*How would you rate the overall job being done by Oakland city government in providing services to the people who live here: excellent, good, only fair or poor?*

Rating	%			
	2000	2002	2005	2015
Total positive	34	40	30	32
Excellent	4	5	2	3
Good	30	35	28	28
Total negative	62	56	67	62
Only fair	49	42	49	44
Poor	13	14	18	18

## ***Results among Subgroups***

In general, there were not large variations between different subgroups in how they viewed City government's provision of services. While no more than eight percent of any of the subgroups viewed the provision of City services as "excellent," a few subgroups did express disproportionately positive opinions when their "excellent" and "good" ratings were combined. This tended to be respondents at the age extremes, upper-middle incomes, very recent Oakland residents, and whites.

- Those ages 75+ (44% "excellent" or "good" compared to 32% overall) and ages 18-29 (41%),
- Those with household incomes of \$75,000-\$100,000 (43%),
- Those who have lived in Oakland less than two years (41%),
- Whites (40%), and
- Residents of City Council District 4 (37%)

The subgroups disproportionately rating the City's provision of services as "poor" included longer-term and generally older City residents, African Americans, higher income residents, and those with children at home.

- Those who have lived in Oakland for more than 40 years (28% "poor" compared to 18% overall);
- Residents of City Council District 7 (28%) and District 5 (23%),
- Those ages 40-49 (24%), 50-64 (25%), and 65-74 (23%),
- African Americans (24%),
- Widowed or divorced residents (24%),
- Those with household incomes greater than \$150,000 (24%), and
- Those with school-aged children at home (23%).

Given the disparate responses to the questions about living in Oakland versus the City's provision of services, it can be informative to look at the intersection of those questions. More specifically, nearly two in five (38%) survey respondents indicated that Oakland is an "excellent" or "good" place to live, but feel that City government does an "only fair" or "poor" job providing services. The subgroups disproportionately falling into this category tended to be white, recent City residents with full-time employment, high incomes and educational levels:

- Those with household incomes greater than \$150,000 (59% compared to 38% overall),
- Those living with a partner (50%),
- Those ages 30-39 (48%),
- Those who have lived in Oakland 2-5 year (47%);
- Residents of City Council District 1 (46%),
- Those employed full-time (42%) or don't work in Oakland (46%),
- Those with at least four-year college degrees (43%);
- Whites (43%), and
- Those who were born in the United States (42%).

## PART 2: GENERAL IMPRESSIONS OF THE OAKLAND CITY BUDGET

Survey respondents were more inclined to expect a shortfall than a surplus for this year's budget, and they indicated that they would rather address a shortfall with revenue increases than with cuts to services

### 2.1 Expectations for This Year's Budget

Thinking about the upcoming year, 2015, nearly half of survey respondents (47%) indicated a belief that the City of Oakland will start its budget process with a "budget shortfall." Asked to quantify their expectation as a "small shortfall" or a "large shortfall," this group is fairly evenly divided. 26 percent expect a small shortfall and 21 percent expect the shortfall to be large, as shown in **Figure 3**. Another 18 percent anticipate a "balanced budget," while 11 percent anticipate a "surplus," and 24 percent do not know enough to offer an opinion.

**FIGURE 3:**  
**Expectations for the 2015 Budget Process**

*Thinking about this upcoming year, 2015, do you think that the City of Oakland will start its budget process with a budget surplus, a balanced budget, or a budget shortfall?*

### Results among Subgroups

In general, the pattern that far more expect a shortfall than a surplus holds consistent across subgroups of the City. However, there was nonetheless some variation in optimism about the budget, while some groups were more likely to acknowledge that they did not know the answer. Distinctions of note included the following:

- African Americans (19%), Democratic men (17%), and voters over 75 (17%) were a little more likely to expect a "budget surplus" when compared to the population overall (11%)

- More pessimistic groups, those more likely than others to expect a shortfall, included those with household incomes over \$100,000 (57%, compared to 47% overall), Democratic women (54%), and women under 50 (53%)

Additionally, perceptions about the City's provision of services also appeared to correlate with expectations for the upcoming budget. While even those with positive views of City government were very unlikely to assume there will be budget surplus, respondents more critical of City government were much more likely to assume the City is facing a budget shortfall. Notably, 61 percent of those who gave the City "poor" ratings for providing services believe the upcoming budget is facing a shortfall, with 42 percent assuming the shortfall will be "large."

## 2.2 Preferences for Handling a Budget Shortfall

If there is a shortfall, respondents clearly preferred raising revenue to cutting services. After being told that there is a possibility that the City of Oakland may face a significant shortfall in the coming year, a majority (54%) said that in making decisions about the budget, the City of Oakland should place a higher priority on *raising additional revenue, including taxes or fees, to reduce the need to cut existing City services*. Fewer than half that number (22%) said the City of Oakland should place higher priority on *cutting existing City services to reduce the need to raise additional revenue, including taxes or fees*. The remainder were unable to choose between those two approaches, either indicating that both should be a priority (10%), neither approach was preferred (8%), or don't know (6%). **Figure 4** illustrates attitudes on this question.

**FIGURE 4:**  
**Preference for Raising Revenue vs. Cutting Services**

*There is a possibility that the City of Oakland may face a significant budget shortfall in the coming year. With that in mind, in making decisions about the budget, should the City of Oakland place a higher priority on*

## ***Results among Subgroups***

Raising revenue was preferred over cutting services among all major subgroups (Only those who took the interview in Spanish or Cantonese actually preferred cutting services to raising taxes 46 to 23 percent, but they represented only seven percent of the sample.) This preference is especially strong among those who rate life in Oakland as “excellent,” as well as the following groups.

- Those who are living with a partner (77%, compared to 54% overall) or single (60%),
- Those with household incomes over \$100,000 a year (66%);
- Those with post-graduate education (64%), and college-educated men (60%),
- Those who are newer to Oakland (60% among those who have lived in the city under 10 years),
- Whites (61%),
- Men under 50 (60%), and
- Democratic men (60%)

Those more ambivalent about the two approaches – but still inclined to support raising revenue over cutting services – included

- Those over age 65 (43% raising revenue, versus 37% cutting services),
- Those with only high school degrees (33% to 42%);
- Those with household incomes less than \$30,000 a year (45% to 34%),
- Chinese Americans (46% to 37%),
- Republicans<sup>1</sup> (46% to 32%),
- Those who feel Oakland is a “poor” place to live (42% to 32%)

## PART 3: SPECIFIC BUDGET PRIORITIES

When asked to come up with their own priorities for the City budget, respondents were most likely to name reducing crime and improving education, followed by housing, street maintenance, and jobs. The same areas – with the addition of emergency medical services – were reflected in their responses to a list of potential goals for the city, and in the areas where respondents indicated they were most willing to pay more to maintain or improve services

### 3.1 Volunteered Priorities for the City Budget

Respondents were asked an open-ended question about the two most important issues facing Oakland residents that they would like to see prioritized in the City government budget. As shown in **Figure 5**, Their most frequent answers related to crime and public safety, which over six in ten mentioned as either their first or second choice: crime/violence (20% first choice, 13% second), more police/funding/police issues (10% first choice, 6% second), and public safety (8% first choice, 5% second). The next most commonly mentioned problem was education/public schools, which was mentioned by over one in three (17% first choice, 19% second). Other frequently-mentioned topics included housing costs/affordability (10% first, 6% second), street and sidewalk maintenance (8% first, 8% second), and jobs/keeping businesses (7% first, 11% second).

**FIGURE 5:**  
**Current Priorities for the City Budget**  
(Categories with 2% or More as First Choice)

*In the upcoming two-year budget, what are the two most important issues facing Oakland residents that you would like to see prioritized in the City government budget?*

Youth activities	3	3
Homelessness	2	4
Public transportation/buses	2	2

### Results among Subgroups

Crime or public safety was the top mentioned problem across nearly all survey subgroups. The subgroups that were particular likely to highlight public safety as the top problem for the City included

# FINANCIAL POLICIES

- Those with household incomes of \$100,000 a year or more (53%, compared to 38% overall),
- Men over 50 (47%),
- Those in City Council Districts 4 (47%) and District 7 (45%),
- Homeowners (46%);
- Those with post-graduate education (46%),
- College-educated men (45%);
- Immigrants (44%); and
- Those who are married (43%)

The exceptions to the above pattern were that those who are living with a partner were more likely to cite education (33%) as a top concern for the city than public safety (28%), as were part-time workers (36% education, 27% public safety)

These priorities were generally similar to the goals enumerated by residents of Oakland over the last 15 years, with crime, education, and housing at the top of the list, though education has at times been a higher priority than crime (**Figure 6**). In 2000, when respondents were asked about the most serious issue they would like to see City government do something about, their top answers were education/public schools (33%) and crime (19%), followed by the need for affordable housing (8%). In 2002, again asked about a single most serious issue, the list was topped by crime (26%), education (14%), housing affordability (12%), and drugs (11%). In 2005, residents were asked to name three most serious issues, and their list was again topped by education (35% first choice), crime (22%), housing costs/affordability (5%), and jobs (4%).

## 3.2 Importance of Possible Goals for the City Budget

Similar issues came out on top when respondents were asked to imagine that they were in charge of the Oakland budget and to evaluate a list of goals in terms of their importance in making a city a good place to live, with public safety most important, and education, jobs, and affordable housing in a second tier. Emergency medical services and disaster preparedness also rose to this second tier of importance for respondents, even though they did not earlier identify them as problems.

By far the highest rated of the goals presented was making sure *crime and violence are low* (80% rate it “extremely important”). This was followed by goals related to jobs, emergency medical services, and education and children’s services, affordable housing, and emergency preparedness, which are all rated at approximately the same level, with over six in ten who called them “extremely important”: *good job availability in the local area* (69%), *speedy access to quality emergency medical services* (69%), *the City promotes literacy and educational opportunities* (67%), and *there are activities and safe spaces for youth and children* (66%), *access to affordable housing* (63%) and *the City is prepared for fires, earthquakes, and other disasters* (61%).

As shown in **Figure 7**, the condition of roads and parks, financial stability, activities for seniors, serving the homeless, and good pedestrian, bicycle, and public transit accessibility are all somewhat lower priorities, while the bottom of the list includes having artistic and cultural activities, a variety of businesses across city neighborhoods, and making the City a travel destination. However, despite the comparatively lower prioritization, it should be noted that *none* of the potential budget priorities were rated “not important” by even one in five residents polled.

**Importance of Various Goals to Making a City a Good Place to Live**

*I am going to ask you to imagine you are in charge of Oakland’s City budget. I am going to read you a list of goals that some people think make a city a good place to live. For each one I read, please tell me how important it is that the City budget prioritizes these goals. Please think of a scale from “1” to “5” where “1” means it is “not at all important” and “5” means it is “extremely important.” A rating of “3” is neutral, neither “important” or “unimportant.”*

## Results among Subgroups

Having the city be safe from crime and violence was the highest-rated goal across nearly all segments of respondents, and the general order of importance changes little based on demographic factors. Low crime was rated particularly important by those interviewed in Spanish or Cantonese (97% “extremely important”), Asian/Pacific Islanders (93%), immigrants (92%), those in City Council District 3 (90%), and those who are unemployed (87%) or retired (86%).

