The Mayor oversees the Executive Branch of government and appoints the City Administrator, subject to confirmation by the City Council. Each year the Councilmembers elect one member as President of the Council and one member to serve as President Pro Tem. The City Council has no administrative powers. It is the role of the City Council to:

- Make City policy and give general policy direction to departments through the City Administrator or Mayor.
- Vote on ordinances and resolutions.
- Adopt a biannual budget.
