

WEST OAKLAND Truck Management Plan COMMUNITY WORKSHOP #4

July 18, 2018

Potential Solutions for Enforcement Posters E1 - E6

Improve Staff Training for Issuing Tickets

SOLUTION

Improve training of existing staff to perform ticketing of improperly parked trucks and trailers.

HOW SOLUTION WAS IDENTIFIED

A high level of enforcement activity is already occurring.

This will improve existing enforcement, and provide training if regulations are changed.

IMPLEMENTATION PROCESS

Work with City to identify staff.

Develop training program.

Implement training.

Do Targeted Parking Enforcement

SOLUTION

Do targeted enforcement of parking regulations at specific times and locations using existing staff, possibly using overtime.

HOW SOLUTION WAS IDENTIFIED

A high level of enforcement activity is already occurring.

This may help by shifting existing enforcement to specific locations or times.

IMPLEMENTATION PROCESS

Work with City to identify staff, locations, and times.

Develop targeted enforcement program.

Implement targeted enforcement.

Increase Truck Parking Fines

SOLUTION

Increase parking fines for trucks and/or chassis.

HOW SOLUTION WAS IDENTIFIED

Increased parking fines may help reduce prohibited parking behavior.

IMPLEMENTATION PROCESS

Prepare supporting analysis and documents.

Requires City Council approval.

Parking Tickets

Everything you need to know about Parking Tickets in Oakland

Parking fines are established by City Ordinance through a vote of the Oakland City Council and become part of the Oakland Municipal Code (OMC).

- **10.28.160 OMC** -- Parking an unattached trailer when prohibited - \$93
- **10.28.120 OMC** -- Parking a commercial vehicle in a residential area - \$273
- **10.36.050 OMC** -- Expired meter - \$58
- **10.36.030B OMC** -- Failure to display parking receipt - \$58
- **10.40.020A1 OMC** -- Parking in a Red Zone - \$83
- **10.40.090E OMC** -- Parking in a Bus Zone - \$265
- **10.08.150 OMC** -- Impeding a lane of traffic (double parking) - \$41
- **10.16.090 OMC** -- Failure to cramp wheels on grade - \$45
- **10.28.040 OMC** -- Parking in the wrong direction on a one-way street - \$48
- **10.28.040B OMC** -- Parking in the wrong direction on a two-way street - \$63
- **10.44.120A OMC** -- Parking in a Residential Parking Permit Zone - \$83

Hire More Staff to Issue Tickets

SOLUTION

Provide more staffing for parking enforcement.

HOW SOLUTION WAS IDENTIFIED

A high level of enforcement activity is already occurring.

This would increase enforcement.

IMPLEMENTATION PROCESS

City Council must approve additional hires.

Long-term funding must be identified.

Timeframe
3 to 5
Years

Conduct Spot-Checks in Problem Areas along Non-Truck Routes

E5

SOLUTION

Have Oakland Police Department conduct spot checks in key locations along non-Truck Routes where trucks are often seen.