On the other hand, there are a few exceptions who prioritize other issues over public safety

- Those who are living with a partner rated affordable housing highest, followed by activities for youth, emergency services, job availability, and literacy, and only then low rates of crime and violence
- Those who work part-time and those who are self-employed both rate promoting literacy most highly, above low rates of crime and violence

Two other interesting subgroups to consider are those at the extremes of their impressions of life in Oakland – those who rated Oakland as either an “excellent” or “poor” place to live. In general, those who expressed negative opinions about life in Oakland were much more likely to assign each of the potential budget priorities in this question a “5.” In other words, those who thought Oakland was a “poor” place to live were more likely to see view these budget priorities as “extremely important” than those who feel that Oakland is an “excellent” place to live.

Figure 8 shows what percentage of each of these subgroups rated each budget priority as “extremely important” and the difference in the ratings between these two subgroups. Four of the budget priorities – senior services, keeping parks/streets/public spaces clean, financial stability, and homeless services – were seen as “extremely important” by at most half of those who see Oakland as an “excellent” place to live, but were seen as “extremely important” by more than two-thirds of those who rated Oakland as a “poor” place to live. Additionally, while both

subgroups rated keeping crime and violence low as their top priority, those holding more negative opinions of life in Oakland were nearly unanimous in their views of this priority, with 95 percent saying it is an “extremely important” budget goal. Interestingly, there was only one budget priority that those viewing life in Oakland more positively felt was more important than their more pessimistic counterparts – artistic and cultural activities. 46 percent of those viewing life in Oakland as “excellent” thought this was an “extremely important” budget priority, compared to 40 percent of those viewing life in Oakland as “poor.”

### 3.3 Preferences for Revenue Increases or Cuts for Specific Programs

In keeping with their overall preference for revenue increases over cuts to services, respondents indicated they would prefer paying additional taxes or fees over budget cuts for a broad range of

services the City provides, though in general they were willing to pay “a little” more to maintain the service rather than “significantly” more to improve it. The services they were most willing to pay for reflect the priorities listed in the previous sections: public safety, street repair, job training, child care, and affordable housing.

As shown in **Figure 9**, there are a number of services for which over two-thirds of respondents said they would be willing to pay additional taxes or fees, including: *emergency medical response* (80% would be “willing to pay additional taxes or fees to maintain or improve that service”), *police protection in your neighborhood* (79%), *repair of potholes in city streets and broken sidewalks* (77%), *job training and employment programs* (77%), *child care and Head Start programs* (76%), *housing programs and affordable housing development* (75%), and *clean-up and removal of illegal dumping* (67%).

In addition to these, majorities, but fewer than two-thirds, reported being willing to pay more for *programs at senior centers* (66%), *maintenance of public parks, street medians and other open space* (66%); *timely response to resident requests for services* (65%), *library services and hours* (64%), *street lighting in your neighborhood* (62%), *improvements to bicycle, pedestrian, and public transit services/infrastructure* (61%); *flood prevention and storm drain maintenance* (59%), *programs to retain, expand, and attract businesses to Oakland* (57%), and *addressing abandoned homes and businesses* (53%).

Respondents were divided on whether they are willing to pay more for *artistic and cultural activities and events* (51% are “willing to pay additional taxes or fees” while 45% “think cuts should be made”); *maintenance of public buildings* (49%, 44%), and *neighborhood traffic congestion improvements* (48%, 45%). Majorities would prefer cuts to *keeping existing and attracting new professional sports teams* (60% cuts), and *removal of graffiti* (52% cuts).

## PART 4: INTERACTIONS WITH CITY GOVERNMENT

Respondents get their information about Oakland in a number of different ways and expressed a broad range of preferences for how they would like to interact with their City government

### 4.1 Sources of Information about City Government

Respondents were most likely to find out about what Oakland City government is doing through television news, but they also get information from a wide variety of other sources. As shown in **Figure 10**, 29 percent say *television news* is the source of information they use most often, followed by 18 percent for *the newspaper online or in print*. *Word of mouth* (10%), *social media such as Facebook and Twitter* (10%), and *the City's website [www.oaklandnet.com](http://www.oaklandnet.com)* (8%) are also top sources of information for smaller groups of voters

Among those who use newspapers as a first or second choice, a majority (54%) reported most often using *The Oakland Tribune* to get information about city government, followed by *The San Francisco Chronicle* (29%), while *The East Bay Express* (9%) and *The Oakland Post* (3%) were less common sources of information

**FIGURE 10:**  
**Sources of Information about City Government**

### Results among Subgroups

Although television news is the top source of information across most subgroups of the population, there are a number of distinctions among groups that are worth noting

- Some groups expressed even more reliance on television for information about City government than others, including those interviewed in Spanish or Cantonese (51% make

it their first choice) with a high school education or less (45%), Asian/Pacific Islanders (45%), immigrants (44%), African Americans (41%), and women over 50 years old (45%)

- Those who have lived in Oakland less than five years were more likely to use social media (17%) or the newspaper (17%) as a first choice than television (13%)
- Whites (25%), and those with household incomes over \$100,000 a year (24%), were more likely to read a newspaper than watch television as a first choice.

## 4.2 Preferred Ways to Interact with City Government

Respondents were interested in communicating with the City in a number of ways, from in-person to through social media. Asked how they would like to have contact with the City in the future (and allowed to select more than one category), 35 percent indicated they would like to interact *in-person*, 27 percent *by email*, 26 percent *online through a website*, 24 percent *on the phone*, 16 percent *through the U.S. mail*, and 12 percent *through social media like Facebook or Twitter*. This is illustrated in **Figure 11**.

**Figure 11:**  
**Preferred Ways to Interact with City**

*If you were to interact with the City in the future, in which of the following ways would you most like to have contact with them?*

## Results among Subgroups

Although overall, in-person is the preferred method of contact, there were some exceptions where online or email interactions are preferred equally or more over in-person, including

- White voters,
- Those who live with a partner,
- Those who have lived in Oakland less than ten years,
- Those who are self-employed or work at home,
- Those with post-graduate education, and
- Those with household incomes over \$100,000 a year

## CONCLUSIONS

---

The survey results suggest there continues to be a disconnect between how Oaklanders think about life in the City and their impressions of City government's effectiveness. The vast majority of Oaklanders see the City as a good place to live and fewer than one in ten hold negative impressions about living here. (Those more likely to view life in Oakland negatively are likely immigrants, Latinos and Chinese residents, retirees, and residents with lower levels of income and education.) In contrast, a plurality feels the City is only doing a "fair" job providing services. These findings suggest that residents see many other aspects of life in Oakland beyond the City's control as important to the City's high quality of life.

Public safety is clearly a top concern and thus the top budget priority. More than three-quarters of respondents to this survey indicated they would rather pay a little more to maintain or improve police, fire and emergency response services than to see those services cut. Furthermore, many would even be willing to pay "significantly more" to improve neighborhood police protection.

However, public safety does not appear to be the sole budgetary focus of residents. Large majorities would rather pay more to protect other services – such as job training, street/sidewalk repair, youth program, housing programs, senior programs, park maintenance, library services, and others – rather than see them cut.

These results suggest that a challenge for City officials is that while a slim majority (54%) support the general approach of raising revenue to reduce the need to cut services, much larger majorities are willing to pay more for specific services they deem as higher priorities. Thus, were the City to ask residents to pay more to maintain or improve existing services, the specific mix of services would be critically important to garnering broad support. Regardless, these findings do provide guidance for City officials as to which services residents are more or less likely to accept cutting or reducing.

## Exhibit to Budget Resolution – Council Amendments

### Council Policy Directives for FY 2015-17 Budget:

1. **Tracking Budget Implementation:** Require a quarterly budget implementation tracking report with a line-item matrix to come to the Finance & Management Committee. This report should commence in September 2015 and end only when agreed upon by the Committee or when all items have been implemented.

2. **Code Enforcement:** This department is critical to the health and safety of our tenants, the quality of life in our neighborhoods, and the safety of all residents. This entity of the Department of Building and Planning was provided 4 FTE's in the 2013-2015 budget, however, performance levels and revenues from fines have decreased over the last two years. According to Budget Questions #5 - Question #14, fines and penalties collected by Code Enforcement have decreased significantly, though blight is worsening. It is unclear how many Notices of Violation have been sent, if inspections are scheduled for follow up after issues are reported, and whether fines are collected or issues are ever abated.

City Administration will assist the Code Enforcement Office to develop administrative systems to streamline reporting, noticing, re-inspection, and fine collection. Such systems will send a clear message to property owners, who are responsible to keep their properties safe and blight-free. An informational report on these changes should be provided during the Quarterly Report of the Code Enforcement Office to the Public Works Committee.\* (\*Beginning October 2015, Code Enforcement will provide quarterly reports to the Community and Economic Development Committee, as approved by the Rules Committee in June 2015.)

The Code Enforcement Department altered their responses to question #14 (In the Budget Responses #5), stating that there had been inaccuracies in their accounting. They provided this chart to show corrected revenues. While this news is positive, it is critical that the City Administrator ensure that Code Enforcement has streamlined systems to deter blight.

3. **City-Wide "Paper Form Free" Policy:** In 2016, the City Council seeks an updated management plan from the City Administrator on her plan to maximize efficiency, reduce redundancies, and enhance customer service in every City agency. The Council believes that the inefficiencies can be reduced through the elimination of paper forms for simple transactions that our businesses and residents must make with the City of Oakland. Internally, the City relies on paper forms for many processes, including payroll. The City Administration will bring an informational report to the Finance Committee by March 2016 with proposed changes and will work with Council offices to promote new and improved City services to their constituents.

4. **Master Fee Schedule Noticing:** Master Fee Schedule must be noticed at least one month prior to consideration at committee, and be presented to Council for adoption in March of each year when there are proposed changes. (This gives the Council more time to consider fees prior to budget adoption.)

**5. Addressing Gaps in Revenue Collection:** City Councilmembers have expressed concerns at many meetings about the lack of collections, particularly in Business License Tax and Rental Property Tax, and the lack of tracking systems to monitor this revenue. The City Administration will evaluate these concerns in their Quarterly Revenue and Expenditure Reports at the Finance and Management Committee, including but not limited to specific, department level information on revenue tracking systems, revenue projections and actuals by department, etc.

**6. City-Wide Delinquent Revenue Collections:**

- A. Require all departments and bureaus that do not have a Council-approved delinquent revenue collections program shall refer all delinquent revenues to Revenue Management Bureau and Controller's Bureau after 120 days. Effective as soon as possible.
- B. The Administration shall provide an informational report to Council about prompt implementation of this centralized delinquent revenue tracking and collection program, beginning October 2015.

**7. Fine/fee Waiver Policies:** All departments, divisions, bureaus, etc. in the City of Oakland who have fine or fee waiver policies must post such policies online as a permanent City practice. All City waivers, reductions, refunds, or reversal of issued fines/fees must be documented in writing in records maintained by the appropriate Department, which shall issue a report about them semiannually to the City Administrator. Effective as soon as possible.

**8. Restore KTOP/Public Access to the Office of the City Clerk:** To enhance efficiency and Brown Act Compliance, the City Administrator will realign KTOP under the Office of the City Clerk, and return to City Council with a report on the progress of this no later than January 2016.

**9. Transparency & Accountability recommendations of Budget Advisory Committee:** City Administration must follow up on Transparency & Accountability recommendations from Budget Advisory Committee and report back to Council during FY 15-16 on plans for implementation or reasons why a particular recommendation should not be implemented.

