### PUBLIC HEARINGS

The hearing provides opportunity for all concerned persons to speak; the hearing will normally be closed after all testimony has been heard. If you challenge a Commission decision in court, you will be limited to issues raised at the public hearing or in correspondence delivered to the Planning and Building Department, at, or prior to, the public hearing.

The Commission will then vote on the matter based on the staff report and recommendation. If the Commission does not follow the staff recommendation and no alternate findings for decision have been prepared, then the vote on the matter will be considered a "straw" vote, which essentially is a non-binding vote directing staff to return to the Commission at a later date with appropriate findings for decision and, as applicable, conditions of approval that the Commission will consider in making a final decision.

If you wish to be notified on the decision of an agenda item, please indicate the case number and submit a self-addressed stamped envelope, for each case.

Planning Commission decisions that involve "major" cases (e.g., major variances, major conditional use permits) are usually appealable to the City Council. If any interested party seeks to challenge such decision in court, an appeal **must be filed** within ten (10) calendar days of the date of the announcement of the Planning Commission decision and by 4:00 p.m. An appeal shall be on a form provided by the Planning and Building Department, and submitted to the same at 250 Frank H. Ogawa Plaza, Suite 2114, to the attention of the case planner. The appeal shall state specifically wherein it is claimed there was error or abuse of discretion by the Planning Commission or wherein their decision is not supported by substantial evidence and must include payment of the required fee in accordance with the City of Oakland Master Fee Schedule. Failure to timely appeal will preclude you from challenging the City's decision in court. The appeal itself must raise each and every issue that is contested, along with all the arguments and evidence in the record which supports the basis of the appeal; failure to do so will preclude you from raising such issues during your appeal and/or in court. However, the appeal will be limited to issues and/or evidence presented to the Planning Commission prior to the close of the Planning Commission's public hearing on the matter.

Any party seeking to challenge a final decision in court must do so within ninety (90) days of the date of the announcement of a final decision, pursuant to Code of Civil Procedure section 1094.6, unless a shorter period applies.

<b>7.</b>	<b>Location:</b>	<b>Citywide</b>
	<b>Proposal:</b>	Planning Code amendments regulating Transient Habitation Commercial Activities (Hotels). The major substantive changes include: 1) amending Planning Code Section 17.134.020(A)(2)(a) to include Transient Habitation Commercial Activities; 2) amending the Central Business District-Commercial Zone (CBD-C) and Wood Street District Zone – 8 (D-WS-8) to require a Conditional Use Permit for Transient Habitation Commercial Activities; and 3) requiring the additional Findings in Planning Code Section 17.103.050 for several Zoning Districts where this was omitted for Transient Habitation Commercial Activities.
	<b>Applicant:</b>	City of Oakland
	<b>Case File Number:</b>	<b>ZA18009</b>
	<b>General Plan:</b>	Citywide
	<b>Zoning:</b>	Citywide
	<b>Environmental Determination:</b>	The proposed amendments to the Planning Code rely on the previous set of applicable CEQA documents including: the Coliseum Area Specific Plan EIR (2015); Broadway Valdez Specific Plan EIR (2014); West Oakland Specific Plan EIR (2014); Central Estuary Area Plan EIR (2013); Wood Street EIR (2005), Transportation Element of the General Plan EIR (1998); the Oakland Estuary Policy Plan EIRs (1999, 2006) and Supplemental EIR (2013); the Redevelopment Area EIRs- West Oakland (2003), Central City East (2003), and Coliseum (1995); the 1998 Amendment to the Historic Preservation Element of the General Plan; the 2007-2014 Housing Element Final EIR (2010) and Addendum (2014); and various Redevelopment Plan Final EIRs (collectively, "Previous CEQA Documents").  No further environmental review is required under CEQA Guidelines Sections 15162 and 15163. Moreover, each as a separate and independent basis, this proposal is also exempt from CEQA pursuant to CEQA Guidelines Sections 15183 (projects consistent with General Plan and Zoning) and 15061(b)(3) (general rule, no significant effect on the environment).
	<b>Action to be Taken:</b>	To receive public comments; review and discuss the proposal

### APPEALS

The Commission will take testimony on each appeal. If you challenge a Commission decision in court, you will be limited to issues raised at the public hearing or in correspondence delivered to the Planning and Building Department, at, or prior to, the public hearing; provided, however, such issues were previously raised in the appeal itself.

Following testimony, the Commission will vote on the staff report and recommendation. If the Commission reverses/overturns the staff decision and no alternate findings for decisions have been prepared, then the vote on the matter will be considered a "straw" vote, which essentially is a non-binding vote directing staff to return to the Commission at a later date with appropriate findings for decision and, as applicable, conditions of approval that the Commission will consider in making a final decision. Unless otherwise noted, the decisions in the following matters are final and not administratively appealable. Any party seeking to challenge these decisions in court must do so within ninety (90) days of the date of the announcement of the final decision, pursuant to Code of Civil Procedure section 1094.6, unless a shorter period applies.