HOW SOLUTION WAS IDENTIFIED

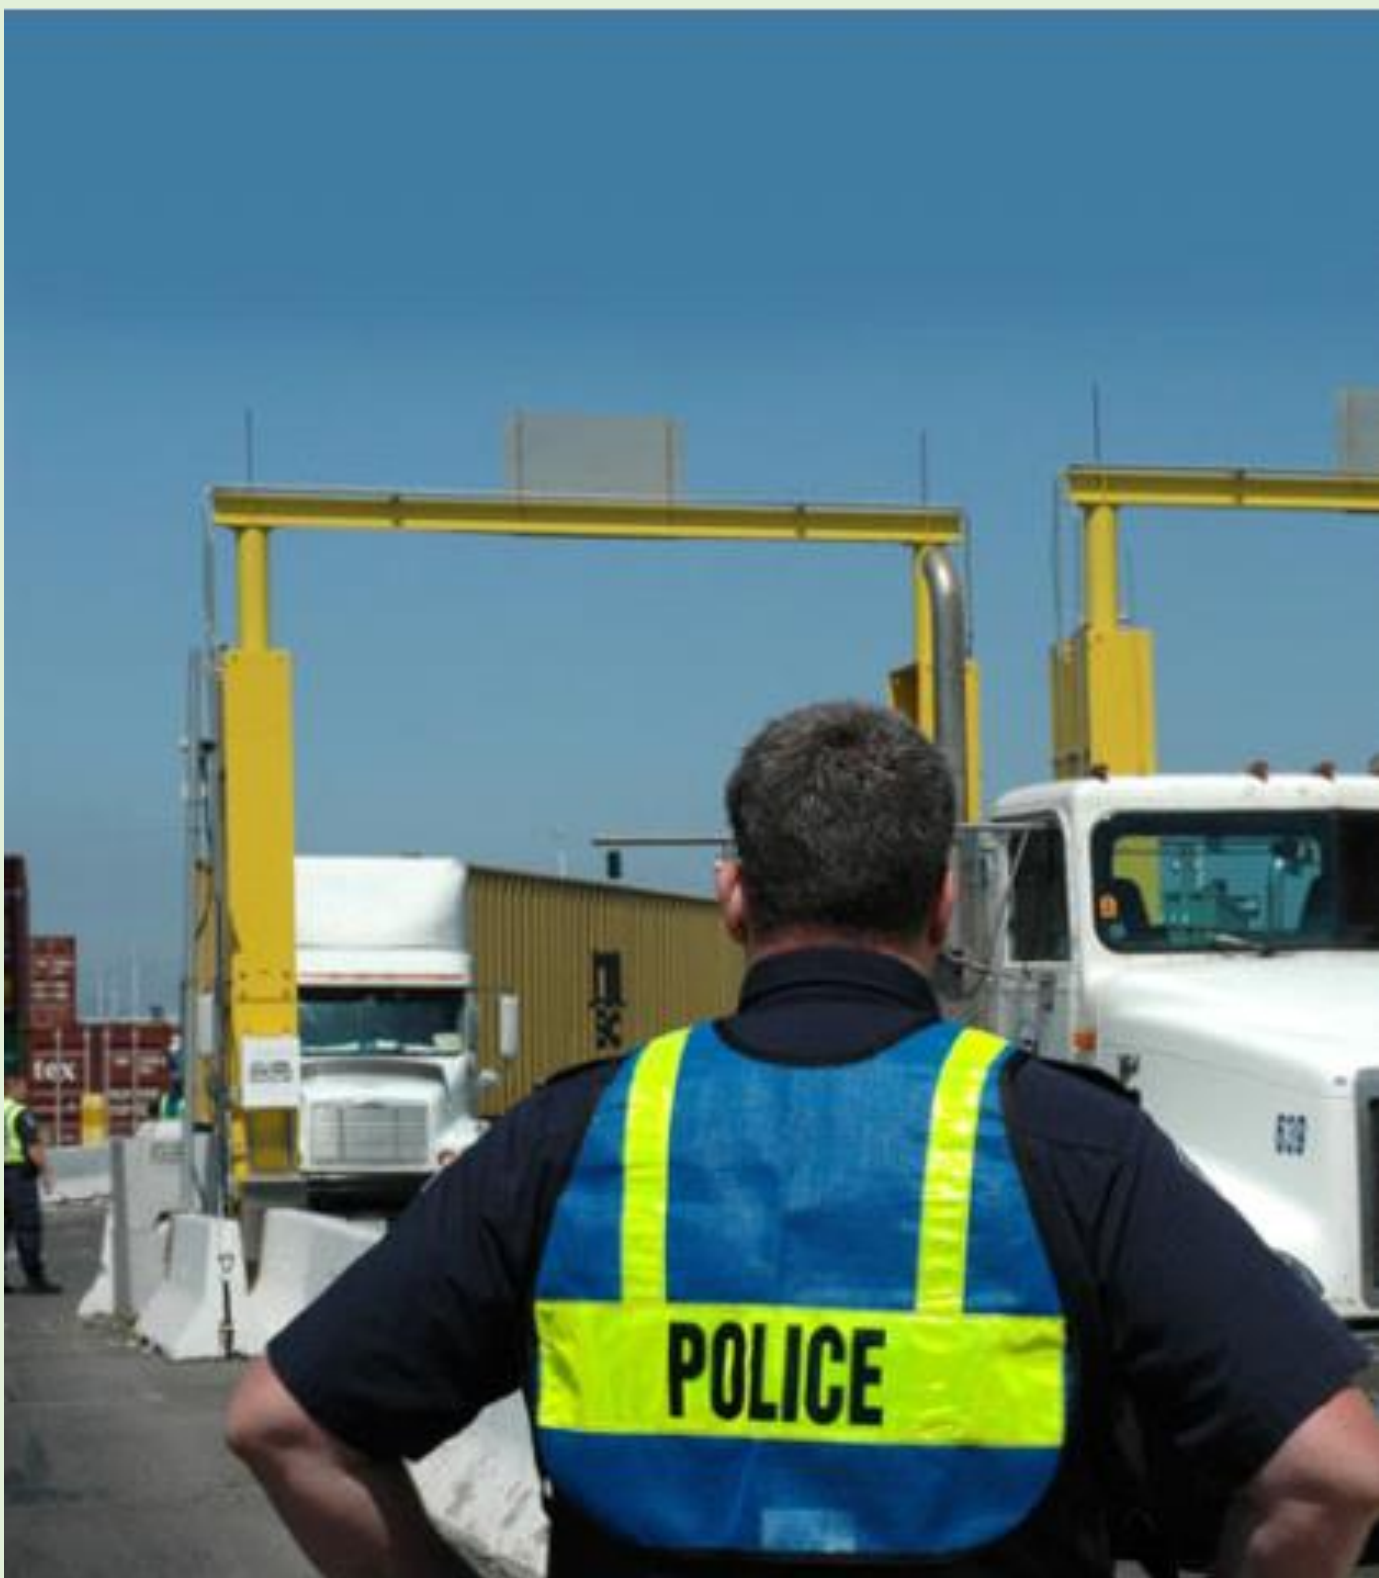

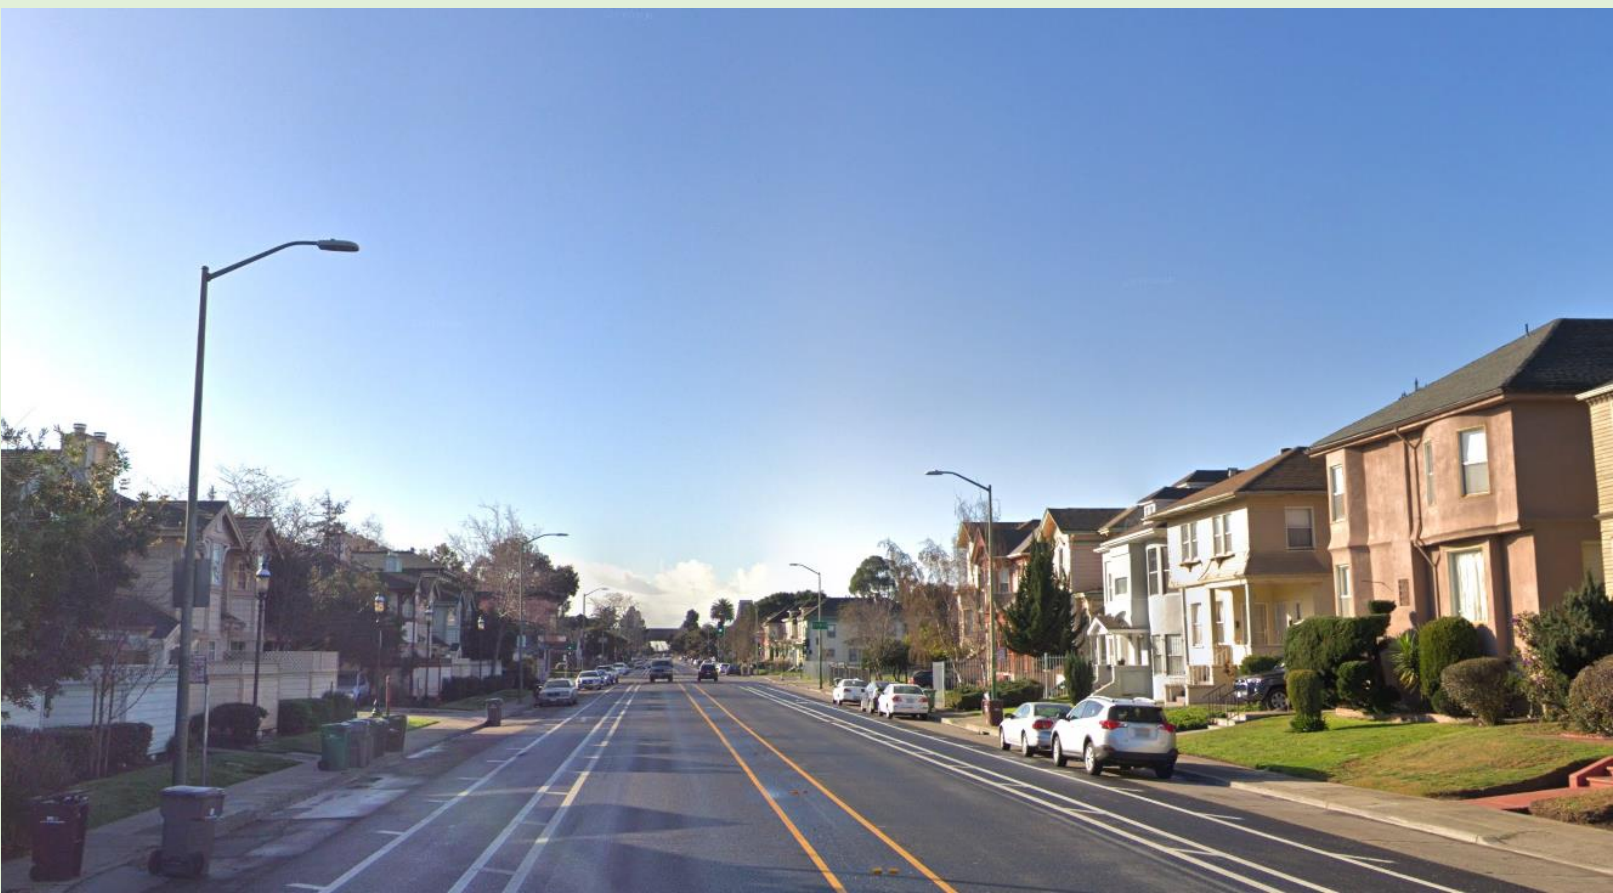

Trucks are seen on non-Truck Route streets since they can leave the Truck Routes to go to their destination.

Police officers following trucks on a regular basis would take extensive staff hours and funds.

IMPLEMENTATION PROCESS

Identify locations where spot-checks would be most effective.

Requires Oakland Police Department approval to re-allocated existing staff. Requires funding if additional staff would be assigned to this activity.

Timeframe
2 to 3
Years

Provide Updates on Enforcement

SOLUTION

Provide regular updates on enforcement activities (such as number of parking tickets issued to trucks each year, or repeat parking study) for 1-3 years.

HOW SOLUTION WAS IDENTIFIED

A high level of enforcement activity is already occurring.