**10. Implement Text-To-911:** Text capabilities provide residents an additional way by which to report emergencies. The Oakland Police Department will bring a report to Public Safety Committee in October 2015 with:

- A. A thorough description of text features, needed staff training, and analysis of how it changes responsibilities for dispatch personnel
- B. Potential options for implementation with costs
- C. An implementation plan with timeline for such potential options

## Exhibit to Budget Resolution – Council Amendments

**11. Process Improvement for Small Grants:** City Administration will work with Cultural Arts Department, the City Attorney's Office, Risk Management, and Contract Compliance to determine new methods for processing Cultural Arts and other small grant programs, such as reducing demands unnecessary for such grants and re-creating grant management processes that are online and paperless in order to maximize efficiency. The City Administration will provide an informational report on the changes by January 2016.

**12. Tree services, Maintenance, and Plantings:** In September 2015, Staff will report to the Public Works Committee about the City of Oakland's Cal Fire Grant Application, including background information about existing and needed tree services, proposed use of grant funds, and status of grant application. (Grant applicants are expected to be notified in July 2015). The City of Oakland should apply for grants which provide funding for tree planting and tree maintenance.

**13. Protecting Permitted Cannabis Facilities:** Impose a ban on the use of City resources from being used to raid or assist in raids of permitted cannabis facilities. When the Federal government raided Oakland-permitted dispensaries, including Oaksterdam facilities, OPD was asked (at the last minute) to provide numerous additional police officers to help with the raid and the related logistics. This diverted crucial law enforcement resources away from vital safety needs. This should not be allowed to happen again.

**14. Regulation and Taxation of Medical Cannabis Production, as approved by voters in 2010:** Implement the system for taxing and regulating medical cannabis production, included in mid-cycle adjustment. This implements a tax which has already been authorized by Oakland voters (Measure V of 2010), and is already on the books, (which is 5% of gross receipts). It requires an implementation system and management by the City Administrator's office. The goal is to create that system during the first year, and incorporate the revenue in the second year of the budget.

**15. Increasing Retention and Enhancing Recruitment for the Oakland Police Department:** The City Administrator will send an informational memo in September 2015 on the formation of the Ad-Hoc Committee on Police Recruitment (as approved in April 2015).

**16. Expand and improve business license tax collection effectiveness,** including from those not currently paying. Pursue options for expanding collections from new technology industries such as transportation network companies, and the creation of an option to collect from those who do not declare a business category by authorizing collection at the top rate for "undeclared" businesses, report back to Council by January 2016 on these efforts.

**17. The Administration shall conduct a review of the tax payment status of all residential properties which have changed hands since 2007 and which do not have a homeowner exemption filed with the county.** Any property which in prior years claimed no income due to renovations to be re-inquired. Property owners shall be informed of the various tax obligations and payment

methods and requirements, and create follow-up system to ensure tax payments are not being improperly avoided. This will allow for a more robust and accurate collection of tax revenue to fill public service needs such as public safety, libraries, senior centers, etc.

**18. Launch the previously Council-authorized online business tax payment system,** and take action to insure that all aspects of revenue data tracking systems are functioning properly. (See Supplemental with Q&A regarding revenue for details on current problems with revenue computer system). Making revenue collection more customer friendly will enhance the City's ability to capture much needed revenue and provide a faster and less cumbersome process for residents. Report back to Council by October 2015 on progress on this issue.

**19. Bring the Proposal to Reorganize the Revenue Department** to the Finance & Management Committee and Council for approval.

### RESOLUTION CONFIRMING THE INFORMATION IN THE ENGINEER'S REPORT FOR THE CITY OF OAKLAND LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT FOR FISCAL YEAR (FY) 2015-16 AND THE LEVYING OF ASSESSMENTS

**WHEREAS**, pursuant to the California Streets and Highways code, Sections 22500, et seq known as the Landscaping and Lighting Act of 1972 (Act of 1972), the City Administrator filed with the City Clerk and presented before Council, on June 2, 2015, reports for the continuation of the Landscape and Lighting Assessment District in order to raise funds for the installation, maintenance and servicing of public landscaping and lighting; and

**WHEREAS**, pursuant to Sections 22500 and following of the Act of 1972, the City took a series of actions preliminary to ordering the establishment of the Landscape and Lighting Assessment District ("District") and did establish such District of June 23, 1989; and

**WHEREAS**, pursuant to Sections 22500 and following of the Act of 1972, the City has renewed the District each subsequent year; and

**WHEREAS**, the voters of the City of Oakland previously approved the continuation of the District, in accordance with Article XIID, Section 5, of the California Constitution (Proposition 218); and

**WHEREAS**, the District Engineer has filed an Engineer's Report for the District confirming the applicability of the existing assessment rates for FY 2015-16; and

**WHEREAS**, Tuesday, June 2, 2015, at the hour of 6:30 p.m. was fixed and properly noticed as the day and hour for the City Council to hear and pass on said reports, together with any objections or protests which may be raised by any of the property owners liable to be assessed for the costs of certain public maintenance and improvements equitably only among those citizens and businesses benefiting from such city programs; and

**WHEREAS**, the Engineer's Report was prepared in accordance with the provisions of Article XIII of the California Constitution and state law; and

# LEGISLATION

---

**WHEREAS**, the Engineer's Report, incorporated by this reference, provides for services of particular benefit to the properties located within the District (as more specifically identified in the Engineer's Report); now, therefore be it

**RESOLVED** by the Council of the City of Oakland, as follows:

1. The City Council of the City of Oakland hereby determines that the preceding recitals are true and correct and hereby adopts and incorporates them into this Resolution.
2. The City Council finds that the City Clerk gave notice of these proceedings as required by Government Code Section 53753 and in compliance with state law, and Article XIII of the California Constitution, and gave all other notices and took all other actions required by law with regard thereto.
3. A Public Hearing was held on June 2, 2015, (at 6:30 p.m. in the City Council Chambers in City Hall, located at 1 Frank H. Ogawa Plaza, Oakland California) to hear all public comments, protests, and thereafter to take final action as to the annual assessment for the District.
4. At the hearing the testimony of all interested persons for or against the furnishing of the specified types of improvements or activities, and the imposition of the annual assessment for the District was heard. All protests, both written and oral, are overruled and denied, and the City Council finds that there is not a majority protest within the meaning of the law.
5. The City Council finds, determines and declares that the District and each parcel therein is benefited by the improvements, maintenance, and activities funded by the assessment to be levied, including all expenses incurred incidentally thereto, upon the lots and parcels of real property in proportion to the estimated benefits to be received as specified in the Engineer's Report.
6. The Engineer's Report for the District and the proposed assessment district boundary description, assessment roll and map is accepted and approved and the assessments shall be as provided for in the Engineer's Report and assessment roll. The reasons for the assessments and the types of improvements, activities and services proposed to be funded and provided by the levy of assessments on property in the District and the time period for which the proposed assessments are to be made are those specified in the Engineer's Report.
7. The City's Budget shall annually appropriate funds from non-District funds to pay for a low-income rebate.
8. The City's and Successor Agency's budgets shall annually appropriate funds from non-district funds to pay for the district's assessment on City and Successor Agency properties.

9. That the report which the District Engineer filed with the City Clerk and scheduled before Council on June 2, 2015 at the hour of 6:30 p.m. for the continuation of the Landscape and Lighting Assessment District for the FY 2015-16, and the diagram and assessment as set forth in the annual report of the Engineering of Work and each component part of it, including each exhibit incorporated by reference in the report and the levying of each individual assessment as stated in the Assessment Roll described therein, as modified to reflect no increases in the assessment, be and are hereby accepted and confirmed.
10. That upon approval of the Landscape and Lighting Assessments, the City Administrator shall present an itemized report to the Alameda County Auditor-Controller Agency, State of California, to be placed on the FY 2015-16 County Tax Roll, and to take whatever other action necessary to collect the assessments.

**OAKLAND CITY COUNCIL**  
**RESOLUTION NO. 85149 C.M.S.**

INTRODUCED BY COUNCILMEMBERS GIBSON MCELHANEY, GALLO, KERNIGHAN,

---

**RESOLUTION ON THE CITY COUNCIL'S OWN MOTION SUBMITTING TO THE NOVEMBER 4, 2014 STATEWIDE GENERAL ELECTION, A PROPOSED ORDINANCE TO MAINTAIN THE CURRENT SPECIAL PARCEL TAX AND THE PARKING TAX SURCHARGE FOR POLICE SERVICES AND VIOLENCE PREVENTION STRATEGIES, TO ADDRESS VIOLENT CRIME AND TO IMPROVE PUBLIC SAFETY IN THE CITY OF OAKLAND; AND DIRECTING THE CITY CLERK TO FIX THE DATE FOR SUBMISSION OF ARGUMENTS AND PROVIDE FOR NOTICE AND PUBLICATION IN ACCORDANCE WITH THE NOVEMBER 4, 2014 STATEWIDE GENERAL ELECTION**

**WHEREAS**, the City of Oakland has established public safety as one of its highest priorities and has determined that safety is essential for a thriving economy, healthy community and quality of life for all Oakland residents; and,

**WHEREAS**, the City of Oakland, like many other urban cities, continues to experience budget constraints due to impacts from the global, national, state, and regional recession causing Oakland to fund basic police and fire services at levels below those of similar-sized cities throughout the country; and,

**WHEREAS**, maintaining a well-equipped and appropriately staffed fire department is a necessary component to public safety including the critical paramedic services and other first responder needs related to acts of violence; and,

**WHEREAS**, investing in a coordinated system of early intervention, community policing and violence-prevention efforts before injury occurs will reduce economic and emotional costs and will be a fiscally responsible use of taxpayer dollars; and,

**WHEREAS**, in 2004, voters approved funding to augment basic police and fire services and funded violence prevention and intervention programs in a coordinated effort, now commonly known as "Oakland Unite" that invests in strategic violence prevention and intervention work that has been demonstrated to reduce recidivism, retaliatory violence and interrupt the cycle of violence by focusing efforts on the individuals who are likely to cause or be victims of violence; and

# LEGISLATION

---

**WHEREAS**, findings from the California Legislative Analyst's Office reveal that investment in prevention and intervention strategies like those funded by Oakland Unite is fiscally responsible because it costs less than the average annual cost of incarceration and has demonstrated improved safety without increasing incarceration; and,

**WHEREAS**, the Oakland City Council determines it is in the best interests of the City of Oakland to submit to the voters this proposed ordinance to retain the existing tax structure approved by voters in 2004 to sustain funding for these critical efforts to address violent crime through targeted prevention, intervention and policing strategies, and improve emergency response; now therefore be it

**RESOLVED:** That the Oakland City Council finds and determines the forgoing recitals are true and correct and hereby adopts and incorporates them into this Resolution; and be it

**FURTHER RESOLVED:** That the Oakland City Council does hereby submit to the voters, at the November 4, 2014, Statewide General Election, an Ordinance which reads as follows:

The people of the City of Oakland do ordain as follows:

## **PART 1. GENERAL**

### **Section 1. TITLE AND PURPOSE.**

(A) Title. This Ordinance may be cited as the "The 2014 Oakland Public Safety and Services Violence Prevention Act."

(B) Purpose. The taxes imposed under this Ordinance are solely for the purpose of raising revenue necessary to maintain police and fire services and violence prevention and intervention strategies, to address violent crime and to improve public safety in the City of Oakland.

The parcel tax imposed in Part 2 is an excise tax on the privilege of using and use of municipal services. Such municipal services increase and provide greater benefit to Owners of Parcels when programs to prevent violence and crime in the City are enhanced. Because the proceeds of the tax will be deposited in a special fund restricted for the services and programs specified herein, the tax is a special tax.

### **Section 2. FINDINGS.**

(A) This Ordinance is exempt from the California Environmental Quality Act, Public Resources Code section 21000 et seq., as it can be seen with certainty that there is no possibility that the activity authorized herein may have a significant effect on the environment.

