## All Road Users Are Essential: May is Motorcycle Safety Awareness Month

*Oakland, Calif.* — May is Motorcycle Safety Awareness Month, and Oakland Police Department encourages the community to think about the safety of riders on two wheels and look twice for motorcycles.

“While we should be staying at home during the COVID-19 pandemic, we understand people need to get out once in a while and run essential errands,” Lieutenant Sean Fleming said. “Don’t let safety on the road go by the wayside, whether you are on two wheels or four.”

During May’s Motorcycle Safety Awareness Month, Oakland Police Officers will be conducting numerous Motorcycle Safety Enforcement Operations.

With nearly 900,000 registered motorcycles in the state, many road users are going places without the same protections as drivers. Motorcycle riders are 28 times more likely to die in a crash than vehicle occupants.

To help protect you and your family, keep the following tips in mind while driving or riding:

#### Drivers

- Always check twice for motorcycles. Both your mirrors and blind spots.
- Use your signal when changing lanes.
- Never follow a motorcycle too closely. Always keep a safe distance.
- When at an intersection, allow enough space before turning.

#### Motorcyclists:

- Always wear a DOT compliant helmet and protective gear like gloves and leather clothing.
- Consider adding reflective tape to your clothing to make it easier for other drivers to see you.
- Keep your lights on at all times, even during the day.

- Don't assume drivers see you: signal well in advance before changing lanes and watch for turning vehicles.

Lastly, never drive/ride under the influence of alcohol and/or drugs. Remember, we are all in this together, even if we are told to stay apart.