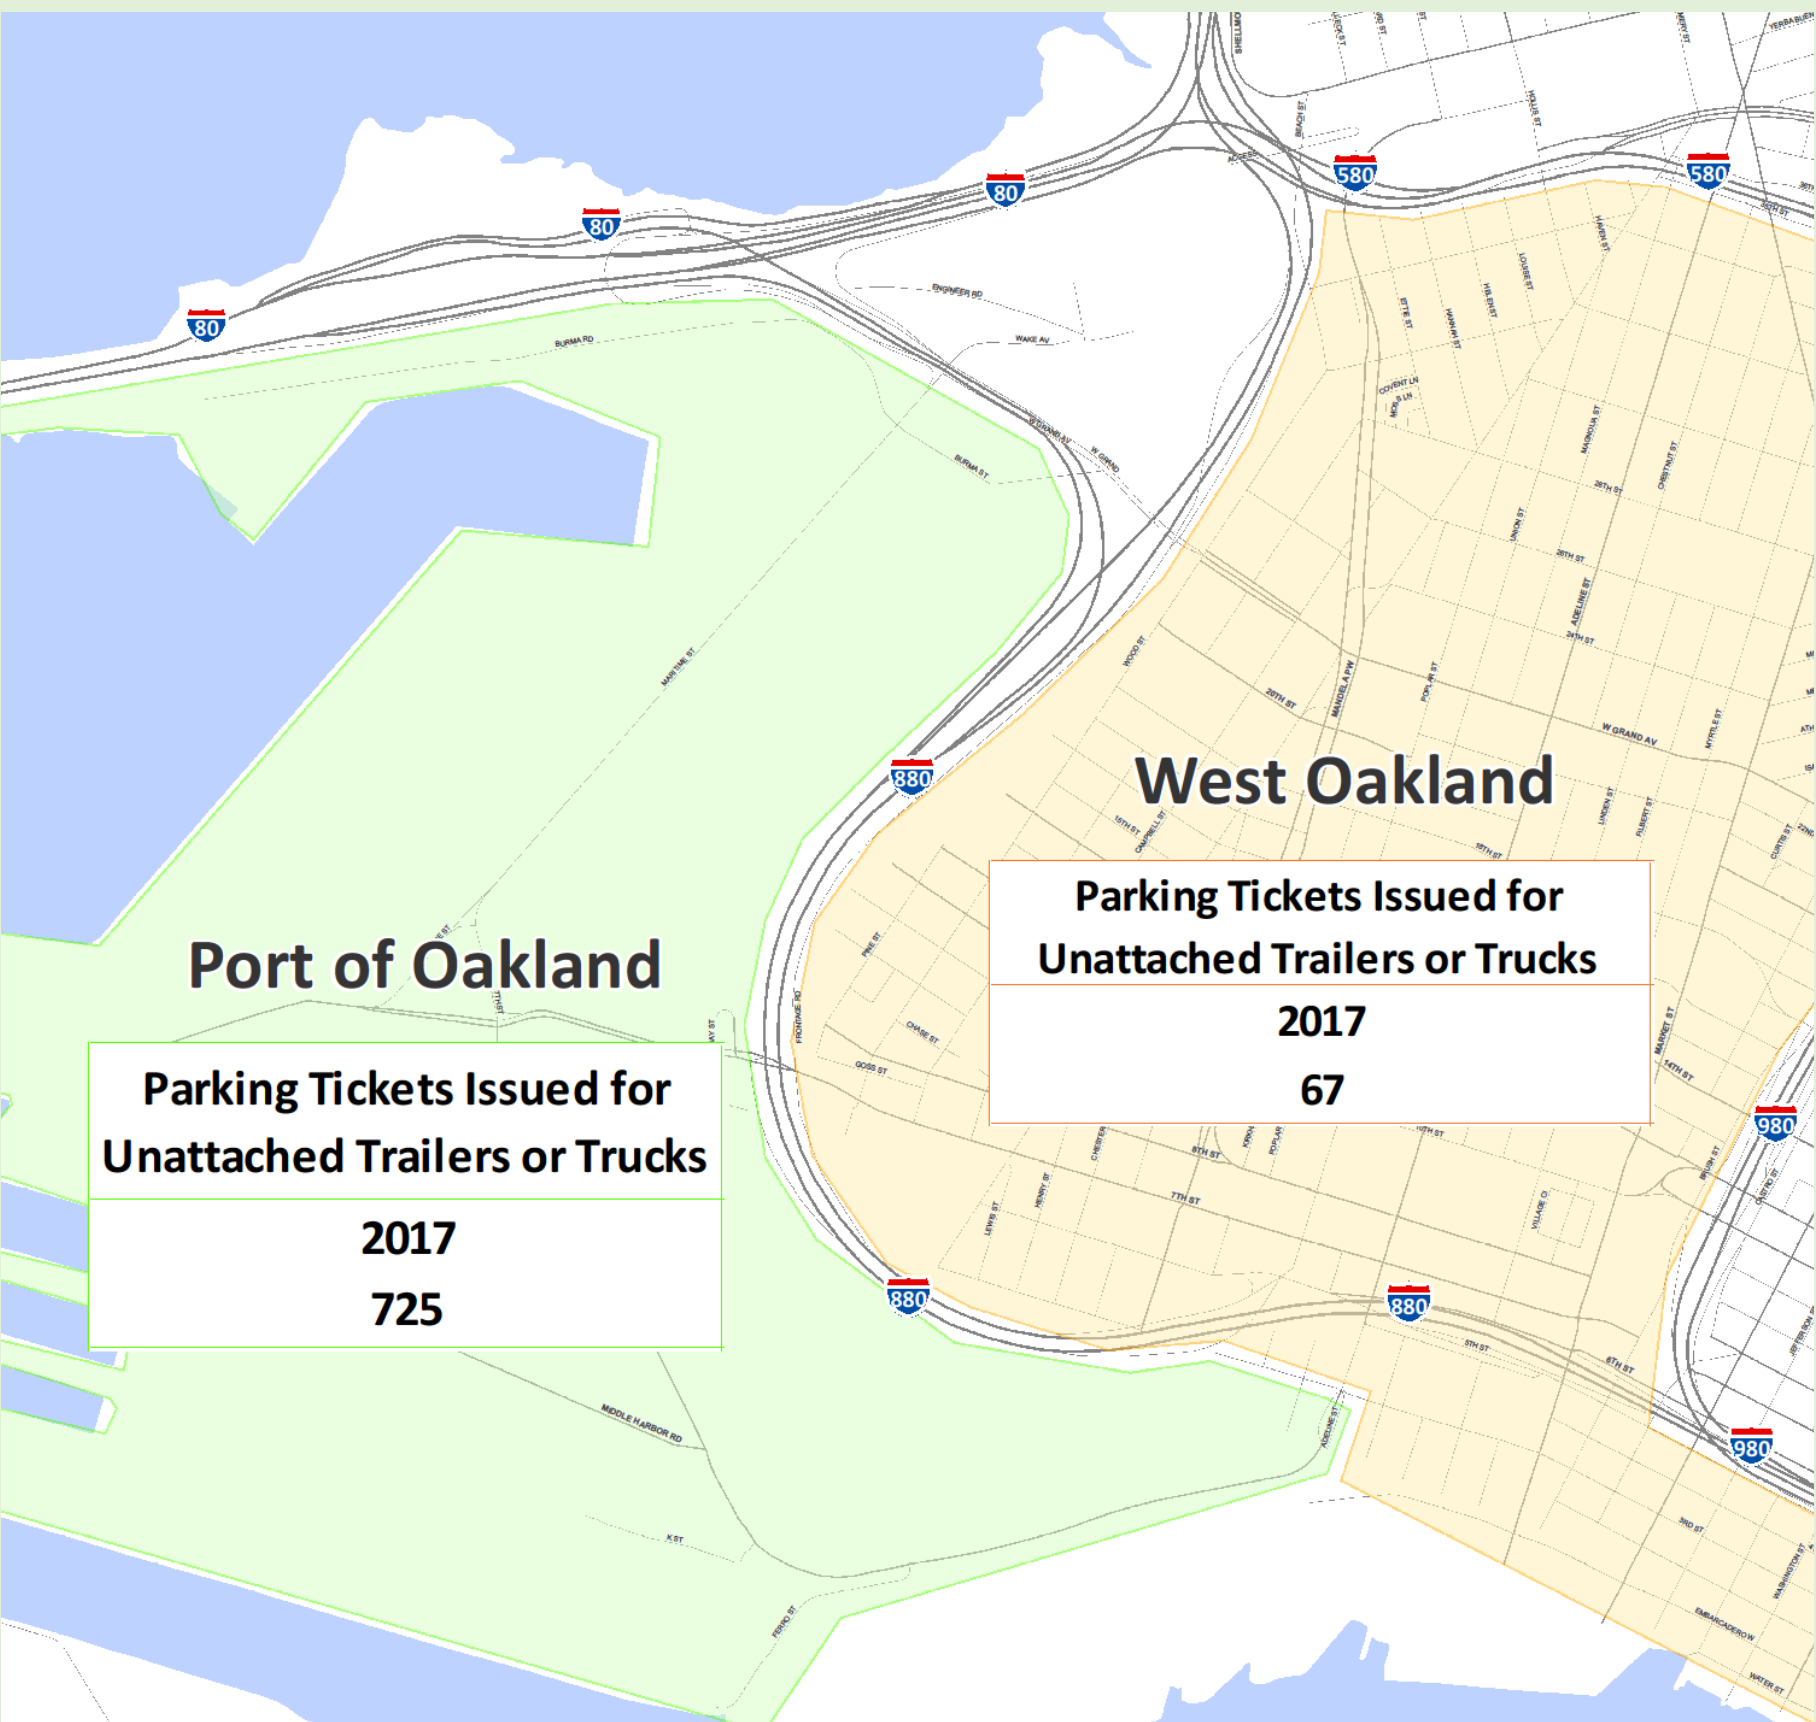

This will help verify it is continuing, and whether any truck management strategies are leading to improvements.

IMPLEMENTATION PROCESS

Identify data to be shared and at what intervals.

Collect data, perform analysis, prepare document.

Share broadly with community.