(B) Nothing in this Ordinance is intended to preclude owners from recovering the tax from the occupant. Whether the occupant is charged depends on the occupancy agreement and the requirements of the Residential Rent Adjustment

Program. Moreover, non-payment will not be a lien on the property but a personal obligation of the occupant or owner.

## Section 3. USE OF PROCEEDS.

(A) Objectives. The tax proceeds raised by these special taxes may be used only to pay for any costs or expenses relating to or arising from efforts to achieve the following objectives and desired outcomes:

1. Reduce homicides, robberies, burglaries, and gun-related violence;
2. Improve police and fire emergency 911 response times and other police services; and,
3. Invest in violence intervention and prevention strategies that provide support for at-risk youth and young adults to interrupt the cycle of violence and recidivism.

(B) Allocation. To achieve the objectives stated herein, three percent (3%) of the total funds collected shall be set aside annually for audit and evaluation of the programs, strategies and services funded by this measure, and to support the work of the Commission established herein (including meeting supplies, retreats, and the hiring of consultants). Of the remaining ninety-seven percent (97%), the Oakland Fire Department shall be allocated special tax revenue in the amount of \$2,000,000 annually. The tax funds remaining shall be allocated as follows: sixty percent (60%) for purposes described in subsection (C)(1) and forty percent (40%) for purposes described in subsection (C)(3) of this section.

(C) Uses. Taxes collected pursuant to the special taxes imposed herein shall be used only in connection with programs and services that further the objectives set forth in Section 3(A), such as the following:

1. Geographic Policing: hire, deploy and maintain sworn police personnel assigned to specific geographic areas or neighborhoods, performing duties such as:

(a) Crime Reduction Teams (CRTs): strategically geographically deployed sworn police personnel to investigate and respond to the commission of violent crimes in identified violence hot spots using intelligence-based policing;

(b) Community Resource Officers (CROs): these officers would engage in problem solving projects, attend Neighborhood Crime Prevention Council meetings, serve as a liaison with city services teams, provide foot/bike patrols, answer calls for service if needed, lead targeted enforcement projects and coordinate these projects with CRTs, Patrol units and other sworn police personnel;

# LEGISLATION

---

(c) Conduct intelligence-based violence suppression operations such as field interviews, surveillance, undercover operations, high visibility patrol, probation/ parole compliance checks, search warrants, assist Community Resource Officers (formerly Problem Solving Officer program) projects, violent crime investigation and general follow up;

(d) Domestic violence and child abuse intervention: additional officers to team with social service providers to intervene in situations of domestic violence and child abuse, including sexual exploitation of children;

(e) Sustaining and strengthening of the City's Operation Ceasefire strategy, including project management and crime analysis positions.

2. Maintenance of Sworn Police Personnel: The intent of the augmented funding is to maintain sufficient resources to allow for the implementation of comprehensive policing within the City's limited resources and to begin the process of restoring the sworn staffing of the Oakland Police Department to a number of CRTs, CROs, and other sworn police personnel appropriate to meet the Oakland Police Department's stated mission of providing the people of Oakland an environment where they can live, work, play and thrive free from crime and the fear of crime. To ensure the Department's progress toward this mission, the following shall apply:

(a) Upon passage of this Ordinance, the City shall maintain a budgeted level of no fewer than six hundred seventy eight (678) sworn police personnel (including those sworn police personnel funded by this Ordinance) at all times, and shall hire and maintain no fewer than 678 sworn police personnel as early as practicable after the passage of this Ordinance and at all times after July 1, 2016.

(b) The City is prohibited from laying off any police officers if such layoffs will result in a reduction of sworn police personnel to a level of less than 800. Furthermore, the City is prohibited from laying off any police officers unless the City Council adopts a resolution containing factual findings that it is necessary to layoff officers.

(c) Each fiscal year, before the City adopts its two year policy budget or its mid-cycle budget adjustments, the City Administrator shall submit to the City Council, and the City Council shall adopt, a sworn police personnel hiring plan ("the hiring plan") demonstrating how the City will achieve and /or maintain the strength of force required by this Ordinance. The hiring plan will make use of assumptions that department attrition rates, recruiting success, academy yield and other relevant factors affecting the growth or shrinkage of the department will be comparable to the past two to four years' experience.

(d) The City shall be prohibited from collecting the taxes provided for in this Ordinance at any time that it has failed to budget for a minimum of 678 sworn police personnel. If the City fails to budget the requisite number, the prohibitions set forth in Section 3(C)(2)(e) will apply to the fiscal year of that budget. At any time after July 1, 2016, that the City has failed to hire and maintain a minimum of 678 sworn police personnel, with the exceptions listed below, the prohibitions set forth in Section 3(C)(2)(e) will apply to the fiscal year following 90 days from this determination. The City has 90 days to declare any of the following exceptions:

- i. If grant funding or other non-General Purpose Fund funding budgeted for sworn police personnel in the FY 2014-2015 budget becomes unavailable after that fiscal year, the numeric requirements for budgeting and maintaining sworn police personnel shall be reduced by the number of sworn police personnel previously funded by such lost revenue source. This exception shall apply only if the City Administrator submits a report to the City Council explaining the unavailability of the non-General Purpose Fund revenue, the steps that were taken by the City to try to replace such funding and the steps the City will take in the future to replace such funding. In addition, for this exception to apply, the City Council must adopt a resolution stating that such funding is no longer available and alternative non-General Purpose Fund revenue is not available. Such actions must be taken for each fiscal year in which the City fails to meet the minimum staffing requirements of this Ordinance for the reasons described in this sub-section.
- ii. If a severe and unanticipated financial or other event occurs that so adversely impacts the General Purpose Fund as to prevent the City from budgeting for, hiring and maintaining the minimum number of sworn police personnel required by this Ordinance, the numeric requirements for budgeting and maintaining sworn police personnel shall be reduced by the numbers the City is unable to fund as a result of such event. This exception shall apply only if the City Administrator submits a report to the City Council explaining the severe and unanticipated event, the steps that were taken by the City to avoid the need to reduce the number of sworn police personnel and the steps that will be taken by the City in the future to restore sworn police personnel. Such actions must be taken for each fiscal year in which the City fails to meet the minimum staffing requirements of this Ordinance for the reasons described in this sub-section.
- iii. If the number of sworn police personnel required by this Ordinance unexpectedly falls below the level required despite the City's adoption of and implementation of the hiring plan,

the numeric requirements for budgeting and maintaining sworn police personnel shall be reduced by the shortfall. This exception shall apply only if the City Administrator reports to the City Council concerning the reasons for the shortfall, the steps that should be taken to restore the sworn police personnel level, and the time frame for doing so. If appropriate, the City Council will adopt resolution modifying the hiring plan. The specific facts and circumstances relied upon to establish an exception under this subsection shall not establish an exception in consecutive fiscal years.

(e) Suspension or Reduction of Taxes

- i. If at any time the City fails to budget for the staffing levels required in Section 3(C)(2) for a fiscal year and there has been no Council action establishing an exception set forth in Section 3(C)(2)(d), the City shall not impose and levy the parcel tax established pursuant to this ordinance during that fiscal year.
- ii. If at any time the City fails to budget for the staffing levels required in Section 3(C)(2) for a fiscal year and there has been no Council action establishing an exception set forth in Section 3(C)(2)(d), appropriate notice shall be provided to all parking lot operators that collection of the parking tax surcharge pursuant to this Ordinance shall be suspended during that fiscal year.
- iii. If the City fails to maintain staffing levels required in Section 3(C)(2) and there has been no Council action establishing an exception set forth in Section 3(C)(2)(d), the parcel tax imposed and levied during the following fiscal year shall be reduced by an amount proportionate to the number of days that the City did not meet staffing level requirements during the prior fiscal year.

Example: Parcel tax proportionally reduced for a period of 100 days where the City did not meet the required staffing level during the prior fiscal year, with a tax levied at a rate of \$99.77 for a single family residential parcel:

$$365 \text{ days} - 100 \text{ days} = 265 \text{ days}$$

$$265 \text{ days} \div 365 \text{ days} = 72.60\%$$

$$72.60\% \times \$99.77 = \$72.43$$

- iv. If the City fails to maintain staffing levels required in Section 3(C)(2) and there has been no Council action establishing an

exception set forth in Section 3(C)(2)(d), appropriate notice shall be provided to all parking lot operators that collection of the parking tax surcharge shall be suspended for a period of time determined by the number days that the City did not meet staffing level requirements during the following fiscal year.

3. Community-focused Violence Prevention and Intervention Services and Strategies: Coordination of public systems and community-based social services with a joint focus on youth and young adults at highest risk of violence as guided by data analysis. Invest in and engage the community in collaborative strategies such as:

(a) Street outreach and case management to youth and young adults at high-risk of involvement in violence in order to connect individuals in need of employment, mental health, or educational services to needed programs;

(b) Crisis response, advocacy and case management for victims of crime (including domestic violence victims, commercially sexually exploited children, and victims of shootings and homicides) with a strategic focus on reducing likelihood of being re-victimized;

(c) Reentry programs for youth and young adults, including case management, school support, job training and placement in order to reduce recidivism rates and improve educational and employment outcomes;

(d) Young children exposed to trauma or domestic and/or community violence.

4. Fire Services: Provide fire services such as:

(a) Maintain adequate personnel resources to respond to fire and medical emergencies including, but not limited, response to homicides and gun-related violence and investigate fire causes

## Section 4. PLANNING, ACCOUNTABILITY AND EVALUATION.

To ensure the proper revenue collection, spending, and implementation of the programs mandated by this Ordinance, the City shall impose the following requirements:

(A) Commission: Adoption of this Ordinance shall establish a "Public Safety and Services Violence Prevention" Commission.

1. Qualifications: The Commission's membership must be comprised of individuals with experience in criminal justice, public health, social services, research and evaluation, finance, audits, and/or public policy.
2. Conflicts of Interest: Each Commission member shall certify that the member and the member's immediate family members, business

associates and employers have no financial interest in any program, project, organization, agency or other entity that is seeking or will seek funding approval under this Ordinance. Financial interest includes, without limitation, salaries, consultant fees, program fees, commissions, gifts, gratuities, favors, sales income, rental payments, investment income or other business income. A Commission member shall immediately notify the City Administrator and the Chair of the Commission of any real or possible conflict of interest between membership on the Commission and work or other involvement with entities funded by the taxes provided for in this Ordinance. Any dispute about whether a conflict of interest exists shall be resolved by the Public Ethics Commission.

3. Composition: The Commission shall consist of nine (9) members. The Mayor and each councilmember shall recommend one member of the Commission each. All commissioners shall be appointed by the Mayor and confirmed by the City Council in accordance with City Charter Section 601.

At least two (2) members will have experience working with service-eligible populations, two (2) members will reflect the service-eligible populations, and two (2) members will have a professional law enforcement or criminal justice background. Other members will meet the criteria as established in subsection 1 above.

4. Meetings of the Commission: The Commission shall conduct regular meetings and such special meetings as it deems necessary.
5. Joint Meetings of the Commission and City Council: The City Council, the Commission and other public safety-related boards and commissions shall conduct an annual joint special public informational meeting devoted to the subject of public safety. At each such meeting, the public, Commission and City Council will hear reports from representatives of all departments and the Chief of Police concerning progress of all of the City's efforts to reduce violent crime.
6. Duties of the Commission: The Commission shall perform the following duties:
  - (a) Evaluate, inquire, and review the administration, coordination, and evaluation of strategies and practices mandated in this Ordinance.
  - (b) Make recommendations to the City Administrator and, as appropriate, the independent evaluator regarding the scope of the annual program performance evaluation. Wherever possible, the scope shall relate directly to the efficacy of strategies to achieve desired outcomes and to issues raised in previous evaluations.
  - (c) Receive draft performance reviews to provide feedback before the evaluator finalizes the report.

- (d) Report issues identified in the annual fiscal audit to the Mayor and City Council.
- (e) Review the annual fiscal and performance audits and evaluations.
- (f) Report in a public meeting to the Mayor and the City Council on the implementation of this Ordinance and recommend ordinances, resolutions, and regulations to ensure compliance with the requirements and intents of this Ordinance.
- (g) Provide input on strategies: At least every three (3) years, the department head or his/her designee of each department receiving funds from this Ordinance shall present to the Commission a priority spending plan for funds received from this Ordinance. The priority spending plan shall include proposed expenditures, strategic rationales for those expenditures and intended measurable outcomes and metrics expected from those expenditures. The first presentation shall occur within 120 days of the effective date of this Ordinance. In a public meeting, the Commission shall make recommendations to the Mayor and City Council on the strategies in the plans prior to the City Council adoption of the plans. Spending of tax proceeds of this Ordinance must be sufficiently flexible to allow for timely responsiveness to the changing causes of violent crime. The priority spending plans shall reflect such changes.

The Commission will recommend to the Mayor and City Council those strategies and practices funded by tax proceeds of this Ordinance that should be continued and/or terminated, based on successes in responding to, reducing or preventing violent crime as demonstrated in the evaluation.

- (h) Semi-Annual Progress Reports: Twice each year, the Commission shall receive a report from a representative of each department receiving funds from this Ordinance, updating the Commission on the priority spending plans and demonstrating progress towards the desired outcomes.

(B) Accountability and Reporting.

1. Annual Program Evaluation: Annual independent program evaluations pursuant to Section 3(C) shall include performance analysis and evidence that policing and violence prevention/intervention programs and strategies are progressing toward the desired outcomes. Evaluations will consider whether programs and strategies are achieving reductions in community violence and serving those at the highest risk. Short-term successes achieved by these strategies and long-term desired outcomes will be considered in the program evaluations.

2. Annual Audit Review: An independent audit shall be performed annually to ensure accountability and proper disbursement of the proceeds of this tax in accordance with the objectives stated herein as provided by Government Code sections 50075.1 and 50075.3. The City will, from time to time, retain an engineer for services pertaining to this parcel tax.

## Section 5. SPECIAL FUND.

All funds collected by the City from the tax imposed by this Ordinance shall be deposited into a special fund in the City treasury and appropriated and expended only for the purposes and uses authorized by this Ordinance.

## Section 6. EFFECTIVE DATE.

The taxes imposed by this Ordinance shall become effective upon passage.

## Section 7. TERM OF TAX IMPOSITION.

The taxes enacted by this Ordinance shall be imposed and levied for a period of ten (10) years. The City shall place delinquencies on subsequent tax bills.

## Section 8. SAVINGS CLAUSE.

If any provision, sentence, clause, section or part of this Ordinance is found to be unconstitutional, illegal or invalid by a court of competent jurisdiction, such unconstitutionality, illegality, or invalidity shall affect only such provision, sentence, clause, section or part of this Ordinance and shall not affect or impair any of the remaining provisions, sentences, clauses, sections or parts of this Ordinance. It is hereby declared that the City would have adopted this Ordinance had such unconstitutional, illegal or invalid provision, sentence, clause, section or part thereof not been included herein.

If any tax imposed by this Ordinance is found to be unconstitutional, illegal or invalid by a court of competent jurisdiction, the amounts, services, programs and personnel required to be funded from such tax shall be reduced proportionately by any revenues lost due to such unconstitutionality, illegality or invalidity.

## Section 9. NO AMENDMENT.

The tax rates set forth herein may not be increased by action of the City Council without the applicable voter approval, but the City Council may make any other changes to this Ordinance as are consistent with its purpose.

## **PART 2. PARCEL TAX**

### Section 1. DEFINITIONS.

For purposes of this Ordinance, the following terms shall be defined as set forth below:

- (A) "Additional" shall mean an increase in the existing number.
- (B) "Administrative Costs" shall mean overhead costs, including central services, departmental and/or divisional.
- (C) "Building" shall mean any structure having a roof supported by columns or by walls and designed for the shelter or housing of any person, chattel or property of any kind. The word "Building" includes the word "structure."
- (D) "Family" shall mean one or more persons related by blood, marriage, domestic partnership, or adoption, who are living together in a single residential unit and maintaining a common household. Family shall also mean all unrelated persons who live together in a single Residential Unit and maintain a common household.
- (E) "Geographic Policing" means a decentralized and focused approach to policing. Sworn police personnel are assigned and deployed to specific geographic areas. The Commander leading each area is responsible and accountable at all times for addressing crime within the area directing and allocating police resources according to particular local needs.
- (F) "Hotel" shall mean as defined by Oakland Municipal Code section 4.24.020.
- (G) "Multiple Residential Unit Parcel" shall mean a parcel zoned for a Building, or those portions thereof, which accommodates or is intended to contain two or more residential units.
- (H) "Non-Residential" shall mean all parcels that are not classified by this Ordinance as Residential Parcels, and shall include, but not be limited to, parcels for industrial, commercial and institutional improvements, whether or not currently developed.
- (I) "Occupancy" shall be as defined by Oakland Municipal Code section 4.24.020.
- (J) "Operator" shall be as defined by Oakland Municipal Code section 4.24.020.
- (K) "Owner" shall mean the Person having title to real estate as shown on the most current official assessment role of the Alameda County Assessor.
- (L) "Parcel" shall mean a unit of real estate in the City of Oakland as shown on the most current official assessment role of the Alameda County Assessor.
- (M) "Person" shall mean an individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit.

# LEGISLATION

---

(N) "Possessory Interest" as it applies to property owned by any agency of the government of the United States, the State of California, or any political subdivision thereof, shall mean possession of, claim to, or right to the possession of, land or improvements and shall include any exclusive right to the use of such land or improvements.

(O) "Residential Unit" shall mean a Building or portion of a Building designed for or occupied exclusively by one Family.

(P) "Single Family Residential Parcel" shall mean a parcel zoned for single-family residences, whether or not developed.

(Q) "Transient" shall mean any individual who exercises Occupancy of a hotel or is entitled to Occupancy by reason of concession, permit, right of access, license or other agreement for a period of thirty (30) consecutive calendar days or less, counting portions of calendar days as full days. Any individual so occupying space in a Hotel shall be deemed to be a Transient until the period of thirty (30) consecutive days has elapsed.

## Section 2. IMPOSITION OF PARCEL TAX.

There is hereby imposed a special tax on all Owners of parcels in the City of Oakland for the privilege of using municipal services and the availability of such services. The tax imposed by this Section shall be assessed on the Owner unless the Owner is by law exempt from taxation, in which case, the tax imposed shall be assessed to the holder of any Possessory Interest in such parcel, unless such holder is also by law exempt from taxation. The tax is imposed as of July 1 of each year on the person who owned the parcel on that date. The tax shall be collected at the same time, by the same officials, and pursuant to the same procedures as the one percent property tax imposed pursuant to Article XIII A of the California Constitution.

**Base Amount of Tax.** The tax hereby imposed shall be set as follows subject to adjustment as provided in Section 5 below:

(A) For owners of all Single Family Residential Parcels, the tax shall be at the annual rate of \$99.77 per parcel.

(B) For owners of all Multiple Residential Unit Parcels, the tax shall be at the annual rate of per occupied Residential Unit of \$68.15 per parcel.

Owners of units that are vacant for six months or more per year may apply to the Director of Finance to have the rate reduced by 50% per vacant Residential Unit located on the Parcel of \$34.07 per parcel.

(C) The tax for Non-Residential Parcels is calculated using both frontage and square footage measurements to determine total Single Family Residential Unit Equivalents (SFE). A frontage of 80 feet for a commercial/industrial parcel, for example, is equal to one (1) single family resident unit equivalent. (See matrix.) An area of 6,400 square feet for the commercial industrial parcel is equal to one (1) single family resident

unit equivalent. The tax is the annual rate \$51.09 multiplied by the total number of Single Family Equivalents (determined by the frontage and square footage).

LAND USE CATEGORY	FRONTAGE	AREA (SF)
Commercial Institutional	80	6,400
Industrial	100	10,000
Public Utility	1,000	100,000
Golf Course	500	100,000
Quarry	1,000	250,000

Example: assessment calculation for a Commercial Institutional Parcel with a Frontage of 160 feet and an Area of 12,800 square feet:

Frontage      160 feet ÷ 80 = 2 SFE

Area            12,800 square feet ÷ 6,400 = 2 SFE

2 SFE + 2 SFE = 4 SFE

4 SFE x \$51.09 = \$204.36 tax

(D) An Owner of an Undeveloped Parcel is exempt from this parcel tax if the Owner can prove that the parcel was undeveloped for at least six months of the year in question.

(E) The tax imposed by this Ordinance shall be imposed on each Hotel within the City as follows:

1. Residential Hotels. Rooms in a Hotel occupied by individuals who were not Transients for 80% or more of the previous Fiscal Year shall be deemed Residential Units and the parcel on which they are located shall be subject to the Parcel tax imposed on Multiple Residential Unit Parcels. The remainder of the Building shall be subject to the applicable tax computed in accordance with the Single Family Residential Unit Equivalent formula set forth in Section 2(C).

2. Transient Hotels. Notwithstanding the previous subsection, if 80% or more of the Operator's gross receipts for the previous Fiscal Year were reported as rent received from Transients on a return filed by the Operator in compliance with section 4.24.010 of the Oakland Municipal Code (commonly known as the Uniform Transient Occupancy Tax of the City of Oakland), such Hotel shall be deemed a Transient Hotel. The entire Building shall be deemed a Non-Residential Parcel, categorized as Commercial/Institutional, and shall be subject to the applicable tax computed in accordance with the Single Family Residential Unit Equivalent formula set forth in Section 2(C), and the parcel tax imposed on Multiple Residential Units shall not apply.

## Section 3. EXEMPTIONS.

(A) Low income household exemption. The following is exempt from this tax: an Owner of a Single Family Residential Unit (1) who resides in such unit and (2) whose

combined family income, from all sources for the previous fiscal year, is at or below the income level qualifying as "very low income" for a Family of such size under Section 8 of the United States Housing Act of 1937 (42 U.S.C.A. Sections 1437 et. seq.,) for such fiscal year. Owners must apply for the exemption provided for in this section annually by petition to the Director of the Finance of the City of Oakland ("Director of Finance") or City Administrator designee in the manner and time set forth in procedures established by the Director of Finance. Such petitions shall be on forms provided by the Director of Finance and shall provide such information as the Director of Finance shall require, including, but not limited to, federal income tax returns and W-2 forms of owner-occupants eligible for this exemption.

(B) Fifty percent reduction for affordable housing projects. Rental housing owned by nonprofit corporations and nonprofit-controlled partnerships for senior, disabled and low income households that are exempt from ad valorem property tax pursuant California Revenue and Taxation Code sections 214(f), (g) and (h) shall be liable for only 50% of the parcel tax. The exemption shall apply in the same proportion that is exempted from ad valorem property tax.

(C) Rebate to tenants in foreclosed single family homes. The City will provide a rebate of one-half of the tax and subsequent increases thereto ("Foreclosure Rebate") to tenants in single family homes that have been foreclosed upon who have paid a passed through Parcel Tax. To qualify for the Foreclosure Rebate, a tenant must: (1) have lived in the unit before foreclosure proceedings commenced; and (2) be at or below the income level qualifying as "very low income" for a Family of such size under Section 8 of the United States Housing Act of 1937 (42 U.S.C.A. Sections 1437 et. seq.,) for such fiscal year. The City will provide the Foreclosure Rebate for every month that the tax was applied and the tenant occupied the unit. The City will provide the Foreclosure Rebate at the end of each fiscal year, or when the tenant vacates the unit, whichever is earlier. The City Administrator will promulgate regulations to effectuate this Part 3, Section 3(C).

(D) Real property owned by a religious organization or school that is exempt from property taxes under California law is exempt from this tax. To qualify for this exemption, each religious organization or school seeking such exemption shall submit such information required to determine eligibility for such exemption.

## Section 4. REDUCTION IN TAX; RATE ADJUSTMENT.

(A) Subject to paragraph (B) of this section, the tax rates imposed by this Ordinance are maximum rates and may not be increased by the City Council above such maximum rates. The tax imposed by the Ordinance may be suspended, reduced or eliminated by the City Council for a subsequent fiscal year upon a vote of the City Council on or before June 30th of the year in which the City Council determines that after such suspension, reduction or elimination, there will be sufficient revenues available to balance the City Council's Adopted Policy Budget and provide the services and programs described in Part I, Section 3 above. Such suspension, reduction or elimination shall be effective the fiscal year following such vote.

(B) Beginning in the Fiscal Year 2015-2016, and each year thereafter, the City Council may increase the tax imposed hereby only upon a finding that the cost of living in

the immediate San Francisco Bay Area, as shown on the Consumer Price Index (CPI) for all items in the San Francisco Bay Area as published by the U.S. Department of Labor Statistics, has increased. The percentage increase of the tax imposed hereby shall not exceed such increase, using Fiscal Year 2014-2015 as the index year and in no event shall any annual adjustment exceed five percent (5%).

Section 5. DUTIES OF THE DIRECTOR OF FINANCE.

It shall be the duty of the Director of the Finance to collect and receive all taxes imposed by this Ordinance. The Director of Finance is charged with the enforcement of this Ordinance and may adopt rules and regulations relating to such enforcement.

Section 6. EXAMINATION OF BOOKS, RECORDS, WITNESSES; PENALTIES.

The Director of Finance or his/her designee is hereby authorized to examine assessment rolls, property tax records, records of the Alameda County Recorder and any other records of the County of Alameda deemed necessary in order to determine ownership of Parcels and computation of the tax imposed by this Ordinance.

The Director of Finance or his/her designee is hereby authorized to examine the books, papers and records of any person subject to the tax imposed by this Ordinance for the purpose of verifying the accuracy of any petition, claim or return filed and to ascertain the tax due. The Director of Finance, or his/her designee is hereby authorized to examine any person, under oath, for the purpose of verifying the accuracy of any petition, claim or return filed or to ascertain the tax due under this Ordinance and for this purpose may compel the production of books, papers and records before him/her, whether as parties or witnesses, whenever s/he believes such persons have knowledge of such matters. The refusal of such examination by any person subject to the tax shall be deemed a violation of this Ordinance and of the Oakland Municipal Code and subject to any and all remedies specified therein.

Section 7. COLLECTION OF TAX; INTEREST AND PENALTIES.

The tax shall be delinquent if the City does not receive it on or before the delinquency date set forth in the notice mailed to the Owner's address as shown on the most current assessment roll of the Alameda County Tax Collector; and the tax shall be collected in such a manner as the City Council may decide. The City may place delinquencies on a subsequent tax bill.

A one-time penalty at a rate set by the City Council, which in no event shall exceed 25% of the tax due per fiscal year, is hereby imposed by this Ordinance on all taxpayers who fail to timely pay the tax provided by this Ordinance; in addition, the City Council may assess interest at the rate of 1% per month on the unpaid tax and the penalty thereon.

# LEGISLATION

---

Every penalty imposed and such interest as accrues under the provisions of this Ordinance shall become a part of the tax herein required to be paid.

The City may authorize the County of Alameda to collect the taxes imposed by this Ordinance in conjunction with and at the same time and in the same manner as the County collects property taxes for the City. If the City elects to authorize the County of Alameda to collect the tax, penalties and interest shall be those applicable to the nonpayment of property taxes.

## Section 8. COLLECTION OF UNPAID TAXES.

The amount of any tax, penalty, and interest imposed under the provisions of this Ordinance shall be deemed a debt to the City. Any person owing money under the provisions of this Ordinance shall be liable to an action brought in the name of the City for the recovery for such amount.

## Section 9. REFUND OF TAX, PENALTY, OR INTEREST PAID MORE THAN ONCE; OR ERRONEOUSLY OR ILLEGALLY COLLECTED.

Whenever the amount of any tax, penalty, or interest imposed by this Ordinance has been paid more than once, or has been erroneously or illegally collected or received by the City it may be refunded provided a verified written claim for refund, stating the specific ground upon which such claim is founded, is received by the Director of Finance within one (1) year of the date of payment. The claim shall be filed by the person who paid the tax or such person's guardian, conservator, or the executor of her or his estate. No representative claim may be filed on behalf of a taxpayers or a class of taxpayers. The claim shall be reviewed by the Director of Finance and shall be made on forms provided by the Director of Finance. If the claim is approved by the Director of Finance, the excess amount collected or paid may be refunded or may be credited against any amounts then due and payable from the Person from whom it was collected or by whom paid, and the balance may be refunded to such Person, his/her administrators or executors. Filing a claim shall be a condition precedent to legal action against the City for a refund of the tax.

## PART 3. 10-YEAR EXTENSION OF PARKING TAX SURCHARGE

The Municipal Code is hereby amended to add as set forth below (section numbers and titles are indicated in **bold type**; additions are indicated by underscoring and deletions are indicated by ~~strike-through~~ type; portions of the regulations not cited or not shown in underscoring or strike-through type are not changed). **WHEREAS**, a Charter City has the constitutional authority to enact local regulations to supplement state ethics laws under the home rule and municipal affairs doctrines; and

**WHEREAS**, the citizens of Oakland voted to amend the Oakland City Charter in 1996 to create the Public Ethics Commission, for the primary purpose of ensuring compliance with laws and policies seeking fairness, openness, honesty, and integrity in City government; and

**WHEREAS**, an effective government ethics program requires multiple elements to ensure that Public Servants serve with honesty and integrity; these include political commitment, a clear legal framework, effective accountability measures, prevention activities such as education, advice, and outreach, supportive public service conditions, an ethics coordinating body, an active civil society and probing media; and

**WHEREAS**, the City Council added Chapter 2.24 to the Oakland Municipal Code to establish the Commission's authority to ensure compliance and enforce various additional ordinances, including the Oakland Campaign Reform Act, Sunshine Ordinance, Lobbyist Registration, and Limited Public Financing Act;

**NOW, THEREFORE, THE COUNCIL OF THE CITY OF OAKLAND DOES ORDAIN AS FOLLOWS:**

**Section 1.** Oakland Government Ethics Act. The City Council of the City of Oakland, in order to set clear expectations pertaining to the conduct of public officials, and to provide ethical guidance and support for public officials who serve the public, does hereby enact and amend the Oakland Municipal Code to add the Oakland Government Ethics Act (hereinafter referred to as the "Act"), as new Chapter 2.25, to provide as follows:

14 NOV 25 PM 3:51

**The City of Oakland Government Ethics Act**

I. **Title.** This chapter shall be known as the City of Oakland Government Ethics Act.

II. **Purpose**

- A. This Government Ethics Act is based on the premises that 1) the integrity of City government depends upon Public Servants who are entrusted by the public to use City time, property and resources efficiently and in a legal and ethically responsible manner, and 2) all individuals and groups who come into contact with our City should have a fair and equal opportunity to participate in government.
- B. This Act is intended to provide a clear, comprehensive, and locally enforceable framework of laws to ensure that Oakland City government operates with integrity, that government decisions are made on the merits and in the best interest of its citizens and not for private or individual gain, that the rules are clear for Public Servants, and that the law is fairly and effectively enforced.
- C. The provisions in this Act are in addition to other local, state and federal laws, some of which are cited by and incorporated into this Act.
- D. Enforcement authority established by this Act shall not be applied to alleged violations occurring prior to the effective date of this Act, except as to continuing violations after proper notice.

III. **Definitions**

- A. Unless the term is specifically defined in this Act, or the definition is stated or clearly appears from the context, the definitions set forth in the state or local law that is cited as the source of each relevant provision in this Act shall govern the interpretation of that provision.
- B. "City" means the City of Oakland, though the terms "City Administrator," "City Attorney," and "City Auditor" refer to the officers of the City of Oakland as described by the City Charter. This definition of "City" does not apply when it is used in the term "City office."
- C. "City Office" includes the Mayor, City Attorney, City Auditor, City Councilmembers and School Board Directors.
- D. "Public Servant" includes:
  - 1. any elected or appointed officeholder of the City of Oakland, including any such officeholder elected but not yet sworn in, and not including Oakland School Board Directors, and

2. any City board or commission member, including the Board of Port Commissioners, and
  3. any full-time or part-time employee of the City, and
  4. any consultant of the City who is required to file a Form 700 Statement of Economic Interests pursuant to the City of Oakland Conflict of Interest Code and the California Political Reform Act.
- E. "Relative" means any person who is related within the third degree by blood, marriage, or contract, and includes a spouse, domestic partner, parent, grandparent, child, sibling, parent-in-law, aunt, uncle, niece, nephew, first cousin, and any similar step relationship or similar relationship created by adoption.

#### **IV. Conflicts of Interests and Personal Gain**

- A. Financial Conflicts of Interests.** A Public Servant shall not make, participate in making, or seek to influence a decision of the City in which the Public Servant has a financial interest within the meaning of the California Political Reform Act, Government Code Section 87100 et seq. and pursuant to City Charter Section 1200. All provisions of California Government Code Section 87100 – 87505 and City Charter Section 1200, as they relate to Public Servants, are incorporated by reference into this Act.
- B. Statement of Economic Interests (Form 700) Disclosure.** The Mayor, City Council Members, City Administrator, City Attorney, City Auditor, any City board or commission member, any candidate for City Office, and any employee or consultant designated in the City Conflict of Interest Code shall file statements of economic interests and shall disclose all required information pursuant to the California Political Reform Act and the City Conflict of Interest Code.
- C. Conflicts of Interests in Contracting.** A Public Servant shall not make or participate in making a contract in which he or she has a financial interest within the meaning of California Government Code Sections 1090 – 1097. All provisions of California Government Code Section 1090 – 1097, as the Sections relate to Public Servants, are incorporated by reference into this Act.
- D. Confidential Information.** A Public Servant shall not willfully and knowingly disclose for pecuniary gain, personal advantage or private interest, to any other person, confidential information acquired by him or her in the course of his or her official duties.
- E. Incompatible Public Offices.** A Public Servant, including but not limited to, an appointed or elected member of a governmental board, commission, committee, or other body, shall not simultaneously hold two public offices that are incompatible, as prohibited by California Government Code Section 1099.

1. Offices are incompatible when any of the following circumstances are present, unless simultaneous holding of the particular offices is compelled or expressly authorized by law:
  - a. Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body or over a multimember body that includes that other office.
  - b. Based on the powers and jurisdiction of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.
  - c. Public policy considerations make it improper for one person to hold both offices.
2. When two public offices are incompatible, a public officer shall be deemed to have forfeited the first office upon acceding to the second.
3. This Subsection IV(E) does not apply to a position of employment, including a civil servant position.
4. This Subsection IV(E) shall not apply to a governmental body that has only advisory powers.

**F. Conflict in Office.** As prohibited by City Charter Section 1202, the Mayor and members of the Council shall not hold any other municipal office or any other office or employment to receive compensation from the City; or be appointed or elected to any office created by the Council while he or she is a member thereof, until at least one year shall have expired after the expiration of the term for which he or she was elected.

**G. Influencing Prospective Employment.** A Public Servant shall not make, participate in making, or otherwise seek to influence a governmental decision affecting a person or entity with whom the Public Servant is discussing or negotiating or has entered into an agreement concerning future employment.

## **V. Leaving Public Service "Revolving Door" Restrictions**

### **A. Permanent Post-Service Restriction on Representing, Advising and/or Assisting Non-City Parties in Particular Matters.**

1. Prohibition. A former Public Servant, after the termination of his or her service or employment with the City, shall not, with the intent to influence, act as agent or attorney, or otherwise represent, any person or entity other than oneself or the City before any court, or before any state, federal, or local agency, including the City Council, or any officer or employee thereof, by making any formal or informal appearance or by making any oral, written, or other communication in connection with a particular matter in which both of the following exist:

# LEGISLATION

---

- a. the City is a party or has a direct and substantial interest; and
  - b. the Public Servant participated personally and substantially in the matter as a City Public Servant.
2. Definition. "Particular matter" includes but is not limited to a particular claim, official filing to the City by another, contract, negotiation, grant, permit, license, litigation, settlement, or similar transaction.
  3. In determining if communication regarding a particular matter violates this prohibition, representation or agency shall be presumed if a former Public Servant is compensated in any way and for any reason during the preceding twelve (12) month period either prior to or after the communication by a non-City person or entity that is either a party to the particular matter or is intending to influence the particular matter.
  4. Restriction on assisting others. No former Public Servant, after the termination of his or her service or employment with the City, shall aid, advise, counsel, consult or assist another public or private entity regarding a matter or in any proceeding in which the Public Servant would be precluded under Subsection V(A)(1) from personally appearing.
  5. Exception for testimony. The prohibitions in Subsections VA(1) and A(4) do not prohibit a former Public Servant from testifying as a witness pursuant to a subpoena, provided that no compensation is received other than the fees regularly provided for by law or regulation for witnesses.

## **B. One-Year Post-Service Restriction on Supervisors Representing Non-City Parties.**

Prohibition. A former Public Servant, within one (1) year after the termination of his or her service or employment with the City, shall not, with the intent to influence, act as agent or attorney, or otherwise represent, any other public or private entity before any court, or before any state, federal, or local agency, or any officer or employee thereof, by making any formal or informal appearance or by making any oral, written, or other communication in connection with a particular matter, as defined in V(A)(2), in which both of the following exist as it relates to the particular matter:

- a. the City is a party or has a direct and substantial interest; and
- b. the Public Servant knows or reasonably should know that the particular matter was actually pending under his or her official responsibility as a Public Servant within a period of one (1) year before the termination of his or her service with the City.

## **C. One-Year Restriction on Public Servants Representing Other Persons Before Former Department.** No current or former Public Servant, for one year after termination of his or her service or employment with any

department, board, commission, office or other unit of the City, shall, with the intent to influence a government decision, communicate orally, in writing, or in any other manner on behalf of any other person (except the City) with any officer or employee of the department, board, commission, office or other unit of government, for which the Public Servant served.

1. Mayor, Members of the Council, and their Senior Staff Members. For purposes of the one-year restriction under Subsection V(C), the "department" for which a former Mayor, a former member of the Council, or a former senior staff member to either the Mayor or a member of the Council served shall be the City and the prohibition in Subsection V(C) shall extend to communications with:
  - a. a board, department, commission or agency of the City;
  - b. an officer or employee of the City;
  - c. an appointee of a board, department, commission, agency, officer, or employee of the City; or
  - d. a representative of the City.
2. For the purposes of this Subsection V(C), "a former senior staff member to either the Mayor or a member of the Council" means an individual employed in any of the following positions at the time the individual terminated his or her employment with the City: chief of staff, deputy chief of staff, communications or other director, legislative or policy aide, or any position in the Mayor's or Council Member's office that is required to file a Form 700 pursuant to the Oakland Conflict of Interest Code.

**D. Employment by a Party to a City Contract on Which the Public Servant Worked.** No current or former Public Servant shall be employed by or otherwise receive compensation from a person or entity that entered into a contract with the City within the preceding one year where the Public Servant personally and substantially participated in the award of the contract.

**E. Waiver by the Public Ethics Commission.**

1. At the request of a current or former Public Servant, the Public Ethics Commission may waive any of the restrictions in Subsections V(A), (B), or (C) for members of City boards and commissions who, by law, must be appointed to represent any profession, trade, business union or association.
2. At the request of a current or former Public Servant, the Public Ethics Commission may waive the prohibition in Subsection V(D) if the Commission determines that imposing the restriction would cause extreme financial hardship for the City Public Servant.

## **VI. Perks of Office and Misuse of City Resources or Position for Private Gain**

### **A. Misuse of City Resources or Position.**

1. As prohibited by California Government Code Section 8314, a Public Servant may not use or permit others to use public resources for a campaign activity or for personal or non-City purposes not authorized by law.
  - a. Definitions. For purposes of this Section, the following definitions provided in California Government Code Section 8314 apply:
    - i. "Personal purpose" means activities for personal enjoyment, private gain or advantage, or an outside endeavor not related to City business. "Personal purpose" does not include the incidental and minimal use of public resources, such as equipment or office space, for personal purposes, including an occasional telephone call.
    - ii. "Campaign activity" means an activity constituting a contribution as defined in California Government Code Section 82015 or an expenditure as defined in California Government Code Section 82025. "Campaign activity" does not include the incidental and minimal use of public resources, such as equipment or office space, for campaign purposes, including the referral of unsolicited political mail, telephone calls, and visitors to private political entities.
    - iii. "Public resources" means any property or asset owned by the City, including but not limited to land, buildings, facilities, funds, equipment, supplies, telephones, computers, vehicles, travel, and City-compensated time.
    - iv. "Use" means a use of public resources which is substantial enough to result in a gain or advantage to the user or a loss to the City for which a monetary value may be estimated.
  - b. Nothing in this Subsection VI(A) shall prohibit the use of public resources for providing information to the public about the possible effects of any bond issue or other ballot measure on government activities, operations, or policies, provided that the informational activities are otherwise authorized by the laws of the City or California and the information provided constitutes a fair and impartial presentation of relevant facts to aid the electorate in reaching an informed judgment regarding the bond issue or ballot measure.

2. No Public Servant or candidate for City Office may use his or her position or prospective position, or the power or authority of his or her office or position, in any manner intended to induce or coerce any person to provide any private advantage, benefit, or economic gain to the City Public Servant or candidate or any other person.

### **B. Prohibitions Related to Political Activity and Solicitation of Contributions.**

1. **Political Activities.** As prohibited by California Government Code Section 3203, no restrictions shall be placed on the political activities of any Public Servant, except as otherwise provided in federal, state or local law.
2. **Political Influence.** As prohibited by California Government Code Section 3204, no Public Servant "who holds, or who is seeking election or appointment to, any office or employment in the City shall, directly or indirectly, use, promise, threaten or attempt to use, any office, authority, or influence, whether then possessed or merely anticipated, to confer upon or secure for any individual person, or to aid or obstruct any individual person in securing, or to prevent any individual person from securing, any position, nomination, confirmation, promotion, or change in compensation or position, within the City, upon consideration or condition that the vote or political influence or action of such person or another shall be given or used in behalf of, or withheld from, any candidate, officer, or party, or upon any other corrupt condition or consideration. This prohibition shall apply to urging or discouraging the individual employee's action."
3. **Solicitation of Contributions.**
  - a. As prohibited by California Government Code Section 3205, a Public Servant or candidate for City of Oakland office shall not, directly or indirectly, solicit a political contribution from another City Public Servant, or from a person on an employment list of the City, with knowledge that the person from whom the contribution is solicited is a Public Servant or is on an employment list of the City. This Subsection VI(B)(3)(a) shall not prohibit a City Public Servant or candidate for City of Oakland office from requesting political contributions from Public Servants if the solicitation is part of a solicitation made to a significant segment of the public which may include City Public Servants.
  - b. As prohibited by California Government Code Section 3205, an Oakland Unified School District Board Director or candidate for such office shall not, directly or indirectly, solicit a political contribution from an employee of the District, or from a person on an employment list of the District, with knowledge that the person from whom the contribution is solicited is an employee of the District or on an employment list of the District. This Subsection VI(B)(3)(b) shall not prohibit a Director or

candidate from requesting political contributions from District employees if the solicitation is part of a solicitation made to a significant segment of the public which may include District employees.

4. **Activities While in Uniform.** As prohibited by California Government Code Section 3206, a Public Servant shall not participate in political activities of any kind while in his or her City work-related uniform.

## **C. Restrictions on Gifts.**

1. A person shall not offer or make, and a Public Servant or candidate for City Office shall not accept, a gift when it is reasonably foreseeable that the Public Servant or candidate could be influenced by the gift in the performance of an official act.
2. A Public Servant or candidate for City Office who is required to file a statement of economic interests pursuant to the California Political Reform Act shall comply with the gift requirements and restrictions in the Political Reform Act and the California Constitution except that the total annual gift limit per source for Public Servants shall be \$250.
3. In addition to the gift limits and reporting requirements imposed on certain Public Servants by the Political Reform Act and Subsection VI(C) of this Act, a Public Servant shall not solicit or accept, and a person who is a restricted source shall not offer or make, any gift or loan valued at more than \$50 cumulatively in a calendar year from a person who the Public Servant knows or has reason to know is a restricted source, except loans received from commercial lending institutions in the ordinary course of business. This prohibition applies to all Public Servants regardless of whether they must file a statement of economic interests.
  - a. **Restricted Source.** For purposes of this Subsection VI(C), a restricted source means:
    - i. a person doing business with or seeking to do business with the department of the Public Servant; or
    - ii. a person who during the prior 12 months knowingly attempted to influence the Public Servant in any legislative or administrative action.
  - b. **Gift.** For purposes of this Subsection VI(C), the term gift has the same meaning as under the Political Reform Act, California Government Code Section 81000 et seq., and the regulations adopted thereunder. Gifts exempt from the limits imposed by California Government Code Section 89503 shall also be exempt from the prohibition set forth in this Subsection.

4. A lobbyist or lobbying firm shall not act as an agent or intermediary in the making of any gifts or arrange for the making of any gift by another person to any Public Servant. Any intermediary of a gift shall be required to disclose the true source of the gift to the recipient.
5. A Public Servant or candidate for City Office may request that the Public Ethics Commission provide the requestor with written advice concerning the legality of accepting any specific gift. Such request shall contain sufficient information to allow the Commission or its staff to properly consider the matter. The Commission or its staff shall provide written advice in response to such a request within a reasonable time after the Commission's receipt of the request.

**D. Prohibition on City Officers and Board or Commission Members**

**Contracting with the City.** During his or her term of office, no City Officer shall enter, submit a bid for, negotiate for, or otherwise attempt to enter, any contracts or subcontracts with the City, other than compensation or employment stemming from their office held. During his or her term of office, no member of a City Board or Commission, as defined in this subsection shall enter, submit a bid for, negotiate for, or otherwise attempt to enter, any contracts or subcontracts with the City, other than compensation or employment stemming from their office held, where the amount of the contracts or the subcontracts exceeds \$10,000 in aggregate.

1. Definitions. For purposes of this Subsection VI(D), the following definitions shall apply:
  - a. "Business" means any corporation, partnership, sole proprietorship, firm, enterprise, franchise, association, organization, or other legal entity or undertaking organized for economic gain.
  - b. "City Officer" shall mean the Mayor, City Council Members, City Administrator, City Attorney, City Auditor, City Controller, the head of any City department, , and any person appointed as the chief executive officer under such board or commission.
  - c. "City Boards or Commission" shall include the Children's Fund Planning & Oversight Commission, the Housing, Residential Rent & Relocation Board, the Planning Commission, the Port Commission, the Public Ethics Commission, the Police and Fire Retirement Board, and any other City board or commission with decision making authority beyond merely the making of recommendations.
  - d. "Contract" means any agreement other than a grant or an agreement for employment in exchange for payment or benefits.
  - e. "Subcontract" means a contract to perform any work for a primary contractor that has an agreement with the City.

# LEGISLATION

---

2. Exceptions. This Subsection D shall not apply to the following contracts or subcontracts:
  - a. A contract or subcontract with a 501(c)(3) nonprofit organization;
  - b. A contract or subcontract with a business with which a City Officer or member of a City Board or Commission, as defined in this subsection, is affiliated unless the City Officer or Board or Commission member exercises management and control over the business. A member exercises management and control if he or she is:
    - i. An officer or director of a corporation;
    - ii. A majority shareholder of a closely held corporation;
    - iii. A shareholder with more than five percent beneficial interest in a publicly traded corporation;
    - iv. A general partner or limited partner with more than 20 percent beneficial interest in the partnership; or
    - v. A general partner regardless of percentage of beneficial interest and who occupies a position of, or exercises management or control of the business;
    - vi. A contract or subcontract entered into before a member of a board or commission commenced his or her service;
    - vii. An agreement to provide property, goods or services to the City and County at substantially below fair market value; or
    - viii. A settlement agreement resolving a claim or other legal dispute;
3. Waiver. The Ethics Commission may waive the prohibitions in this Subsection VI(D) for any City Officer or member of a City Board or Commission, as defined in this subsection, who, by law, must be appointed to represent any profession, trade, business, union or association.
4. Limitation. Failure of a City Officer or member of a City Board or Commission, as defined in this subsection to comply with this Subsection VI(D) shall not be grounds for invalidating any contract with the City.

**VII. Fair Process**

**A. Prohibition on Bribery.** No person shall offer or make, and no Public Servant shall solicit or accept, anything of value in exchange for the performance of any official act.

**B. Prohibition on Payment for Office or Appointment.** It is unlawful for any Public Servant to give or promise to give to any person any portion of his or her compensation or any money or thing of value in consideration of having been, or of being nominated, appointed, voted for, or elected to any office or employment.

**C. Prohibition on City Public Servant Influencing Contracts with Former Employer.** In addition to the requirements of Government Code Sections 87100, *et seq.*, no Public Servant shall knowingly make, participate in making, or attempt to use his or her official position to influence any governmental decision directly relating to any contract where the Public Servant knows or has reason to know that any party to the contract is a person by whom the Public Servant was employed immediately prior to entering government service within 12 months prior to the time the Public Servant acts on the matter.

**D. Prohibition on Nepotism.**

1. In addition to the prohibition in Oakland City Charter Section 907, which is incorporated herein by reference, a Public Servant may not make, participate in making or otherwise seek to influence a decision of the City regarding an employment or contract action involving a Relative. Nothing in this Section shall prohibit a Public Servant from acting as a personal reference or providing a letter of reference for a Relative who is seeking appointment to a position in any City department, board, or commission other than the officer or employee's department, board, or commission or under the department, board or commission's control.

A department head who is prohibited under Subsection VII(D)(2) from participating in an employment action involving a Relative shall delegate in writing to an employee within the department any decisions regarding such employment action.

2. Public Servant may not supervise another Public Servant who is also a Relative. This prohibition applies to the regular assignment for each Public Servant's position and does not apply to temporary assignments such as working an overtime or traded shift, or substituting for a fellow employee.

**E. Non-Interference in Administrative Affairs.** As prohibited by City Charter Section 218, except for the purpose of inquiry, the Council and its members shall deal with the administrative service for which the City Administrator, Mayor and other appointed or elected officers are responsible, solely through the City Administrator, Mayor or such other officers. Neither the Council nor any Council

# LEGISLATION

member shall give orders to any subordinate of the City under the jurisdiction of the City Administrator or such other officers, either publicly or privately; nor shall they attempt to coerce or influence the City Administrator or such other officers, in respect to any contract, purchase of any supplies or any other administrative action; nor in any manner direct or request the appointment of any person to or his removal from office by the City Administrator or any of his subordinates or such other officers, nor in any manner take part in the appointment or removal of officers or employees in the administrative service of the City. In addition to the penalties provided for in Charter Section 218, a member of the Council who violates the provisions of this Subsection VII(E) shall be subject to all other penalties provided in this Act.

## **VIII. Public Ethics Commission Role and Responsibilities**

**A. Prevention.** The Commission, in consultation with the City Attorney, shall provide timely advice, assistance, and training to Public Servants and candidates who are subject to the requirements of this Act.

1. All Public Servants who must file a Form 700 Statement of Economic Interest shall receive training regarding government ethics laws no less than once every two years facilitated by the Public Ethics Commission in partnership with the Office of the City Attorney.
2. The Commission, in consultation with and with the assistance of the City Attorney, shall issue an ethics resource guide for City Public Servants which shall be updated periodically.

**B. Implementation.** The Commission may adopt, amend, and rescind rules and regulations to carry out the purposes and provisions of this Act, subject to Section 2.24.070 of the Oakland Municipal Code.

**C. Enforcement.** A person who violates this Act is subject to criminal, civil, administrative, and other penalties provided for in this Section. In the event criminal violations of the Act come to the attention of the Commission, the Commission may forward the information to the appropriate enforcement agency.

1. **Criminal Penalties.** Any person who knowingly or willfully violates any provision of this Act is guilty of a misdemeanor. Any person who knowingly or willfully causes any other person to violate any provision of this Act, or who aids and abets any other person in the violation of any provision of this Act, shall be liable under the provisions of this Act.
  - a. No person convicted of a misdemeanor under this Act shall act as a lobbyist or as a City contractor for a period of four years following the date of the conviction unless the court, at the time of sentencing, specifically determines that this provision shall not be applicable.

- b. For the purposes of this Section, a plea of nolo contendere shall be deemed a conviction.
- 2. **Civil Penalties.** Any person who intentionally or negligently violates any provision of this Act shall be liable in a civil action brought by the Public Ethics Commission or the City Attorney for an amount up to \$5,000 per violation, or up to three times the amount the person failed to report properly or unlawfully contributed, expended, gave or received, whichever is greater. A civil action brought by the Commission requires an affirmative vote of not less than five members of the Commission.
  - a. If two or more persons are responsible for any violation, they shall be jointly and severally liable.
  - b. In determining the amount of liability, the court may take into account the seriousness of the violation and the degree of culpability of the defendant.
- 3. **Administrative penalties.** Any person who violates any provision of this Act shall be liable in an administrative proceeding before the Commission held pursuant to the Commission's Complaint Procedures. The Commission may impose administrative penalties in an amount up to \$5,000 per violation, or up to three times the amount the person failed to report properly or unlawfully contributed, expended, gave or received, whichever is greater. In addition to administrative penalties, the Commission may issue warnings to or require other remedial measures.
- 4. **Injunctive Relief.** The Commission, City Attorney, or any individual residing within the City may sue for injunctive relief to enjoin violations or to compel compliance with the provisions of Sections IV, V, VI and VII this Act.

Any person, other than the Commission or City Attorney, before filing a civil action pursuant to Subsection VIII(C)(4), shall first file with the Commission and City Attorney a written request for the Commission and/or City Attorney to commence the action. The request shall contain a statement of the grounds for believing a cause of action exists. The Commission and City Attorney shall each respond in writing within ninety (90) days after receipt of the request indicating whether they intend to file an action for injunctive relief. If either indicates in the affirmative and files an action within sixty (60) days thereafter, no other action may be brought unless the action brought by the Commission or City Attorney is dismissed without prejudice.

If the Commission needs additional time to determine whether to file an action or needs additional time to file the action, the Commission may, by resolution indicating evidence of good cause and notice thereof to the requestor, extend the ninety day time period by another sixty (60) days. If both the Commission and City Attorney indicate they will not pursue the matter, or if neither entity files an action within the sixty (60) day period

# LEGISLATION

---

following their affirmative response to the requestor, the requestor may file suit for injunctive relief. No resident may bring an action under Subsection VIII(C)(4) if the Commission commenced administrative action arising out of the same facts, resulting in either the imposition of or stipulation to remedial measures to prevent reoccurrence of the violation or compel compliance

**5. Costs of Litigation.** The court may award to a party, other than the City or any of its commissions, boards, departments or agencies, who prevails in any civil action authorized by this Act, his or her costs of litigation, including reasonable attorneys' fees. If the costs or fees are awarded against the City, the payment of such award shall be the responsibility of the City.

**6. Limitation of Actions.** No criminal, civil or administrative action alleging a violation of this Act shall be commenced more than four years after the date of the violation.

- a. Commencement of an administrative action is the date the complaint was filed by another person or the date of the Commission's initial notification to the respondent that a violation has been alleged pursuant to the Commission's Complaint Procedures.
- b. Unless otherwise prescribed by applicable law, the date of the violation means the earliest date when the complainant, Commission, or other prosecuting authority has, or reasonably should have, knowledge of the violation and its cause, and a suspicion of wrongdoing. Suspicion shall be determined from an objective standpoint of what is reasonable for the complainant, Commission, or other prosecuting authority to know or suspect under the facts of the situation.

**7. Violations Related to Enforcement.**

- a. **False Charges and Information.** A person shall not knowingly and intentionally furnish false or fraudulent complaints, evidence, documents, or information to the Public Ethics Commission, District Attorney or City Attorney, or knowingly and intentionally misrepresent any material fact, or conceal any evidence, documents, or information relevant to an investigation by the Commission, District Attorney or City Attorney of an alleged violation of this Act.
- b. **Duty to Cooperate and Assist.** A Public Servant shall cooperate and assist with an investigation into an alleged violation of this Act, upon the request of the Public Ethics Commission, District Attorney or City Attorney. This requirement shall not be construed as requiring the identification of a confidential whistleblower, as defined by the Oakland Whistleblower Ordinance.

**8. Effect of Act on Prior Violations.**

Enforcement authority established by this Act shall not be applied to alleged violations occurring prior to the effective date of this Act, except as to continuing violations after proper notice.

**IX. Miscellaneous Provisions**

- A. References to Other Laws in this Act. All references to other laws in this Act shall refer to those laws as they may be amended from time to time.

**Section 2. Severability.** If any section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the Ordinance. The City Council hereby declares that it would have passed this Ordinance and each section, subsection, clause or phrase thereof irrespective of the fact that one or more other sections, subsections, clauses or phrases may be declared invalid or unconstitutional.

**Section 3. Effective Date.** This Ordinance shall become effective immediately on final adoption if it receives six or more affirmative votes; otherwise it shall become effective upon the seventh day after final adoption.
